ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

(a) 2007 Management Incentive Plan.

On August 8, 2006, the Executive Organization & Compensation Committee (the Committee) of the Board of Directors of Applied Industrial Technologies, Inc. (Applied) adopted the fiscal 2007 Management Incentive Plan (the MIP) for executive officers under the 1997 Long-Term Performance Plan (the LTTP). The MIP is Applied's program for rewarding officers for achieving annual goals. The size of the incentive payments depends on the level of performance achieved relative to earnings per share goals set by the Committee. MIP payments can range from 0% to 200% (for outstanding achievement) of the target incentive values the Committee established for each officer. A copy of the 2007 MIP General Terms is attached as Exhibit 10(a) to this Form.

(b) 2007-2009 Performance Grants.

On August 8, 2006, the Committee also adopted the 2007-2009 Performance Grant program under the LTTP. The Committee has made annual awards of three-year performance grants to the executive officers since fiscal 2002. The payout at the end of the three-year performance period is calculated based on Applied's achievement of performance goals over that period. Goals are based on sales growth, return on sales, and total shareholder return. Payouts can range from 0% to 200% (for outstanding achievement) of the target incentive values the Committee established for each officer, and are made in cash, Applied common stock, or a combination thereof, as determined by the Committee. A copy of the Performance Grant Terms and Conditions is attached as Exhibit 10(b) to this Form.

(c) Stock Appreciation Rights.

The Committee also awarded non-qualified stock-settled stock appreciation rights to the executive officers under the LTTP on August 8, 2006. A form of the Stock Appreciation Rights Award Terms and Conditions was filed as Exhibit 10(c) to our Form 8-K filed on August 9, 2005.
