Item 1.01 Entry into a Material Definitive Agreement.

On August 8, 2006, the Compensation Committee of The North American Coal Corporation (NA Coal), a wholly owned subsidiary of NACCO Industries, Inc., adopted (1) Amendment No. 1 to The North American Coal Corporation Value Appreciation Plan For Years 2000 to 2009 (As Amended and Restated as of January 1, 2005) (Amendment No. 1 to Old VAP) and (2) The North American Coal Corporation Value Appreciation Plan For Years 2006 to 2015 (Effective as of January 1, 2006) (the New VAP).

Amendment No. 1 to Old VAP freezes The North American Coal Corporation Value Appreciation Plan For Years 2000 to 2009 (As Amended and Restated as of January 1, 2005) (the Old VAP) as of January 1, 2006 and rescinds the target awards that were granted thereunder for the 2006 calendar year. While no new awards will be granted under the Old VAP, outstanding awards will continue to be subject to the terms of the Old VAP. As such, the value of the awards will remain credited to participants' accounts and will be credited with interest based upon the average monthly rate of ten-year U.S. Treasury Bonds. The accounts will be paid at the earlier of December 31, 2009, the date of termination of employment on account of death, disability or retirement or in the event of an unforeseeable emergency.

The Compensation Committee of the Board of Directors of NA Coal (the Compensation Committee) adopted the New VAP as a replacement for the Old VAP. The New VAP is substantially similar to the Old VAP. Employees of NA Coal and its subsidiaries, who, in the judgment of the Compensation Committee occupy officer or key management positions, are eligible to participate in the New VAP.

In addition to adopting the New VAP, the Compensation Committee established performance criteria for the ten-year term of the New VAP. For the years 2006 to 2015, participants are eligible to earn a target long-term incentive award during each annual award term. Final awards for participants under the New VAP are based on the participants' target awards measured against the following performance criteria for the ten-year term of the New VAP:
net income of current projects; and

net income of new projects.

Amendment No. 1 to Old VAP and the New VAP are attached to this Current Report on Form 8-K as Exhibits 10.1 and 10.2, respectively, and are hereby incorporated herein by reference. The foregoing summary of Amendment No. 1 to Old VAP and the New VAP is qualified in its entirety by reference to the full text of Amendment No. 1 to Old VAP and the New VAP, which are attached hereto as Exhibits 10. 1 and 10.2, respectively.
