**Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing**

On March 23, 2007, the NASDAQ Stock Market ( "NASDAQ" ) notified Atlantis Plastics, Inc. (the "Company" ) that for the last 30 consecutive trading days the market value of the Company's publicly held shares was less than the \$15 million minimum required for continued listing on the NASDAQ Global Market pursuant to Marketplace Rule 4450(b)(3). In accordance with Marketplace Rule 4450(e)(1), the Company is provided with 90 calendar days, or until June 21, 2007, to regain compliance. If, at any time prior to June 21, 2007, the market value of the Company's publicly held shares is \$15 million or more for a minimum of 10 consecutive trading days, the NASDAQ staff will provide written notification that the Company has achieved compliance. If compliance cannot be demonstrated by June 21, 2007, NASDAQ will provide written notification to the Company that its securities will be delisted. At that time, the Company will be permitted to appeal NASDAQ's determination to a Listings Qualification Panel.

The Company intends to monitor the market value of its publicly held securities and consider available options if its common stock does not trade at a level likely to result in the Company regaining compliance with the minimum market value of publicly held shares requirement by June 21, 2007. If the Company cannot demonstrate compliance, the Company's current intent is to appeal the determination to a Listings Qualification Panel and submit a plan of compliance at such time. The Company expects that any delisting would be stayed pending the outcome of such appeal.
