NEWS RELEASE

For Immediate Release

WEYERHAEUSER TENDER OFFER FOR WILLAMETTE INDUSTRIES EXTENDED TO MAY 18, 2001

FEDERAL WAY, Wash., March 12, 2001 - Weyerhaeuser Company (NYSE: WY) today announced that it has extended its \$48 per share cash tender offer for all of the outstanding common stock of Willamette Industries, Inc. (NYSE: WLL). The offer, which was extended early, has been extended until midnight, New York City time, on May 18, 2001, unless further extended. As of noon on March 12, 2001, Willamette shareholders had tendered and not withdrawn approximately 31.4 million shares pursuant to Weyerhaeuser's tender offer. The offer was previously scheduled to expire at midnight, New York City time, on March 30, 2001.

Steven R. Rogel, chairman, president, and chief executive officer of Weyerhaeuser, stated, "We are very pleased with the ongoing support we are receiving from the Willamette shareholders during this tender offer process, and now with the announcement of Willamette's long-delayed annual meeting, we are turning our focus to the election of directors. Finally, the Willamette shareholders will have the opportunity to show their strong support for our proposed transaction in a manner that cannot be ignored by the Willamette board. We would hope that well before the annual meeting, the Willamette board of directors will listen to its shareholders and act in their best interests by sitting down with Weyerhaeuser to negotiate a transaction that will create a new global leader in the forest products industry headquartered in the Pacific Northwest."

The company also noted that in Willamette's most recent press release and shareholder letter there were a number of mischaracterizations about Weyerhaeuser's nominees. In particular, Willamette included a quotation from Weyerhaeuser's February 9 proxy statement that Weyerhaeuser believes was deliberately abbreviated in such a manner as to alter the meaning of the statement. The complete sentence set forth in Weyerhaeuser's proxy statement reads:

"IT IS EXPECTED THAT THE WEYERHAEUSER NOMINEES WILL, SUBJECT TO THEIR FIDUCIARY DUTIES, seek to cause [Willamette's] board of directors to take all such actions as may be necessary to facilitate the tender offer and the proposed merger."

(Language omitted by Willamette is in bold)

Weyerhaeuser Company, one of the world's largest integrated forest products companies, was incorporated in 1900. In 2000, sales were \$16 billion. Any such forward looking statement made by Weyerhaeuser with respect to the Willamette tender offer is not entitled to the benefit of the safe harbor protections of the Private Securities Litigation Reform Act of 1995. The accuracy of such forward looking statements is subject to a number of risks, uncertainties and assumptions that may cause actual results to differ materially from those projected, including, but not limited to, the effect of general economic conditions, including the level of interest rates and housing starts; market demand for the company's products, which may be tied to the relative strength of various US business segments; performance of the company's manufacturing operations; the types of logs harvested in the company's logging operations; the level of competition from foreign producers; the effect of forestry, land use, environmental and other governmental regulations; and the risk of losses from fires, floods and other natural disasters. The company is also a large exporter and is affected by changes in economic activity in Europe and Asia, particularly Japan, and by changes in currency exchange rates, particularly the relative value of the US dollar and the Euro, and restrictions on international trade. These and other factors that could cause or contribute to actual results differing materially from such forward looking statements are discussed in greater detail in the company's Securities and Exchange Commission filings.
