State below in reasonable detail the reasons why Form 10-K and 10-KSB, 20-F, 11-K, 10-Q, N-SAR, or the transition report or portion thereof could not be filed within the prescribed period.

Earlier this year, the Registrant received a letter of comments from the Staff of the Securities and Exchange Commission relating to its Annual Report on Form 10-K for the year ended June 30, 2001. In response to these comments, the Registrant has exchanged correspondence and had discussions with members of the Staff. The Registrant now believes that the majority of the comments have been satisfactorily resolved. However, resolution of certain of the more material comments caused a delay in preparation and finalization of the Registrant's audited financial statements. This delay resulted in the Registrant not being able to file its Annual Report on Form 10-K for the fiscal year ended June 30, 2002 without unreasonable effort or expense within the prescribed time period.
