**PROPOSAL 1: TO APPROVE THE EXISTING INVESTMENT ADVISORY AGREEMENT BETWEEN THE FUND AND ITS INVESTMENT ADVISER, W.H. REAVES AND CO., INC. (THE "ADVISER" OR "REAVES")**

**EXISTING ADVISORY AGREEMENT**

The existing Advisory Agreement, dated February 24, 2004, was unanimously approved on February 20, 2004, by a vote cast in person by a majority of the Trustees, including a majority of the Independent Trustees for an initial term expiring on February 24, 2006.

The existing Advisory Agreement requires that it be submitted for approval by shareholders of the Fund at the first meeting of shareholders of the Fund following the initial offering of shares of the Fund. Subject to such approval, the existing Advisory Agreement may be continued from year to year thereafter as long as each such continuance is approved at least annually by the Board, or by an affirmative vote of a majority of the Funds outstanding voting securities (as defined below under "Vote Required") of the Fund. Any such continuance also must be approved by a majority of the Trustees who are not parties to the Advisory Agreement or interested person of any such party, cast in person at a meeting called for the purpose of voting on such continuance. Upon sixty (60) days' written notice, the existing Advisory Agreement may be terminated at any time without penalty by a vote of a majority of the Board of Trustees of the Fund, by a vote of a majority of the outstanding voting securities of the Fund, or by the Advisor. The Advisory Agreement will terminate automatically if it is assigned.

The existing Advisory Agreement provides that the Adviser shall serve as the Fund's investment adviser with full discretion to manage the investments of the Fund, subject to and in accordance with the Advisory Agreement and the investment objectives, policies and restrictions set forth in the prospectus and statement of additional information contained in the Fund's Registration Statement on Form N-2 under the Securities Act of 1933, as amended, (the "Securities Act"), and the Investment Company Act as currently in effect and as supplemented and/or amended from time to time (respectively the "Registration Statement", the "Prospectus" and the "Statement of Additional Information").

As full compensation for its advisory services to the Fund, the Fund shall pay the Adviser, in arrears, a monthly investment advisory fee based on the average daily total assets of the Fund (including any assets attributable to any preferred shares that may be outstanding or otherwise attributable to the use of leverage) as of the close of business of the last business day of each calendar month at a rate of 0.575% (57.5 basis points) annually (0.047917% monthly) of.

The Adviser has also agreed to pay from its own assets additional compensation to Merrill Lynch, Pierce, Fenner & Smith Incorporated. This additional compensation will be payable quarterly at the annual rate of 0.15% (15 basis points) (0.0375% quarterly) of the Fund's average weekly total assets (including any assets attributable to any preferred shares that may be outstanding or otherwise attributable to the use of leverage) during the continuance of the Advisory Agreement between the Adviser and the Fund or other subsequent advisory agreements between these parties.

For the period from February 24, 2004 (inception) to October 31, 2004, the Fund paid to Reaves total advisory fees of \$2,336,725.

## Edgar Filing: REAVES UTILITY INCOME FUND - Form PRE 14A

In its consideration of the Advisory Agreement, the Fund's Board of Trustees, including the non-interested Trustees, considered in general the nature, quality and scope of services to be provided by Reaves. The Board of Trustees, including the non-interested Trustees, met with Ronald Sorenson, Executive Vice President and Portfolio Manager of Reaves, who described Reaves' professional experience. He stated that Reaves, which was founded in 1961, specialized in investments in securities issued by utility companies, had a 24-year track record of managing investments for institutional clients and had over \$1.1 billion in utility stocks under management.

Mr. Sorenson discussed Reaves' organizational structure and referred the Trustees to the biographies of the portfolio managers and senior analysts of Reaves included in the materials distributed in advance of the meeting to the Trustees, emphasizing that each of the portfolio managers had an average of over 34 years of investment experience. Mr. Sorenson referred to and briefly reviewed Reaves' investment adviser registration form on Form ADV. Several of the Trustees acknowledged their familiarity with the expertise and standing in the investment community of the Reaves organization. The Trustees concluded that Reaves' portfolio management team was well qualified to serve the Fund in those functions. Mr. Sorenson reviewed with the Trustees Reaves' balance sheet as of November 30, 2003. Mr. Sorenson reviewed with the Trustees Reaves' facilities and disaster recovery plan. He then reviewed Reaves' best execution, soft dollar practices and proxy voting policies. Mr. Sorenson briefly reviewed the ongoing investigations by the New York State Attorney General and the Securities and Exchange Commission relating to order timing and related matters. The Trustees concluded that Reaves appeared to have adequate procedures and personnel in place to ensure compliance by Reaves with applicable law and with the Fund's investment objective and restrictions.

Mr. Sorenson reviewed the terms of the Advisory Agreement, stating that Reaves would receive a fee of 0.575% of the average daily total assets of the Fund. Additionally, Mr. Sorenson noted that Reaves would pay a fee equal to an annual rate of 0.15% of the Fund's average weekly total assets to Merrill Lynch, Pierce, Fenner & Smith Incorporated. He stated that it was difficult to estimate Reaves' profitability based on historical data because the Fund is the first registered investment company to be advised by Reaves.

The Board of Trustees reviewed and discussed with Mr. Sorenson materials prepared and distributed in advance of the meeting regarding the comparability of the investment advisory fee with the fees paid by other investment companies. For comparison, the Board of Trustees was presented with fees from 40 closed-end investment companies characterized as preferred income and stock funds, sector equity funds or value equity funds. The management expense (including administrator fees) for this group ranged from 0.217% to 7.982%, with an average of 1.325%. The total expenses for this group ranged from 0.908% to 41.280%, with an average of 2.923%. The Fund's total expenses would be 0.840%.

Mr. Sorenson stated that in the near term Reaves did not expect any fallout benefits or any other direct or indirect benefits to result to it from its relationship with the Fund.

At that point, W. Robert Alexander (the Fund's Chairman), Everett Morris (another of the Trustees) and Mr. Sorenson, all "interested persons" of the Fund, and the representatives of ALPS left the meeting.

Fund counsel, who is also counsel to the Independent Trustees, referred the Independent Trustees to a memorandum that was previously distributed to them discussing the Trustees' fiduciary duties to the Fund and its shareholders in connection with the approval of the Advisory Agreement. The Independent Trustees reviewed and discussed in more detail the information that had been presented relating to Reaves, the Advisory Agreement and Reaves' profitability.

Mr. Alexander, Mr. Morris, Mr. Sorenson and the representatives of ALPS rejoined the meeting. The non-interested Trustees requested additional assurance from Mr. Sorenson that Reaves had sufficient personnel to ensure proper handling of the Fund's portfolio. Mr. Sorenson reported that he was comfortable that that was the case. The non-interested Trustees also stated that they reserved the right to revisit the amount of the advisory fee, depending upon the size of the Fund's portfolio.

The Board of Trustees, with the non-interested Trustees voting separately, concluded that the proposed investment advisory fee of 0.575% of the Fund's total assets is fair and reasonable for the Fund and that the Advisory Agreement is in the best interests of the Fund and its shareholders.

#### **VOTE REQUIRED**

As provided under the Investment Company Act of 1940 ("1940 Act"), approval of the existing Advisory Agreement will require the affirmative vote of a majority of the outstanding shares of the Fund. Such a majority is defined in the 1940 Act as the lesser of: (a) 67% or more of the shares present at such meeting, if the holders of more than 50% of the outstanding shares of the Fund are present or represented by proxy, or (b) more than 50% of the total outstanding shares of the Fund.

**THE BOARD OF TRUSTEES, INCLUDING THE "NON-INTERESTED" TRUSTEES, UNANIMOUSLY RECOMMENDS THAT THE COMMON AND PREFERRED SHAREHOLDERS VOTE "FOR" THE APPROVAL OF THE INVESTMENT ADVISORY AGREEMENT.**

**PROPOSAL 2: TO ELECT TWO (2) TRUSTEES OF THE FUND**

**NOMINEES FOR THE BOARD OF TRUSTEES**

The Board of Trustees is divided into three classes, each class having a term of three years. Each year the term of office of one class will expire. Mary K. Anstine and Michael F. Holland have both been nominated by the Board of Trustees for a three-year term to expire at the Fund's 2008 Annual Meeting of Shareholders or until their successors are duly elected and qualified.

Under the Fund's Declaration of Trust, Statement of Preferences and the 1940 Act, holders of the Fund's outstanding Preferred Stock, voting as a separate class, are entitled to elect two Trustees, and holders of the Fund's outstanding Common Stock and Preferred Stock, voting as a single class, are entitled to elect the remaining Trustees, subject to the provisions of the 1940 Act and the Fund's Declaration of Trust, Statement of Preferences and By-Laws. The holders of the Fund's outstanding Preferred Stock would be entitled to elect the minimum number of additional Trustees that would represent a majority of the Trustees if dividends on the Fund's Preferred Stock are in arrears for two full years. No dividend arrearages exist at this time. There are no nominees for election as Trustees at the Meeting to be elected solely by the holders of the Fund's Preferred Stock.

Unless authority is withheld, it is the intention of the persons named in the proxy to vote the proxy "FOR" the election of the Nominees named above. Each nominee has indicated that she/he has consented to serve as a Trustee if elected at the Meeting. If a designated Nominee declines or otherwise becomes unavailable for election, however, the proxy confers discretionary power on the persons named therein to vote in favor of a substitute nominee or nominees.

The aggregate remuneration (not including out-of-pocket expenses) paid by the Fund to such Trustees during the period from February 24, 2004 (inception) through October 31, 2004 amounted to \$40,000. Each Trustee then serving in such capacity attended at least 75% of the meetings of Trustees and of any Committee of which he or she is a member.

### AUDIT COMMITTEE REPORT

The role of the Fund's Audit Committee is to assist the Board of Trustees in its oversight of (i) the quality and integrity of Fund's financial statements, reporting process and the independent audit and reviews thereof; (ii) the Fund's accounting and financial reporting policies and practices, its internal controls and, as appropriate, the internal controls of certain service providers; (iii) the Fund's compliance with legal and regulatory requirements; and (iv) the independent auditor's qualifications, independence and performance. The Audit Committee is also required to prepare an audit committee report pursuant to the rules of the Securities and Exchange Commission (the "SEC") for inclusion in the Fund's annual proxy statement. The Audit Committee operates pursuant to the Audit Committee Charter (the "Charter") that was most recently reviewed and approved by the Board of Trustees on February 20, 2004. The Charter is attached as Appendix A to this Proxy Statement. As set forth in the Charter, management is responsible for maintaining appropriate systems for accounting and internal control, and the Fund's independent accountants are responsible for planning and carrying out proper audits and reviews. The independent accountants are ultimately accountable to the Board of Trustees and to the Audit Committee, as representatives of shareholders. The independent accountants for the Fund report directly to the Audit Committee.

In performing its oversight function, at a meeting held on December 14, 2004, the Audit Committee reviewed and discussed with management of the Fund and the independent accountants, PricewaterhouseCoopers LLP ("PricewaterhouseCoopers"), the audited financial statements of the Fund as of and for the fiscal year ended October 31, 2004, and discussed the audit of such financial statements with the independent accountants.

In addition, the Audit Committee discussed with the independent accountants the accounting principles applied by the Fund and such other matters brought to the attention of the Audit Committee by the independent accountants required by Statement of Auditing Standards No. 61, COMMUNICATIONS WITH AUDIT COMMITTEES, as currently modified or supplemented. The Audit Committee also received from the independent accountants the written disclosures and statements required by the SEC's independence rules, delineating relationships between the independent accountants and the Fund and discussed the impact that any such relationships might have on the objectivity and independence of the independent accountants.

As set forth above, and as more fully set forth in the Charter, the Audit Committee has significant duties and powers in its oversight role with respect to the Fund's financial reporting procedures, internal control systems, and the independent audit process.

The members of the Audit Committee are not, and do not represent themselves to be, professionally engaged in the practice of auditing or accounting and are not employed by the Fund for accounting, financial management or internal control purposes. Moreover, the Audit Committee relies on and makes no independent verification of the facts presented to it or representations made by management or independent verification of the facts presented to it or representations made by management or the Fund's independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate

accounting and/or financial reporting principles and policies, or internal controls and procedures, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of the Fund's financial statements has been carried out in accordance with generally accepted accounting standards or that the financial statements are presented in accordance with generally accepted accounting principles.

Based on its consideration of the audited financial statements and the discussions referred to above with management and the Fund's independent accountants, and subject to the limitations on the responsibilities and role of the Audit Committee set forth in the Charter and those discussed above, the Audit Committee recommended to the Board of Trustees that the Fund's audited financial statements be included in the Fund's Annual Report for the period from February 24, 2004 (inception) through October 31, 2004.

The Fund knows of no direct financial or material indirect financial interest of PricewaterhouseCoopers in the Fund. A representative of PricewaterhouseCoopers will not be present at the Meeting, but will be available by telephone and will have an opportunity to make a statement, if asked, and will be available to respond to appropriate questions.

For the period from February 24, 2004 (inception) through October 31, 2004 PricewaterhouseCoopers has represented to the Fund that it performed non-audit services in connection with the issuance of the Preferred Shares (but did not bill any fees for such services during the fiscal period) to the Fund, the investment adviser or ALPS or any affiliates thereof that provides services to the Fund. During and for the fiscal period ended October 31, 2004, PricewaterhouseCoopers billed the Fund \$63,000 for audit fees related to the audit of the Fund's annual financial statements and non-recurring services that are normally provided by the accountant in connection with the initial offering of Common Shares and each series of Preferred Shares of the Fund.

## Edgar Filing: REAVES UTILITY INCOME FUND - Form PRE 14A

The Fund's Audit Committee Charter requires that the Audit Committee pre-approve all audit and non-audit services to be provided by the auditors to the Fund, and all non-audit services to be provided by the auditors to the Fund's investment adviser and service providers controlling, controlled by or under common control with the Fund's investment adviser ("affiliates") that provide on-going services to the Fund (a "Covered Services Provider"), if the engagement relates directly to the operations and financial reporting of the Fund. The Audit Committee may delegate its responsibility to pre-approve any such audit and permissible non-audit services to the Chairman of the Audit Committee, and the Chairman must report to the Audit Committee, at its next regularly scheduled meeting after the Chairman's pre-approval of such services, his decision(s). The Audit Committee may also establish detailed pre-approval policies and procedures for pre-approval of such services in accordance with applicable laws, including the delegation of some or all of the Audit Committee's pre-approval responsibilities to other persons (other than the Adviser or the Fund's officers). Pre-approval by the Audit Committee of any permissible non-audit services is not required so long as: (i) the aggregate amount of all such permissible non-audit services provided to the Fund, the Adviser and any Covered Services Provider constitutes not more than 5% of the total amount of revenues paid by the Fund to its independent auditors during the fiscal year in which the permissible non-audit services are provided; (ii) the permissible non-audit services were not recognized by the Fund at the time of the engagement to be non-audit services; and (iii) such services are promptly brought to the attention of the Audit Committee and approved by the Audit Committee or the Chairman prior to the completion of the audit. All of the audit, audit-related and tax services described above for which PricewaterhouseCoopers billed the Fund fees for the period from February 24, 2004 (inception) through October 31, 2004 were pre-approved by the Audit Committee.

### **COMPLIANCE WITH THE SECURITIES EXCHANGE ACT OF 1934**

Section 16(a) of the 1934 Act and Section 30(h) of the 1940 Act, and the rules thereunder, require the Fund's officers and Trustees, officers and Directors of the Adviser, affiliated persons of the Adviser, and persons who own more than 10% of a registered class of the Fund's Shares, to file reports of ownership and changes in ownership with the SEC and the AMEX and to furnish the Fund with copies of all Section 16(a) forms they file. Based solely on the Fund's review of the copies of such forms it receives, the Fund believes that during the calendar year ended 2004, such persons complied with all such applicable filing requirements.

### **BROKER NON-VOTES AND ABSTENTIONS**

The affirmative vote of a plurality of votes cast for each Nominee by the holders entitled to vote for a particular Nominee is necessary for the election of a Nominee. However, for the approval of the existing investment advisory agreement, an affirmative vote of a majority (as defined in the 1940 Act) of votes cast is necessary.

For the purpose of approving the existing advisory agreement and electing Nominees, abstentions or broker non-votes will not be counted as votes cast and will have no effect on the result of the election. Abstentions or broker non-votes, however, will be considered to be present at the Meeting for purposes of determining the existence of a quorum.

Shareholders of the Fund will be informed of the voting results of the Meeting in the Fund's Semi-Annual Report dated April 30, 2005.

**OTHER MATTERS TO COME BEFORE THE MEETING**

The Trustees of the Fund do not intend to present any other business at the Meeting, nor are they aware that any shareholder intends to do so. If, however, any other matters, including adjournments, are properly brought before the Meeting, the persons named in the accompanying form of proxy will vote thereon in accordance with their judgment.

**SHAREHOLDER PROPOSALS**

All proposals by shareholders of the Fund, which are intended to be presented at the Fund's next Annual Meeting of Shareholders to be held in the first calendar quarter 2006, must be received by the Fund for consideration for inclusion in the Fund's Proxy Statement and proxy relating to that meeting no later than October 1, 2005. There are additional requirements regarding proposals of shareholders, and a shareholder contemplating submission of a proposal is referred to Rule 14a-8 under the 1934 Act.

**IT IS IMPORTANT THAT PROXIES BE RETURNED PROMPTLY. SHAREHOLDERS WHO DO NOT EXPECT TO ATTEND THE MEETING ARE THEREFORE URGED TO COMPLETE, SIGN, DATE AND RETURN THE PROXY CARD AS SOON AS POSSIBLE IN THE ENCLOSED POSTAGE-PAID ENVELOPE.**
