EXPLANATORY NOTE

The purpose of this filing is to deregister the resale by a certain Selling Securityholder (as defined below) of up to 4,176,673 shares of our common stock, per value \$.01 per share, under that certain Registration Statement on Form S-3 (File No. 333-66047), as amended, and together with all exhibits, amendments and supplements thereto (the Registration Statement), as originally filed by Medarex, Inc. (the Registrant) with the Commission on October 23, 1998.

This request is made based upon the following grounds:

Pursuant to the terms of a Rights Exchange Agreement, dated June 10, 1998 (the Agreement), entered into by and among the Registrant and BCC Acquisition I LLC (the Selling Securityholder) in connection with the merger of GenPharm International, Inc. (GenPharm), with a subsidiary of the Registrant and pursuant to which GenPharm became a wholly-owned subsidiary of the Registrant, the Registrant filed the Registration Statement covering securities issued to the Selling Securityholder as consideration in the merger, and the parties thereto agreed that the Registration Statement would remain in effect for a period of seven years from the closing date or such shorter period that would terminate when all of the registrable securities covered by the Registration Statement had been sold pursuant thereto.

Because it has been more than seven years since the August 4, 1998 closing date, the Registrant no longer has an obligation under the Agreement to maintain the Registration Statement s effectiveness.
