BY ORDER OF THE BOARD OF DIRECTORS

Edgar Filing: ROLLINS INC - Form DEF 14A

Thomas E. Luczynski

Secretary

Atlanta, Georgia

March 18, 2013

Whether or not you expect to attend the annual meeting, please sign, date and return the enclosed proxy card promptly. Alternatively, you may give a proxy by telephone or over the Internet by following the instructions on your proxy card. If you decide to attend the meeting, you may, if you wish, revoke the proxy and vote your shares in person.

PROXY STATEMENT

This Proxy Statement and a form of proxy were first mailed to stockholders on or about March 18, 2013. The following information concerning the proxy and the matters to be acted upon at the Annual Meeting of Stockholders to be held on April 23, 2013, is submitted by the Company to the stockholders in connection with the solicitation of proxies on behalf of the Company's Board of Directors.

SOLICITATION OF AND POWER TO REVOKE PROXY

A form of proxy is enclosed. Each proxy submitted will be voted as directed, but if not otherwise specified, proxies solicited by the Board of Directors of the Company will be voted in favor of the candidates for the election to the Board of Directors, in favor of the proposal to approve the Performance-Based Incentive Cash Compensation Plan for Executive Officers and in favor of ratification of the appointment of our independent registered public accounting firm for the fiscal year ending December 31, 2013.

A stockholder executing and delivering a proxy has power to revoke the same and the authority thereby given at any time prior to the exercise of such authority, if he so elects, by contacting either proxy holder, by timely submitting a later dated proxy changing your vote, or by attending the meeting and voting in person. However, a beneficial stockholder who holds his shares in street name must secure a proxy from his broker before he can attend the meeting and vote. All costs of solicitation have been, and will be, borne by the Company.

Householding and Delivery of Proxy Materials

The Company has adopted the process called "householding" for any proxy materials in order to reduce printing costs and postage fees. Householding means that stockholders who share the same last name and address will receive only one copy of the proxy material, unless we receive contrary instructions from any stockholder at that address. The Company will continue to mail a proxy card to each stockholder of record.

If you prefer to receive multiple copies of the proxy material at the same address, additional copies will be provided to you promptly upon written or oral request. If you are a stockholder of record, you may contact us by writing to the Company 2170 Piedmont Rd., NE, Atlanta, GA 30324 or by calling 404-888-2000. Eligible stockholders of record receiving multiple copies of the proxy material can request householding by contacting the Company in the same manner.

CAPITAL STOCK

The outstanding capital stock of the Company on March 1, 2013 consisted of 146,293,030 shares of Common Stock, par value \$1.00 per share. Holders of Common Stock are entitled to one vote (non-cumulative) for each share of such stock registered in their respective names at the close of business on March 1, 2013, the record date for determining stockholders entitled to notice of and to vote at the meeting or any adjournment thereof.

A majority of the outstanding shares will constitute a quorum at the Annual Meeting. Abstentions will be counted for purposes of determining the presence or absence of a quorum for the transaction of business. In accordance with the General Corporation Law of the state of Delaware, the election of the nominees named herein as Directors will require the affirmative vote of a plurality of the votes cast by the shares of Company Common Stock entitled to vote in the election provided that a quorum is present at the Annual Meeting. In the case of a plurality vote requirement (as in the election of directors), where no particular percentage vote is required, the outcome is solely a matter of comparing the number of votes cast for each nominee, with those nominees receiving the most votes being elected, and hence only votes for director nominees (and not abstentions) are relevant to the outcome. In this case, the nominees receiving the most votes will be elected. The affirmative vote of a majority of the votes cast will be required to approve the Performance-Based Incentive Cash Compensation Plan for the Executive Officers. Abstentions and broker non-votes will have no effect on the proposal for approval of the Performance-Based Incentive Cash Compensation Plan for Executive Officers. The affirmative vote of a majority of a quorum of the Company's outstanding shares of Common Stock present and entitled to vote at the meeting is required to approve the ratification of the appointment of the Company's independent registered public accounting firm for fiscal year 2013. Abstentions will have the effect of a vote against the proposal and broker non-votes will have no effect on the proposal for the ratification of the appointment of the Company's independent registered public accounting firm. There are no rights of appraisal or similar dissenter's rights with respect to any matter to be acted upon pursuant to this Proxy Statement. It is expected that shares held of record by officers and directors of the Company, which in the aggregate represent approximately 56 percent of the outstanding shares of Common Stock, will be voted for the nominees, the proposal to approve the Performance-Based Incentive Cash Compensation Plan for Executive Officers, and for the ratification of the appointment of the Company's independent registered public accounting firm.

PROPOSAL 2:

**APPROVAL OF PERFORMANCE-BASED INCENTIVE CASH COMPENSATION
PLAN FOR EXECUTIVES**

The Internal Revenue Code prohibits the Company from taking an income tax deduction for remuneration paid during any fiscal year to its chief executive officer, chief financial officer and its three other most highly compensated executive officers to the extent that the remuneration of any such person exceeds \$1 million during such fiscal year, excluding remuneration that qualifies as "performance-based compensation." Section 162(m) of the Internal Revenue Code provides that in order for remuneration to be treated as qualified performance-based compensation, among other requirements, the material terms of the performance goals must be disclosed to and approved by the stockholders of the employer.

At the Annual Meeting, the stockholders will be asked to approve the terms relating to incentive compensation to be paid to the Company's executive officers pursuant to The Performance-Based Incentive Cash Compensation Plan for Executive Officers (the "2013 Cash Incentive Plan"). Executive officers will be eligible to participate in the 2013 Cash Incentive Plan. Executive officers of the Company (of which there are currently seven) will be entitled to receive bonuses up to 100% of their base salaries, or a maximum dollar amount of \$2,000,000 per individual per year, upon achievement of bonus performance goals, which shall be Rollins, Inc.'s achievement of pre-established performance goals in one or more of the following three targeted financial measures: revenue growth, pretax profit plan achievement, and pretax profit improvement over the prior year. The bonus performance goals for 2013 have been pre-established by the Compensation Committee and approved by the Board of Directors for all executive officers. For 2013, these performance goals will be measured by obtaining specific levels of the following: revenue growth, pre-tax profit plan achievement, and pre-tax profit improvement over the prior year. The Compensation Committee has set a maximum award of 100% of base salaries for fiscal year 2013 for Messrs. R. Randall Rollins and Gary W. Rollins. Messrs. John F. Wilson, Harry J. Cynkus and Eugene A. Iarocci have a maximum award potential of 60% of their base salaries for 2013. No bonuses will be payable under the 2013 Cash Incentive Plan if the Plan is not approved by stockholders at the Annual Meeting. For future years, goals will be set annually within 90 days after the commencement of the performance period to which such goals relate. The Company believes that the incentive-related provisions provide performance incentives that are and will be beneficial to the Company and its stockholders. This plan is intended to be in place until April 24, 2018.

Since the amounts payable under the plan for the year ending December 31, 2013 are dependent on Rollins, Inc.'s future financial performance, the amounts are not currently determinable. However, the following table sets forth information regarding the theoretical maximum amounts that could be earned under the 2013 Cash Incentive Plan by each of the following executives for the fiscal year ending December 31, 2013.

NEW PLAN BENEFITS

MAXIMUM PERFORMANCE-BASED INCENTIVE CASH COMPENSATION
FOR ROLLINS, INC. EXECUTIVE OFFICERS

Name and Position	Dollar Value of Maximum 2013 Salary\$(1)
Gary W. Rollins Chief Executive Officer	\$ 1,000,000
Harry J. Cynkus Senior Vice President, Chief Financial Officer	\$ 309,000
R. Randall Rollins Chairman of the Board	\$ 900,000
John F. Wilson President and Chief Operating Officer	\$ 315,000
Eugene A. Iarocci Vice President	\$ 253,500

(1)

This illustration shows the maximum in bonus compensation under the 2013 Cash Incentive Plan based on the awards approved under that plan. Actual 2013 bonuses may be less.

Our Board of Directors recommends a vote FOR the approval of the 2013 Cash Incentive Plan for the Executive Officers.

PROPOSAL 3:

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors has appointed Grant Thornton LLP as the Company's independent registered public accounting firm for the year ending December 31, 2013. During fiscal 2012, Grant Thornton LLP served as the Company's independent registered public accounting firm. Representatives of Grant Thornton LLP are expected to attend the annual meeting and will have the opportunity to respond to appropriate questions and, if they desire, to make a statement.

Although the Company is not required to seek ratification of this appointment, the Audit Committee and the Board of Directors believes that it is appropriate to do so. If stockholders do not ratify the appointment of Grant Thornton LLP, the current appointment will stand, but the Audit Committee will consider the stockholder action in determining whether to retain Grant Thornton LLP as the Company's independent registered public accounting firm.

Our Board of Directors recommends a vote FOR the ratification of the appointment of Grant Thornton LLP as the Company's independent registered public accounting firm for the 2013 fiscal year.

COMMITTEES AND MEETINGS**

Board Meetings and Compensation

The Board of Directors met five times during the year ended December 31, 2012. No director attended fewer than 75 percent of the Board meetings held during such director's term of service and meetings of committees on which he served during 2012. In addition, the Company has from time to time formed a special committee for the purpose of evaluating and approving certain transactions in which other directors of the Company have an interest. During 2012, the Company had no such committee.

The Board of Directors has an Audit Committee, Compensation Committee, Diversity Committee and a Nominating and Governance Committee.

Below is a summary of our committee structure and membership information. Mr. Wilton D. Looney will be retiring from service on the Board of Directors and the committee in which he serves at the conclusion of the Annual Meeting.

Audit Committee

The Audit Committee of the Board of Directors of the Company consists of Messrs. Henry B. Tippie (Chairman), Wilton D. Looney, James B. Williams and Bill Dismuke. The Audit Committee held five meetings during the fiscal year ended December 31, 2012 including a meeting to review the Company's Form 10-K for the year ending December 31, 2011. The Board of Directors has determined that all of the members of the Audit Committee are independent as that term is defined by the rules of the Securities and Exchange Commission ("SEC") and the New York Stock Exchange ("NYSE"). The Board of Directors has also determined that all of the Audit Committee members are "Audit Committee Financial Experts" as defined in the SEC rules. Additionally, the Board of Directors has determined that the simultaneous service by Mr. James B. Williams on the Audit Committees of three other publicly traded companies does not impair his ability to effectively serve on the Audit Committee of the Company. The Audit Committee meets with the Company's independent public accountants, Vice President of Internal Audit, Chief Executive Officer and Chief Financial Officer to review the scope and results of audits and recommendations made with respect to internal and external accounting controls, specific accounting, and financial reporting issues. The Audit Committee has the authority to obtain advice and assistance from, and receive appropriate funding from the Company for, outside

legal, accounting or other advisors, as it deems necessary to carry out its duties. The Audit Committee charter is available on the Company's website at www.rollins.com, under the Governance section.

Compensation Committee

The Compensation Committee of the Board of Directors of the Company consists of Messrs. Henry B. Tippie (Chairman), Wilton D. Looney and James B. Williams. It held two meetings during the fiscal year ended December 31, 2012. The function of the Compensation Committee is to set the base salary and cash based incentive compensation of all of the executive officers of the Company. The Compensation Committee also administers the Rollins, Inc. Employee Stock Incentive Plan. The Compensation Committee does not have a formal charter, and is not required to have one under the "controlled company" exemption under the NYSE rules, as described in the section titled "Director Independence and NYSE Requirements" below.

Diversity Committee

The Diversity Committee of the Board of Directors of the Company consists of Messrs. Henry B. Tippie (Chairman), Wilton D. Looney and James B. Williams. It held one meeting during the fiscal year ended December 31, 2012. The function of the Diversity Committee is to monitor compliance with applicable non-discrimination laws.

Nominating and Governance Committee

The Nominating and Governance Committee of the Board of Directors of the Company consists of Messrs. Henry B. Tippie (Chairman), Wilton D. Looney and James B. Williams, each of whom is independent, as discussed above. The Committee was formed in 2002 pursuant to a resolution passed by the Board of Directors for the following purposes:

to recommend to our Board of Directors nominees for director and to consider any nominations properly made by a stockholder;

upon request of our Board of Directors, to review and report to the Board with regard to matters of corporate governance; and

to make recommendations to our Board of Directors regarding the agenda for our annual stockholders' meetings and with respect to appropriate action to be taken in response to any stockholder proposals.

The Nominating and Governance Committee held one meeting during the fiscal year ended December 31, 2012. We are not required by law or by New York Stock Exchange rules to have a nominating committee since we are a controlled corporation as described below under the heading "*Director Independence and NYSE Requirements*." We established the Nominating and Corporate Governance Committee to promote responsible corporate governance practices and we currently intend to maintain the Committee going forward.

Director Nominations

Under Delaware law, there are no statutory criteria or qualifications for directors. The Board has prescribed no criteria or qualifications at this time. The Nominating and Governance Committee does not have a charter or a formal policy with regard to the consideration of director candidates. As such, there is no formal policy relative to diversity, although as noted below, it is one of many factors that the Nominating and Corporate Governance Committee has the discretion to factor into its decision-making. This discretion would extend to how the Committee might define diversity in a particular instance whether in terms of background, viewpoint, experience, education, race, gender, national origin or other considerations. However, our Nominating and Corporate Governance Committee acts

under the guidance of the corporate governance guidelines approved by the Board of Directors on January 27, 2004, as amended January 25, 2005, and posted on the Company's website at www.rollins.com under the Governance section. The Board believes that it should preserve maximum flexibility in order to select directors with sound judgment and other desirable qualities. According to the Company's corporate governance guidelines, the Board of Directors will be responsible for selecting nominees for election to the Board of Directors. The Board delegates the screening process involved to the Nominating and Governance Committee. This Committee is responsible for determining the appropriate skills and characteristics required of Board members in the context of the then current make-up of the Board. This determination takes into account all factors, which the Committee considers appropriate, such as independence, experience, strength of character, mature judgment, technical skills, diversity, age, and the extent to which the individual would fill a present need on the Board. The Company's by-laws provide that any stockholder entitled to vote for the election of directors may make nominations for the election of directors. Nominations must comply with an advance notice procedure which generally requires, with respect to nominations for directors for election at an annual meeting, that written notice be addressed to: Secretary, Rollins Inc., 2170 Piedmont Road, N.E., Atlanta, Georgia 30324, not less than ninety days prior to the anniversary of the prior year's annual meeting and set forth the name, age, business address and, if known, residence address of the nominee proposed in the notice, the principal occupation or employment of the nominee for the past five years, the nominee's qualifications, the class or series and number of shares of capital stock of the Company which are owned beneficially or of record by the person and any other information relating to the person that would be required to be disclosed in a proxy statement or other filings. Other requirements related to the notice are contained in the Company's by-laws. The Committee will consider nominations from stockholders who satisfy these requirements. The Committee is responsible for screening the nominees that are selected by the Board of Directors for nomination to the Board and for service on committees of the Board. The Company has not received a recommendation for a director nominee from a shareholder. All of the nominees for directors being voted upon at the Annual Meeting to be held on April 23, 2013 are directors standing for re-election, except for Messrs. John F. Wilson who was recommended to the Nominating and Governance Committee as a director candidate by Messrs. R. Randall Rollins and Gary W. Rollins.

Board Leadership

Since July 2001, the Company has had separate persons serving as its Chairman of the Board and Chief Executive Officer. Randall R. Rollins is our Chairman and chairs our Board meetings. Gary W. Rollins is our Vice Chairman and Chief Executive Officer. John F. Wilson is our President and Chief Operating Officer. We believe that it represents the appropriate structure for us at this time; the Chairman of the Board provides general oversight and strategic planning for the Company while the Chief Executive Officer and President and Chief Operating Officer focus on optimizing operational efficiencies.

Risk Oversight by Board

Our Board's oversight of risk has not been delegated to any Board Committee. "Risk" is an extremely broad concept that extends to multiple functional areas and crosses multiple disciplines. As such, risk may be addressed from time to time by the full Board or by one or more of our Committees. Senior management is responsible for identifying and managing material risks that we face while insurable risks and litigation risks are handled primarily by the risk management department. Senior management provides the Board with a summary of insurance coverage annually and updates as deemed necessary. Liquidity risk, credit risk and risks associated with our credit facilities and cash management are handled primarily by our finance department, which regularly provides a financial report to both the Audit Committee and to the full Board. Operational, business, regulatory and

political risks are handled primarily by senior executive management, which regularly provides various operational reports to, among others, the full Board or to the Executive Committee.

Director Independence and NYSE Requirements

Controlled Company Exemption. We have elected to be treated as a "controlled company" as defined by New York Stock Exchange Section 303A.00. This Section provides that a controlled company need not comply with the requirements of Sections 303A.01, 303A.04 and 303A.05 of the New York Stock Exchange Listed Company Manual. Section 303A.01 requires that listed companies have a majority of independent directors. As a controlled company, this Section does not apply to us. Sections 303A.04 and 303A.05 require that listed companies have a nominating and corporate governance committee and a compensation committee, in each case composed entirely of independent directors, and that each of these committees must have a charter that addresses both the committee's purpose and responsibilities and the need for an annual performance evaluation by the committee. While we have a nominating and corporate governance committee and a compensation committee, we are not required to and do not comply with all of the provisions of Sections 303A.04 and 303A.05. We are a "controlled company" because a group that includes the Company's Chairman, R. Randall Rollins and his brother, Gary W. Rollins, who is the Company's Vice Chairman and Chief Executive Officer of the Company and certain companies under their control, possesses in excess of fifty percent of our voting power. This means that they have the ability to determine the outcome of the election of directors at our annual meetings and to determine the outcome of many significant corporate transactions, many of which only require the approval of a majority of our voting power. Such a concentration of voting power could also have the effect of delaying or preventing a third party from acquiring us at a premium.

The Company's Audit Committee is composed of four "independent" directors as defined by the Company's Corporate Governance Guidelines, the New York Stock Exchange rules, the Securities Exchange Act of 1934, SEC regulations thereunder, and the Company's Audit Committee Charter. The members of the Compensation and Nominating and Corporate Governance Committees are also entirely composed of independent directors. The Board of Directors has also concluded that Thomas L. Lawley and Larry L. Prince are "independent directors" under the Company's Corporate Governance Guidelines and the New York Stock Exchange listing standards.

Independence Guidelines. Under New York Stock Exchange listing standards, to be considered independent, a director must be determined to have no material relationship with the Company other than as a director. The New York Stock Exchange standards set forth a nonexclusive list of relationships, which are conclusively deemed material.

The Company's Independence Guidelines (Appendix A to the Company's Corporate Governance Guidelines) are posted on the Company's website at www.rollins.com under the Governance section.

Audit Committee Charter. Under the Company's Audit Committee Charter, in accordance with New York Stock Exchange listing requirements and the Exchange Act, all members of the Audit Committee must be independent of management and the Company. A member of the Audit Committee is considered independent as long as he or she (i) does not accept any consulting, advisory, or compensatory fee from the Company, other than as a director or committee member; (ii) is not an affiliated person of the Company or its subsidiaries; and (iii) otherwise meets the independence requirements of the New York Stock Exchange and the Company's Corporate Governance Guidelines.

Nonmaterial Relationships. After reviewing all of the relationships between the members of the Audit Committee, Messrs. Thomas J. Lawley, M.D. and Larry L. Prince, on the one hand, and the Company, on the other hand, the Board of Directors determined that none of them had any

Edgar Filing: ROLLINS INC - Form DEF 14A

relationships not included within the categorical standards set forth in the Independence Guidelines and disclosed above except as follows:

1. Mr. Tippie was employed by the Company from 1953 to 1970, and held several offices with the Company during that time, including as Executive Vice President Finance, Secretary, Treasurer and Chief Financial Officer.
2. Mr. Tippie is Chairman of the Board of Directors of Dover Motorsports, Inc. and Dover Downs Gaming and Entertainment, Inc. R. Randall Rollins is also a director of these companies.
3. Mr. Tippie is the trustee of the O. Wayne Rollins Foundation and of the Rollins Children's Trust. O. Wayne Rollins is the father of Gary and Randall Rollins. The beneficiaries of the Rollins Children's Trust include the immediate family members of Gary and Randall Rollins.
4. Mr. Dismuke was employed by the company from 1979 to 1984, and held several offices with the Company during that time, including Senior Vice President.
5. Each of Messrs. Dismuke, Looney, Prince, Tippie and Williams also serve on the Boards of RPC, Inc. and Marine Products Corporation. Messrs. Gary and Randall Rollins are directors of RPC, Inc. and Marine Products Corporation, and have voting control over these companies. These companies are held by a control group of which Messrs. Randall and Gary Rollins are a part. Mr. Randall Rollins is an executive officer of Marine Products Corporation.
6. Thomas J. Lawley, M.D. was the Dean of the Emory University School of Medicine from 1996 to 2013. Various charitable contributions have been made by the O. Wayne Rollins Foundation to Emory University in the past, including charitable contributions made by the Foundation to the Emory University School of Medicine and to the Emory University School of Public Health. Gary Rollins is a director of Emory University.

As required by the Independence Guidelines, the Board of Directors unanimously concluded that the above-listed relationships would not affect the independent judgment of the independent directors, based on their experience, character and independent means, and therefore do not preclude an independence determination. All of the members of the Audit Committee are also independent under the heightened standards required for Audit Committee members.

In accordance with the NYSE corporate governance listing standards, Mr. Henry B. Tippie was elected as the Presiding Director. The Company's non-management directors meet at regularly scheduled executive sessions without management. Mr. Tippie presides during these executive sessions.

Corporate Governance Guidelines

We have adopted Corporate Governance Guidelines to promote better understanding of our policies and procedures. At least annually, the Board reviews these guidelines. A copy of our current Corporate Governance Guidelines may be found at our website (www.rollins.com) under the heading "Governance." As required by the rules of the New York Stock Exchange, our Corporate Governance Guidelines require that our non-management directors meet in at least two regularly scheduled executive sessions per year without management.

At the Company's website (www.rollins.com), under the heading "Governance," you may access a copy of our Corporate Governance Guidelines, our Audit Committee Charter, our Code of Business Conduct and our Code of Business Conduct and Ethics for Directors and Executive Officers and Related Party Transaction Policy.

Code of Business Ethics

The Company has adopted a Code of Business Conduct applicable to all directors, officers and employees generally, as well as a supplemental Code of Business Conduct and Ethics for Directors and Executive Officers and Related Party Transaction Policy applicable to the directors and the principal executive officer, principal financial officer, principal accounting officer or controller or person performing similar functions for the Company. Both codes are available on the Company's website at www.rollins.com.

Director Communications

The Company also has a process for interested parties, including stockholders, to send communications to the Board of Directors, Presiding Director, any of the Board Committees or the non-management directors as a group. Such communications should be addressed as follows:

Mr. Henry B. Tippie
c/o Internal Audit Department
Rollins, Inc.
2170 Piedmont Road, N.E.
Atlanta, Georgia 30324

The above instructions for communications with the directors are also posted on our website at www.rollins.com under the Governance section. All communications received from interested parties are forwarded to the Board of Directors. Any communication addressed solely to the Presiding Director or the non-management directors will be forwarded directly to the appropriate addressee(s).

**COMPENSATION COMMITTEE INTERLOCKS
AND INSIDER PARTICIPATION**

None of the directors named above who serve on the Company's Compensation Committee are currently employees of the Company. Mr. Tippie was employed by the Company from 1953 to 1970, and held several offices with the Company during that time, including as Executive Vice President Finance, Secretary, Treasurer and Chief Financial Officer.

REPORT OF THE AUDIT COMMITTEE

Management is responsible for the Company's internal controls and the financial reporting process. The Company's independent public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and for issuing a report thereon. The Audit Committee's responsibility is generally to monitor and oversee these processes, as described in the Audit Committee Charter. It is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and in accordance with generally accepted accounting principles, that is the responsibility of management.

In fulfilling its oversight responsibilities with respect to the year ended December 31, 2012, the Audit Committee:

Approved the terms of engagement of Grant Thornton LLP as the Company's independent registered public accounting firm for the year ended December 31, 2012;

Reviewed with management the interim financial information included in the Forms 10-Q prior to their being filed with the SEC. In addition, the Committee reviewed all earnings releases with management and the Company's independent public accounting firm prior to their release;

Reviewed and discussed with the Company's management and the Company's independent registered public accounting firm, the audited consolidated financial statements of the Company as of December 31, 2012 and 2011 and for the three years ended December 31, 2012;

Received from the independent registered public accounting firm the written disclosures and the letter in accordance with the requirements of the Public Company Accounting Oversight Board regarding the firm's communications with the Committee concerning independence, and discussed with such firm its independence from the Company.

COMPENSATION DISCUSSION AND ANALYSIS

Compensation Committee

During the fiscal year ended December 31, 2012, the members of our Compensation Committee held primary responsibility for determining executive compensation levels. The Committee is composed of three of our non-management directors who do not participate in the Company's compensation plans. The Committee determines the compensation and administers the performance-based cash compensation plan for our executive officers. In addition, the Committee also administers our Stock Incentive Plan for all the employees.

The members of our Compensation Committee have extensive and varied experience with various public and private corporations as investors and stockholders, as senior executives, and as directors charged with the oversight of management and the setting of executive compensation levels. Henry B. Tippie, the Chairman of the Compensation Committee, has served on the board of directors of twelve different publicly traded companies and has been involved in setting executive compensation levels at all of these companies. Messrs. Wilton D. Looney and James B. Williams have served on the board of directors of several different publicly traded companies and have similarly been involved in setting executive compensation levels at many of these companies.

The Compensation Committee has authority to engage attorneys, accountants and consultants, including executive compensation consultants, to solicit input from management concerning compensation matters, and to delegate any of its responsibilities to one or more directors or members of management where it deems such delegation appropriate and permitted under applicable law. The Committee has not used the services of any compensation consultants in determining or recommending the amount of form of executive compensation.

The Compensation Committee believes that determinations relative to executive compensation levels are best left to the discretion of the Committee. In addition to the extensive experience and expertise of the Committee's members and their familiarity with the Company's performance and the performance of our executive officers, the Committee is able to draw on the experience of other directors and on various legal and accounting executives employed by the Company, and the Committee has access to the wealth of readily available public information relative to structuring executive compensation programs and setting appropriate compensation levels. The Committee also believes that the structure of our executive compensation programs should not become overly complicated or difficult to understand. The Committee solicits input from our Chief Executive Officer with respect to the performance of our executive officers and their compensation levels.

The Role of Shareholder Say-on-Pay Votes

The Company provides its shareholders with the opportunity to cast an every three years advisory vote on executive compensation (a "say-on-pay proposal"). At the Company's annual meeting of shareholders held in April 2011, a substantial majority of the votes cast on the say-on-pay proposal at that meeting were voted in favor of the proposal. The Compensation Committee believes this affirms shareholders' support of the Company's approach to executive compensation. The shareholders voted to hold a say-on-pay advisory vote on executive compensation every three years, and the Board resolved to accept the shareholders' recommendation. As a result, the advisory vote on executive compensation will be held again at the 2014 annual shareholders' meeting. The Compensation Committee will continue to consider the outcome of the Company's say-on-pay votes when making future compensation decisions for the named executive officers.

General Compensation Objectives and Guidelines

The Company is engaged in a highly competitive industry. The success of the Company depends on our ability to attract and retain highly qualified and motivated executives. In order to accomplish this objective, we have endeavored to structure our executive compensation in a fashion that gives our Compensation Committee the flexibility to take into account our operating performance and the individual performance of the executive.

The Compensation Committee endorses the philosophy that executive compensation should reflect Company performance and the contribution of executive officers to that performance. The Company's compensation policy is designed to achieve three fundamental objectives: (i) attract and retain qualified executives, (ii) motivate performance to achieve Company objectives, and (iii) align the interests of our executives with the long-term interests of the Company's stockholders.

The Committee recognizes that there are many intangibles involved in evaluating performance and in motivating performance, and that determining an appropriate compensation level is a highly subjective endeavor. The analysis of the Committee is not based upon a structured formula and the objectives referred to above are not weighted in any formal manner.

Pursuant to our compensation philosophy, the total annual compensation of our executive officers is primarily made up of one or more of three elements. The three elements are salary, annual performance-based incentive compensation and grants of stock based awards such as restricted stock. In addition, the Company provides retirement compensation plans, group welfare benefits and certain perquisites.

We believe a competitive base salary is important to attract, retain and motivate top executives. We believe annual performance-based incentive compensation is valuable in recognizing and rewarding individual achievement. Finally, we believe equity-based compensation makes executives "think like owners" and, therefore, aligns their interests with those of our stockholders.

Effective November 1, 2006, we adopted a formal Stock Ownership Guidelines for our executive officers and note that our executive officers are significant stockholders of the Company, as disclosed elsewhere in this Proxy Statement. The purpose of these Guidelines is to align the interests of executives with the interests of stockholders and further promote our longstanding commitment to sound corporate governance.

The Committee is mindful of the stock ownership of our directors and executive officers but does not believe that it is appropriate to provide a mechanism or formula to take stock ownership (or gains from prior option or stock awards) into account when setting compensation levels. As do many public companies, we have historically provided in our insider trading policies that directors and executive officers may not sell Company securities short and may not sell puts, calls or other derivative securities tied to our Common Stock.

We expect that the salary and other compensation paid to our executive officers will qualify for income tax deductibility under the limits of Section 162(m) of the Internal Revenue Code. However, the Committee may authorize compensation, which may not, in a specific case, be fully deductible by the Company.

The Company does not have a formal policy relative to the adjustment or recovery of incentives or awards in the event that the performance measures upon which incentives or awards were based are later restated or otherwise adjusted in a manner that would have reduced the size of an incentive or award. However, as all incentives and awards remain within the discretion of the Compensation Committee, the Committee retains the ability to take any such restatements or adjustments into account in subsequent years. In addition, the Sarbanes-Oxley Act requires in the case of accounting restatements that result from material non-compliance with SEC financial reporting requirements, that the Chief Executive Officers and Chief Financial Officers must disgorge bonuses and other incentive-based compensation and profits on stock sales, if the non-compliance results from misconduct.

Salary

The salary of each executive officer is determined by the Compensation Committee. In making its determinations, the Committee gives consideration to our operating performance for the prior fiscal year and the individual executive's performance. The Committee solicits input from our Chief Executive Officer with respect to the performance of our executive officers and their compensation levels. Effective January 1, 2013, the following adjustments were made to the base salaries of our executive officers: Gary W. Rollins \$1,000,000 (no change from 2012); R. Randall Rollins \$900,000 (no change from 2012); Harry J. Cynkus \$515,000 (\$15,000 increase from 2012); John F. Wilson \$525,000 (\$105,000 increase from 2012); and Eugene A. Iarocci \$422,500 (\$97,000 increase from 2012).

Performance-Based Plan

At the annual meeting of stockholders held on April 22, 2008, the stockholders approved the terms of the Company's Performance-Based Incentive Cash Compensation Plan for Executive Officers (the "Cash Incentive Plan"). Under the Cash Incentive Plan, executive officers have an opportunity to earn bonuses of up to 100 percent of their annual salaries, not to exceed a maximum amount of \$2 million per individual per year, upon achievement of bonus performance goals which are pre-set every year by the Compensation Committee upon its approval of the performance bonus program for that year. The 2008 Cash Incentive Plan expires on April 23, 2013. The Board has submitted for approval of the stockholders at the Annual Meeting a new Performance-Based Incentive Cash Compensation Plan for Executive Officers (the "2013 Cash Incentive Plan") which is more fully described on pages 11-12 entitled "Approval of Performance-Based Incentive Cash Compensation Plan for Executive Officers."

For 2012, these performance goals for Messrs. R. Randall Rollins, Gary W. Rollins, Harry J. Cynkus and Eugene A. Iarocci were based on targeted revenue growth of the Company, targeted pre-tax profit growth of the Company, and increase in pre-tax profits over the previous year's pre-tax profit base of the Company. For 2012, the performance goal for Messr. John F. Wilson was based on targeted revenue growth of his divisional responsibilities, targeted pre-tax profit growth of the Company, increase in pre-tax profits over the previous year's pre-tax year profit base of his divisional responsibilities, and targeted pre-profit growth of his divisional responsibilities.

For the Company revenue performance goal, Messrs. R. Randall Rollins and Gary W. Rollins were eligible to earn bonuses of between 5 and 35 percent of their respective annual salary and Messrs. Harry J. Cynkus and Eugene A. Iarocci were eligible to earn a bonus of between 1.25 percent and 15 percent of his respective annual salary. The minimum growth in revenue over prior year for these persons to be eligible to earn a bonus under this element of the Cash Incentive Plan for 2012 was 3.65 percent. Because the actual increase in Company revenues in 2012 over base year revenues was

Edgar Filing: ROLLINS INC - Form DEF 14A

5.5 percent, this resulted in bonuses of 34.9 percent of salary for Messrs. R. Randall Rollins and Gary W. Rollins, and 15.0 percent of salary for Messrs. Harry J. Cynkus and Eugene A. Iarocci.

For the divisional revenue performance goal, Messr. John F. Wilson was eligible to earn a bonus of between 1.25 percent and 15 percent of his annual salary. The minimum growth in divisional revenue over the prior year revenue base to earn a bonus under this element under the Cash Incentive Plan for 2012 was set at a level that the Company believes was moderately difficult to achieve. Based upon the actual increase in his divisional revenues, this resulted in a bonus of 15 percent of salary for Messr. John F. Wilson

For the Company pre-tax profit to plan performance goal, Messrs. R. Randall Rollins and Gary W. Rollins were eligible to earn bonuses of between 15 and 40 percent of their respective annual base salary. Messrs. Harry J. Cynkus and Eugene A. Iarocci were eligible to receive a bonus of between 10 and 20 percent of their respective annual salary, and Messr. John F. Wilson was eligible to receive a bonus of between 2.5 and 10 percent of his annual salary. The minimum growth in Company pre-tax profit for 2012 was 2.7 percent of the corresponding amount for 2011. The Company's 2012 performance resulted in an actual increase in pre-tax profit over the 2011 base amount of 9.7 percent. This resulted in bonuses of 28.6 percent of salary for Messrs. R. Randall Rollins and Gary W. Rollins, 14.3 percent of salary for Messrs. Harry J. Cynkus and Eugene A. Iarocci, and 7.1 percent of salary for Messr. John F. Wilson.

For the element of the Cash Incentive Plan tied to the increase in Company pre-tax profit over the prior year base amount, Messrs. R. Randall Rollins, Gary W. Rollins, Harry J. Cynkus and Eugene A. Iarocci were eligible to participate in the bonus pool at the rate specified below up to the maximum amount specified below:

	Rate of Participation in Increase in Pre-Tax Profits Exceeding 2011 Pre-Tax Profit Base	Maximum Amount of Participation as Percentage of Annual Salary
Gary W. Rollins	1.149%	25%
R. Randall Rollins	1.034%	25%
Harry J. Cynkus	0.345%	15%
Eugene A. Iarocci	0.345%	15%

The Company's 2011 pre-tax profit base was \$161,096,000. For this element of the Cash Incentive Plan, the Company's 2012 performance resulted in bonuses of 17.9 percent of salary for Messrs. R. Randall Rollins and Gary W. Rollins, and 10.7 percent of salary for Messrs. Harry J. Cynkus and Eugene A. Iarocci.

For the element of the Cash Incentive Plan tied to the increase in divisional pre-tax profit before corporate overhead over the prior year base amount, Messr. John F. Wilson was eligible to participate in the bonus pool at the rate specified below up to the maximum amount specified below:

	Rate of Participation in Increase in Brand Contribution before Overhead	Maximum Amount of Participation as Percentage of Annual Salary
John F. Wilson	0.315%	15%

Based on the actual increases in divisional pre-tax profit over the prior year base amount, Messr. John F. Wilson earned 12.8 percent of his salary.

Edgar Filing: ROLLINS INC - Form DEF 14A

Messr. John F. Wilson has a component of his bonus under the Cash Incentive Plan based on his divisional pre-tax profit before corporate overhead to plan, for which he is eligible to earn bonus of between 10 and 20 percent of his annual salary. The minimum growth in divisional pre-tax profit to earn a bonus under this element of the Cash Incentive Plan for 2012 was set at a level that the Company believes was moderately difficult to achieve. Actual performance resulted in bonus of 18.4 percent of salary for Messr. John F. Wilson.

Messrs. Harry J. Cynkus and Eugene A. Iarocci also participate in the Home Office Bonus Plan. Under this plan, the participants may receive a bonus of up to 5 percent of their respective annual salary for achievement of the participant's budgeted expense goal (which the Company does not consider a material part of the Company's compensation of its executive officers) and 5 percent of annual salary for achievement of qualitative and subjective internal customer service survey results. Messrs. Harry J. Cynkus and Eugene A. Iarocci each received 5 percent of their respective annual salary as a bonus for the budgeted expense component of the Home Office Bonus Plan. In addition, Messr. Harry J. Cynkus received 3.75 percent and Messr. Eugene A. Iarocci received 3.55 percent of their respective annual salary for the internal customer service survey component of that bonus plan. Historically, the expense goal components of the bonus plan have been achieved and 75 percent of the internal customer service survey component of the bonus plan has been achieved.

The amount of bonuses under each performance component of the Company's Cash Incentive Plan is determined based upon straight-line interpolation of the applicable formula for each such component without the use of discretion. In addition to any bonuses earned under the Cash Incentive Plan or Home Office Plan, the Compensation Committee has the authority to award discretionary bonuses.

Equity Based Awards

Our Stock Incentive Plan allows for a wide variety of stock based awards such as stock options and restricted stock awards. We last issued stock options in fiscal year ended 2003 and have no immediate plans to issue additional stock options. Partially in response to changes relative to the manner in which stock options are accounted for under generally accepted accounting principles, we have modified the structure and composition of the long-term equity based component of our executive compensation. In recent years, we have awarded time-lapse restricted stock in lieu of granting stock options. The terms and conditions of these awards are described in more detail below.

Awards under the Company's Stock Incentive Plan are purely discretionary, are not based upon any specific formula and may or may not be granted in any given fiscal year. For the past three years, we have granted time-lapse restricted stock to various employees, including our executive officers, in early January during our regularly scheduled meeting of the Compensation Committee during which the Committee reviews executive compensation. Consistent with this practice, we granted restricted stock awards to our executive officers in January 2011, 2012 and 2013 as follows:

Name	2011	2012	2013
Gary W. Rollins	50,000	50,000	50,000
R. Randall Rollins	45,000	45,000	45,000
Harry J. Cynkus	35,000	20,000	15,000
John F. Wilson	25,000	20,000	20,000
Eugene A. Iarocci	25,000	20,000	20,000

The amount of the aggregate stock based awards to our executive officers in any given year is influenced by the Company's overall performance. The amount of each grant to our executive officers is influenced in part by the Committee's subjective assessment of each individual's respective contributions to achievement of the Company's long-term goals and objectives. In evaluating individual performance for these purposes, the Committee considers the overall contributions of executive management as a group and the Committee's subjective assessment of each individual's relative contribution to that performance rather than specific aspects of each individual's performance over a short-term period. It is our expectation to continue yearly grants of restricted stock awards to selected executives although we reserve the right to modify or discontinue this or any of our other compensation practices at anytime.

To date, all of our restricted stock awards have had the same features. The shares vest one-fifth per year beginning on the second anniversary of the grant date. Restricted shares have full voting and dividend rights. However, until the shares vest, they cannot be sold, transferred or pledged. Should the executive leave our employment for any reason prior to the vesting dates (other than due to death, disability or retirement on or after age 65), the unvested shares will be forfeited. In the event of a "change in control" as determined by the Board of Directors, all unvested restricted shares shall vest immediately.

Grants are made under our Stock Incentive Plan and the plan is administered pursuant to Rule 16b-3 of the Securities Exchange Act of 1934. When considering the grant of stock based awards, the Committee considers the overall performance and the performance of individual employees.

Employment Agreements

There are no agreements or understandings between the Company and any executive officer that guarantee continued employment or guarantee any level of compensation, including incentive or bonus payments, to the executive officer.

Retirement Plans

The Company maintains a defined benefit plan (Rollins, Inc. Retirement Income Plan) for employees hired prior to January 1, 2002, a non-qualified retirement plan (Rollins, Inc. Deferred Compensation Plan) for our executives and highly compensated employees, and a 401(k) plan (Rollins 401(k) Plan) for the benefit of all of our eligible employees.

The Company froze the Rollins, Inc. Retirement Income Plan effective June 30, 2005. The Rollins, Inc. Deferred Compensation Plan also provides other benefits as described below under "Nonqualified Deferred Compensation" on pages 36-37.

Other Compensation

Other compensation to our executive officers includes group welfare benefits including group medical, dental and vision coverage, and group life insurance. The Company provides certain perquisites to its executive officers, which are described below under "Executive Compensation." The Company requires that its Chairman and its President and CEO use Company or other private aircraft for air travel whenever practicable for security reasons.

The following Compensation Committee Report shall not be incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933, as amended (the "Securities Act"), except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under the Securities Act or the Exchange Act.

There are no agreements or understandings between the Company and any executive officer which guarantee continued employment or guarantee any level of compensation, including incentive or bonus payments, to the executive officer. All of the named executive officers participate in the Company's Cash Incentive Plan. Bonus awards under the Cash Incentive Plan provide participants an opportunity to earn an annual bonus in a maximum amount of 100 percent of base salary or \$2 million per individual per year, whichever is less. Under the Cash

Edgar Filing: ROLLINS INC - Form DEF 14A

Incentive Plan, whether a bonus is payable, and the amount of any bonus payable, is contingent upon achievement of certain performance goals, which are set in the annual program adopted under the plan. Performance goals are measured according to one or more of the following three targeted financial measures: revenue growth, achievement of preset

pretax profit targets, and pretax profit improvement over the prior year. For 2012, these performance goals were measured by obtaining specific levels of the following: revenue growth, pre-tax profit plan achievement, and pre-tax profit improvement over the prior year. The Compensation Committee set a maximum award for fiscal year 2012 of 100 percent of the executive's base salaries for Messrs. R. Randall Rollins and Gary W. Rollins. Messrs. Harry J. Cynkus, John F. Wilson and Eugene A. Iarocci have a maximum award of 60 percent of their base salaries for fiscal year 2012. In addition, Messrs. Harry J. Cynkus and Eugene A. Iarocci participate in the Home Office Plan. Under this Plan, the participants may receive a bonus of up to 5 percent of the participant's annual salary for achievement of the participant's expense plan and an additional 5 percent of annual salary for achievement of internal customer service survey results. Unless sooner amended or terminated by the Compensation Committee, the current Cash Incentive Plan will be in place until April 23, 2013. The Board has submitted for approval of the stockholders at the Annual Meeting a new Performance-Based Incentive Cash Compensation Plan for Executive Officers (the "2013 Cash Incentive Plan") which is more fully described on pages 11-12 entitled "Approval of Performance-Based Incentive Cash Compensation Plan for Executive Officers."

The named executive officers while employed are also eligible to receive options and restricted stock under the Company's stock incentive plan, in such amounts and with such terms and conditions as determined by the Compensation Committee at the time of grant. All of the executive officers are eligible to participate in the Company's Deferred Compensation Plan. The executive officers participate in the Company's regular employee benefit programs, including the 401(k) Plan with Company match, group life insurance, group medical and dental coverage and other group benefit plans. The Deferred Compensation Plan provides that participants may defer up to 50% of their base salary and up to 85% of their annual bonus with respect to any given plan year, subject to a \$2,000 per plan year minimum. The Company may make discretionary credits to participant accounts.

The table below also sets forth the total number of restricted shares of Common Stock that were granted in 2012 and in prior years to the executives named in our Summary Compensation Table but which have not yet vested, together with the market value of these unvested shares based on the \$22.04 the closing price of our Common Stock on December 31, 2012.

PENSION BENEFITS

The Company's Retirement Income Plan, a trustee defined benefit pension plan, provides monthly benefits upon retirement at or after age 65 to eligible employees. In the second quarter of 2005, the Company's Board of Directors approved a resolution to cease all future retirement benefit accruals under the Retirement Income Plan effective June 30, 2005. Retirement income benefits are based on the average of the employee's compensation from the Company for the five consecutive complete calendar years of highest compensation during the last ten consecutive complete calendar years ("final average compensation") immediately preceding June 30, 2005. The estimated annual benefit payable at the later of retirement or age 65 is \$238,356 for Mr. Gary W. Rollins, \$11,280 for Mr. Harry J. Cynkus, \$82,056 for Mr. R. Randall Rollins, \$11,676 for John F. Wilson and \$0 for Eugene A. Iarocci. The Plan also provides reduced early retirement benefits under certain conditions.

The actuarial present value of the executive's accumulated benefit under the Retirement Income Plan is computed as of the measurement date used for financial statement reporting purposes and the valuation method and material assumptions applied are set forth in Note 13 to our Financial Statements contained in our Form 10-K for the period ending December 31, 2012. Our Form 10-K has been included in our Annual Report and provided to our stockholders.

NONQUALIFIED DEFERRED COMPENSATION

On June 13, 2005, the Company approved the Rollins, Inc. Deferred Compensation Plan (the "Deferred Compensation Plan") that is designed to comply with the provisions of the American Jobs Creation Act of 2004 (including Section 409A of the Internal Revenue Code). The Deferred Compensation Plan provides that employees eligible to participate in the Deferred Compensation Plan include those who are both members of a group of management or highly compensated employees selected by the committee administering the Deferred Compensation Plan. All of the named executive officers are eligible.

Name	Executive contributions in last FY (\$)(1)	Registrant contributions in last FY (\$)(2)	Aggregate earnings/(losses) in last FY (\$)	Aggregate withdrawals/distributions (\$)	Aggregate balance at last FYE (\$)
Gary W. Rollins			5,465		48,967
Harry J. Cynkus	114,572		21,626		631,892
R. Randall Rollins			5,465		48,967
John F. Wilson	173,272		38,412		533,046
Eugene A. Iarocci	87,725		16,248		212,241

(1) Includes the following amounts related to the base salary for 2012 which have been deferred by the executive officer pursuant to the Deferred Compensation Plan and the bonus compensation amounts deferred related to 2011 that were paid in 2012 which are included in the Summary Compensation Table: Mr. Harry J. Cynkus: \$114,572, Mr. John F. Wilson \$173,272 and Mr. Eugene A. Iarocci \$87,725.

(2) Reflects the amounts for each of the named executive officers, which are reported as compensation to such named executive officer in the "All Other Compensation" column of the Summary Compensation Table on page 28.

The Deferred Compensation Plan provides that participants may defer up to 50% of their base salary and up to 85% of their annual bonus with respect to any given plan year, subject to a \$2,000 per plan year minimum. The annual bonus deferral percentage was amended to allow participants the ability to defer up to 85%, beginning with bonuses earned in 2007 and paid in 2008. The Company may make discretionary contributions to participant accounts.

Under the Deferred Compensation Plan, salary and bonus deferrals are fully vested. Any discretionary contributions are subject to vesting in accordance with the matching contribution-vesting schedule set forth in the Rollins 401(k) Plan in which a participant participates.

Accounts will be credited with hypothetical earnings, and/or debited with hypothetical losses, based on the performance of certain "Measurement Funds." Account values are calculated as if the funds from deferrals and Company credits had been converted into shares or other ownership units of selected Measurement Funds by purchasing (or selling, where relevant) such shares or units at the current purchase price of the relevant Measurement Fund at the time of the participant's selection. Deferred Compensation Plan benefits are unsecured general obligations of the Company to the participants, and these obligations rank in parity with the Company's other unsecured and unsubordinated indebtedness. The Company has established a "rabbi trust," which it uses to voluntarily set aside amounts to indirectly fund any obligations under the Deferred Compensation Plan. To the extent that the Company's obligations under the Deferred Compensation Plan exceed assets available under the trust, the Company would be required to seek additional funding sources to fund its liability under the Deferred Compensation Plan.

Edgar Filing: ROLLINS INC - Form DEF 14A

Generally, the Deferred Compensation Plan provides for distributions of any deferred amounts upon the earliest to occur of a participant's death, disability, retirement or other termination of employment (a "Termination Event"). However, for any deferrals of salary and bonus (but not Company contributions), participants would be entitled to designate a distribution date which is prior to a Termination Event. Generally, the Deferred Compensation Plan allows a participant to elect to receive distributions under the Deferred Compensation Plan in installments or lump-sum payments.

401(k) PLAN

Effective October 1, 1983, the Company adopted a qualified retirement plan designed to meet the requirements of Section 401(k) of the Code ("401(k) Plan"). The forms of benefit payment under the 401(k) Plan are dependent upon the vested account balance. If the vested assets are greater than \$1,000 up to and including \$5,000, a participant may roll their money into another qualified plan or it will be rolled into a Prudential Individual Retirement Account. If the participant has more than \$5,000 invested assets, they can leave their funds in the Plan, take a full or partial lump sum distribution, take systematic distributions or roll their vested assets into another qualified plan. If the account balance is equal to or less than \$1,000, the participant may roll their vested balance into another qualified plan or take a lump sum distribution. Under the 401(k) Plan, the full amount of a participant's vested benefit is payable upon his termination of employment, retirement, total and permanent disability, death or age 70^{1/2}. While employed, a participant may withdraw a certain amount of his pre-tax and rollover contributions upon specified instances of financial hardship, and may withdraw all or any portion of his pre-tax and rollover account after attaining the age of 59^{1/2}. A participant may withdraw all or any portion of his after-tax account at any time and for any reason. Amounts contributed by the Company to the accounts of Named Executives under this plan are included in the "All Other Compensation" column of the Summary Compensation Table above on page 28.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

The following table describes the potential payments and benefits under the Company's compensation and benefit plans and arrangements to which the named executive officers would be entitled upon termination of employment. There are no other agreements, arrangements or plans that entitle executive officers to severance, perquisites, or other enhanced benefits upon termination of their employment except as described below. Any agreement to provide additional payments or benefits to a terminating executive officer would be in the discretion of the Compensation Committee. The executive officers are not entitled to additional benefits at death or disability per the terms of the defined benefit plan. The amounts payable at retirement are disclosed in the "Pension Benefits" section on page 35. The executive officers can choose to receive the amounts accumulated in the Deferred Compensation Plan either as a lump sum or in installments at retirement, death or disability. These amounts have been disclosed under the "Nonqualified Deferred Compensation" section on pages 36-37. The table below shows the incremental restricted shares that would become vested as of December 31, 2012, at the closing market price of \$22.04 per share for our Common Stock, as of that date, in the case of retirement, death, disability or change in control.

As set forth in our Code, our Nominating and Corporate Governance Committee has the responsibility to ensure that it only approve or ratify related party transactions that are in compliance with applicable law, consistent with the Company's corporate governance policies (including those relative to conflicts of interest and usurpation of corporate opportunities) and on terms that are deemed to be fair to the Company. The Committee has the authority to hire legal, accounting, financial or other advisors, as it may deem necessary or desirable and/or to delegate responsibilities to executive officers of the Company in connection with discharging its duties.
