Proxy Statement
for
Annual Meeting of Stockholders

To Be Held December 16, 2016, 2:00PM Pacific Time

New Jersey Mining Company Corporate Office

201 N. 3rd Street, Coeur d'Alene, Idaho, 83814

The Board of Directors (the *Board*) of New Jersey Mining Company is soliciting proxies for use at the annual meeting of stockholders to be held on Friday, December 16, 2016, at 2:00 PM., Pacific Time, at the Company's offices, located 201 N. 3rd Street, Coeur d'Alene, Idaho, and any adjournment or postponement thereof (the *Annual Meeting*) for the purposes set forth in the attached Notice of Meeting and regarding the availability of this Proxy Statement and form of proxy first mailed to holders of our common stock on or about November 23, 2016.

You are invited to attend the Annual Meeting at the above stated time and location. If you plan to attend and your shares are held in street name in an account with a bank, broker, or other nominee you must obtain a proxy issued in your name from such broker, bank or other nominee.

You can vote your shares by completing a proxy card online, completing and returning a proxy card provided to you by mail or fax or, if you hold shares in street name, by completing the voting form provided by the broker, bank or other nominee.

A returned signed proxy card without an indication of how shares should be voted will be voted FOR the election of all Directors and FOR the ratification of the appointment of the Company's independent registered public accounting firm.

Our common stock is the only type of security entitled to vote at the Annual Meeting. Our corporate bylaws define a quorum as a majority of all the shares entitled to vote, represented by Shareholders of record in person or by proxy, but in no event shall a quorum consist of less than one-third (1/3) of the Shares outstanding entitled to vote at the meeting. Our Articles of Incorporation do not allow cumulative voting for directors. The nominees who receive the most votes will be elected. A majority of the voting power of the voting shares present, whether in person or by proxy, is required to ratify the appointment of the Company's independent registered public accounting.

QUESTIONS AND ANSWERS ABOUT PROXY MATERIALS AND VOTING

Why am I receiving this Proxy Statement and proxy card?

You are receiving this Proxy Statement and proxy card because you were a stockholder of record at the close of business on November 1, 2016 and are entitled to vote at the Annual Meeting. This Proxy Statement describes issues on which we would like you, as a stockholder, to vote. It provides information on these issues so that you can make an informed decision. You do not need to attend the Annual Meeting to vote your shares.

When you sign the proxy card you appoint Delbert Steiner, Executive Chairman and Chief Executive Officer to the Company and John Swallow, Director and President to the Company, as your representatives at the Annual Meeting. As your representatives, they will vote your shares at the Annual Meeting (or any adjournments or postponements) as you have instructed them on your proxy card. With proxy voting, your shares will be voted whether or not you attend the Annual Meeting. Even if you plan to attend the Annual Meeting, it is a good idea to complete, sign and return your proxy card in advance of the Annual Meeting, just in case your plans change.

If an issue properly comes up for vote at the Annual Meeting (or any adjournments or postponements) that is not described in this Proxy Statement, your representatives will vote your shares, under your proxy, at their discretion, subject to any limitations imposed by law.

When is the record date?

The Board has fixed November 1, 2016, as the record date for the Annual Meeting. Only holders of common stock as of the close of business on that date will be entitled to vote at the Annual Meeting.

How many shares are outstanding?

As of November 1, 2016, we had 95, 571,388 shares issued and outstanding.

What am I voting on?

You are being asked to vote on the following:

1.

The election of the nominees to the Company's Board of Directors to serve until the Company's 2017 Annual Meeting of Stockholders or until successors are duly elected and qualified; the following are nominees for election as Directors: Delbert Steiner, John Swallow, and Grant Brackebusch;

2.

Ratification of the appointment of the Company's independent registered public accounting firm for the ensuing year;

3.

Any other business that may properly come before the Annual Meeting.

2.

Any other business that may properly come before the Annual Meeting and any adjournment of postponement thereof.

How many votes do I get?

Each share is entitled to one vote. No cumulative rights are authorized, and dissenters' rights are not applicable to any of the matters being voted upon.

The Board recommends a vote **FOR** each of the nominees to the Board and **FOR** the ratification of the appointment of our independent registered public accounting firm.

How do I vote?

You have several voting options. You may vote by:

Completing your proxy card over the internet at the following website: <http://www.columbiastock.com/voting/>;

Downloading or requesting a proxy card (as detailed below), signing your proxy card and mailing it to the attention of: Columbia Stock Transfer Company 1869 E Seltice Way Suite 292, Post Falls, Idaho 83854;

Signing and faxing your proxy card to Columbia Stock Transfer Company at 855-664-3544;

Attending the Annual Meeting and voting in person.

If your shares are held in an account with a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in a street name and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker, bank or other nominee on how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the Annual Meeting unless you request and obtain a valid proxy card from your broker, bank, or other nominee.

Can stockholders vote in person at the Annual Meeting?

We will pass out written ballots to anyone who wants to vote at the Annual Meeting. If you hold your shares through a brokerage account but do not have a physical share certificate, or the shares are registered in someone else's name, you must request a legal proxy from your stockbroker or the registered owner to vote at the Annual Meeting.

What if I change my mind after I return my proxy?

You may revoke your proxy and change your vote at any time before the polls close at the Annual Meeting. You may do this by:

Signing another proxy with a later date and mailing it to the attention of: Columbia Stock Transfer Company, 1869 E Seltice Way Suite 292, Post Falls, Idaho 83854, so long as it is received prior to 2:00PM Pacific Time on December 14, 2016;

Delivering a written notice of the revocation of your proxy to the attention of: Columbia Stock Transfer Company, 1869 E Seltice Way Suite 292, Post Falls, Idaho 83854, so long as it is received prior to 2:00PM Pacific Time on December 14, 2015; or

Voting in person at the Annual Meeting.

Beneficial stockholders should refer to the instructions received from their stockbroker or the registered holder of the shares if they wish to change their vote.

How many votes do you need to hold the Annual Meeting?

To conduct the Annual Meeting, the Company must have a quorum, which means a quorum for the Annual Meeting consists of a majority of all the shares entitled to vote, but in no event shall a quorum consist of less than one-third (1/3) of shares entitled to vote present in person or represented by proxy. The Company's common stock is the only type of security entitled to vote at the Annual Meeting. Based on 95,571,388 voting shares outstanding as of the record date of November 1, 2016, 31,825,272 shares must be present at the Annual Meeting, in person or by proxy, for there to be a quorum. Your shares will be counted as present at the Annual Meeting if you:

Submit a properly executed proxy card (even if you do not provide voting instructions); or

Attend the Annual Meeting and vote in person.

What if I abstain from voting?

Abstentions with respect to a proposal are counted for the purposes of establishing a quorum. Since our bylaws state that matters presented at a meeting of the stockholders must be approved by the majority of the votes cast on the matter, a properly executed proxy card marked *ABSTAIN* with respect to a proposal are not considered votes cast for the foregoing purpose, and will have no effect on the vote for that proposal. Similarly, as described below, election of directors is by a plurality of the votes cast at the meeting. A properly executed proxy card marked *WITHHELD* with respect to the election of directors will not be voted and will not count *FOR* any of the nominees for which the vote was withheld.

What effect does a broker non-vote have?

Brokers and other intermediaries, holding shares in street name for their customers, are generally required to vote the shares in the manner directed by their customers. If their customers do not give any direction, brokers may vote the shares on routine matters, but not on non-routine matters. The election of directors is considered a non-routine

matter because the board's nominees are running uncontested and brokers may not vote shares held in street name for their customers in relation to this item of business. The ratification of the appointment of the Company's independent registered public accounting firm for the fiscal year of 2016 is considered a routine matter and brokers will be permitted to vote shares held in street name for their customers.

The absence of a vote on a non-routine matter is referred to as a broker non-vote. Any shares represented at the Annual Meeting but not voted (whether by abstention, broker non-vote or otherwise) will have no impact in the election of directors, except to the extent that the failure to vote for an individual results in another individual receiving a larger proportion of votes cast for the election of directors. Any shares represented at the Annual Meeting but not voted (whether by abstention, broker non-vote or otherwise) with respect to the proposal to ratify the appointment of the independent registered public accountant, will have no effect on the vote for such proposal.

How many votes are needed to elect directors?

The nominees for election as directors at the Annual Meeting will be elected by a plurality of the votes cast at the Annual Meeting. The nominees with the most votes will be elected. A properly executed proxy card marked *WITHHELD* with respect to the election of directors will not be voted and will not count *FOR* or *AGAINST* any of the nominees for which the vote was withheld. Broker non-votes will have no effect on the election of the nominees.

How many votes are needed to ratify the appointment of the independent registered public accountant?

The ratification of the appointment of the independent registered public accountant will be approved if the votes cast in favor exceed the votes cast opposing the action. Abstentions and broker non-votes are not considered votes cast for the foregoing purpose, and will have no effect on the vote for this proposal.

Will my shares be voted if I do not sign and return my Proxy Card?

If your shares are held through a brokerage account, your brokerage firm, under certain circumstances, may vote your shares; otherwise your shares will not be voted at the meeting. See "What effect does a broker non-vote have?" above for a discussion of the matters on which your brokerage firm may vote your shares.

If your shares are registered in your name, and you do not complete your proxy card over the Internet or sign and return your proxy card, your shares will not be voted at the Annual Meeting unless you attend the Annual Meeting and vote your shares in person.

Where can I find the voting results of the Annual Meeting?

We will publish the final results in a current report filing on Form 8-K with the Securities and Exchange Commission (SEC) within four (4) business days of the Annual Meeting.

Who will pay for the costs of soliciting proxies?

The Company will bear the cost of soliciting proxies. In an effort to have as large a representation at the Annual Meeting as possible, the Company's directors, officers and employees may solicit proxies by telephone or in person in certain circumstances. These individuals will receive no additional compensation for their services other than their regular salaries. Additionally, the Company may hire a proxy solicitor to help reach the quorum requirement. The Company will pay a reasonable fee in relation to these services. Upon request, the Company will reimburse brokers, dealers, banks, voting trustees and their nominees who are holders of record of the Company's Common Shares on the record date for the reasonable expenses incurred for mailing copies of the proxy materials to the beneficial owners of such shares.

When are stockholder proposals due for the 2017 annual meeting of Stockholders?

In order to be considered for inclusion in next year's proxy statement, stockholder proposals must be submitted in writing to the Company's Secretary, Monique Hayes, at New Jersey Mining Company, 201 N. 3rd Street, Coeur d'Alene, Idaho 83814, and received a reasonable time before the Company begins to print and send its proxy materials. Such proposals must also comply with the requirements as to form and substance established by the SEC if such proposals are to be included in our proxy statement and form of proxy.

Similarly, stockholder proposals not submitted for inclusion in the proxy statement and received after the Company begins to print and send its proxy materials will be considered untimely pursuant to Rule 14a-5(e)(2) of the Securities and Exchange Act of 1934, as amended.

PROPOSAL 1 ELECTION OF DIRECTORS

GENERAL QUESTIONS

What is the current composition of the Board?

The Company's current bylaws require the Board to have three or more persons, and may be increased to nine, or decreased from time to time, exclusively by resolution approved by the affirmative vote of a majority of the Board. The current Board is composed of three (3) directors.

Is the Board divided into classes? How long is the term?

No, the Board is not divided into classes. All directors serve one-year terms until their successors are elected and qualified at the next Annual Meeting. In the event the Board increases to nine directors, the Board will be divided into three classes.

Who is standing for election this year?

The Board of Directors has nominated the following three (3), current Board Members for election at the 2016 Annual Meeting, to hold office until the 2017 Annual Meeting:

Delbert Steiner

John Swallow

Grant Brackebusch

What if a nominee is unable or unwilling to serve?

Should any one or more of these nominees become unable or unwilling to serve, which is not anticipated, the Board may designate substitute nominees, in which event the proxy representatives will vote proxies that otherwise would be voted for the named nominees for the election of such substitute nominee or nominees.

How are nominees elected?

Directors are elected by a plurality of the votes present in person or represented by proxy and entitled to vote at the meeting.

How are votes counted?

With respect to the election of directors, you may vote for or withhold authority to vote for each of the nominees for the Board. If you withhold authority to vote with respect to one or more director nominees, your vote will have no effect on the election of such nominees. Broker non-votes will have no effect on the election of the nominees. All proxies executed and returned without an indication of how shares should be voted will be voted FOR the election of all nominees.

The Board recommends a vote FOR each of the nominees.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The Company's executive compensation program is designed to attract, motivate and retain a talented team of executives who will provide leadership for our success, and thereby increase stockholder value. Base Compensation is comprised of salary and stock option awards in order to align directors and executive officers interests with shareholder interests. The board has granted options to directors in the years 2015 and 2016 in recognition of their services to the Company, which is included in the options incentive plan approved by the Board and to be ratified by the shareholders.

The compensation for the President, Chief Executive Officer and Vice President, as the executive officers of the Company, is generally set on an annual basis by the members of the Board. In determining the appropriate compensation levels for the executive officers, the Board of Directors considers a number of factors, including, but not limited to the executive officers' mining experience and experience with the Company, and the level of compensation paid by the Company's peers in the mining industry. Compensation for the Board of Directors has been approved by the entire Board of Directors. The President and Vice President have been authorized by the Board of Directors to set the salaries and wages of the non-executive employees of the Company, subject to the review of the Board of Directors.

Long-term policies regarding executive compensation may vary significantly from currently paid compensation depending on the ability of the Company to produce increased revenues from mining and milling.

The entire Board of Directors serves as the Compensation Committee and all Directors review personnel policies of the Company that include, but are not limited to, compensation for executive officers of the Company, as well as employee compensation and benefit programs. The Board of Directors has determined that a Compensation Committee is not currently necessary because the Company is a small business. The Company does not have a written charter for the Compensation Committee.

Compensation of Officers

A summary of cash and other compensation for R. Patrick Highsmith, the Company's prior President and Chief Executive Officer; Grant Brackebusch, the Company's Vice President; Delbert W. Steiner, Executive Chairman; and John Swallow, President (the Named Executive Officers), for the two most recent years is as follows:
