SECTION 3 SECURITIES AND TRADING MARKETS

Item 3.02 Unregistered Sale of Equity Securities.

On February 19, 2013, we issued an aggregate of 2,224,499 units (each a Unit) pursuant to private placement to 12 individuals/entities at a price of CAD\$0.18 per Unit for total gross proceeds of CAD\$400,499.82. Each Unit consists of one common share and one-half of one common share purchase warrant (each a Warrant). Each whole Warrant entitles the holder to purchase one additional common share (each a Warrant Share) at a price of CAD\$0.25 per Warrant Share for a period of five years expiring on February 19, 2018. In connection with this private placement we paid a cash finder's fee of CAD\$315 and 1,750 common share purchase warrants (each a Finder's Warrant) to an entity in British Columbia, Canada, a cash finder's fee of CAD\$6,300 to an entity in Florida, and a cash finder's fee of CAD\$1,399.86 and 7,777 Finder's Warrants to an entity in Lancashire, U.K. The Finder's Warrants have the same terms as the Warrants. We relied on exemptions from registration under the U.S. Securities Act of 1933, as amended (the U.S. Securities Act) provided by Rule 506 of Regulation D and/or Section 4(2) for US purchasers as well as Regulation S for Canadian and offshore purchasers, based on representations and warranties provided by the purchasers of the Units in their respective subscription agreements entered into between us and each purchaser.

Concurrently, on February 19, 2013, we issued an aggregate of US\$5,305,540 in convertible debentures (each a Debenture and collectively, the Debentures) having a term until February 19, 2014 (the Maturity Date) and an interest rate of 15% per annum which shall accrue and be payable on the earlier of the Maturity Date or the date the entire principal amount of each Debenture is converted. The principal amount of the Debentures is convertible into shares of our common stock at the option of the holder, in whole or in part, at a price of US\$0.19 (the Conversion Price) per share until the Maturity Date. The Conversion Price of the shares of common stock underlying each Debenture is subject to adjustment upon a reclassification or other change in our outstanding common stock and certain distributions to all holders of our common stock. In addition, each holder of a Debenture received five common share purchase warrants (each a Warrant) for each US\$1.00 of principal amount of Debenture, entitling the holder to acquire one share of our common stock for each Warrant at an exercise price of US\$0.19 per share for a period of one year from the date of issuance. The Debentures are secured by a first ranking floating charge security on all of our assets. In connection with this private placement of Debentures, we paid a cash finder's fee of US\$54,600 to an entity in New York, a cash finder's fee of US\$2,197.86 and 11,567 common share purchase warrants (each a Finder's Warrant) to an entity in British Columbia, Canada, and a cash finder's fee of US\$17,159.94 and 90,315 Finder's Warrants to an entity in Lancashire, U.K. The Finder's Warrants have the same terms as the Warrants. We relied on exemptions from registration under the U.S. Securities Act provided by Rule 506 of Regulation D and/or Section 4(2) for US investors as well as Regulation S for Canadian and offshore investors, based on representations and warranties provided by the investors in the Debentures in their respective subscription agreements entered into between us and each investor.

The proceeds from the Unit offering and the Debenture offering will be used for the preliminary economic assessment, which we anticipate publishing at the end of the first quarter of 2013, and for general working capital.
