Item 8.01 Other Events

As reported in our Current Report on Form 8-K filed with the SEC on May 6, 2010, we extended our \$40 million revolving line of credit with Western National Bank (the "Line of Credit") until July 1, 2010. We will not be renewing our Line of Credit with Western National Bank, and we paid off the outstanding principal balance of \$500,000 plus interest on July 1, 2010.

We expect to replace the line of credit and are currently in discussions with another bank; however, in the event the line of credit is not replaced, we believe that our current level of positive cash flow and cash balances are sufficient to meet our operating requirements.
