

ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

Issuance of Senior Secured Notes due 2020, Senior Secured Notes due 2022, Senior Secured Notes due 2025, Senior Secured Notes due 2035, Senior Secured Notes due 2045 and Senior Secured Notes due 2055

On July 23, 2015 (the “Closing Date”), CCO Safari II, LLC (the “Escrow Issuer”), an indirect subsidiary of Charter Communications, Inc. (the “Company”), issued \$2.0 billion aggregate principal amount of 3.579% Senior Secured Notes due 2020 (the “2020 Notes”), \$3.0 billion aggregate principal amount of 4.464% Senior Secured Notes due 2022 (the “2022 Notes”), \$4.5 billion aggregate principal amount of 4.908% Senior Secured Notes due 2025 (the “2025 Notes”), \$2.0 billion aggregate principal amount of 6.384% Senior Secured Notes due 2035 (the “2035 Notes”), \$3.5 billion aggregate principal amount of 6.484% Senior Secured Notes due 2045 (the 2045 Notes”) and \$500 million aggregate principal amount of 6.834% Senior Notes due 2055 (the “2055 Notes” and, together with the 2020 Notes, the 2022 Notes, the 2025 Notes, the 2035 Notes and the 2045 Notes, the “Notes”). The Notes were sold to qualified institutional buyers in reliance on Rule 144A and outside the United States to non-U.S. persons in reliance on Regulation S. The Notes have not been registered under the Securities Act of 1933, as amended (the “Securities Act”), or any state securities laws and, unless so registered, may not be offered or sold in the United States except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state securities laws.

The offering and sale of the Notes resulted in net proceeds of approximately \$15.5 billion. The net proceeds of this issuance, together with new Charter Communications Operating, LLC (“Charter Operating”) senior secured bank loans, new unsecured CCO Holdings, LLC notes and additional borrowings under the Charter Operating revolving credit facility, will be used to fund the cash portion of the purchase price for the previously announced transaction with Time Warner Cable Inc. (the “TWC Transaction”) and the previously announced acquisition of Bright House Networks, LLC, to pay related fees and expenses and for general corporate purposes.

As described in more detail below, the gross proceeds of the offering and sale of the Notes will be held in escrow. The release of the proceeds to the Company (the “Escrow Release”) will be subject to the satisfaction of certain conditions, including the closing of the TWC Transaction. Substantially concurrently with the Escrow Release, the Notes will become obligations of the Company’s subsidiaries, Charter Operating and Charter Communications Operating Capital Corp. (“CCO Capital” and, together with Charter Operating, the “Issuers”) and the Escrow Issuer will merge into Charter Operating.

In connection therewith, the Escrow Issuer and the Issuers entered into the following agreements:

Indentures

On the Closing Date, the Escrow Issuer, Charter Operating and CCO Capital entered into a base indenture with The Bank of New York Mellon Trust Company, N.A., as trustee (in such capacity, the “Trustee”) and as collateral agent (in such capacity, the “Collateral Agent”) (the “Base Indenture”) providing for the issuance of senior secured notes generally. The Base Indenture is supplemented by the First Supplemental Indenture, dated as of the Closing Date, among the Escrow Issuer, CCH II, LLC (“CCH II”) the Trustee and the Collateral Agent, providing for the issuance and terms of the Notes (the “Supplemental Indenture” and, together with the Base Indenture, the “Indenture”). The Indenture provides, among other things, that the Notes are initial obligations of the Escrow Issuer, backed by a first-priority security interest in the proceeds of the Notes and other amounts held in escrow pursuant to the Escrow Agreement described below. Interest is payable on the 2020 Notes, the 2022 Notes and the 2025 Notes on each January 23 and July 23, commencing January 23, 2016. Interest is payable on the 2035 Notes, the 2045 Notes and the 2055 Notes on each April 23 and October 23, commencing October 23, 2015. From and after the Escrow Release, at any time prior to June 23, 2020, with respect to the 2020 Notes, May 23, 2022, with respect to the 2022 Notes, April 23, 2025, with respect to the 2025 Notes, April 23, 2035, with respect to the 2035 Notes, April 23, 2045, with respect to the 2045 Notes, and April 23, 2055, with respect to the 2055 Notes (each a “Par Call Date” with respect to the applicable series of Notes), the Issuers may redeem some or all of the outstanding Notes of such series at a redemption price equal to 100% of the principal amount thereof plus accrued and unpaid interest and special interest, if any, on such Notes to the redemption date, plus an applicable make-whole premium. On or after the applicable Par Call Date, the Issuers may redeem Notes of the applicable series at a redemption price equal to 100% of the principal amount thereof plus accrued and unpaid interest and special interest, if any, on such Notes to the redemption date.

If the Escrow Release occurs, the Notes will be guaranteed by CCO Holdings, LLC and by all of the Issuers' subsidiaries that provide guarantees under the Charter Operating credit facility. The Notes and the subsidiary guarantees will be secured by a pari passu first lien security interest, subject to certain permitted liens, in the Issuers' and their subsidiaries' assets that secure the obligations under the Charter Operating credit facility.

The terms of the Indenture, among other things, limit the ability of the Issuers to grant liens, sell all or substantially all of their assets or merge or consolidate with other entities.

The Indenture provides for customary events of default which include (subject in certain cases to customary grace and cure periods), among others, nonpayment of principal or interest; breach of other covenants or agreements in the Indenture; failure of certain guarantees to be enforceable; cessation of a material portion of the collateral subject to liens or disaffirmation of obligations under the security documents establishing the security interest in the collateral securing the Notes; and certain events of bankruptcy or insolvency. Generally, if an event of default occurs, the Trustee or the holders of at least 30% in aggregate principal amount of the then outstanding Notes of a series may declare all the Notes of such series to be due and payable immediately.

Registration Rights Agreement

In connection with the sale of the Notes, the Escrow Issuer entered into an Exchange and Registration Rights Agreement with respect to the Notes, dated July 23, 2015 (the “Registration Rights Agreement”), with Goldman, Sachs & Co., Credit Suisse Securities (USA) LLC, Merrill Lynch, Pierce, Fenner & Smith Incorporated, Deutsche Bank Securities Inc. and UBS Securities LLC, as representatives of the several Purchasers (as defined in the Registration Rights Agreement). Under the Registration Rights Agreement, the Escrow Issuer has agreed, with respect to each series of Notes, to file a registration statement with respect to an offer to exchange such series of Notes for a new issue of substantially identical notes registered under the Securities Act, to cause the exchange offer registration statement to be declared effective and to consummate the exchange offer no later than 365 days after the Escrow Release. The Escrow Issuer may be required to provide a shelf registration statement to cover resales of one or more series of Notes under certain circumstances. If the foregoing obligations are not satisfied with respect to any series of Notes, the Escrow Issuer may be required to pay holders of the Notes of such series additional interest at a rate of 0.25% per annum of the principal amount thereof for 90 days immediately following the occurrence of any registration default. Thereafter, the amount of additional interest will increase by an additional 0.25% per annum of the principal amount thereof to 0.50% per annum of the principal amount thereof until all registration defaults have been cured.

Escrow Agreement

In connection with the issuance and sale of the Notes, the Escrow Issuer, Bank of America, N.A., as escrow agent (the “Escrow Agent”), and the Trustee entered into an escrow agreement dated July 23, 2015 (the “Escrow Agreement”). Pursuant to the Escrow Agreement, the Escrow Issuer deposited into separate escrow accounts (x) in the case of the 2020 Notes, the 2022 Notes and the 2025 Notes, the gross proceeds from the offering of such series of Notes together with an amount sufficient to pay accrued and unpaid interest from the issue date of such series of Notes to, but excluding, January 23, 2016 and (y) in the case of the 2035 Notes, the 2045 Notes and the 2055 Notes, the gross proceeds from the offering of such series of Notes together with an amount sufficient to pay accrued and unpaid interest from the issue date of such series of Notes to, but excluding, October 23, 2015. No later than (x) in the case of the 2020 Notes, the 2022 Notes and the 2025 Notes, January 16, 2016, the Escrow Issuer will be required to deposit an additional amount that, together with the amount of escrowed property on deposit in the applicable escrow account on such date, will be sufficient to pay all scheduled interest payments on such series of Notes to, but excluding, July 23, 2016 and (y) in the case of the 2035 Notes, the 2045 Notes and the 2055 Notes, October 16, 2015, the Escrow Issuer will be required to deposit an additional amount that, together with the amount of escrowed property on deposit in the applicable escrow account on such date, will be sufficient to pay all scheduled interest payments on such series of Notes to, but excluding, April 23, 2016. No later than July 16, 2016, in the case of the 2020 Notes, the 2022 Notes and the 2025 Notes, and April 16, 2016, in the case of the 2035 Notes, the 2045 Notes and the 2055 Notes, the Escrow Issuer will be required to deposit in the applicable escrow account on such date an additional amount sufficient to pay accrued and unpaid interest on the applicable series of Notes to, but excluding, the latest possible date for a special mandatory redemption. Prior to the Escrow Release, the Notes will be secured by a first-priority security interest in the escrow accounts and all deposits and investment property therein to the Trustee for the benefit of the holders of the Notes. The Escrow Release will be subject to the satisfaction of certain conditions, including the closing of the TWC Transaction.
