On August 27, 2003, Water Pik, Inc., a Delaware corporation, Laars, Inc., a Delaware corporation and Water Pik Technologies Canada, Inc., a Canadian federal corporation (the Borrowers), all of which are wholly-owned subsidiaries of Water Pik Technologies, Inc., a Delaware corporation (the Company), entered into an Amended and Restated Revolving Credit Agreement (the Credit Agreement) with JPMorgan Chase Bank, as Administrative Agent, JPMorgan Chase Bank, Toronto Branch, as Canadian Agent, Bank One, NA, as Syndication Agent, and other lenders referenced in the Credit Agreement. The Company, and two other wholly-owned subsidiaries of the Company, Jandy Industries, Inc., a California corporation, and Waterpik International, Inc., a Delaware corporation, also provided guarantees (the Guarantees) of certain obligations of the Borrowers. The Credit Agreement, Guarantees and all other documents delivered in connection therewith are sometimes referred to herein as the new revolving credit facility.

The Company's new revolving credit facility allows for credit availability not to exceed \$80,000,000, including a \$10,000,000 limit for the Canadian Borrower and a \$10,000,000 limit on letters of credit. In addition, the total of all loans and letters of credit which may be issued under the new revolving credit facility may not exceed the Borrowing Base, which is calculated as a percentage of the Borrowers' Eligible Receivables and Eligible Inventory which are used as collateral for the borrowings, as such terms are defined in the Credit Agreement. The Company's new revolving credit facility continues until December 1, 2007 and replaces the Company's \$60 million revolving credit facility and the Company's CDN. \$11 million revolving credit facility used for its Canadian operations.

A copy of the Credit Agreement, the Guarantees, and selected other related documents are attached as Exhibits 4.1 through 4.12 to this filing, and are hereby incorporated by reference.

In connection with entering into the new revolving credit facility, Water Pik, Inc. and Laars, Inc. also amended their Loan Agreement dated October 22, 2001 with U.S. Bank National Association to conform certain financial covenants therein to the similar terms and covenants set forth in the Credit Agreement.
