EXPLANATORY NOTE

On May 17, 2005, the Registrant filed a registration statement on Form S-8 (Registration No. 333-125002) (the Registration Statement), which became effective on May 17, 2005, relating to the registration of 12,070,000 Special Common Shares, par value \$0.01, of the Registrant (the Special Common Shares), for issuance under the Telephone and Data Systems, Inc. 2004 Long-Term Incentive Plan (the Plan), of which 8,995,764 shares remain unissued.

On January 24, 2012, the Registrant's Special Common Shares were reclassified as Common Shares, par value \$0.01 per share, of the Registrant (Common Shares), and Special Common Shares are no longer issued or authorized for issuance. In connection therewith, the Registrant amended the Plan to provide for the issuance of its Common Shares, and is filing a registration statement to register Common Shares for issuance under the Plan, to replace such Special Common Shares.

Accordingly, the Registrant is filing this Post-Effective Amendment No. 1 to the Registration Statement to deregister all Special Common Shares that remain unissued under such Registration Statement.

Pursuant to Rule 464 under the Securities Act of 1933, as amended, this Post-Effective Amendment shall become effective upon filing with the Securities and Exchange Commission.
