**Item 1.01 Entry into a Material Definitive Agreement.**

On April 27, 2012, Casella Waste Systems, Inc. (the Company), its material subsidiaries, certain of the lenders and Bank of America, N.A., as Administrative Agent, Swing Line Lender and L/C Issuer, entered into an amendment (the Amendment) to the Amended and Restated Credit Agreement dated as of March 18, 2011 (the Original Credit Agreement and, as amended by the Amendment, the Credit Agreement).

The Amendment modified the financial covenants set forth in Sections 7.11(a), (b) and (c) of the Original Credit Agreement. As a result of the Amendment, the Company expects to be in compliance with all financial covenants for the period ended April 30, 2012, and the financial covenants (as currently in effect) are as follows.

**Minimum Interest Coverage Ratio**

<b>Four Fiscal Quarters Ending</b>	<b>Minimum Interest Coverage Ratio</b>
April 30, 2012 through July 31, 2012	2.15:1.00
October 31, 2012 through January 31, 2013	2.25:1.00
April 30, 2013 and thereafter	2.50:1.00

**Maximum Consolidated Total Funded Debt to Consolidated EBITDA**

<b>Four Fiscal Quarters Ending</b>	<b>Maximum Consolidated Total Funded Debt to Consolidated EBITDA</b>
April 30, 2012 through January 31, 2014	5:25:1.00
April 30, 2014 through January 31, 2015	5.00:1.00
April 30, 2015 through January 31, 2016	4.75:1.00
April 30, 2016 and thereafter	4.50:1.00

**Maximum Consolidated Senior Funded Debt to Consolidated EBITDA**

Four Fiscal Quarters Ending	Maximum Consolidated Senior Funded Debt to Consolidated EBITDA
April 30, 2012 through January 31, 2014	3.25:1.00
April 30, 2014 through January 31, 2016	3.00:1.00
April 30, 2016 and thereafter	2.75:1.00

The Amendment provides for adjustments to these financial covenants in the event that the Company undertakes future financing activities.

The earliest scheduled maturity date under the Credit Agreement remains March 31, 2014 (on which date maturity will continue to be triggered if the Company has not refinanced its outstanding Second Lien Notes by March 1, 2014). The Amendment permits the Company to use proceeds of a Term Loan B or other subordinated financings which may be obtained by the Company to refinance the Company's outstanding Second Lien Notes but restricts the Company from using revolving loans for that purpose. If the Company's Second Lien Notes are refinanced by such date, the maturity date of the revolving loans under the Credit Agreement remains March 18, 2016.

While the Company has achieved additional covenant headroom with the Amendment, the Company has no plans to change its delevering strategy.

**Forward-Looking Statements**

Statements in this Current Report on Form 8-K concerning the Company's future expectations, plans and prospects, including without limitation, statements regarding the Company's delevering strategy or future compliance with financial covenants, constitute forward-looking statements for the purposes of the safe harbor provisions under The Private Securities Litigation Reform Act of 1995. Such forward-looking statements involve a number of risks and uncertainties, any one or more of which could cause actual results to differ materially from those described in the forward-looking statements. Such risks and uncertainties include or relate to, among other things: current economic conditions that have adversely affected and may continue to adversely affect the Company's revenues and its operating margin as well as those risks more fully discussed in the Risk Factors section of the Company's most recent Annual Report on Form 10-K on file with the Securities and Exchange Commission. In addition, any forward-looking statements represent the Company's views only as of the date hereof and should not be relied upon as representing its views as of any subsequent date. The Company does not undertake any obligation to update publicly any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law.
