The Merger Agreement provides for, among other things, (1) the merger of Merger Sub A with and into Isle, with Isle as the surviving entity (the First Step Merger), and (2) a subsequent merger whereby Isle will merge with and into Merger Sub B, with Merger Sub B as the surviving entity (the Second Step Merger and together with the First Step Merger, the Mergers).

Isle's stockholders may elect to exchange each share of Isle common stock held by such stockholder, at the effective time of the First Step Merger, for either \$23.00 in cash or 1.638 shares of Company common stock. Elections are subject to proration such that the outstanding shares of Isle common stock will be exchanged for aggregate consideration comprised of 58% cash and 42% Company common stock.

The First Step Merger is subject to adoption of the Merger Agreement by two-thirds of Isle's stockholders and the issuance of Company stock pursuant to the Merger Agreement is subject to majority approval by the Company's stockholders. Consummation of the Mergers is subject to the effectiveness of a joint registration statement and proxy statement on Form S-4 to be filed by the Company and Isle with the Securities and Exchange Commission (the SEC).

The Company and Isle made customary representations, warranties and covenants in the Merger Agreement. The Company and Isle have agreed, subject to the terms and conditions of the Merger Agreement, to various covenants and agreements, including, among others: (i) to use commercially reasonable efforts to conduct their respective businesses in the ordinary course; (ii) following the effectiveness of the joint registration and proxy statement, to promptly convene meetings of their respective stockholders to approve the issuance of stock consideration, in the case of the Company stockholders, and adopt the Merger Agreement, in the case of the Isle stockholders; and (iii) to use commercially reasonable efforts to obtain necessary regulatory approvals, including the receipt of required approvals of gaming authorities and the expiration of the waiting period under the Hart-Scott-Rodino Act. Isle has also agreed, subject to the terms of the Merger Agreement, not to, directly or indirectly, solicit, initiate, or knowingly take any action to facilitate or encourage the submission of any inquiry, proposal or offer from a third party relating to the potential acquisition of Isle and to cooperate with the Company in obtaining the debt financing. The Company has agreed to use reasonable best efforts to obtain the debt financing contemplated by the Debt Commitment Letter described below or alternative financing contemplated by the Merger Agreement.

Each party's obligation to consummate the Mergers is subject to certain conditions, including, among others: (i) stockholder approval of both the Company and Isle as described above; (ii) receipt of required approvals of gaming authorities; (iii) expiration of the waiting period under the Hart-Scott-Rodino Act; and (iv) absence of any order or legal requirement that prohibits or makes the Mergers illegal. The obligation of the Company to consummate the Mergers is subject to the absence of a material adverse effect on Isle and the obligation of Isle to consummate the Mergers is subject to the absence of a material adverse effect on the Company. The obligation of the Company to consummate the Mergers is not subject to a financing condition.

Edgar Filing: ISLE OF CAPRI CASINOS INC - Form 425

Additionally, the Merger Agreement contains certain termination rights for both the Company and Isle including, among others, a mutual termination right if the Mergers have not been consummated on or prior to June 19, 2017 (which may be extended for an additional 90 days by either the Company or Isle if all of the conditions precedent other than the receipt of required gaming approvals have been satisfied). Upon the termination of the Merger Agreement under certain circumstances, the Company or Isle may be required to pay a termination fee of \$60,000,000 or \$30,000,000, respectively. A copy of the Merger Agreement is attached hereto as Exhibit 2.1 and is incorporated herein by reference. The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Merger Agreement.

The Merger Agreement has been included to provide investors and security holders with information regarding its terms. It is not intended to provide any other factual or financial information about the Company, Isle, or their respective subsidiaries and affiliates. The representations, warranties and covenants contained in the Merger Agreement were made only for purposes of that agreement and as of specific dates; are solely for the benefit of the parties to the Merger Agreement; may be subject to limitations agreed upon by the parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts; and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Investors should not rely on the representations, warranties and covenants or any description thereof as characterizations of the actual state of facts or condition of the Company or Isle or any of their respective subsidiaries or affiliates. The Company's disclosure schedule contains information that has been included in the Company's prior public disclosures, as well as non-public information. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in public disclosures by the Company and Isle. The Merger Agreement should not be read alone, but should instead be read in conjunction with the other information regarding the companies and the Mergers that will be contained in, or incorporated by reference into, the proxy statement/prospectus that the parties will file in connection with the Mergers, as well as in the other filings that each of the Company and Isle make with the SEC.

The proceeds of the Facilities and senior notes may be used (w) to pay consideration in the Mergers, (x) refinance all of Isle's existing credit facilities and senior and senior subordinated notes, (y) refinance the Company's existing credit facility and (z) pay transaction fees and expenses related to the foregoing. The availability of the borrowings under the Facilities is subject to the satisfaction of certain customary conditions.

A copy of the Debt Commitment Letter is attached hereto as Exhibit 10.1 and is incorporated herein by reference. The foregoing description of the Debt Commitment Letter is qualified in its entirety by reference to the full text of the Debt Commitment Letter.
