Item 2.01 Completion of Acquisition or Disposition of Assets.

On May 5, 2006, The Jackson Rivers Company, a Florida corporation ("JRC"), through its wholly-owned subsidiary, JKRI Acquisition Corp., a Texas corporation ("JKRI"), consummated its acquisition of UTSI International Corporation, a Texas

corporation ("UTSI"), pursuant to that certain Agreement and Plan of Merger, dated May 5, 2006, by and among JRC, JKRI, UTSI, and each of the stockholders of UTSI (the "Merger Agreement"). Pursuant to the Merger Agreement, UTSI merged with and into JKRI, with JKRI as the surviving corporation, and each share of UTSI common stock outstanding at the effective time of the merger was converted into the right to receive .6953959 share of a JRC Series C Preferred Stock (i.e., the 1,529,871 shares of common stock of UTSI outstanding are convertible into an aggregate of 2,200,000 shares of Series C Preferred Stock of JRC).

Each share of Series C stock will initially be convertible, starting after May 5, 2008, into that number of shares of The Jackson Rivers Company common stock obtained by multiplying the number of shares to be converted by a fraction, the numerator of which is \$1.00 and the denominator equal to the "market price" of The Jackson Rivers Company common stock at the time of conversion. The conversion rate is subject to adjustment. See Item 5.03.

The terms of the Merger Agreement provide that certain events (Section 8) shall constitute an Event of Default thereunder, which events shall give the non-defaulting party the right to require all parties to the Merger Agreement to take all actions required to unwind and effectively rescind the Merger.

This description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, which is incorporated herein by reference.

Item 3.02 Unregistered Sale of Equity Securities

In connection with the Merger Agreement described above, we issued an aggregate of 2,200,000 shares of Series C Preferred Stock of JRC. We relied on the exemption from registration provided by Section 4(2) of the Securities Act of 1933, as amended, for the offer and sale of the Series C Preferred Stock.

Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers.

(d) On May 5, 2006, in connection with the transaction described under Item 2.01 above, pursuant to a resolution the Shareholders by written consent, appointed Daniel W. Nagala as a Director. Mr. Nagala will also serve as the Chairman of the Board, Chief Executive Officer and President of UTSI International Corp., the wholly-owned subsidiary of JRC pursuant to the Merger Agreement.

Item 5.03 Amendments to Articles of Incorporation or Bylaws: Change in Fiscal Year.

On May 5, 2006, our Board of Directors approved an amendment to our Articles of Incorporation (filed with the Florida Secretary of State on May 5, 2006) to provide for a new series of preferred stock, as permitted by our Articles of Incorporation, such series of preferred stock being entitled "Series C Preferred Stock". Our Articles of Incorporation provide for our Board of Directors to fix the terms of preferred stock by resolution without the vote of stockholders.

Each share of Series C stock will initially be convertible, starting May 5, 2008, into that number of shares of The Jackson Rivers Company common stock obtained by multiplying the number of shares to be converted by a fraction, the numerator of which is \$1.00 and the denominator equal to the "market price" (as defined in the Amendment) of The Jackson Rivers Company common stock at the time of conversion. The conversion rate is subject to adjustment in certain circumstances, as set forth in the amendment. The Series C Preferred Stock can

be redeemed at "market value" (as defined in the Amendment) and has a right to be paid a liquidation preference at "market value" prior to any payments to the Series A Preferred Stock and the common stockholders in a liquidation. The Series C Preferred Stock is non-voting.

This description of the Amendment does not purport to be complete and is qualified in its entirety by reference to the Amendment, which is incorporated herein by reference.
