PROXY STATEMENT

The accompanying proxy is solicited by the Board of Directors of Universal Security Instruments, Inc., a Maryland corporation (the "Company"), in connection with the Annual Meeting of Shareholders to be held on Monday October 9, 2006, or at any adjournments or postponements thereof, for the purposes set forth in the accompanying notice of the meeting. The Board of Directors has fixed the close of business on August 14, 2006 as the record date (the "Record Date") for the determination of shareholders entitled to notice of, and to vote at, the meeting. On that date, there were outstanding 1,809,301 shares of the Company's Common Stock par value \$.01 per share (the "Shares").

Each record holder of Shares on the Record Date is entitled to one vote for each Share held on all matters to come before the meeting, including the election of directors. Shares may be voted in person or by proxy. The accompanying proxy may be revoked by the person giving it at any time prior to its being voted by filing a written notice of such revocation with the Secretary of the Company, by executing a proxy bearing a later date or by attending the meeting and voting in person.

BENEFICIAL OWNERSHIP

The following table reflects the names and addresses of the only persons known to the Company to be the beneficial owners of 5% or more of the Shares outstanding as of the Record Date. For purposes of calculating beneficial ownership, Rule 13d-3 of the Securities Exchange Act of 1934, as amended ("Exchange Act") requires inclusion of Shares that may be acquired within sixty days of the Record Date. Unless otherwise indicated in the footnotes to this table, beneficial ownership of shares represents sole voting and investment power with respect to those Shares.

NAME AND ADDRESS OF BENEFICIAL OWNER	SHARES BENEFICIALLY OWNED	PERCENT OF CLASS
Harvey B. Grossblatt 7-A Gwynns Mill Court Owings Mills, MD 21117	114,727(1)	6.18%
Michael Kovens 6 Regency Court Baltimore, MD 21208	138,642	7.66%

(1) Includes 47,666 shares which Mr. Grossblatt presently has the right to acquire through the exercise of stock options.

ELECTION OF DIRECTORS

The Board of Directors currently consists of four directors. The Company's directors are divided into three classes and are elected for terms of three years each and until their successors are elected and qualify. The Board has nominated Ronald A. Seff, M.D. for election as director at the 2006 Annual

Edgar Filing: UNIVERSAL SECURITY INSTRUMENTS INC - Form DEF 14A

Meeting to serve for a term of three years and until his successor is elected and qualifies. A quorum for the Annual Meeting consists of a majority of the issued and outstanding Shares present in person or by proxy and entitled to vote. Under Maryland law, unless a corporation's charter or bylaws provide otherwise, directors are elected by a plurality of all votes cast at a meeting at which a quorum is present. The Company's Bylaws provide that the affirmative vote of a majority of the Shares issued and outstanding and entitled to vote is necessary for the election of directors. If no nominee receives the requisite vote, Dr. Seff will continue to serve as director until his successor is duly elected and qualifies. Consequently, withholding of votes, abstentions and broker non-votes with respect to Shares otherwise present at the Annual Meeting in person or by proxy will have the effect of a vote withheld.

Unless contrary instruction is given, the persons named in the proxies solicited by the Board of Directors will vote each such proxy for the election of the named nominee. If the nominee is unable to serve, the shares represented by all properly executed proxies which have not been revoked will be voted for the election of such substitute as the Board of Directors may recommend or the Board of Directors may reduce the size of the Board to eliminate the vacancy. At this time, the Board does not anticipate that the nominee will be unavailable to serve.

The following table sets forth, for the nominees and each continuing director, his name, age as of the Record Date, the year he first became a director of the Company, the expiration of his current term, and whether such individual has been determined by the Board to be "independent" as defined in Section 121A of the American Stock Exchange (Amex) Company Guide. There are no known arrangements or understandings between any director or nominee for director of the Company and any other person pursuant to which such director or nominee has been selected as a director or nominee.

CORPORATE GOVERNANCE

The Board of Directors periodically reviews its corporate governance policies and procedures to ensure that the Company meets the highest standards of ethical conduct, reports results with accuracy and transparency, and maintains full compliance with the laws, rules and regulations which govern the Company's operations.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

Board of Directors. During the fiscal year ended March 31, 2006, the Board met four times. No incumbent director attended fewer than 75% of the total number of meetings of the Board of Directors of the Company held during the year and the total number of meetings held by all committees on which the director served during such year. Board members are expected to attend the Annual Meeting of Shareholders, and all incumbent directors attended the 2005 Annual Meeting of Shareholders.

Audit Committee. The Audit Committee is appointed by the Board to assist the Board in its duty to oversee the Company's accounting, financial reporting and internal control functions and the audit of the Company's financial statements. The Committee's responsibilities include, among others, direct responsibility for hiring, firing, overseeing the work of and determining the compensation for the Company's independent auditors, who report directly to the Audit Committee. The members of the Audit Committee are Mr. Luskin (Chairman), Dr. Seff and Dr. Silverman, none of whom is an employee of the Company and each of whom is independent under existing Amex and Securities and Exchange Commission (SEC) requirements. The Board has examined the SEC's definition of "audit committee financial expert" and determined that Mr. Luskin satisfies this definition. Accordingly, Mr. Luskin has been designated by the Board as the Company's audit committee financial expert. During the fiscal year ended March 31, 2006, the Audit Committee met four times. The Board has adopted a written charter for the Audit Committee, which is attached to this Proxy Statement as Appendix A.

Nominations. The independent members of the Company's Board of Directors acts as a nominating committee for the annual selection of its nominees for election as directors, and the Board held one meeting during the 2006 fiscal year in order to make nominations for directors. The Board of Directors believes that the interests of the Company's shareholders are served by relegating the nominations process to the full Board, the majority of which are independent from management. While the Board will consider nominees recommended by shareholders, it has not actively solicited recommendations from the Company's shareholders for nominees, nor established any procedures for this purpose. In considering prospective nominees, the Board will consider the prospect's relevant financial and business experience, the integrity and dedication of the prospect, his independence and other factors the Board deems relevant. The Board of Directors will apply the same criteria to nominees recommended by shareholders as those recommended by the full Board. Nominations for director may be made by shareholders, provided such nominations comply with certain timing and informational requirements set forth in the Company's Bylaws. See "Other Matters" elsewhere in this Proxy Statement.

Compensation Committee. The Board's Compensation Committee consists of Mr.

EXECUTIVE EMPLOYMENT AGREEMENTS

Harvey Grossblatt entered into an employment agreement with the Company originally effective April 1, 2002. As amended, the employment agreement currently provides that Mr. Grossblatt is employed for a term ending July 31, 2008 at an annual base salary of \$180,000 subject to automatic annual cost of living increases up to 4% and further subject to increases in the Board's discretion. Additionally, Mr. Grossblatt is entitled to bonus compensation for each fiscal year of the Company in which the Company earned pre-tax net income in excess of an amount equal to 8% of shareholders' equity as of the start of the fiscal year, as follows: 3% of all (after the 8% threshold) pre-tax net income up to \$1 million, 4% of pre-tax net income from \$1-\$2 million, 5% of pre-tax net income from \$2-\$3 million, 6% of pre-tax net income from \$3-\$4 million, 7% of pre-tax net income over \$4 million. Mr. Grossblatt is also entitled to life, health and disability insurance benefits, medical reimbursement, automobile allowance, and Company paid retirement plan contributions.

Effective July 18, 2005, Mr. Grossblatt's Employment Agreement was amended to reflect his new duties as Chief Executive Officer following Mr. Knepper's passing on August 4, 2004. The amended agreement provides that Mr. Grossblatt's base annual salary beginning July 18, 2005 is \$300,000, increasing to \$325,000 on August 1, 2006, and to \$350,000 on August 1, 2007. The amended agreement did not change the calculation of Mr. Grossblatt's bonus compensation or materially change the terms of Mr. Grossblatt's benefits.

If the Employment Agreement is not renewed by the Company or is terminated by Mr. Grossblatt for good reason, Mr. Grossblatt is entitled to receive his compensation through any balance of the employment term plus a lump sum payment equal to his last 12 months base salary and bonus, health benefits for three years, and an additional lump sum payment payable on each of the first three anniversaries of the termination equal to the 401(k) plan contribution the Company would have made on behalf of the Company had he remained employed by the Company.

If Mr. Grossblatt's employment is terminated following or in anticipation of a "change of control" of the Company, Mr. Grossblatt will be entitled to receive a lump sum payment equal to his base salary for the balance of the Employment Agreement's term and the amount of Mr. Grossblatt's last bonus. In addition, Mr. Grossblatt is entitled to receive health benefits for three years, and an additional lump sum payment payable on the anniversary of the termination equal to the 401(k) plan contribution the Company would have made on behalf of the Company had he remained employed by the Company. Furthermore, Mr. Grossblatt will receive an amount equal to three times his base salary for the last 12 months and the amount of his last bonus, limited to 2.99 times Mr. Grossblatt's average annual taxable compensation from the Company which is included in his gross income for the five taxable years of the Company ending before the date on which the change of control occurs.

If the Employment Agreement is terminated by the Company due to Mr.

Edgar Filing: UNIVERSAL SECURITY INSTRUMENTS INC - Form DEF 14A

Grossblatt's death, Mr. Grossblatt's estate is entitled to receive a lump sum payment equal to his base salary for the greater of the balance of the Employment Agreement's term or one year, reduced by any individual life insurance benefits the premiums for which are paid for by the Company, plus the amount of his last bonus and the amount of the Company's last 401(k) plan contribution made on behalf of Mr. Grossblatt. In addition, Mr. Grossblatt's estate is entitled to the health insurance and medical reimbursement benefits for the longer of the balance of the term or three years following the date of death, or the cash equivalent thereof.

If the Employment Agreement is terminated by the Company due to Mr. Grossblatt's disability, Mr. Grossblatt is entitled to the continuation of the payment of his base salary for the balance of the term, reduced by any group or individual disability income insurance benefits the premiums for which are paid for by the Company and Social Security disability benefits paid to Mr. Grossblatt. In addition, Mr. Grossblatt is entitled to the health insurance and medical reimbursement benefits and a payment equal to the 401(k) plan contribution the Company would have made on behalf of the Company had he remained employed by the Company, for the longer of the balance of the term or three years following the date of disability, or the cash equivalent thereof.

The Employment Agreement generally prohibits Mr. Grossblatt from competing with the Company during the term and during any subsequent period during which he receives compensation from the Company.

REPORT OF THE COMPENSATION COMMITTEE

For the fiscal year ended March 31, 2006, the compensation of the

Edgar Filing: UNIVERSAL SECURITY INSTRUMENTS INC - Form DEF 14A

Company's chief executive officer was determined by the Compensation Committee and confirmed by the Board of Directors.

COMPENSATION PHILOSOPHY. The philosophy of the Committee and Board with respect to executive compensation is to ensure that the interests of management and employees are identical to the interests of the Company's owners - the shareholders. To that end, the Committee has implemented and will continue to implement a compensation strategy that includes base salary and cash bonus, as well as stock options which will reward management for adding shareholder value. Base salary has been established at levels which are necessary to attract and retain a high caliber management, and cash bonuses are designed to provide short-term rewards for current accomplishments. Stock options provide management with a long-term investment in the Company, the value of which is dependent upon their success in maximizing shareholder values.

This approach to employee remuneration carries through to salary and incentive compensation for the Company's non-management personnel, as well. The Company's Non-Qualified Stock Option Plan is designed to reward the Company's valuable employees for their individual contributions to the profitability of the Company and provide them with a long-term interest in the Company's success.

The total compensation for Mr. Grossblatt, as President and Chief Executive Officer of the Company, during the fiscal year ended March 31, 2006, was based on his employment agreement and the overall performance of the Company. As chief executive officer of the Company, Mr. Grossblatt played a key role in the Company's financial performance over the past five years and is responsible for the overall condition of the Company.

It is the intention of the Committee and Board to review the Company's executive compensation structure to insure that the Company has the continued ability to attract and retain the high caliber executive talent. To that end, the Committee and Board will take into account salaries of senior management of companies of similar size within the security products industry.

BASE SALARY. Base salary for senior management for fiscal year 2006 was based upon employment agreements or salaries paid to such personnel in the preceding year.

SALARY INCREASES AND INCENTIVE BONUSES. Salary increases and incentive bonuses for senior management were dependent on the Company's financial performance.

STOCK OPTION PLAN. To promote the best long-term benefits to the Company and its shareholders, the Company has a Non-Qualified Stock Option Plan ("Plan") under which directors, officers and employees may be granted awards of stock options. The purpose of the Plan is to provide equity-based incentive compensation based on the long-term appreciation in value of the Company's Shares and to promote the interests of the Company and its shareholders by encouraging greater management ownership of the Company's Shares. Some options granted or to be granted under the Plan vest over a period of several years, thereby providing a long-term incentive and encouraging a long-term relationship between the employee and the Company. Awards under the Plan have been and will be made to employees who have demonstrated significant management potential or who have the capacity for contributing in a substantial measure to the successful performance of the Company. As of March 31, 2006, there remained a maximum of 1,175 Shares available to be issued under the Plan, and options to purchase 242,496 Shares are outstanding.

Such services include consents related to Securities and Exchange Commission and other regulatory filings. OTHER MATTERS

The Board of Directors is not aware of any other matter which may be presented for action at the 2006 Annual Meeting of Shareholders, but should any other matter requiring a vote of the shareholders arise at the 2006 Annual Meeting, it is intended that the proxies will be voted with respect thereto in accordance with the best judgment of the person or persons voting the proxies, discretionary authority to do so being included in the proxy.

The cost of soliciting proxies will be borne by the Company. Arrangements will be made with brokerage firms and other custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of the Shares held of

Edgar Filing: UNIVERSAL SECURITY INSTRUMENTS INC - Form DEF 14A

record by such persons, and the Company will reimburse them for their reasonable out-of-pocket expenses. Officers and directors may also solicit proxies.

The nominee for director who receives a majority of the votes entitled to be cast for the election of directors at the Annual Meeting will be elected. In respect of any other matter, the affirmative vote of the holders of a majority of the Shares entitled to vote on the issue, in person or by proxy, is necessary to approve the matter.

As a matter of policy, the Company will accord confidentiality to the votes of individual shareholders, whether submitted by proxy or ballot, except in limited circumstances, including any contested election, or as may be necessary to meet legal requirements. Votes cast by proxy or in person at the Annual Meeting will be tabulated by the Company and will determine whether or not a quorum is present. Abstentions will be treated as shares that are present and entitled to vote for purposes of determining the presence of a quorum but as unvoted for purposes of determining the approval of any matter submitted to the shareholders for a vote. If a broker indicates on the proxy that it does not have discretionary authority as to certain shares to vote on a particular matter, those shares will not be considered as present and entitled to vote with respect to that matter.

Any shareholder desiring to present a proposal at the 2007 Annual Meeting of Shareholders and wishing to have that proposal included in the proxy statement for that meeting must submit the same in writing to the Secretary of the Company at 7-A Gwynns Mill Court, Owings Mills, Maryland 21117, in time to be received by May 1, 2007. In addition, if a shareholder desires to bring business (including director nominations) before the 2007 Annual Meeting of Shareholders that is not the subject of a proposal timely submitted for inclusion in the Company's Proxy Statement, written notice of such business, as currently prescribed in the Company's Bylaws, must be received by the Company's Secretary between April 1, 2007 and May 1, 2007. For additional requirements, a shareholder should refer to Article I, Section 8 of the Company's Bylaws, "Advance Notice of Stockholder Nominees for Director and Other Stockholder Proposals," a copy of which may be obtained from the Company's Secretary or from the Company's SEC filings. If the Company does not receive timely notice pursuant to the Bylaws, the nomination or proposal will be excluded from consideration at the meeting.

The persons designated by the Company to vote proxies given by shareholders in connection with the Company's 2007 Annual Meeting of Shareholders will not exercise any discretionary voting authority granted in such proxies on any matter not disclosed in the Company's 2007 proxy statement with respect to which the Company has received written notice no later than July 20, 2007 that a shareholder (i) intends to present such matter at the 2007 Annual Meeting, and (ii) intends to and does distribute a proxy statement and proxy card to holders of such percentage of the Shares required to approve the matter. If a shareholder fails to provide evidence that the necessary steps have been taken to complete a proxy solicitation on such matter, the Company may exercise its discretionary voting authority if it discloses in its 2007 proxy statement the nature of the proposal and how it intends to exercise its discretionary voting authority.

Shareholders who do not plan to attend the Annual Meeting are urged to complete, date, sign and return the enclosed proxy in the enclosed envelope, to which no postage need be affixed if mailed in the United States. Prompt response is helpful and your cooperation will be appreciated.

APPENDIX A

UNIVERSAL SECURITY INSTRUMENTS, INC. AUDIT COMMITTEE CHARTER

PURPOSE

The role of the Audit Committee (the "COMMITTEE") is to oversee:

- o Management in the performance of its responsibility for the integrity of the Company's accounting and financial reporting, and its systems of internal controls;
- o The performance and qualifications of the independent auditor (including the independent auditor's independence);
- o The performance of the Company's internal audit function; and
- o The Company's compliance with legal and regulatory requirements.

Consistent with this oversight function, the Committee shall authorize investigations into any matters within the Committee's responsibilities and, in doing so, the Committee shall have full access to the Company's records, employees, and independent auditor (with or without the presence of management).

The Committee shall have the authority, to the extent it deems necessary or appropriate, to retain legal, accounting or other advisors for advice and assistance. The Company shall pay the costs of retaining any advisors selected by the Committee.

The Committee shall meet at least four times each year or more frequently as circumstances dictate. The Committee shall meet with the Company's independent auditor at least quarterly, and shall meet with the Company's Chief Financial Officer ("CFO") at least annually or more frequently as circumstances dictate.

Edgar Filing: UNIVERSAL SECURITY INSTRUMENTS INC - Form DEF 14A

The Committee shall review and reassess the adequacy of this Charter at least annually. Any proposed changes shall be submitted to the Company's Board of Directors (the "BOARD") for its approval. The Committee shall annually evaluate the processes, activities and effectiveness of the Committee, including the composition, expertise, and availability of the Committee members.

STRUCTURE AND MEMBER QUALIFICATIONS

The members of the Committee shall be annually appointed by the Board, and may be replaced by the Board according to the Company's Bylaws.

The Committee shall have at least three members and shall consist solely of "independent" Directors, consistent with the listing standards of the American Stock Exchange and applicable legal requirements.

The membership of the Committee shall have the following qualifications:

- o Each member of the Committee shall be able to read and understand fundamental financial statements, including a company's balance sheet, income statement, and cash flow statement or will become able to do so within a reasonable period of time after his or her appointment to the Committee.
- o At least one member of the Committee must have past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background which results in the individual's financial sophistication, including being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities.
- o If the Board determines, at least one member shall qualify as an "audit committee financial expert" as defined by the Securities and Exchange Commission ("SEC").

A-1

The Board will assess and determine the qualifications of the Committee members set forth in this Charter.

The Board shall select the Audit Committee Chair. If a Chair is not designated or present, a Chair may be designated by a majority vote of the Committee members present.

RESPONSIBILITIES AND DUTIES

The Committee recognizes that the Company's management is responsible for the completeness and accuracy of the Company's financial statements and disclosures and for maintaining effective internal controls. The Committee also recognizes that the independent auditor is responsible for auditing the Company's financial statements. Accordingly, management and the independent auditor have more knowledge and more detailed information about the Company than do Committee members and the Committee's primary responsibility is oversight. In carrying out its oversight responsibilities, the Committee will be relying, in part, on the expertise of management and the independent auditor.

The Committee shall be responsible for the appointment, compensation, removal, and oversight of the work of the independent auditor. The independent

Risk Assessment

- o Assess the Company's risk management process and the adequacy of the overall control environment, including controls in selected areas representing financial reporting, disclosure and compliance.
- o Assess any fraud, whether or not material, that involves management or other employees who have a significant role in the Company's internal controls.
- o Assess the annual scope and plans of the independent auditors.

Financial Reporting and Disclosure

- o Review and discuss with management and the independent auditor the annual audited and quarterly financial statements, related footnotes, disclosures made in the Management's Discussion and Analysis of Financial Condition and Results of Operations section of the Company's quarterly and annual SEC filings, the opinion of the independent auditor with respect to the audited financial statements, and the results of the independent auditor's quarterly review of the financial statements.
- o Review and discuss with management and the independent auditor any significant events, transactions, changes in accounting estimates, changes in important accounting principles and their application, and any major issues as to the adequacy of internal controls affecting the quality of the Company's financial reporting.
- o Review, in conjunction with its review of the quarterly and annual reports, the process for the Chief Executive Officer ("CEO") and CFO certifications with respect to the financial statements and the Company's disclosure and internal controls.
- o Evaluate all significant deficiencies in the design or operation of internal controls which could adversely affect the Company's ability to record, process, summarize, and report financial data.
- o Review and discuss with management any proposed public release of earnings information, as well as financial information provided to analysts and rating agencies.

Independent Auditor Oversight Responsibilities

- o Based upon a report from the independent auditor at least annually, review (a) the auditor's internal quality-control procedures, (b) any material issues raised by the most recent quality-control review, or peer review, of the firm, or by any recent inquiry or

Edgar Filing: UNIVERSAL SECURITY INSTRUMENTS INC - Form DEF 14A

investigation by governmental or professional authorities respecting one or more independent audits carried out by the firm and (c) any steps taken to address any such issues.

- o Ensure that the independent auditor submits, on a periodic basis, a formal written statement delineating all relationships between the independent auditor and the Company, as required by the Independence Standards Board, Standard No. 1; discuss the statement with the independent auditor and evaluate the relationships and services that may affect the auditor's objectivity and independence; take appropriate action to satisfy itself of the auditor's independence.
- o Review matters related to the conduct of the annual audit, which are required to be communicated by AICPA Statement of Auditing Standards 61 and other generally accepted auditing standards.
- o Conduct the annual discussion with the independent auditor on the quality and acceptability of the Company's accounting principles and all alternative treatments of financial information within generally accepted accounting principles that have been discussed with management, the potential impact of the use of such alternative disclosures and treatments, and the treatment preferred by the independent auditor.
- o Review the independent auditor's management letter.
- o Review with the independent auditor any audit problems or difficulties and management's response.
- o Approve in advance all audit and non-audit services to be provided by, and all fees to be paid to, the independent auditor or devise policies delegating pre-approval authority to one or more members of the Committee.

Ethical, Legal and Regulatory Compliance Matters

- o Assess the Company's processes regarding compliance with applicable laws, regulations and any code of business ethics adopted by the Board, including those matters that could have a significant impact on the financial statements, compliance with policies, reports from regulators and the provisions of any such code of business ethics applicable to the CEO and the Company's senior financial officers as defined by the SEC rules.
- o Assess the Committee's procedures for (a) the receipt, retention, and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters, and (b) the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters.
- o Review reports and disclosures of significant conflicts of interest and related-party transactions.

REPORTS

The Committee shall report to the Board with respect to its activities as promptly as practicable following each meeting of the Committee.
