## **FORWARD-LOOKING STATEMENTS**

This Current Report on Form 8-K, including the exhibits hereto, contains forward-looking statements identified by words such as “estimate,” “project,” “expect,” “intend,” “believe,” “anticipate” and similar expressions regarding the potential merger with Stink and our expectations regarding the effects of such transaction. Those statements involve risks and uncertainties, and actual results could differ materially from those discussed. Factors that could cause or contribute to such differences include, but are not limited to: (i) the timing of the closing, if any, of the mergers with Psyop and with Stink; (ii) the completion to our satisfaction of due diligence regarding Stink; (iii) our ability to negotiate a definitive agreement with Stink; (iv) our ability to obtain the required corporate, stockholder and, if applicable, third-party and governmental approvals; (v) the possibility that the Stink transaction may not close; (vi) our ability to negotiate mutually acceptable employment arrangements with key employees of Stink; (vii) our ability to successfully integrate the businesses of Psyop and Stink; and (viii) the performance of the combined business to operate successfully and generate growth.

You should not place any undue reliance on these forward looking statements which speak only as of the date of this Current Report. Additional information concerning factors that might affect our business or stock price which could cause actual results to materially differ from those in forward-looking statements is contained in Fortissimo’s SEC filings, including its Definitive Proxy Statement filed on August 12, 2008, a Proxy Statement Supplement expected to be filed in the near future relating to the entering into of the non-binding letter of intent with Stink, its Annual Report on Form 10-KSB for the year ended December 31, 2007 and other periodic reports under the Securities Exchange Act of 1934, as amended, copies of which are available upon request from Fortissimo.
