As more fully described in Item 4, Item 5 and Item 6 of this Statement, pursuant to the terms of the Merger (defined below) between the Issuer, VBV LLC, a Delaware limited liability company, and certain other parties, on October 15, 2008, Wilon received as merger consideration an aggregate of 749,837 shares of common stock of the Issuer in exchange for the units of VBV LLC held by it immediately prior to the Merger, and for which no acquisition funds were used. ITEM 4. PURPOSE OF TRANSACTION

Merger Agreement

The Reporting Persons acquired shares of GPRE common stock in a merger transaction pursuant to which the shares of the common units of the acquired company held by the Reporting Persons were converted into the shares of GPRE common stock. On October 15, 2008 (the "Closing Date"), pursuant to the Agreement and Plan of Merger, dated May 7, 2008, by and among it, Green Plains Merger Sub, Inc., a wholly-owned subsidiary of GPRE, VBV LLC ("VBV") and certain other parties (the "Merger Agreement"), GPRE completed its merger (the "Merger") with VBV, with VBV

Put and Call Agreement (VBV)

Bioverda International, Bioverda US and Wilon have entered into a Put and Call Agreement, dated as of April 1, 2008 (the “Put and Call Agreement (VBV)”). Under the Put and Call Agreement (VBV), Bioverda US is entitled to require Wilon to purchase all or any portion of the shares of Issuer’s common stock, at the price of \$12.1145 per share, that Bioverda US received as merger consideration in exchange for the 74 common units held by Bioverda US prior to the Merger (the “VBV put option”). The VBV put option is exercisable by Bioverda US at anytime on or before October 31, 2008. Additionally, Wilon is entitled to require Bioverda US to sell to Wilon all or any portion of the shares of Issuer’s common stock, at the price of \$12.1145 per share, that Bioverda US received as merger consideration in the exchange for the 74 common units held by Bioverda US prior to the Merger (the “VBV call option”). The VBV call option is exercisable by Wilon at any time on or before November 15, 2008.

The Put and Call Agreement (VBV) restricts the right of Bioverda US to transfer less than all of its shares subject to the VBV call option and provides that if Bioverda US should transfer all of such interests to a third party, it must also transfer all of its rights and obligations under the Put and Call Agreement (VBV) to such transferee. Wilon is prohibited from conveying, assigning or otherwise transferring any of its rights or obligations under the Put and Call Agreement (VBV) without the prior written consent of Bioverda US.

On October 1, 2008, Bioverda US notified Wilon of its intent to exercise its VBV put option and sell to Wilon 74 common units of VBV (representing 554,879 shares of Issuer’s common stock issuable in exchange therefor in the Merger). The closing of the VBV put option is scheduled to occur on October 31, 2008.

Put and Call Agreement (GPRE)

Bioverda International, Bioverda US and Wilon have entered into a Put and Call Agreement (GPRE), dated as of April 1, 2008 (the “Put and Call Agreement”), pertaining to the shares of GPRE common stock to be issued to Bioverda International and Bioverda US. Under the GPRE Put and Call Agreement, Bioverda US is entitled to require Wilon to purchase from Bioverda US all or any portion of the shares of Issuer’s common stock, at the price of \$10.00 per share, acquired by Bioverda US pursuant to a stock purchase agreement by and among Bioverda International, Bioverda US and the Issuer (the “GPRE put option”). Additionally, Wilon is entitled to require Bioverda US to sell to Wilon all or any portion of the shares of Issuer’s common stock, at the price of \$10.00 per share, acquired by Bioverda US pursuant to a stock purchase agreement by and among Bioverda International, Bioverda US and the Issuer (the “GPRE call option”). The number of shares subject to the GPRE Put and Call Agreement shall not exceed 17.4% of the total number of shares of Issuer’s common stock acquired by Bioverda US and Bioverda International under a stock purchase agreement by and among Bioverda International, Bioverda US and the Issuer. The GPRE put and call options became exercisable on October 16, 2008 and expire on October 31, 2008 and November 15, 2008, respectively.

On October 1, 2008, Bioverda US notified Wilon of its intent to exercise its GPRE put option and sell to Wilon 706,000 shares of Issuer’s common stock at a purchase price of \$10.00 per share. Effective October 15, 2008, the parties amended the exercise notice to provide that Bioverda US would sell an additional 60,000 shares of Issuer’s common stock to Wilon upon exercise of the GPRE put option. The closing of the GPRE put option is scheduled to occur on October 31, 2008.

Shareholders’ Agreement

The Issuer, Bioverda International, Bioverda US, Wilon Holdings S.A. and, in his individual capacity, Wayne Hoovestol, the Issuer’s Chief Executive Officer, entered into a Shareholders’ Agreement dated October 15, 2008, which provides, among other things, certain rights and obligations of the parties with respect to the composition of the Issuer’s board of directors and voting of their shares.

Under the Shareholders' Agreement, the parties thereto are obligated to cause the Issuer's board of directors to be comprised of not more than nine directors, unless such increase is approved by at least six of the directors then serving. Of the nine directors, the Bioverda entities have the collective right to designate four individuals to be nominated by the board to stand for election (the "Bioverda Nominees") and Wilon has the right to designate one individual to be nominated by the board to stand for election (the "Wilon Nominee" and, together with the Bioverda Nominees, the "Investor Nominees"). The right of the Bioverda entities and Wilon to designate director nominees shall continue so long as they own shares representing not less than 33.5% and 2.5%, respectively, of the Issuer's outstanding common stock.

5 of 10

The Issuer is required to cause the Bioverda Nominees and Wilon Nominee to be nominated for election as directors of the Issuer at each meeting of the Issuer's shareholders where the election of directors is held. In addition, the Issuer shall solicit proxies for the election of the Investor Nominees and recommend that shareholders vote in favor of each Investor Nominee. Additionally, each of Bioverda International, Bioverda US, Wilon and Wayne Hoovestol agree to vote in favor of all Investor Nominees to the board of directors. If a vacancy on the board of directors of the Issuer is created as a result of the resignation, removal or death of an Investor Nominee, then any of the parties entitled to designate an Investor Nominee shall be entitled to request a special meeting of the shareholders for the purpose of electing directors, and the Issuer shall be required to call such meeting. Additionally, each committee of the Issuer's board of directors shall, subject to applicable director independence rules, include at least two Bioverda Nominees or one Bioverda Nominee and one Wilon Nominee.

Until such time as the Issuer has issued an aggregate of at least 6,000,000 shares of common stock to non-affiliates of the Issuer, the Bioverda entities and Wilon agree to vote their shares of the Issuer's common stock in favor of four independent nominees proposed by the Issuer in accordance with the Issuer's nominating committee policy, in the same proportion as the shareholders of the Issuer not affiliated with Bioverda and Wilon.

The Reporting Persons do not have any plans or proposals which relate to or would result in:

- (a) the acquisition by any person of additional shares of the Company, or the disposition of securities of the Company;
- (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Company or any of its subsidiaries;
- (c) a sale or transfer of a material amount of assets of the Company or any of its subsidiaries;
- (d) any change in the present board of directors or management of the Company, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board;
- (e) any material change in the present capitalization or dividend policy of the Company;
- (f) any other material change in the Company's business or corporate structure, including but not limited to, if the Company is a registered closed-end investment company, any plans or proposals to make any changes in its investment policy for which a vote is required by Section 13 of the Investment Company of 1940;
- (g) changes in the Company's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Company by any person;
- (h) causing a class of securities of the Company to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system or a registered national securities association;
- (i) a class of equity securities of the Company becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Act; or
- (j) any action similar to any of those enumerated above.

The Reporting Persons, however, retain their rights to modify their plans with respect to any matters of the type described in sections (a)-(j) of Item 4.

ITEM 5. INTEREST IN SECURITIES OF THE ISSUER

(a) As described in Item 3, Item 4 and Item 6 of this Statement, following the closing of the Merger, Wilon became a beneficial owner of 749,837 shares of GPRE common stock acquired as consideration in the Merger and an additional 554,879 and 766,000 shares of GPRE common stock, which it is required to acquire pursuant to the Put and Call Agreement (VBV) and the Put and Call Agreement (GPRE) and the corresponding exercise notices by Bioverda US, respectively, resulting in the total direct beneficial ownership by Wilon of 8.4% of the issued and outstanding common stock of the Issuer. Alain Treuer does not directly own any shares of the Issuer's common stock. However, because Alain Treuer controls Wilon, he may be deemed to beneficially own the shares of common stock directly owned by Wilon. Mr. Treuer disclaims any such beneficial ownership except to the extent of his pecuniary interest therein.

Further, as disclosed on the cover page of this Statement, as a result of the Shareholders' Agreement described in Item 4 and Item 6, the Reporting Persons may be deemed to be the beneficial owners of 11,227,653 shares of the Issuer's common stock beneficially owned by Bioverda International Holdings Limited and 1,320,879 shares of the Issuer's common stock beneficially owned by Bioverda US Holdings LLC, representing in the aggregate 50.8% of the issued and outstanding common stock of the Issuer and of an additional 973,126 shares of the Issuer's common stock beneficially owned by Wayne Hoovestol, representing 3.9% of the issued and outstanding common stock of the Issuer. Wilon and Mr. Treuer each disclaim any such beneficial ownership except to the extent of their pecuniary interest therein.

(b) See rows 7-10 of each cover page for information regarding the power to vote or direct the vote and the power to dispose or direct the disposition of the Common Stock by the Reporting Persons.

(c) Except as set forth in this Schedule 13D, none of the Reporting Persons has engaged in any transaction during the past 60 days in any shares of the Company's.

(d) No person other than the Reporting Persons has the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of the Common Stock to which this Schedule 13D relates.

(e) Not Applicable.
