GIGAMEDIA ANNOUNCES IMPENDING DEPARTURE  
OF BOARD CHAIRMAN

TAIPEI, Taiwan, June 5, 2003 - GigaMedia Limited ("GigaMedia") (Nasdaq: GIGM, www.giga.net.tw), a diversified provider of online and offline entertainment services in Taiwan, today announced the impending departure from the board of directors of GigaMedia of the company's chairman. The chairman of the board of GigaMedia, Mr. Nelson Chang, has tendered his resignation as chairman and as a director, effective as of a future date yet to be determined.

The timing of Mr. Chang's resignation as chairman of the board is contingent upon the resolution of the pending offer from GigaMedia's senior management team to privatize the company. Mr. Chang's resignation will be effective immediately following the occurrence of the earlier of: a) the closing of the currently pending management buyout ("MBO"); or b) the rejection of the MBO by the board of directors or shareholders of GigaMedia (assuming that, in the case of a rejection by the board, that the MBO is not put forward to shareholders for their consideration) and clear indication being received from the management buyout group that no revised offer will be made in response to such rejection.

## Edgar Filing: GIGAMEDIA LTD - Form 6-K

Mr. Chang joined GigaMedia's board in March 2001 and became chairman in November 2001. In tendering his resignation, Mr. Chang cited a growing need to devote more time and effort to his numerous other long-standing business interests.

The company thanks Mr. Chang for his significant contributions and commitment over the past two years to align the company's operating philosophy with market conditions and to improve GigaMedia's financial performance.

### ABOUT GIGAMEDIA

GigaMedia Limited (Nasdaq: GIGM) is a diversified provider of entertainment services in Taiwan. The company's online/offline business model provides the company multiple distribution channels, deep customer relationships and the ability to meet future market demands as technology drives new media and entertainment industry change.

Offline, GigaMedia operates Taiwan's two largest music store chains, Rose Records and Tachung Records through its subsidiary G-Music. These businesses were acquired in February and September of 2002, respectively, and together hold approximately 50% market share in Taiwan.

Online, the company operates a leading broadband ISP, providing Internet access service and broadband content with multiple delivery technologies. The company's access products consist of premium cable modem and ADSL offerings, giving the company the ability to deliver

superior broadband connections island-wide. GigaMedia's cable modem is a world-class platform capable of offering broadband Internet access at speeds of up to 100 times faster than traditional dial-up services. With 21 cable system partners, the company's cable modem business passes more than 3.1 million Taiwan households, as well as 417,000 small and medium businesses. In addition, the company offers interactive Chinese-language multimedia Web sites through its Web destination <http://www.gigigaga.com>.

Other subsidiary companies of GigaMedia include Koos Broadband Telecom Limited, a broadband service provider focused exclusively on corporate subscribers in Taiwan.

Strategic investors of GigaMedia include the Koos Group, a major player in Taiwan's manufacturing, finance, telecommunications, media, and cable industries.
