**Item 8.01 Other Events**

On October 20, 2009, Hercules Technology Growth Capital, Inc. (the “Company”) issued a press release announcing certain developments with respect to the business of six of its portfolio companies and also announced that the Company continues to work diligently through certain credit concerns with respect to certain portfolio companies.

Gomez, Inc. entered into a definitive agreement in October 2009 to be acquired by Compuware Corporation in a \$295 million cash transaction. The acquisition is anticipated to close in November 2009. Assuming the transaction is completed, the Company expects to realize gross estimated proceeds from the sale of its warrants of approximately \$2.0 million. There can be no assurance that this transaction will be completed.

Two of the Company’s portfolio companies entered into development and licensing agreements. Merrimack Pharmaceuticals, Inc. entered into a worldwide collaboration and licensing agreement in October 2009 with Sanofi-aventis and Paratek Pharmaceuticals, Inc. entered into an exclusive worldwide collaborative development, manufacturing and commercialization license agreement in October 2009 with Novartis AG.

Labopharm Inc. recently addressed certain FDA concerns with respect to a drug manufacturing process and its subsidiary completed a distribution and supply agreement for a certain drug formulation. QuatRx Pharmaceuticals Company finished a Phase III efficacy and safety program for a particular product. Finally, Ancestry.com filed a registration statement with the U.S. Securities and Exchange Commission relating to a proposed initial public offering of shares of its common stock.

The text of this press release is included as an exhibit to this Form 8-K.
