First Northern Community Bancorp Third Quarter 2003 Earnings Report

Assets, Deposits and Loans Continue Strong Growth Momentum

First Northern Community Bancorp (FNRN), holding company for First Northern Bank, today announced record earnings of \$4.74 million for the nine months ending September 30, 2003, an increase of 12.3% from the \$4.22 million earned in that same fiscal period last year. Diluted earning per share for the nine months ending September 30, 2003 of \$1.35 was up 16.4% from the \$1.16 reported in 2002 (the 2002 figure was adjusted for the stock dividend issued in 2003). Annualized Return on Average Assets for the period ending September 30, 2003 was 1.24%, compared to 1.26% for the same period in 2002. Annualized Return on Beginning Core Equity was 15.77%, compared to 14.29% one year ago.

Total assets at September 30, 2003 were \$533.8 million, an increase of \$60.4 million, or 12.8%, over the third quarter of 2002. Total deposits at September 30, 2003 were \$475.4 million, up \$52.7 million or 12.47% compared to September 30, 2002 figures. During the same period, total net loans increased \$27.2 million, or 8.23%, to \$357.5 million.

Net income for the quarter ending September 30, 2003 was \$1.58 million, up 1.3% from the \$1.56 million earned in the same period in 2002. Diluted earning per share for the quarter was \$0.45, which was up 2.3%, compared to the \$0.44 per share earned a year ago (the 2002 per share earnings was adjusted for a stock dividend issued in 2003).

Owen John Onsum, President and Chief Executive Officer stated, During the third quarter, we sold many of our lower interest rate mortgage loans on the secondary market as a precautionary measure to mitigate the potential loss of future earnings that would result with the eventual rise of interest rates.

Edgar Filing: FIRST NORTHERN COMMUNITY BANCORP - Form 8-K

These mortgage loan sales moderated our loan portfolio increases, and in addition, impacted our third quarter earnings growth due to interest rate fluctuations during the quarter. We have been diligent in managing our mortgage loan warehousing; the low interest rate environment experienced over the past two years greatly stimulated mortgage refinances, as well as new home purchases which created an enormous volume of mortgage loans for the Bank. The incredible volume provided many challenges in managing the warehousing process, however, we believe we have come through it in good shape.

First Northern Community Bancorp's stock is listed on the OTC Bulletin Board under the symbol FNRN. As of September 30th, the stock was trading at \$24.50 per share or 1.91 times its core book value.
