PROXY STATEMENT

COOPERATIVE BANKSHARES, INC.

Wilmington, North Carolina 28401

ANNUAL MEETING OF STOCKHOLDERS

April 28, 2006

GENERAL

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Cooperative Bankshares, Inc. (Bankshares), the holding company for Cooperative Bank (the Bank), to be used at the Annual Meeting of Stockholders of the Company which will be held at the Hilton Wilmington Riverside, 301 North Water Street, Wilmington, North Carolina, on Friday, April 28, 2006 at 11:00 a.m. Bankshares, the Bank and the Bank's subsidiaries are collectively referred to as the Company. The accompanying Notice of Annual Meeting and this proxy statement are being first mailed to stockholders on or about March 28, 2006.

VOTING AND REVOCABILITY OF PROXIES

Who Can Vote at the Annual Meeting

You are entitled to vote your Bankshares common stock if the records show that you held your shares as of the close of business on March 1, 2006. As of the close of business on March 1, 2006, a total of 4,312,952 shares of common stock were outstanding. Each share of common stock has one vote. If your stock is held in street name, you will receive instructions from your broker, bank or other nominee that you must follow in order to have your shares voted. Your broker, bank or other nominee may allow you to deliver your voting instructions via the telephone or the Internet. Please see the instruction form provided by your broker, bank or other nominee that accompanies this proxy statement.

Attending the Annual Meeting

If you are a stockholder as of the close of business on March 1, 2006, you may attend the meeting. However, if you hold your shares in street name, you will need proof of ownership to be admitted to the meeting. A recent brokerage statement or letter from a bank, broker or other nominee are examples of proof of ownership. If you want to vote your shares of Bankshares common stock held in street name in person at the meeting, you will have to get a written proxy in your name from the broker, bank or other nominee who holds your shares.

Vote Required

The annual meeting will be held only if there is a quorum present. A quorum exists if a majority of the outstanding shares of common stock entitled to vote are represented at the meeting. If you return valid proxy instructions or attend the meeting in person, your shares will be counted for purposes of determining whether there is a quorum, even if you abstain from voting. Broker non-votes also will be counted for purposes of determining the existence of a quorum. A broker non-vote occurs when a broker, bank or other nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner. In voting on the election of directors, you may vote in favor of all nominees, withhold votes as to all nominees, or withhold votes as to specific nominees. There is no cumulative voting for the election of directors. Directors must be elected by a plurality of the votes cast at the annual meeting. This means that the nominees receiving the greatest number of votes will be elected. Votes that are withheld will have the same effect as a negative vote while broker non-votes will have no effect on the outcome of the election. In voting on the ratification of the appointment of Dixon Hughes PLLC as the Company's independent registered public accounting firm, you may vote in favor of the proposal, vote against the proposal or abstain from voting. The ratification of the appointment of Dixon Hughes PLLC as the Company's independent registered public accounting firm will be decided by the affirmative vote of a majority of the votes cast at the annual meeting. Abstentions and broker non-votes will have no effect on the voting.

Voting by Proxy

The Board of Directors of Bankshares are sending you this proxy statement for the purpose of requesting that you allow your shares of common stock to be represented at the annual meeting by the persons named in the enclosed proxy card. All shares of Bankshares common stock represented at the meeting by properly executed and dated proxies will be voted according to the instructions indicated on the proxy card. If you sign, date and return a proxy card without giving voting instructions, your shares will be voted as recommended by the Board of Directors. **The Board of Directors recommends a vote FOR each of the nominees for director and for the ratification of Dixon Hughes PLLC as the Company's independent registered accounting firm for fiscal year 2006.**

If any matter not described in this proxy statement is properly presented at the annual meeting, the persons named in the proxy card will use their own best judgment to determine how to vote your shares. This includes a motion to adjourn or postpone the annual meeting in order to solicit additional proxies. If the annual meeting is postponed or adjourned, your Bankshares common stock may be voted by the persons named in the proxy card on the new annual meeting date as well, unless you have revoked your proxy. Bankshares does not know of any other matters to be presented at the annual meeting.

You may revoke your proxy at any time before the vote is taken at the meeting. To revoke your proxy, you must either advise Linda Garland, Corporate Secretary of Bankshares in writing before your common stock has been voted at the annual meeting, deliver a later dated proxy or attend the meeting and vote your shares in person. Attendance at the annual meeting will not in and of itself constitute revocation of your proxy. If your Bankshares common stock is held in street name, you will receive instructions from your broker, bank or other nominee that you must follow in order to have your shares voted. Please see the instruction form provided by your broker, bank or other nominee that accompanies this proxy statement. If you wish to change your voting instructions after you have returned your voting instruction form to your broker, bank or other nominee, you must contact your broker, bank or other nominee.

Participants in the Bank's ESOP

If you have an employee stock ownership account (ESOP Account) in the Cooperative Bank for Savings, Inc., SSB 401(k) Supplemental Retirement Plan (the Plan), you will receive a voting instruction form for the Plan that reflects all shares you may direct the Plan trustee to vote on your behalf under the Plan. Under the terms of the Plan, the Plan trustee votes all shares held in ESOP Accounts by the Plan, but each Plan participant holding shares in an ESOP Account may direct the trustee how to vote the shares of common stock allocated to his or her ESOP Account. The Plan trustee, subject to the exercise of its fiduciary duties, will vote all allocated shares of Company common stock held by the Plan in ESOP Accounts for which no voting instructions are received in the same proportion as shares for which it has received timely voting instructions. The deadline for returning your voting instructions to each plan's trustee is April 15, 2006.

PROPOSAL 1 ELECTION OF DIRECTORS

The Bankshares Board of Directors is currently composed of eight members. Pursuant to the Bankshares Articles of Incorporation, the Board of Directors is divided into three classes which shall be as nearly equal in number as possible. The terms of only one class of directors expires at each annual meeting. Bankshares Articles of Incorporation generally provide that directors are to be elected for terms of three years and until their successors are elected and qualified. Under the listing standards of the NASDAQ Stock Market, each of the directors is considered independent with the exception of Mr. Willetts, the President and Chief Executive Officer. Two directors will be elected at the Annual Meeting to serve for a three-year period, and until their respective successors have been elected and qualified. The Board of Directors has nominated to serve as directors Frederick Willetts, III and F. Peter Fensel, Jr. to serve for three-year terms. It is intended that the persons named in the proxies solicited by the Board of Directors will vote for the election of the named nominees. If any nominee is unable to serve, the shares represented by all valid proxies which have not been revoked will be voted for the election of such substitute as the Board of Directors may recommend. At this time, the Board of Directors knows of no reason why any nominee might be unavailable to serve.

The Board of Directors recommends a vote FOR the election of all nominees.

Information regarding the nominees and the directors continuing in office is provided below. Unless otherwise stated, each individual has held his current occupation for the last five years. MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

The Board of Directors of Bankshares conducts business through meetings and through activities of its committees. During fiscal year ended December 31, 2005, the Board of Directors held 12 meetings. No director attended fewer than 75% of the total meetings of the Board of Directors and committees on which such member served during the period.

Bankshares Audit Committee, consisting of Directors Burton, King and Fensel, meets periodically with the independent auditors and management to review accounting, auditing, internal control structure and financial reporting matters. All of the members of the Audit Committee are independent as defined under the listing standards of the NASDAQ Stock Market. The Board of Directors has also determined that Directors King, Fensel and Burton qualify as Audit Committee members with financial sophistication as defined under the listing standards of the NASDAQ Stock Market. The Board of Directors has determined that the Audit Committee does not have a member who is an audit committee financial expert as such term is defined by the rules and regulations of the Securities and Exchange Commission. While the Board recognizes that no individual Board member meets the qualifications required of an audit committee financial expert, the Board believes that appointment of a new director to the Board of Directors and to the Audit Committee at this time is not necessary as the level of financial knowledge and experience of the current members of the Audit Committee, including the ability to read and understand fundamental financial statements, is cumulatively sufficient to discharge adequately the Audit Committee's responsibilities.

The Audit Committee met six times during the fiscal year ended December 31, 2005, to examine and approve the audit report prepared by the independent auditors, to review and recommend the independent auditors to be engaged and to review internal accounting controls. The amended and restated Audit Committee Charter is available to security holders on the Company's website at www.coop-bank.com.

The Nominating Committee is comprised of all of the directors who are independent as defined under the listing standards of the NASDAQ Stock Market and who are not nominees for a given year's director election. The Nominating Committee selects nominees for election as directors. For this year's annual meeting the directors who are serving on the Nominating Committee are: James D. Hundley, O. Richard Wright, Jr., Russell M. Carter, Paul G. Burton, H. Thompson, King, III and R. Allen Rippey. The Board of Directors has adopted a charter for its Nominating Committee which governs its composition and responsibilities. The Nominating Committee charter is available to security holders on the Company's website at www.coop-bank.com.

In its deliberations, the Nominating Committee considers a candidate's knowledge of the banking business and involvement in community, business and civic affairs, and also considers whether the candidate would provide for adequate representation of the Company's market area. Any nominee for director made by the Nominating Committee must be highly qualified with regard to some or all the attributes listed in the preceding sentence. In searching for qualified director candidates to fill vacancies in the Board, the Nominating Committee solicits its then current directors for the names of potential qualified candidates. The Nominating Committee may also ask its directors to pursue their own business contacts for the names of potentially qualified candidates. The Nominating Committee would then consider the potential pool of director candidates, select the top candidate based on the candidates' qualifications and the Nominating Committee's needs, and conduct a thorough investigation of the proposed candidate's background to ensure there is no past history that would cause the candidate not to be qualified to serve as a director. In the event a stockholder has submitted a proposed nominee, in accordance with the procedures in Bankshares Bylaws, the Nominating Committee would consider the proposed nominee, along with any other proposed nominees recommended by individual directors, in the same manner in which the Nominating Committee would evaluate nominees for director recommended by the Board of Directors.

The Nominating Committee will consider director candidates recommended by security holders in accordance with Section 15 of Bankshares Bylaws. Section 15 of the Bylaws provides that, except in the case of a nominee substituted as a result of the death or other incapacity of a management nominee, the Nominating Committee shall deliver written nominations to the Secretary of the Company at least twenty days prior to the date of the annual meeting. Provided that the Nominating Committee makes its nominations, no nominations for directors except those made by the Nominating Committee shall be voted upon at the annual meeting unless other

nominations by stockholders are made in writing and delivered to the Secretary of the Company at least twenty days prior to the date of the annual meeting. Each such notice given by a stockholder with respect to nominations for the election of directors shall set forth (1) the name, age, business address and, if known, residence address of each nominee proposed in such notice; (2) the principal occupation or employment of each such nominee; (3) the number of shares of stock which are beneficially owned by each such nominee; (4) such other information as would be required to be included in a proxy statement soliciting proxies for the election of the proposed nominee pursuant to Regulation 14A of the Securities Exchange Act of 1934, as amended, including, without limitation, such person's written consent to being named in the proxy statement as a nominee and to serving as a director, if elected; and (5) as to the stockholder giving such notice, (a) his or her name and address as they appear on the Bankshares' books, and (b) the number of shares which are beneficially owned by such stockholder. In addition, the stockholder making such nomination shall promptly provide any other information reasonably requested by the Company. Ballots bearing the names of all the persons nominated by the Nominating Committee and by stockholders shall be provided for use at the annual meeting. If the Nominating Committee shall fail or refuse to act at least twenty days prior to the annual meeting, nominations for directors may be made at the annual meeting by any stockholder entitled to vote and shall be voted upon.

The Personnel Committee, consisting of Directors Hundley, Rippey and Wright, each an outside director, is responsible for determining annual grade and salary levels for employees and establishing personnel policies. This committee met five times during fiscal year December 31, 2005. Each member of the Personnel Committee is independent under the listing standards of the NASDAQ Stock Market. The report of the Personnel Committee required by the rules of the Securities and Exchange Commission is included in this proxy statement. See *Personnel Committee Report on Executive Compensation*.

Board of Directors Policies Regarding Communications With the Board of Directors and Attendance at Annual Meetings

Stockholders wishing to communicate with the Board of Directors should send any communication to the Secretary, Cooperative Bankshares, Inc., 201 Market Street, P.O. Box 600, Wilmington, North Carolina 28402. Any such communication must state the number of shares beneficially owned by the stockholder making the communication. The Secretary will forward such communication to the full Board of Directors or to any individual director or directors to whom the communication is addressed.

The Company does have a policy regarding Board of Directors member attendance at annual meeting of stockholders; all of the Company's directors attended the Company's 2005 annual meeting of stockholders.

In addition, members of the Board of Directors (except the Chairman of the Board) receives the following compensation for each committee meeting attended as follows: The Committee Chairman receives \$600 per meeting and Committee members each receive \$400. The Director Retirement Agreements provide for a reduced lump sum payment in the event of termination, including a change of control, with the amount varying depending on the reason for the termination. No benefit is payable in the event of termination for cause. In the event of the director's death, a lump sum payment shall be paid to the director's designated beneficiaries.

In order to fund the benefits payable under the Director Retirement Agreements, the Company has purchased life insurance policies on each director. The policies are designed to offset the program's costs during the lifetime of the participant and to provide complete recovery of all the program's costs at their death.

Director Deferred Fee Agreements. Each Director of the Company entered into Director Deferred Fee Agreements (other than Director Willetts). Pursuant to the terms of the Deferred Fee Agreements, each director may elect to defer up to 100% of the fees he would otherwise be entitled to receive for serving as director. The directors are entitled to change the election amount annually. Interest on the amount deferred is credited at a rate of 10%. Commencing one month after retirement at or after age 72, the director will be entitled to receive the balance in his deferral account in 120 monthly installments. In the event of termination of service prior to reaching age 72 for reasons other than death or a change of control, the director will be entitled to receive the balance in his deferral account in a lump sum payment. In the event of a change in control, pursuant to the terms of the Director Deferred Fee Agreements with Bankshares, a director will be entitled to receive a lump sum payment in the amount of the greater of such director's deferral account or \$169,748. The Deferred Fee Agreements between the directors and the Bank provide for a lump sum payment upon a change of control in the amount of the greater of the director's deferral account and \$77,158. In the event of the death of a director, whether before or after termination of service but before payments have commenced, the director's beneficiary will be entitled to receive in a lump sum the director's deferral account balance. In the event of the death of the director after payments have commenced, such beneficiary will be entitled to receive the remaining payments due to him at the same time and in the same amounts as the director was receiving at the time of death.

EXECUTIVE COMPENSATION

The Personnel Committee Report on Executive Compensation shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

Board of Directors Personnel Committee Report on Executive Compensation

General: The Personnel Committee of the Board of Directors is composed entirely of outside directors. With assistance from an outside consulting firm, the Personnel Committee administers the executive compensation policies. The Committee is responsible for developing and making recommendations to the Board of Directors concerning compensation paid to the Chief Executive Officer and the oversight of the Company's executive compensation program, including employee benefit plans.

The Committee makes its recommendations to the Board of Directors on the basis of its annual review and evaluation of the Company's corporate performance and the compensation of its executive officers compared to other companies similar in size and market capitalization.

Executive Compensation Program: The executive compensation program, which was developed with the objective of attracting and retaining highly qualified and motivated executives, and recognizing and rewarding outstanding performance, has the following components: (i) base salaries, (ii) stock options and (iii) incentive compensation. Since the year 2002, the Company has used an independent third party to review compensation of the executive officers.

Base Salary: Base salaries are determined through a review of a combination of peer compensation and individual and corporate performance. Results of the America's Community Bankers, the North Carolina Banking Survey, and SNL Securities Executive Compensation Review, as well as four other salary survey sources, are compared to salaries of the Company's executive officers. Peer groups are compared to the Company by asset range and geographic region. By comparison, base salaries for the Company's executive officers were in the low to average range for comparable peer groups.

Incentive Compensation of Executive Officers: In the year 2002, a new plan to meaningfully relate compensation to performance was instituted. It is designed to stimulate and reward executives with bonuses based on surpassing a set threshold of net earnings, maintaining a specific level of asset quality, and the accomplishment of specific components of the Strategic Plan. The compensation plan is reviewed and updated annually as appropriate. During 2005, the Management Incentive Plan measured profitability, growth of assets and non-interest income and asset quality. The maximum eligible bonus is 50% for the chief executive officer and 35% of the other executives' salaries. For 2005, executives were paid bonuses totaling \$175,366 including a bonus paid to Mr. Willetts in the amount of \$82,015. Distribution of bonuses is deferred until the Audit Committee has received and approved the year-end audit but before March 15 of the subsequent year.

Compensation of the Chief Executive Officer: The base salary of the Chief Executive Officer is established by the terms of the employment agreement entered into between Mr. Frederick Willetts, III and the Bank in 1991 (Please see Employment and Change in Control Agreements). For fiscal year ending 2005, Mr. Willetts' salary was \$250,000; for fiscal year ending 2006 Mr. Willett's salary is \$295,000. His base salary is determined by the Committee's review and evaluation of the compensation of chief executives of other companies similar in size and market capitalization to the Bank. The geographic regions used for the surveys were North Carolina, South Atlantic regional and U.S. financial institutions. The survey asset range used by the America's Community Bankers was \$501 million to \$1 billion and the asset range used by the North Carolina Banking Survey was \$400 million and above. The asset range for the SNL Securities Executive Compensation Review was \$500 million to \$1 billion with fifty-one institutions reporting. The number of institutions reporting data for the America's Community Bankers survey in the \$501 million to \$1 billion asset group was fifty-seven; the number reporting for the Southeast region was thirty-seven. The number of institutions reporting for North Carolina Banking by assets in excess of \$400 million was fourteen. There were eighty institutions reporting in the national survey peer groups.

It is important to note that options have value only if the stock price increases above the exercise price shown in the table during the effective option period. In order for the executive to realize the potential values set forth in the 5% and 10% columns in the table, the price per share of Bankshares' common stock as of the expiration date of the options would be approximately \$33.65 per share and \$53.59 per share, respectively.

As of December 31, 2005, Messrs. Willetts, Burrell, Sammons and Bridger had 33, 12, 19 and 21 years of service, respectively, under the Pension Plan.

Employment and Change in Control Agreements. The Bank maintains an employment agreement with Frederick Willetts, III, Chairman, President and Chief Executive Officer. The employment agreement has a term of five years, and provides for a current annual base salary of \$295,000 (\$250,000 for the fiscal year ended December 31, 2005). The employment agreement provides for a salary review by the Board of Directors not less often than annually with increases to be made in the Board's sole discretion, and also provides for inclusion in any customary fringe benefits and vacation and sick leave. The employment agreement is terminable upon death, and is terminable by the Bank for just cause as defined in the employment agreement. If the Bank terminates Mr. Willetts' employment without just cause, he will be entitled to a continuation of his salary and other benefits from the date of termination through the remaining term of the agreement. Mr. Willetts is able to terminate his employment agreement by providing written notice to the Board of Directors.

Mr. Willetts' employment agreement contains a provision stating that in the event of the voluntary or involuntary termination of employment, absent just cause, in connection with, or within one year after, any change in control of the Company or the Bank, Mr. Willetts will be paid a sum equal to 2.99 times the average annual compensation he received during the five taxable years immediately prior to the date of change in control. Control generally refers to the ownership, holding or power to vote more than 25% of the Company's voting stock, the control of the election of a majority of directors or the exercise of a controlling influence over the management or policies of the Company or the Bank by any person or group.

The Bank also maintains Change in Control agreements with each of O. C. Burrell, Jr., Executive Vice President and Chief Operating Officer, Todd L. Sammons, Senior Vice President and Chief Financial Officer and Dickson B. Bridger, Senior Vice President/Mortgage Lending. The agreement provides that in the event of his involuntary termination of employment with the Bank, in connection with, or within one year after, any change in control of the Bank, the employee shall be paid an amount equal to his base amount as defined in Section 280G(b)(3) of the Internal Revenue Code. Control is defined in the same way as under Mr. Willetts' employment agreement. The Bank would also continue to pay for the executive's life, health and disability coverage for 36 months following termination.

The aggregate payments to Messrs. Willetts, Burrell, Sammons and Bridger, assuming the termination of employment or other triggering events under the foregoing circumstances at December 31, 2005, and also assuming that the executive would not receive any other excess parachute payments (as defined in Section 280G of the Internal Revenue Code) would be approximately \$901,136, \$630,386, \$458,662 and \$459,578, respectively.

The provisions of these agreements may have the effect of discouraging a future takeover attempt in which stockholders of the Company otherwise might receive a premium for their shares over then-current market prices.

Executive Indexed Retirement Agreements. The Bank has entered into Executive Indexed Retirement Agreements with each of Messrs. Willetts and Burrell. The purpose of these agreements is to help retain qualified management for certain key positions by offering a benefit that rewards key officers of the Company for their years of service. The agreements with the executives establish pre-retirement accounts for the benefit of each of them which are increased or decreased each year by an amount equal to the difference between the after-tax earnings on specified adjustable life insurance contracts less that year's premium expense and less the Bank's cost of funds expense on premiums paid to date (the Index Retirement Benefit). If the executives remain in the employment of the Bank until age 65, they will be entitled to receive the balance in their pre-retirement account as of the Plan Year ending immediately preceding the attainment of age 65 in 288 equal monthly installments (the Primary Normal Retirement Benefit). In addition, within 60 days following the end of the Plan Year following the executive's termination of employment and continuing until his death, the Bank shall pay a Secondary Normal Retirement Benefit in an amount based upon the return on the increase in the cash surrender value of certain insurance policies used to fund these agreements. In the event of disability, the executives will become 100% vested in their accounts and entitled to immediately begin receiving their retirement benefits. In the event of the executive's death, the remaining unpaid balance of their account shall be paid in a lump sum to their designated beneficiaries. If the executives voluntarily resign before reaching age 65, they will not be entitled to receive any payment. If the executives are involuntarily terminated prior to age 65 (other than for cause, due to disability or as a result of a Change in Control) they will be entitled to receive in a lump sum the value of their retirement accounts as of the end of the last plan year. In the event the executives are terminated within 12 months following a change in control, they will be entitled to receive their benefits at age 65 as if they had been continuously employed until age 65. For purposes of the agreements, a change in control will occur if any corporation, person or group acquires more than 25% of the voting stock of the Company or the Bank. At December 31, 2005, the balances in the pre-retirement accounts of Messrs. Willetts and Burrell were \$145,925 and \$211,581, respectively.

In order to fund the benefits payable under the Executive Indexed Retirement Agreements, the Bank has purchased life insurance policies on Messrs. Willetts and Burrell. The policies are designed to offset the program's costs during the lifetime of the participant and to provide complete recovery of all the program's costs at their death. The Bank is the sole owner of these policies and has exclusive rights to the cash surrender value. The Company has entered into split dollar agreements with the executives similar to those entered into with directors. In addition, the company has purchased supplemental life insurance policies on Todd L. Sammons and Dickson B. Bridger.

AUDIT COMMITTEE REPORT

The Report of the Audit Committee shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

The Company's management is responsible for the Company's internal control over financial reporting. The independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements and issuing an opinion on the conformity of those financial statements with generally accepted accounting principles. The Audit Committee oversees the Company's internal controls and financial reporting process on behalf of the Board of Directors.

In this context, the Audit Committee has met and held discussions with management and the independent auditors. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent auditors. The Audit Committee discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61 (Communication With Audit Committees), including the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of the disclosures in the financial statements.

In addition, the Audit Committee has received the written disclosures and the letter from the independent auditors required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and has discussed with the independent auditors the auditors' independence from the Company and its management. In concluding that the auditors are independent, the Audit Committee considered, among other factors, whether the non-audit services provided by the auditors were compatible with its independence.

The Audit Committee discussed with the Company's independent auditors the overall scope and plans for their audit. The Audit Committee meets with the independent auditors, with and without management present, to discuss the results of their examination, their evaluation of the Company's internal control over financial reporting and the overall quality of the Company's financial reporting process.

In performing all of these functions, the Audit Committee acts only in an oversight capacity. In its oversight role, the Audit Committee relies on the work and assurances of the Company's management, which has the primary responsibility for financial statements and reports, and of the independent auditors who, in their report, express an opinion on the conformity of the Company's financial statements to generally accepted accounting principles. The Audit Committee's oversight does not provide it with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal control over financial reporting designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions with management and the independent auditors do not assure that the Company's financial statements are presented in accordance with generally accepted accounting principles, that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards or that the Company's independent auditors are in fact independent. In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the board has approved, that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2005 for filing with the Securities and Exchange Commission. The Audit Committee and the Board of Directors also have approved, subject to stockholder ratification, the selection of the Company's independent auditors.

PROPOSAL 2 RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors has appointed Dixon Hughes PLLC to be the Company's independent registered public accounting firm for the 2006 fiscal year, subject to ratification by stockholders. A representative of Dixon Hughes PLLC is expected to be present at the annual meeting to respond to appropriate questions from stockholders and will have the opportunity to make a statement should he or she desire to do so.

If the ratification of the appointment of the independent registered public accounting firm is not approved by a majority of the votes cast by stockholders at the annual meeting, the Audit Committee may consider another independent registered public accounting firm.

The Board of Directors recommends that stockholders vote FOR the ratification of the appointment of Dixon Hughes PLLC as the Company's independent registered public accounting firm.

AUDIT AND NON-AUDIT FEES

The following table sets forth the fees billed to the Company for the fiscal years ending December 31, 2005 and 2004 by Dixon Hughes PLLC:

	2005	2004

All other fees (2)	\$ 4,200	\$ 2,305

(1) Consists of tax filing and tax related compliance and other advisory services.

(2) Non audit related consulting regarding regulatory capital.

APPROVAL OF SERVICES BY THE INDEPENDENT REGISTERED ACCOUNTING FIRM

The Audit Committee's charter states that the Audit Committee shall pre-approve all audit fees and terms and all non-audit services provided by the independent auditor, and shall consider whether these services are compatible with the auditor's independence. This approval process ensures that the external auditor does not provide any non-audit services to the Company that are prohibited by law or regulation. During the fiscal year ended December 31, 2005 the Audit Committee approved 100% of each of Audit related, Tax fees and All other fees.

TRANSACTIONS WITH MANAGEMENT

The Sarbanes-Oxley Act of 2002 generally prohibits loans by the Company to its executive officers and directors. However, the Sarbanes-Oxley Act contains a specific exemption from such prohibition for loans by the Bank to its executive officers and directors in compliance with federal banking regulations. Federal regulations require that all loans or extensions of credit to executive officers and directors of insured institutions must be made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and must not involve more than the normal risk of repayment or present other unfavorable features. The Bank is therefore prohibited from making any new loans or extensions of credit to executive officers and directors at different rates or terms than those offered to the general public, except for loans made pursuant to programs generally available to all employees. Notwithstanding this rule, federal regulations permit the Bank to make loans to executive officers and directors at reduced interest rates if the loan is made under a benefit program generally available to all other employees and does not give preference to any executive officer or director over any other employee.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Pursuant to regulations promulgated under the 1934 Act, Bankshares' officers, directors and persons who own more than ten percent of the outstanding common stock (collectively, the Reporting Persons) are required to file reports detailing their ownership and changes of ownership in such common stock, and to furnish Bankshares with copies of all such reports. Based solely on its review of the copies of such reports received during or with respect to the fiscal year ended December 31, 2005, the Company and all of its Reporting Persons have complied with the reporting requirements with the exception of Dickson B. Bridger who inadvertently failed to timely file transactions regarding the gifts of shares to his sons of Common Stock.

MISCELLANEOUS

The cost of soliciting proxies will be borne by Bankshares. In addition to the solicitation of proxies by mail, Morrow & Co., a proxy soliciting firm, will assist the Company in soliciting proxies for the meeting and will be paid a fee of approximately \$4,000 plus reimbursement for out-of-pocket expenses. Proxies may also be solicited personally or by telephone or telegraph by directors, officers and regular employees of the Company without additional compensation therefore.
