PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

To Be Held on Thursday, May 29, 2008

General

The enclosed proxy is solicited by the Board of Directors of Amazon.com, Inc. (the "Company") for use at the Annual Meeting of Shareholders of the Company to be held at 9:00 a.m., Pacific Time, on Thursday, May 29, 2008, at the Seattle Art Museum, Plescheff Auditorium, 1300 First Avenue, Seattle, Washington 98101, and at any adjournment or postponement thereof.

The Company's principal offices are located at 1200 12th Avenue South, Suite 1200, Seattle, WA 98144. This Proxy Statement is first being made available via the Internet to the shareholders of the Company on or about April 18, 2008.

Outstanding Securities and Quorum

Only holders of record of the Company's common stock, par value \$0.01 per share, at the close of business on April 2, 2008, the record date, will be entitled to notice of, and to vote at, the Annual Meeting. On that date, the Company had 417,388,134 shares of common stock outstanding. Each share of common stock is entitled to one vote at the Annual Meeting.

A majority of the outstanding shares of common stock present in person or represented by proxy constitutes a quorum for the transaction of business at the Annual Meeting. Abstentions and broker nonvotes will be included in determining the presence of a quorum at the Annual Meeting.

Internet Availability of Proxy Materials

Under rules recently adopted by the U.S. Securities and Exchange Commission (the "SEC"), we are furnishing proxy materials to our shareholders primarily via the Internet, instead of mailing printed copies of those materials to each shareholder. On April 18, 2008, we mailed to our shareholders (other than those who previously requested electronic or paper delivery) a Notice of Internet Availability of Proxy Materials directing shareholders to a website where they can access our proxy materials, including our proxy statement and our annual report, and view instructions on how to vote online or by telephone. If you would prefer to receive a paper copy of our proxy materials, please follow the instructions included in the Notice of Internet Availability of Proxy Materials. If you have previously elected to receive our proxy materials electronically, you will continue to receive these materials via e-mail unless you elect otherwise.

Proxy Voting

Shares that are properly voted on the Internet or by telephone or for which proxy cards are properly executed and returned will be voted at the Annual Meeting in accordance with the directions given or, in the absence of directions, will be voted FOR the election of each of the nominees to the Board named herein and FOR the ratification of the appointment of the Company's independent auditors. It is not expected that any additional matters will be brought before the Annual Meeting, but if other matters are properly presented, the persons named as proxies in the

Edgar Filing: AMAZON COM INC - Form DEF 14A

accompanying proxy card will vote in their discretion on such matters.

The manner in which your shares may be voted depends on how your shares are held. If you own shares of record, meaning that your shares are represented by certificates or book entries in your name so that you appear as a shareholder on the records of BNY Mellon Shareowner Services, the Company's stock transfer agent, and you request a paper copy of the proxy statement as indicated in your Notice of Internet Availability of Proxy

Materials, a proxy card for voting those shares will be included with the paper Proxy Statement you receive. If you own shares in street name, meaning that your shares are held by a bank or brokerage firm or other nominee, and you request a paper copy of the proxy statement as indicated in your Notice of Internet Availability of Proxy Materials, or if you have already requested paper copies of proxy materials through your bank, brokerage firm or other nominee, you may instead receive a voting instruction form from that institution with this Proxy Statement to instruct it how to vote your shares.

Record holders and many street name holders may vote on the Internet or by telephone. *Using the Internet or telephone helps save your Company money by reducing postage and proxy tabulation costs.*

ITEM 1 ELECTION OF DIRECTORS

In accordance with the Company's Bylaws, the Board has fixed the number of directors constituting the Board at eight. The Nominating and Corporate Governance Committee has recommended and the Board has proposed that the following eight nominees be elected at the Annual Meeting, each of whom will hold office until the next Annual Meeting and until his or her successor shall have been elected and qualified: Jeffrey P. Bezos, Tom A. Alberg, John Seely Brown, L. John Doerr, William B. Gordon, Myrtle S. Potter, Thomas O. Ryder, and Patricia Q. Stonesifer. Each of the nominees is currently a director of the Company and was most recently elected to the Board at our 2007 Annual Meeting to hold office until the 2008 Annual Meeting and until his or her successor has been elected and qualified. Each properly executed proxy will be voted **FOR** the election of each of these nominees, unless the shareholder indicates on the proxy that votes are to be cast **AGAINST** one or more nominees or the shareholder indicates **ABSTAIN** on the proxy with respect to one or more nominees.

A nominee for Director shall be elected to the Board if the votes cast for such nominee's election exceed the votes cast against such nominee's election. If any nominee does not receive the required vote for re-election, the Board will consider whether to accept or reject such director's resignation, which is tendered to the Board pursuant to the Board of Directors Guidelines on Significant Corporate Governance Issues. Abstentions and broker nonvotes will have no effect on the outcome of the election. Broker nonvotes occur when a person holding shares in street name, meaning through a brokerage firm, does not provide instructions as to how to vote their shares and the broker does not then vote them on the shareholder's behalf.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR EACH NOMINEE.

Corporate Governance and Related Matters

General

The Board is responsible for the control and direction of the Company. The Board represents the Company's shareholders and its primary purpose is to build long-term shareholder value. The Board has determined that the following seven directors are independent as defined by Nasdaq rules: Mr. Alberg, Mr. Brown, Mr. Doerr, Mr. Gordon, Ms. Potter, Mr. Ryder, and Ms. Stonesifer. In assessing directors' independence, the Board took into account certain transactions, relationships and arrangements involving some of the directors and concluded that such transactions, relationships and arrangements did not impair the independence of the director. For Mr. Gordon, the Board considered that the Company in the ordinary course of business purchased products in 2007 from Electronic Arts, Inc., where Mr. Gordon is an officer, but such payments were not significant for either the Company or Electronic Arts. For Messrs. Alberg and Doerr, the Board considered that executive officers have in the past and may in the future invest in investment funds managed by entities where Messrs. Alberg and Doerr are managing directors. In addition, executive officers have in the past and may in the future directly invest in companies in which investment funds managed by these entities have also invested. For Mr. Alberg, the Board considered the Company's indemnification agreement with Geoff Entress and Madrona Venture Group, L.L.C. ("Madrona"), a venture capital firm in which Mr. Alberg is a managing director, as disclosed in "Certain Relationships and Related Person Transactions." For Mr. Ryder, the Board considered that his son-in-law commenced employment with the Company in 2008, as disclosed in "Certain Relationships and Related Person Transactions."

Please visit the Company's investor relations website at www.amazon.com/ir, under "Investor Information" "Corporate Governance" for additional information on the Company's corporate governance, including:

the Company's Certificate of Incorporation and Bylaws;

the charters approved by the Board for the Audit Committee, the Leadership Development and Compensation Committee, and the Nominating and Corporate Governance Committee; and

the Code of Business Conduct and Ethics.

Board Meetings and Committees

The Board meets regularly during the year and holds special meetings and acts by unanimous written consent whenever circumstances require. During 2007, there were five meetings of the Board. All directors attended at least 75% of the aggregate of the meetings of the Board and committees of which they were members. All directors attended the Company's 2007 Annual Meeting of Shareholders.

The Board has established an Audit Committee, a Leadership Development and Compensation Committee, and a Nominating and Corporate Governance Committee. The Committees are responsible to the full Board. The table below provides current membership and meeting information for the last fiscal year for each of the Committees.

* Committee Chair

The functions performed by these Committees, which are set forth in more detail in their charters, are summarized below. The Board has determined that the directors serving on each of these Committees satisfy applicable Nasdaq standards for independence.

Audit Committee. The Audit Committee represents and assists the Board in fulfilling its oversight responsibility relating to the Company's financial statements and financial reporting process, the qualifications, independence and performance of the Company's independent registered public accounting firm, the performance of the Company's internal audit function, and the Company's compliance with legal and regulatory requirements. The Board has designated Mr. Alberg as the Audit Committee Financial Expert, as defined by Item 407(d)(5)(i) of Regulation S-K of the Securities Exchange Act of 1934.

Leadership Development and Compensation Committee. The Leadership Development and Compensation Committee evaluates the Company's programs and practices relating to leadership development, reviews and establishes compensation of the Company's executive officers, and administers the Company's stock-based and certain other compensation plans, all with a view toward maximizing long-term shareholder value. The Committee may engage compensation consultants but did not do so in 2007. Additional information on the Committee's processes and procedures for considering and determining executive compensation is contained in the Compensation Discussion and Analysis section of this Proxy Statement.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee reviews and assesses the composition of the Board, assists in identifying potential new candidates for director, recommends candidates for election as director, and provides a leadership role with respect to corporate governance of the Company. The Nominating and Corporate Governance Committee also recommends to the Board compensation for newly elected directors and reviews director compensation as necessary.

The Nominating and Corporate Governance Committee considers candidates for director who are recommended by its members, by other Board members, by shareholders and by management, as well as those identified by any third party search firms retained by the Company to assist in identifying and evaluating possible candidates. The Nominating and Corporate Governance Committee evaluates director candidates recommended

by shareholders in the same way that it evaluates candidates recommended by its members, other members of the Board, or other persons. The Nominating and Corporate Governance Committee considers all aspects of a candidate's qualifications in the context of the needs of the Company at that point in time with a view to creating a Board with a diversity of experience and perspectives. Among the qualifications, qualities and skills of a candidate considered important by the Nominating and Corporate Governance Committee are a commitment to representing the long-term interests of the shareholders; an inquisitive and objective perspective; the willingness to take appropriate risks; leadership ability; personal and professional ethics, integrity and values; practical wisdom and sound judgment; and business and professional experience in fields such as operations, technology, finance or marketing.

Shareholders wishing to submit recommendations for director candidates to the Nominating and Corporate Governance Committee must provide the following information in writing to the attention of the Secretary of the Company by certified or registered mail:

the name, address, and biography of the candidate, and an indication of whether the candidate has expressed a willingness to serve;

the name, address, and phone number of the shareholder or group of shareholders making the recommendation; and

the number of shares of common stock beneficially owned by the shareholder or group of shareholders making the recommendation, the length of time held, and to the extent any shareholder is not a registered holder of such securities, proof of such ownership.

To be considered by the Committee for the 2009 Annual Meeting of Shareholders, a director candidate recommendation must be received by the Secretary by Tuesday, December 16, 2008.

Compensation of Directors

Directors of the Company do not receive cash compensation for their services as directors or as members of committees of the Board, but are reimbursed for their reasonable expenses incurred for attending meetings. At the discretion of the Board, directors are eligible to receive stock-based awards under the Company's 1997 Stock Incentive Plan (the "1997 Plan"). In 2007, none of the directors were granted stock-based awards for their service. Based on the Nominating and Corporate Governance Committee's recommendation, in February 2008 the Board approved restricted stock unit awards for 7,000 shares each to Messrs. Alberg, Doerr, Gordon and Ryder and Ms. Stonesifer. Each award vests in three equal annual installments, with the first vest date occurring one year after the final vest under the Director's previous restricted stock unit award. When determining the amount and vesting schedules for these restricted stock unit awards, the Nominating and Corporate Governance Committee did not vary awards based on specific committee service.

The following table sets forth as of and for the year ended December 31, 2007 all compensation reportable for directors, as determined by SEC rules.

ITEM 2 RATIFICATION OF APPOINTMENT OF ERNST & YOUNG, LLP

Under the rules and regulations of the SEC, the Audit Committee is directly responsible for the appointment of the Company's independent auditors. The Audit Committee has appointed, and is requesting ratification by the shareholders of the appointment of, the registered public accounting firm of Ernst & Young LLP (E&Y) to serve as independent auditors for the fiscal year ending December 31, 2008. The affirmative vote of a majority of the outstanding shares of common stock present in person or represented by proxy and entitled to vote on the matter is required to ratify the selection of E&Y. Broker nonvotes will have no effect on the outcome of this matter. Abstentions will be counted as present at the Annual Meeting for purposes of this matter and will have the effect of a vote against the ratification of the appointment of E&Y. If shareholders do not ratify the selection of E&Y, the Audit Committee will evaluate the shareholder vote when considering the selection of a registered public accounting firm for the audit engagement for the 2009 fiscal year. In addition, if shareholders ratify the selection of E&Y as independent auditors, the Audit Committee may nevertheless periodically request proposals from the major registered public accounting firms and as a result of such process may select E&Y or another registered public accounting firm as the Company's independent auditors.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR RATIFICATION OF THE APPOINTMENT OF E&Y AS THE COMPANY'S INDEPENDENT AUDITORS FOR THE FISCAL YEAR ENDING DECEMBER 31, 2008.

AUDITORS

Representatives of E&Y are expected to attend the Annual Meeting and will have an opportunity to make a statement or to respond to appropriate questions from shareholders.

Audit Fees

Audit fees include the aggregate fees billed for the audit of the Company's annual consolidated financial statements and its internal control, and the reviews of each of the quarterly consolidated financial statements included in the Company's Forms 10-Q. These fees also include statutory and other audit work performed with respect to certain of the Company's subsidiaries. The aggregate audit fees billed to the Company by E&Y for the fiscal year ended December 31, 2007 were \$3,710,000. The aggregate audit fees billed to the Company by E&Y for the fiscal year ended December 31, 2006 were \$3,498,000.

Audit-Related Fees

Audit-related fees include accounting advisory services related to the accounting treatment of transactions or events, including acquisitions, and to the adoption of new accounting standards, as well as additional procedures related to accounting records performed to comply with regulatory reporting requirements. The aggregate audit-related fees billed to the Company by E&Y for the fiscal year ended December 31, 2007 were \$70,000. The aggregate audit-related fees billed to the Company by E&Y for the fiscal year ended December 31, 2006 were \$99,000.

Tax Fees

Tax fees were for tax reconciliation services for certain international entities. The aggregate tax fees billed to the Company by E&Y for the fiscal year ended December 31, 2007 were \$3,000. The aggregate tax fees billed to the Company by E&Y for the fiscal year ended December 31, 2006 were \$3,000.

All Other Fees

No other fees were billed to the Company by E&Y for the fiscal year ended December 31, 2007 or for the fiscal year ended December 31, 2006.

Pre-Approval Policies and Procedures

All of the fees described above were approved by the Audit Committee. The Audit Committee has adopted a pre-approval policy under which the Audit Committee approves in advance all audit and non-audit services to be performed by the Company's independent auditors. As part of its pre-approval policy, the Audit Committee considers whether the provision of any proposed non-audit services is consistent with the SEC's rules on auditor independence. In accordance with the pre-approval policy, the Audit Committee has pre-approved certain specified audit and non-audit services to be provided by E&Y if they are initiated within eighteen (18) months after the date of the pre-approval. If there are any additional services to be provided, a request for pre-approval must be submitted by management to the Audit Committee for its consideration under the policy. Finally, in accordance with the pre-approval policy, the Audit Committee has delegated pre-approval authority to each of its members. Any member who exercises this authority must report any pre-approval decisions to the full Audit Committee at its next meeting.

Audit Committee Report

The Audit Committee reviews the Company's financial reporting process on behalf of the Board. Management has the primary responsibility for establishing and maintaining adequate internal control over financial reporting, for preparing the financial statements and for the reporting process. The Audit Committee members do not serve as professional accountants or auditors, and their functions are not intended to duplicate or to certify the activities of management and the independent registered public accounting firm. The Company's independent auditors are engaged to audit and report on the conformity of the Company's financial statements to accounting principles generally accepted in the United States and the effectiveness of the Company's internal control over financial reporting.

In this context, the Audit Committee reviewed and discussed with management and the independent auditors the audited financial statements for the year ended December 31, 2007 (the Audited Financial Statements), management's assessment of the effectiveness of the Company's internal control over financial reporting and the independent auditors' evaluation of the Company's system of internal control over financial reporting. The Audit Committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended. In addition, the Audit Committee has received from the independent auditors the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and discussed with them their independence from the Company and its management.

Based upon the reviews and discussions referred to above, the Audit Committee recommended to the Board that the Audited Financial Statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2007, for filing with the Securities and Exchange Commission.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Amazon.com's approach to compensating its employees, including its named executive officers, is to tie total compensation to long-term shareholder value, as reflected primarily in the Company's stock price. Named executive officers are the Company's (i) Chief Executive Officer, (ii) Chief Financial Officer and (iii) other three most highly compensated executive officers based on SEC regulations. The Company's employment offer letters with its named executive officers provide for at-will employment, and named executive officer compensation generally consists of stock-based compensation, base salaries, new-hire cash bonuses and other compensation and benefits.

Stock-Based Compensation. The primary component of a named executive officer's total compensation is stock-based compensation in order to closely tie total compensation to long-term shareholder value. Accordingly, named executive officers receive sizeable stock-based awards at the time of hire and are also eligible for stock-based awards on a periodic basis.

Since late 2002, the Company has used restricted stock units as its primary stock-based compensation vehicle. The Company believes that restricted stock units better align the long-term interests of named executive officers and shareholders and help efficiently manage overall shareholder dilution from stock awards. Mr. Szkutak, who joined the Company in 2002, received a restricted stock unit award at the time of hire and a subsequent restricted stock unit award in the second quarter of 2006. Messrs. Valentine and Onetto, who joined the Company in 2006, and Mr. Gunningham, who joined the Company in 2007, each received a restricted stock unit award at the time of hire. Mr. Bezos has never received any stock-based compensation from the Company.

Restricted stock unit grant amounts and vesting for named executive officers, whether for new hire or subsequent grants, are established by the Leadership Development and Compensation Committee after receiving recommendations from the Vice President of Human Resources and the Chief Executive Officer.

For new hire grants, the Vice President of Human Resources, the Chief Executive Officer and the Leadership Development and Compensation Committee consider various factors, including past compensation from the named executive officer's former employer, future compensation from such former employer that will be forfeited upon joining the Company, the compensation of similarly-situated senior executives at the Company, the named executive officer's expected level of responsibility at the Company and expected contributions to the Company's future success and the market compensation of similarly-situated executives at other companies as reflected in third party surveys.

For periodic grants, the Vice President of Human Resources, the Chief Executive Officer and the Leadership Development and Compensation Committee consider various factors, including the named executive officer's level of responsibility, past contributions to Company performance, and expected contributions to the Company's future success, as well as the market compensation of similarly-situated executives at other companies as reflected in third party surveys.

For both new hire and periodic restricted stock unit grants, the Vice President of Human Resources and Chief Executive Officer develop grant recommendations by subjectively evaluating the factors above to set a total compensation target for each named executive officer and then designing restricted stock unit grants to help meet those total compensation targets based on certain stock price assumptions, taking into account the named executive officer's cash compensation and the estimated value of pre-existing stock-based compensation vesting in subsequent years, if any. In this process, the Vice President of Human Resources and Chief Executive Officer view projected total compensation for a given year as cash compensation expected to be earned in that year plus the projected value of stock-based compensation vesting in that year. Because the Company focuses on total compensation over time and takes into account existing compensation, periodic grants for a smaller number of

shares do not necessarily reflect lower total compensation. For the 2007 new hire restricted stock unit grant, as well as certain other grants issued prior to 2007 held by executive officers, the Company imposed additional vesting conditions designed to qualify the award as tax-deductible compensation under Section 162(m)(4)(c) of the Internal Revenue Code, in addition to time-based vesting schedules.

Base Salaries. Base salaries for named executive officers are designed to be significantly less than those paid by similarly situated companies. Base salaries for named executive officers during 2007 ranged from \$81,840 for Mr. Bezos to \$150,000 for the other named executive officers. Due to Mr. Bezos' substantial ownership in the Company (approximately 24%), Mr. Bezos again requested not to receive additional compensation in 2007 and has never received annual cash compensation in excess of his current amount. In addition, the salaries of the other named executive officers did not change in 2007.

New-Hire Cash Bonuses. New-hire cash bonuses generally are paid in monthly installments to a named executive officer. These bonuses are also determined by the Leadership Development and Compensation Committee after receiving recommendations from the Chief Executive Officer and the Vice President of Human Resources. Bonuses are generally designed to provide appropriate total compensation to named executive officers until their stock-based compensation begins to vest. In 2007, Messrs. Gunningham, Onetto and Valentine received new-hire cash bonus payments as shown in the Bonus column of the Summary Compensation Table.

Other Compensation and Benefits. Named executive officers receive additional compensation in the form of vacation, medical, 401(k), relocation and other benefits generally available to all of the Company's employees. The Company provides security for Mr. Bezos, including security in addition to that provided at business facilities and during business-related travel. The Company believes that all Company-incurred security costs are reasonable and necessary and for the Company's benefit. The Company provides relocation assistance to newly hired executives consistent with what it provides to other employees, and it provided this assistance to Messrs. Gunningham and Onetto in 2007. Amounts attributable to relocation assistance for Messrs. Gunningham and Onetto are included in the All Other Compensation column of the Summary Compensation Table. Mr. Onetto's employment offer letter also provided for a severance payment, which expired under its terms in December 2007, if he was terminated during the first twelve months of his employment. The Company does not provide any other perquisites or other personal benefits to its named executive officers.

Leadership Development and Compensation Committee Report

The Leadership Development and Compensation Committee, which is composed solely of independent members of the Board of Directors, assists the Board in fulfilling its oversight responsibility relating to, among other things, establishing and reviewing compensation of the Company's executive officers. The Leadership Development and Compensation Committee reviewed and discussed with management the Company's Compensation Discussion and Analysis and, based on the review and discussion, recommended to the Board that the Compensation Discussion and Analysis be included in this proxy statement.

Potential Payments Upon Termination of Employment or Change-In-Control

Termination and Change-in-Control Agreements or Arrangements

The Company does not have arrangements with any of its named executive officers providing for additional benefits or payments in connection with a termination of employment, change in job responsibility or change-in-control, except the provision in Mr. Onetto's offer letter described under Employment Arrangements above, which lapsed in December 2007. Upon termination of employment for any reason, all unvested restricted stock units expire.

Change-in-Control Provisions of 1997 Plan

In the event of (i) the merger or consolidation of the Company in which it is not the surviving corporation pursuant to which shares of common stock are converted into cash, securities or other property (other than a merger in which holders of common stock immediately before the merger have the same proportionate ownership of the capital stock of the surviving corporation immediately after the merger), (ii) the sale, lease, exchange or other transfer of all or substantially all of the Company's assets (other than a transfer to a majority-owned subsidiary), or (iii) the approval by the holders of common stock of any plan or proposal for the Company's liquidation or dissolution (each a Corporate Transaction), the Leadership Development and Compensation Committee will determine whether provisions will be made in connection with the Corporate Transaction for the assumption of stock-based awards under the 1997 Plan or the substitution of appropriate new awards covering the stock of the successor corporation or an affiliate of the successor corporation. If the Leadership Development and Compensation Committee determines that no such assumption or substitution will be made, vesting of outstanding awards under the 1997 Plan will automatically accelerate so that such awards become 100% vested immediately before the Corporate Transaction. On a hypothetical basis, assuming the Leadership Development and Compensation Committee had made such a determination in a Corporate Transaction that closed on December 31, 2007, the dollar value of the stock-based awards held by named executive officers that would have vested based on the closing price of Amazon.com common stock of \$92.64 on December 31, 2007 is set forth in the Outstanding Equity Awards at 2007 Fiscal Year End table.

Equity Compensation Plans Not Approved By Security Holders. The Board adopted the 1999 Nonofficer Employee Stock Option Plan (the 1999 Plan) to enable the grant of nonqualified stock options to employees, consultants, agents, advisors and independent contractors of the Company and its subsidiaries who are not officers or Directors of the Company. Restricted stock units, the Company's primary form of stock-based compensation since 2002, are not granted from the 1999 Plan. The 1999 Plan has not been approved by the Company's shareholders. The Leadership Development and Compensation Committee is the administrator of the 1999 Plan, and as such determines all matters relating to options granted under the 1999 Plan, including the selection of the recipients, the size of the grants and the conditions to vesting and exercisability. The Leadership Development and Compensation Committee has delegated authority to make grants under the 1999 Plan to another committee of the Board and to certain officers of the Company, subject to specified limitations on the size and terms of such grants. PROPOSALS OF SHAREHOLDERS

Proposals of shareholders to be considered for inclusion in the Proxy Statement and proxy card for the 2009 Annual Meeting pursuant to Rule 14a-8 under the Securities Exchange Act of 1934 must be submitted in writing to the Secretary of the Company, Amazon.com, 1200 12th Avenue South, Suite 1200, Seattle, WA 98144-2734, and must be received by 11:59 p.m. Pacific time on Tuesday, December 16, 2008. The submission of a shareholder proposal does not guarantee that it will be included in the Company's Proxy Statement.

In addition, the Company's Bylaws include advance notice provisions that require shareholders desiring to bring nominations for directors or other business before an annual shareholders meeting to do so in accordance with the terms of the advance notice provisions regardless of whether the shareholder seeks to include such matters in the Proxy Statement pursuant to Rule 14a-8. These advance notice provisions require that, among other things, shareholders give timely written notice to the Secretary of the Company regarding such nominations or other business and otherwise satisfy the requirements set forth in the Bylaws. To be timely, a shareholder who intends to present nominations or a proposal at the 2009 Annual Meeting of Shareholders other than pursuant to Rule 14a-8 must provide written notice of the nominations or other business they wish to propose to the Secretary no earlier than Saturday, February 28, 2009, and no later than Monday, March 30, 2009. However, in the event the 2009 Annual Meeting of Shareholders is to be held on a date that is more than 30 days before or more than 60 days after May 29, 2009, then such notice must be received not earlier than the 90th day prior to the date of the 2009 Annual Meeting of Shareholders, and not later than the later to occur of (i) the 60th day prior to the date of such annual meeting, or (ii) the tenth day following the day on which notice of the date of such annual meeting was mailed or public disclosure was made. If a shareholder fails to meet these deadlines and fails to satisfy the requirements of Rule 14a-4 under the Securities Exchange Act of 1934, the Company may exercise discretionary voting authority under proxies it solicits to vote on any such proposal as it determines appropriate.

The Company reserves the right to reject, rule out of order or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements.

HOUSEHOLDING; AVAILABILITY OF ANNUAL REPORT ON FORM 10-K AND PROXY STATEMENT

A copy of the Company's combined Annual Report to Shareholders and Annual Report on Form 10-K for the year ended December 31, 2007 (the 2007 Annual Report), accompanies this Proxy Statement. If you and others who share your mailing address own common stock in street name, meaning through a bank or brokerage firm or other nominee, you may have received a notice that your household will receive only one annual report and proxy statement, or Notice of Internet Availability of Proxy Materials, as applicable, from each company whose stock is held in such accounts. This practice, known as "householding," is designed to reduce the volume of duplicate information and reduce printing and postage costs. Unless you responded that you did not want to participate in householding, you were deemed to have consented to it, and a single copy of our Notice of Internet Availability of Proxy Materials (and/or a single copy of this Proxy Statement and the 2007 Annual Report) have been sent to your address. Each street name shareholder receiving the Proxy Statement by mail will continue to receive a separate voting instruction form.

If you would like to revoke your consent to householding and in the future receive your own Notice of Internet Availability of Proxy Materials (or your own set of proxy materials, as applicable) or if your household is currently receiving multiple copies of the same items and you would like in the future to receive only a single copy at your address, please contact Householding Department by mail at 51 Mercedes Way, Edgewood, NY 11717, or by calling 1-800-542-1061, and indicate your name, the name of each of your brokerage firms or banks where your shares are held, and your account numbers. The revocation of a consent to householding will be effective 30 days following its receipt. You will also have an opportunity to opt in or opt out of householding by contacting your bank or broker.

If you would like an additional copy of the 2007 Annual Report or this Proxy Statement, these documents are available in digital form for download or review by visiting "Financial Documents" at www.amazon.com/ir. Alternatively, we will promptly send a copy to you upon request by mail to Investor Relations, Amazon.com, Inc., P.O. Box 81226, Seattle, WA 98108-1226, or by calling 1-800-426-6825. Please note, however, that if you wish to receive a paper proxy card or voting instruction or other proxy materials for the purposes of the Annual Meeting, you should follow the instructions included in the Notice of Internet Availability of Proxy Materials.

If you own shares in street name, you can also register to receive all future shareholder communications electronically, instead of in print. This means that the annual report, proxy statement, and other correspondence will be delivered to you via e-mail. Holders in street name can register for electronic delivery at <http://www.icsdelivery.com/amzn>. Electronic delivery of shareholder communications helps save your Company money by reducing printing and postage costs.
