the
written
materials/slides
for
a
presentation
concerning
BHP
Billiton's
offers
for
Rio
Tinto Limited and Rio Tinto plc (Rio Tinto). By reviewing/attending this presentation you agree to be bound by the following.
The directors of BHP Billiton accept responsibility for the information contained in this presentation. Having taken all reasonable steps to ensure that
this
presentation
is,
to
the
best
of
the
knowledge
and
belief
of
the
directors
of
BHP
Billiton,
in
accordance
with
the
facts
and
contains

no
omission
likely
to
affect
its
import.

Subject to the above, neither BHP Billiton nor any of its directors, officers, employees or advisers nor any other person makes accordingly no reliance should be placed on, the fairness, accuracy or completeness of the information contained in the present law, neither BHP Billiton nor any of its directors, officers, employees or advisers nor any other person shall have any liability directly or indirectly, from any use of this information or its contents or otherwise arising in connection therewith.

This presentation is for information purposes only and does not constitute or form part of any offer or invitation to acquire, sell

or
otherwise
dispose
of,
purchase

(iii)

are outside the United Kingdom (all such persons being referred to as "relevant persons"). This presentation must not be acted upon

Certain statements in this presentation are forward-looking statements. The forward-looking statements include statements regarding

timing of development projects, future production volumes, increases in production and infrastructure capacity, the identification of

and, without limitation, other statements typically containing words such as "intends", "expects", "anticipates", "targets", "plans to",

statements speak only as at the date of this presentation. These statements are based on current expectations and beliefs and, but for

risks and uncertainties that could

Slide 2

Disclaimer (continued)

cause actual results, performance and achievements to differ materially from any expected future results, performance or achievements.

The forward-looking statements are based on numerous assumptions regarding BHP Billiton's present and future business strategies.

operate in the future and such assumptions may or may not prove to be correct.

There

are

a
number
of
factors
that
could
cause
actual
results
or
performance
to
differ
materially
from
those
expressed
or
implied
in
the
forward-looking
statements.

Factors
that
could
cause
actual
results
or
performance
to
differ
materially
from
those
described
in
the
forward-looking
statements
include,
but
are
not
limited
to,
BHP
Billiton's
ability

to
successfully
combine
the
businesses
of
BHP

Billiton and Rio Tinto and to realise expected synergies from that combination, the presence of a competitive proposal in relation to the proposed transaction, including the receipt of required regulatory and anti-trust approvals, Rio Tinto's willingness to enter into any proposed transaction, as

additional
factors

such
as
changes

in
global,
political,
economic,
business,
competitive,
market

or
regulatory
forces,
future
exchange

and
interest
rates,
changes

in
tax
rates,
future
business
combinations

or
dispositions
and
the

outcome
of
litigation
and
government
actions.

Additional
risks
and

factors
that
could
cause
BHP
Billiton
results
to
differ
materially
from
those
described
in
the
forward-looking
statements

can
be
found
in
BHP
Billiton's
filings
with
the
US
Securities
and
Exchange
Commission

(the
"SEC"),
including
BHP
Billiton's
Annual
Report
on
Form
20-F
for
the
fiscal

year-ended June 30, 2007, and Rio Tinto's filings with the SEC, including Rio Tinto's Annual Report on Form 20-F for the fiscal year ended June 30, 2007, on the company's website.

(<http://www.sec.gov>).

Other
unknown
or

unpredictable
factors
could
cause
actual
results
to
differ
materially
from
those
in
the
forward-looking
statements.
The
information
and
opinions
expressed in this presentation are subject to change without notice and BHP Billiton expressly disclaims any obligation (except
London Stock Exchange, the UK Takeover Panel, or the listing rules of ASX Limited) or undertaking to disseminate any updates
reflect any change in BHP Billiton's expectations with regard thereto or any change in events, conditions or circumstances on
None
of
the
statements
concerning
expected
cost
savings,
revenue
benefits
(and
resulting
incremental
EBITDA)
and
EPS
accretion
in
this
presentation
should
be
interpreted
to
mean
that
the
future

earnings per share of the enlarged BHP Billiton group for current and future financial years will necessarily match or exceed the actual estimated cost savings and revenue benefits (and resulting EBITDA enhancement) may be materially greater or less than

The
SEC
generally
permits
mining
companies
in
their
filings
with
the
SEC
to
disclose
only
those
mineral
deposits
that
the
company
can
economically
and
legally
extract.
Certain
terms
in
this

presentation, including "resource", would not generally be permitted in an SEC filing. The material denoted by such terms is in Industry Guide 7, and there can be no assurance that BHP Billiton will be able to convert such material to proven or probable reserves. Investors should refer to its Annual Report on Form 20-F for the fiscal year ended June 30, 2007, for its most recent statement of mineral resources.

Information

Relating

to
the
US
Offer
for
Rio
Tinto
plc

BHP Billiton plans to register the offer and sale of securities it would issue to Rio Tinto plc US shareholders and Rio Tinto plc US investors in a Registration Statement (the "Prospectus"), which will contain a prospectus (the "Prospectus"), as well as other relevant materials. No such prospectus or any Registration Statement or Prospectus that BHP Billiton may file with the SEC.

to

the

US

Offer

for

Rio

Tinto

plc

and

the

Rio

Tinto

Limited

Offer

for

Rio

Tinto

shareholders

located

in

the

US

It may be difficult for you to enforce your rights and any claim

you may have arising under the U.S. federal securities laws, since the issuers are located in a foreign country, and some or all of

their

officers

and

directors

may

be

residents
of
foreign
countries.

You
may
not
be
able
to
sue
a
foreign
company
or
its
officers
or
directors
in
a
foreign
court
for
violations
of
the
U.S.

securities
laws. It may be difficult to compel a foreign company and its affiliates to subject themselves to a U.S. court's judgment.

You
should
be
aware
that
BHP
Billiton
may
purchase
securities
of
either
Rio
Tinto
plc
or
Rio
Tinto
Limited
otherwise

than
under
the
exchange
offer,
such
as
in
open

Conclusion

Strength, stability and growth

Strong pricing fundamentals due to increased demand and lagging supply

BHP

Billiton's
strategy
is
unchanged
-
a
diversified
upstream
portfolio
of
Tier
1,
large,
low-cost, expandable assets

BHP Billiton is well positioned to continue to create strong value for shareholders with a large project pipeline, focussed on high margin investments, which will deliver strong growth

The
Rio
Tinto
acquisition
can
generate
additional
value
for
both
sets
of
shareholders
and
is strongly aligned with BHP Billiton's strategy and management philosophy of simplicity, accountability and global talent

The combined organisation would deliver:

More production, faster and lower cost, an enhanced set of future growth options and quantifiable synergies -
\$3.7B in incremental EBITDA by year 7

A compelling 45% premium for Rio Tinto shareholders and participation in the world's largest mining company
