**Item 1.01. Entry into a Material Definitive Agreement.**

On February 28, 2012, we entered into a Securities Purchase Agreement with certain institutional and accredited investors and the holders of the common stock warrants previously issued on February 22, 2012 (the "Purchase Agreement"). Pursuant to the Purchase Agreement, we agreed to sell to the investors 14,033,829 shares of our common stock (the "Shares") and warrants to purchase an aggregate of 3,508,448 shares of our common stock (the "Warrants") with an exercise price of \$4.308 per share (the "Private Placement"). For each Share purchased, the investors will receive a Warrant to purchase 0.25 of a share of common stock. The Warrants will expire on March 2, 2017 and may be exercised for cash or, if the current market price of our common stock is greater than the per share exercise price, by surrender of a portion of the Warrant in a cashless exercise. The aggregate purchase price for the Shares and the Warrants to be sold in the Private Placement will be approximately \$50.8 million.

Under the terms of the Purchase Agreement, we have agreed to file, within 45 days after the closing of the Private Placement, a registration statement with the Securities and Exchange Commission (the "SEC") to register for resale the Shares and the shares of common stock issuable upon the exercise of both the Warrants and the warrants we previously issued on February 22, 2012 (the "Prior Warrants"), which registration statement is required under the Purchase Agreement to become effective no later than 90 days following the closing (or 120 days following the closing if the SEC reviews or has written comments to the registration statement). We will be required to pay liquidated damages of 1.5% of the purchase price of the Shares, the Warrants and the Prior Warrants per month (up to a cap of 10%) if we do not meet certain obligations with respect to the registration statement.

The Purchase Agreement includes representations, warranties, covenants and closing conditions customary for transactions of this type. The securities issued in the Private Placement will be sold pursuant to the exemption provided by Section 4(2) of the Securities Act of 1933, as amended, and Regulation D promulgated thereunder. At the request of The NASDAQ Stock Market, we are also in the process of confirming the book value per share of our common stock prior to February 28, 2012. We expect, subject to completion of our audit for the 2011 fiscal year, that as of December 31, 2011, our book value per share was no higher than the per share price at which the Shares will be sold in the Private Placement.

The foregoing is a summary of the terms of the Purchase Agreement and the Warrant. The summary does not purport to be complete and is qualified in its entirety by reference to the full text of the Purchase Agreement and the form of Warrant, copies of which are attached hereto as Exhibits 10.1 and 4.1, respectively.

We are also filing as Exhibits 10.2, 10.3 10.4 and 4.2 to this report the Loan and Security Agreement, Guaranty and Security Agreement, Amendment to Investors' Rights Agreement and the form of Prior Warrant, respectively, which were each described in our Current Report on Form 8-K filed on February 22, 2012.
