*Revision of Form 10-K for the year ended December 31, 2012 to present the retail electric and natural gas supply businesses of Pepco Energy Services as discontinued operations*

In December 2009, Pepco Holdings, Inc. (PHI) announced the wind-down of the retail energy supply component of the Pepco Energy Services business, which was comprised of the retail electric and natural gas supply businesses. Pepco Energy Services implemented the wind-down by not entering into any new retail electric or natural gas supply contracts while continuing to perform under its existing retail electric and natural gas supply contracts through their respective expiration dates. On March 21, 2013, Pepco Energy Services entered into an agreement whereby a third party assumed all the rights and obligations of the remaining retail natural gas supply customer contracts, and the associated supply obligations, inventory and derivative contracts. The transaction was completed on April 1, 2013. As a result, PHI commenced reporting the Pepco Energy Services retail natural gas supply business as a discontinued operation in PHI's Quarterly Report on Form 10-Q for the quarter ended March 31, 2013. In addition, Pepco Energy Services completed the wind-down of its retail electric supply business in the second quarter of 2013 by terminating its remaining customer supply and wholesale purchase obligations beyond June 30, 2013. In view of the completion of the wind-down of the retail electric supply business of Pepco Energy Services, the retail electric supply business of Pepco Energy Services also has been classified as a discontinued operation and this change was reported in PHI's Quarterly Report on Form 10-Q for the quarter ended June 30, 2013.

PHI is filing this Current Report on Form 8-K (this Form 8-K) to revise its consolidated financial statements for each of the three years in the period ended December 31, 2012, and related financial disclosures, as set forth in PHI's Annual Report on Form 10-K for the year ended December 31, 2012 (the 2012 Form 10-K), to give effect to the classification of the retail electric and natural gas supply businesses of Pepco Energy Services as discontinued operations. In addition, as previously disclosed in PHI's Quarterly Report on Form 10-Q for the quarter ended June 30, 2013, the consolidated financial statements also disclose the revision to prior period balance sheets to correct for an error in deferred income tax liabilities of Potomac Capital Investment Corporation (PCI) which resulted in an increase in deferred income tax liabilities of \$32 million, and a corresponding reduction in shareholders' equity of \$32 million as disclosed in Exhibit 99.3 Consolidated Financial Statements and Related Notes Note (2), Significant Accounting Policies Revision to Prior Period Financial Statements. The adjustment is not considered to be material to PHI's reported balances of retained earnings and total equity reflected in the PHI consolidated financial statements included in the 2012 Form 10-K. These revisions do not change PHI's previously reported net income for any reporting period in the 2012 Form 10-K. The following revised information is presented in this Form 8-K:

Exhibit 99.1 Selected Financial Data;

Exhibit 99.2 Management's Discussion and Analysis of Financial Condition and Results of Operations;

Exhibit 99.3 Management's Report on Internal Control over Financial Reporting, Report of Independent Registered Public Accounting Firm, Consolidated Financial Statements and Related Notes Thereto, and Exhibits and Financial Statement Schedules; and

Exhibit 99.4 Computation of Ratio of Earnings to Fixed Charges

The information in each of the exhibits to this Form 8-K supersedes the corresponding disclosures in the 2012 Form 10-K. This Form 8-K does not reflect events occurring after the filing of the 2012 Form 10-K, other than as described in Exhibit 99.3 Consolidated Financial Statements and Related Notes Note (20), Subsequent Event Update to Subsequent Event (Unaudited), and does not modify or update the disclosures therein in any way, other than as described above. Other significant developments with respect to PHI have occurred subsequent to December 31, 2012, as are more fully described in filings with the Securities and Exchange Commission subsequent to the 2012 Form 10-K, including matters disclosed in PHI's Quarterly Reports on Forms 10-Q for the quarters ended March 31, 2013 and June 30, 2013, and PHI's Current Reports on Form 8-K.
