The Chair then made the said Opinion on Valuation of Capim Branco available to the meeting, and stated that the original would be attached to these Minutes as an integral part of them.

The Secretary then informed the meeting that it would not be possible to capitalize Aliança Geração de Energia S.A. Aliança on December 31, 2014, in the manner originally planned, since at that moment consent had not been obtained from the creditor banks of Norte Energia S.A. for the participation of Cemig GT in the Share capital of Aliança Geração Norte S.A., which is a condition precedent for that transaction.

Thus the absorption of Capim Branco by Cemig GT in the current year, without the immediate subscription of those assets into Aliança, would necessarily require assignment of the current contracts in effect in Capim Branco to Cemig GT, which would be in line with the consent of the National Electricity Agency (Aneel) which deals with the direct transfer of the contracts of Capim Branco to Aliança.

The Chair thus proposed withdrawing all the matters in the Convocation from the agenda, for a further convocation of stockholders at a later date, with an updated Valuation Opinion.

Edgar Filing: ENERGY CO OF MINAS GERAIS - Form 6-K

The proposal by the Chair was put to debate, and subsequently to votes, and was approved by majority.

There being no further business, the Chair opened the meeting to the floor, and since no-one wished to make any statement, ordered the meeting suspended for the time necessary for writing of the minutes. The session being reopened, the Chair, after putting the said minutes to debate and to the vote and confirming that they had been approved and signed, closed the meeting.

For the record, I, Anamaria Pugedo Frade Barros, Secretary, wrote these minutes and sign them together with all those present.
