### **Item 1.01. Entry into a Material Definitive Agreement**

On March 6, 2015, Galectin Therapeutics Inc. ( Galectin ) entered into a Project Addendum to Master Services Agreement for clinical management services with PPD Development, L.P. ( PPD ). Pursuant to the Project Addendum, PPD will provide Galectin with clinical development services for its Phase II NASH-CX study. The specific services provided by PPD to Galectin are described in the Project Addendum. Galectin and PPD entered into the Master Services Agreement on January 8, 2015, however, until the parties entered into the Project Addendum, neither party had any material obligations under the Master Services Agreement. Galectin will make payments to PPD on a periodic basis as described in the Project Addendum.

Pursuant to the Project Addendum and in exchange for the services provided by PPD, Galectin will pay PPD a sum anticipated not to exceed approximately \$14,941,804, consisting of direct fees of \$8,866,490.71 and pass through costs estimated at \$6,075,313.45. The term of the Project Addendum will commence on the effective date and end upon completion of all the services provided by PPD, unless terminated earlier in accordance with the provisions of the Master Services Agreement, which states that any Project Addenda is terminable by either party on 30 days notice. In the event of early termination, Galectin will pay PPD all direct fees and pass through costs for all services performed through the termination date.

The foregoing description of the Project Addendum is a summary only and is qualified by reference to the full text of the Project Addendum. The Project Addendum, together with the Master Services Agreement, is attached hereto as Exhibit 10.1 and is incorporated herein by reference.

### **Item 8.01 Other Events**
