Item 3. Source and Amount of Funds or Other Consideration

This Item 3 shall be deemed to amend and supplement Item 3 of the Original Schedule 13D as set forth below.

On June 5, 2015 and June 9, 2015, Scott M. Prochazka acquired with personal funds beneficial ownership of additional Common Units at the then-current market price for the Common Units.

On June 12, 2015 pursuant to a master formation agreement attached as Exhibit C to the Original Schedule 13D (the Master Formation Agreement) with OGE Energy Corp., an Oklahoma corporation (OGE Energy), and two affiliates of ArcLight Capital Partners, LLC (ArcLight), CenterPoint exercised its put right with respect to a 0.1% interest in Southeast Supply Header, LLC (SESH) in exchange for 25,341 Common Units. The transaction closed on June 30, 2015. As a result of this exercise, CenterPoint contributed to the Partnership a 0.1% interest in SESH.

Item 4. Purposes of Transactions

This Item 4 shall be deemed to amend and restate Item 4 of the Original Schedule 13D in its entirety.

The Reporting Persons acquired the Common Units and Subordinated Units or will acquire, with respect to the Series A Preferred Units, reported herein for investment purposes. The Reporting Persons may make additional purchases of Common Units either in the open market or in private transactions depending on the Reporting Person's business, prospects and financial condition, the market for the Common Units, general economic conditions, stock market conditions and other future developments.

The following describes plans or proposals that Reporting Persons may have with respect to the matters set forth in Item 4(a)-(j) of Schedule 13D:

(a) The Subordinated Units owned of record by the Reporting Persons are convertible into Common Units on a one-for-one basis upon the termination of the subordination period as set forth in the Partnership Agreement. The Partnership may grant phantom units, performance units, appreciation rights, restricted units, option rights, cash incentive awards, distribution equivalent rights or other unit-based awards and unit awards to officers, directors and employees of the General Partner or its affiliates, including any individual who provides services to the Partnership or the General Partner as seconded employees, and any consultants, affiliates of the General Partner or other individuals who perform services for the Partnership pursuant to the Enable Midstream Partners, LP Long Term Incentive Plan (the LTIP) adopted by the General Partner. The General Partner may acquire Common Units for issuance pursuant to the LTIP on the open market, directly from the Partnership, from any other person or any combination of the foregoing.

In accordance with the Master Formation Agreement, CenterPoint had certain put rights, and the Partnership had certain call rights, exercisable with respect to the 25.05% interest in SESH, under which CenterPoint would contribute its retained interest in SESH, in exchange for a specified number of Common Units in the Partnership and a cash payment, payable either from CenterPoint to the Partnership or from the Partnership to CenterPoint, to the extent of changes in the value of SESH subject to certain restrictions. CenterPoint exercised its put right with respect to a 0.1% interest in SESH and the transaction closed on June 30, 2015. As a result of this exercise, CenterPoint contributed to the Partnership a 0.1% interest in SESH in exchange for 25,341 Common Units.

On January 29, 2016, CenterPoint issued a press release (the Preferred Press Release) in which it announced that it entered into a purchase agreement, whereby (i) Enable would redeem \$363 million of notes payable to CenterPoint's indirect wholly owned subsidiary, CenterPoint Energy Resources Finance, Inc. and (ii) CenterPoint or CERC would use the proceeds from the repayment of the notes to purchase the Partnership's Series A Preferred Units (the Transaction). A copy of the Preferred Press Release is attached hereto as Exhibit M and is incorporated herein by

reference. The description herein of the Preferred Press Release is qualified in its entirety by reference to the Preferred Press Release.

In connection with the closing of the Transaction, CenterPoint and the Partnership have agreed to enter into a Registration Rights Agreement granting CenterPoint certain registration rights with respect to the Series A Preferred Units, and the Partnership will amend its Partnership Agreement to provide for the new Series A Preferred Units. The consummation of the Transaction is subject to the completion of due diligence to the satisfaction of CenterPoint and certain customary closing conditions. There is no assurance that all of the conditions to the consummation of the Transaction will be satisfied. The Transaction is expected to close prior to the end of the first quarter of 2016.

On February 1, 2016, CenterPoint issued a press release (the Press Release) in which it announced that it will evaluate strategic alternatives for its investment in the Partnership, including a sale or spin-off qualifying under section 355 of the U.S. Internal Revenue Code. A copy of the Press Release is attached hereto as Exhibit N and is incorporated herein by reference. The description herein of the Press Release is qualified in its entirety by reference to the Press Release.

The Reporting Persons may change their plans or proposals in the future. In determining from time to time whether to sell the Common Units reported as beneficially owned in this Schedule 13D/A (and in what amounts) or to retain such securities, the Reporting Persons will take into consideration such factors as they deem relevant, including the business and prospects of the Partnership, anticipated future developments concerning the Partnership, existing and anticipated market conditions from time to time, general economic conditions, regulatory matters, and other opportunities available to the Reporting Persons.
