ABOUT AMERIGAS PARTNERS, L.P.

We are a publicly traded limited partnership formed under Delaware law on November 2, 1994, and are the largest retail propane distributor in the United States based on the volume of propane gallons distributed annually. AmeriGas Propane, Inc. is our general partner and is responsible for managing our operations. We are a holding company, and we conduct our business principally through our operating partnership, AmeriGas Propane, L.P.

We serve approximately 2 million residential, commercial, industrial, agricultural, wholesale and motor fuel customers in all 50 states from approximately 2,000 propane distribution locations. In addition to distributing propane, we also sell, install and service propane appliances, including heating systems, and operate a residential heating, ventilation, air conditioning, plumbing, and related services business in certain counties of Pennsylvania, Delaware, and Maryland. Typically, we are located in suburban and rural areas where natural gas is not readily available. Our local offices generally consist of a business office and propane storage. As part of our overall transportation and distribution infrastructure, we operate as an interstate carrier in all states throughout the continental United States.

We sell propane primarily to residential, commercial/industrial, motor fuel, agricultural and wholesale customers. We distributed over 1.2 billion gallons of propane in fiscal 2015. Approximately 96% of our fiscal 2015 sales (based on gallons sold) were to retail accounts and approximately 4% were to wholesale and supply customers. The following percentages approximate the customer breakdown of retail gallons sold in fiscal 2015 consisting of the following: 39% to residential customers; 36% to commercial/industrial customers; 15% to motor fuel customers; and 6% to agricultural customers. Transport gallons, which are large-scale deliveries to retail customers other than residential, accounted for 4% of fiscal 2015 retail gallons. No single customer represents, or is anticipated to represent, more than 5% of our consolidated revenues.

Edgar Filing: AMERIGAS PARTNERS LP - Form S-3ASR

We also continue to expand our AmeriGas Cylinder Exchange (ACE) program. At September 30, 2015, ACE Cylinders were available at nearly 48,500 retail locations throughout the United States. Sales of our

Table of Contents

ACE Cylinders to retailers are included in commercial/industrial sales. The ACE program enables customers to purchase or exchange propane cylinders at various retail locations such as home centers, gas stations, mass merchandisers and grocery and convenience stores. We also supply retailers with large propane tanks to enable retailers to replenish customers' propane cylinders directly at the retailer's location.

Residential and commercial customers use propane primarily for heating, water heating and cooking purposes. Commercial users include hotels, restaurants, churches, warehouses, and retail stores. Industrial customers use propane to fire furnaces, as a cutting gas and in other process applications. Other industrial customers are large-scale heating accounts and local gas utility customers who use propane as a supplemental fuel to meet peak load deliverability requirements. As a motor fuel, propane is burned in internal combustion engines that power over-the-road vehicles, forklifts, commercial lawn mowers and stationary engines. Agricultural uses include tobacco curing, chicken brooding, crop drying, and orchard heating. In our wholesale operations, we principally sell propane to large industrial end-users and other propane distributors.

The common units of AmeriGas Partners, representing limited partner interests, trade on the New York Stock Exchange under the symbol APU.

Our executive offices are located at 460 North Gulph Road, King of Prussia, Pennsylvania 19406. Our telephone number is (610) 337-7000 and our website address is <http://www.amerigas.com>. ABOUT AMERIGAS FINANCE CORP.

AmeriGas Finance Corp. is one of our wholly owned subsidiaries. It has nominal assets and does not and will not conduct any operations or have any employees. It was formed in 1995 for the sole purpose of acting as an issuer or co-obligor of debt securities that we may issue or guarantee from time to time. AmeriGas Finance Corp. acts as issuer or co-obligor for our debt securities solely to allow certain institutional investors that might otherwise not be able to invest in our securities, either because we are a limited partnership, or by reason of the legal investment laws of their states of organization or their charters, to invest in our debt securities.

RATIO OF EARNINGS TO FIXED CHARGES

The following table sets forth the ratio of earnings to fixed charges for each of the periods indicated:

	Year Ended September 30,					Six Months
	2011	2012	2013	2014	2015	Ended March 31, 2016
Ratio of earnings to fixed charges ^(a)	2.72	1.09	2.22	2.59	2.18	4.55

- (a) For purposes of determining the ratio of earnings to fixed charges, earnings is defined as income before income taxes plus fixed charges (excluding interest capitalized) and amortization of interest capitalized. Fixed charges consist of interest expensed and capitalized and the estimated portion of operating leases representative of the interest factor.

DESCRIPTION OF THE DEBT SECURITIES

The debt securities will be issued under an indenture between AmeriGas Partners, L.P. and AmeriGas Finance Corp. and U.S. Bank National Association, as trustee. The indenture is a technical document with terms that have defined meanings. This summary description of the debt securities refers to and includes some of those defined terms, which are capitalized. Some of these terms are defined at the end of this summary but not all of the definitions of these terms are included nor are descriptions included of all of the features of the debt securities and the indenture, some of which you may find relevant. For that reason, we urge you to read the indenture and the prospectus supplement describing the particular terms of the debt securities because they, and not this description, define the rights of the debt security holders. The indenture is filed as an exhibit to this registration statement.

For purposes of this section, the terms *we* and *our* refer only to AmeriGas Partners, L.P. and not to AmeriGas Finance Corp. or any of our other subsidiaries. The term *Issuers* shall mean AmeriGas Partners, L.P. and AmeriGas Finance Corp; the term *Partnership* shall mean AmeriGas Partners, L.P. and its successors; and the term *Operating Partnership* shall mean AmeriGas Propane, L.P. and its successors.

General

The following briefly summarizes the material provisions of the indenture and the debt securities, other than pricing and related terms for a particular issuance, which will be described in an accompanying prospectus supplement. Wherever particular sections or defined terms of the indenture are referred to, such sections or defined terms are incorporated by reference into this prospectus, and the statement in this prospectus is qualified by that reference.

A form of each debt security, reflecting the particular terms and provisions of a series of offered debt securities, will be filed with the SEC at the time of the offering.

Brief Description of the Debt Securities

The debt securities will:

be the Issuers' unsecured general joint and several obligations;

rank senior in right of payment to all of the Issuers' subordinated indebtedness;

rank equally in right of payment with all of the Issuers' existing and future senior indebtedness;

be effectively subordinated to any of the Issuers' future secured indebtedness to the extent of the value of the assets securing such indebtedness; and

be structurally subordinated to, which means they rank behind, the indebtedness of the Operating Partnership, including its Credit Agreement.

As described in more detail above under About AmeriGas Partners, L.P., the Partnership is a holding company for its subsidiaries. The Partnership has no material operations and no substantial assets other than its consolidated subsidiaries, including the Operating Partnership. Accordingly, the Partnership is dependent upon the distribution of the earnings of its consolidated subsidiaries, including the Operating Partnership, to service its debt obligations, including the debt securities.

Because the debt securities will be structurally subordinated to the indebtedness of the Operating Partnership, debt security holders generally will have no recourse to the Operating Partnership or any of its

Table of Contents

subsidiaries or their assets for amounts due under the debt securities. Debt security holders may, however, have indirect recourse, together with the holders of our other senior indebtedness, to the extent the Partnership has rights as a holder of equity interests in the Operating Partnership and its subsidiaries. In addition, the debt security holders will not have any right to require the Operating Partnership to make distributions to the Partnership.

The Issuers will pay principal and interest on the debt securities at an office or agency, which we maintain in The City of New York. At the Issuers' option, they may make payments of interest by check mailed to the debt security holders at their respective addresses as set forth in the register of debt securities. All payments with respect to global debt securities, however, will be made by wire transfer of immediately available funds to the accounts specified by the holders of the global debt securities. Until otherwise designated by the Issuers, our office or agency in The City of New York will be the office of the trustee maintained for payment purposes.

Information in the Prospectus Supplement

The prospectus supplement for any offered series of debt securities will describe the following terms, as applicable:

the title of the debt securities;

the total principal amount offered;

the percentage of the principal amount at which the debt securities will be sold and, if applicable, the method of determining the price;

the maturity date or dates;

the rate at which the debt securities will bear interest, if any, and the interest payment dates;

if the debt securities are original issue discount debt securities, the yield to maturity;

the date or dates from which any interest will accrue, or how such date or dates will be determined, and the interest payment dates and any related record dates;

any provisions for the payment of additional amounts for taxes;

the denominations in which the currency or currency unit of the debt securities will be issuable if other than denominations of \$1,000 and integral multiples thereof;

the terms and conditions on which the Issuers may optionally redeem the debt securities;

the terms and conditions on which the Issuers may be required to redeem the debt securities;

any obligation for the Issuers to redeem, purchase or repay the debt securities at the option of a holder upon the happening of an event other than a change of control and certain sales of assets, which are specified in the indenture, and the terms and conditions of redemption, purchase or repayment;

the names and duties of any co-trustees, depositaries, authenticating agents, calculation agents, paying agents, transfer agents or registrars for the debt securities;

any material provisions of the applicable indenture described in this prospectus that do not apply to the debt securities; and

any other specific terms of the debt securities.

Table of Contents

The Issuers will issue the debt securities only in registered form. As currently anticipated, debt securities of a series will trade in book-entry form, and global notes will be issued in physical (paper) form, as described below under Form of Debt Securities. Unless otherwise provided in the accompanying prospectus supplement, the Issuers will issue debt securities denominated in U.S. dollars and only in denominations of \$1,000 and integral multiples thereof.

Offers to Purchase; Repurchase at the Option of the Debt Security Holders

The Issuers may be required to offer to purchase the debt securities if there is a change in control of, or there are certain asset sales by, the Partnership.

Change of Control Offer: The indenture defines the term change of control. Upon the occurrence of a change of control, each debt security holder will have the right to require the Issuers to repurchase all or any part (equal to \$1,000 or an integral multiple of \$1,000) of that holder's debt securities pursuant to a change of control offer on the terms set forth in the indenture. In a change of control offer, the Issuers will offer a change of control payment in cash equal to 101% of the aggregate principal amount of the debt securities or portion of debt securities validly tendered for payment, plus accrued and unpaid interest to the date of purchase. Generally, a change of control would occur when:

there is a sale, lease, conveyance or other disposition of all or substantially all of the assets of the Partnership or the Operating Partnership to any entity other than UGI Corporation, the Partnership's indirect parent, which is a public company, and its subsidiaries, or any entity in which UGI Corporation and its subsidiaries beneficially own at least 51% of such entity's voting stock. In this regard, the meaning of all or substantially all varies according to the facts and circumstances of the subject transaction and has no clearly established meaning under New York law, which is the law that governs the indenture. Therefore, in some transactions it may be unclear whether a change of control has occurred;

there is a merger or consolidation of the Partnership or the Operating Partnership, or a successor to either entity, with any entity other than UGI Corporation and its subsidiaries or any entity in which UGI Corporation and its subsidiaries beneficially own at least 51% of that entity's voting stock;

there is a liquidation or dissolution of the Partnership or AmeriGas Propane, Inc., the Partnership's general partner, or a successor to the general partner; or

there is any transaction that results, or series of transactions that result, in UGI Corporation and its subsidiaries beneficially owning in the aggregate, directly or indirectly, less than 51% of the voting stock of the Partnership's general partner, or a successor to the general partner.

Within 30 days following any change of control, the Issuers will mail (or deliver in accordance with applicable DTC procedures) a notice to each debt security holder stating that, among other things, a change of control offer is being made, all debt securities tendered will be accepted for payment and any debt securities not tendered will continue to accrue interest and identifying the amount of the change of control payment and the change of control payment date for the debt securities. The notice will also include directions for debt security holders who elect to have their debt securities purchased in the change of control offer.

Debt security holders will be entitled to withdraw any election to have their debt securities purchased if the paying agent receives timely and proper notice of such withdrawal. The notice from the Partnership to debt security holders will describe the requirements for the notice from the debt security holders to the paying agent.

The Issuers will comply with the requirements of Rule 14e-1 under the Securities Exchange Act of 1934, as amended (the Exchange Act), and any other relevant securities laws applicable to the repurchase of debt securities in connection with a change of control.

Table of Contents

On the change of control payment date, the Issuers will, to the extent lawful, accept for payment any or all portions of debt securities tendered in accordance with the change of control offer; deposit an amount equal to the change of control payment for the debt securities with the paying agent in respect of all debt securities or portions of debt securities properly tendered; and deliver or cause to be delivered to the trustee the debt securities so accepted together with an officer's certificate stating the aggregate amount of the debt securities or portions of debt securities tendered to the Issuers.

The paying agent will promptly mail the change of control payment for such debt securities to each holder of debt securities so accepted. The trustee will promptly authenticate and mail to each debt security holder a new debt security equal in principal amount to any unpurchased portion of the debt securities surrendered.

However, each new debt security will be in a principal amount of \$1,000 or an integral multiple of \$1,000 of the debt securities. The Issuers will publicly announce the results of the change of control offer on or as soon as practicable after the change of control payment date.

The Issuers may be unable to pay the change of control payment because the Operating Partnership's existing Credit Agreement limits, and future debt agreements may limit, the Operating Partnership's ability to make distributions to the Partnership, and, upon such a repurchase, the Issuers may not have sufficient immediate financial resources to pay cash to the holders of the debt securities as well as the holders of any other securities entitled to a similar payment.

The failure of the Issuers to repurchase the debt securities upon a change of control offer would constitute an immediate Event of Default under the indenture.

The failure of UGI Corporation to own directly or indirectly 51% of the general partnership interests in the Operating Partnership and at least a 20% ownership interest in the Operating Partnership would constitute an event of default under the Operating Partnership's existing Credit Agreement. Upon such an event of default, the banks under the Operating Partnership's existing Credit Agreement may accelerate repayment of the Indebtedness owed to them. An acceleration of the Indebtedness under the Operating Partnership's existing Credit Agreement would result in a Default under the indenture as long as the aggregate amount of Indebtedness is \$75 million or more. The Issuers and the Operating Partnership are not likely to be able to repay simultaneously all of the Issuers' Indebtedness upon a change of control and acceleration of the Issuers' Indebtedness.

In the event that holders of not less than 90% of the aggregate principal amount of the debt securities of a series then outstanding accept a change of control offer and the Issuers purchase all of the debt securities of such series tendered by such holders, the Issuers will have the right, upon not less than 30 nor more than 60 days' prior notice, given not more than 30 days following the purchase pursuant to the change of control offer described above, to redeem all of the debt securities of such series that remain outstanding following such purchase at a redemption price equal to the change of control payment plus, to the extent not included in the change of control payment, accrued and unpaid interest on the debt securities of such series that remain outstanding, to, but excluding, the date of redemption, subject to the rights of the holders of the debt securities of such series on a relevant record date to receive interest due on the relevant interest payment date.

Selection and Notice of Redemption: If a series of debt securities is redeemable prior to its stated maturity date, and less than all the debt securities of that series are to be redeemed, the trustee will select the debt securities to be redeemed among the holders of debt securities pro rata, by lot or in accordance with a method which the trustee considers to be fair and appropriate. The trustee must choose such securities in a manner that complies with any legal and stock exchange requirements. Notices of redemption shall be mailed by first class mail (or delivered in accordance with applicable DTC procedures) at least 30 but not more than 60 days before the redemption date to each holder of

debt securities to be redeemed at its registered address. If any security is to be redeemed in part only, the notice of redemption that relates to that security shall state the portion of the

Table of Contents

principal amount thereof to be redeemed. A new security in principal amount equal to the unredeemed portion of the security will be issued in the name of the holder of that security upon surrender and cancellation of the original security. On and after the redemption date, interest ceases to accrue on debt securities or portions of debt securities called for redemption. Any redemption or notice may, at the Issuers' discretion, be subject to one or more conditions precedent.

Certain Covenants

The indenture requires the Issuers to comply with a number of covenants, including those summarized below.

Limitation on Additional Indebtedness: The Partnership and its Restricted Subsidiaries may only incur more debt under certain circumstances. The Partnership will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, issue, assume or guarantee or in any manner become directly or indirectly liable, contingently or otherwise, for the payment of any Indebtedness, unless at the time of such incurrence, and after giving pro forma effect to the receipt and application of the proceeds of the Indebtedness, the Consolidated Fixed Charge Coverage Ratio of the Partnership would be greater than 2 to 1.

In addition to any Indebtedness that may be incurred as set forth above, the Partnership and its Restricted Subsidiaries may incur Permitted Indebtedness. The term Permitted Indebtedness, which is defined in the indenture, means each of the following:

- (2) Indebtedness of the Partnership and AmeriGas Finance outstanding on the applicable issue date of a series of debt securities;
- (3) Indebtedness of the Operating Partnership; *provided* that the aggregate principal amount, exclusive of any unamortized premium, of this Indebtedness outstanding at any time may not exceed \$518 million;

- (5) Indebtedness of the Partnership or a Restricted Subsidiary incurred for any purpose permitted under the Credit Agreement; *provided* that the aggregate principal amount of this Indebtedness outstanding at any time may not exceed an amount equal to the greatest of \$825 million, the Consolidated Borrowing Base Amount, or 30% of the Consolidated Tangible Assets of the Partnership;

Table of Contents

- (6) Indebtedness of the Partnership owed to the Partnership's general partner or an Affiliate of the Partnership's general partner that is unsecured and that is Subordinated Indebtedness; *provided* that the aggregate principal amount of this Indebtedness outstanding at any time may not exceed \$100 million;
- (7) Indebtedness of the Partnership or a Restricted Subsidiary for the purpose of the payment of liabilities of Petrolane Incorporated (Petrolane), a subsidiary of the Partnership's general partner; *provided* that the aggregate amount of such Indebtedness outstanding at any time may not exceed \$30 million;

- (9) Indebtedness under any Interest Rate Agreement;
- (10) Permitted Refinancing Indebtedness;

- (12) Indebtedness of the Partnership and its Restricted Subsidiaries in respect of Capital Leases;
- (13) Indebtedness of the Partnership and its Restricted Subsidiaries represented by letters of credit supporting (i) obligations under workmen's compensation laws; (ii) obligations to suppliers of propane, *provided* that the aggregate amount of this Indebtedness outstanding at any time may not exceed \$75 million; and (iii) the repayment of Permitted Indebtedness;
- (14) Indebtedness of the Partnership or a Restricted Subsidiary incurred with respect to any Accounts Receivable Securitization;
- (15) surety bonds and appeal bonds required in the ordinary course of business or in connection with the enforcement of rights or claims of the Partnership or any of its Subsidiaries or in connection with judgments that do not result in a Default or Event of Default;

- (16) (a) Acquired Indebtedness of the Partnership or any of its Restricted Subsidiaries which Indebtedness exists at the time of such acquisition, merger, consolidation or conversion and is not created in contemplation of such event and where such acquisition, merger or consolidation is otherwise permitted by the indenture and (b) Indebtedness of the Partnership to finance all or a portion of any such acquisition, merger or consolidation; *provided, however*, that, in each case, on a pro forma basis, either (x) the Partnership would be permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Consolidated Fixed Charge Coverage Ratio set forth in the first paragraph of the Limitation on Additional Indebtedness covenant in the indenture or (y) the Consolidated Fixed Charge Coverage Ratio would not be less than immediately prior to such transactions; and
- (17) the incurrence by the Partnership or any of its Restricted Subsidiaries of Indebtedness in addition to the Indebtedness described in clauses (1) through (16) above in an aggregate principal amount then outstanding, not to exceed the greater of (i) \$125 million or (ii) 7.5% of the Consolidated Tangible Assets of the Partnership.

Table of Contents

For purposes of determining compliance with this Limitation on Additional Indebtedness covenant, in the event that an item of proposed Indebtedness meets the criteria of more than one of the categories of Permitted Indebtedness described in clauses (1) through (17) above, or is entitled to be incurred pursuant to the first paragraph of this covenant, the Issuers will be permitted to classify such item of Indebtedness on the date of its incurrence, or later reclassify all or a portion of such item of Indebtedness, in any manner that complies with this covenant; *provided* that Indebtedness under the Operating Partnership's Credit Agreement outstanding on the date of the indenture shall be deemed to have been incurred on such date in reliance on the exception provided by clause (5) of the immediately succeeding paragraph and cannot be so reclassified. The accrual of interest, the accretion or amortization of original issue discount, the payment of interest on any Indebtedness in the form of additional Indebtedness with the same terms, and the payment of dividends on Redeemable Capital Stock in the form of additional shares of the same class of Redeemable Capital Stock will not be deemed to be an incurrence of Indebtedness or an issuance of Redeemable Capital Stock for purposes of this covenant. Notwithstanding any other provision of this covenant, the maximum amount of Indebtedness that the Partnership or any Restricted Subsidiary may incur pursuant to this covenant shall not be deemed to be exceeded solely as a result of fluctuations in exchange rates or currency values.

Limitation on Restricted Payments: The Partnership will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly:

- (1) declare or pay any dividend or make any other distribution or payment on or in respect of Capital Stock of the Partnership or any of its Restricted Subsidiaries or any payment made to the direct or indirect holders (in their capacities as such) of Capital Stock of the Partnership or any of its Restricted Subsidiaries (other than (x) dividends or distributions payable solely in Capital Stock of the Partnership (other than Redeemable Capital Stock) or in options, warrants or other rights to purchase Capital Stock of the Partnership (other than Redeemable Capital Stock); (y) the declaration or payment of dividends or other distributions to the extent declared or paid to the Partnership or any Restricted Subsidiary of the Partnership; and (z) the declaration or payment of dividends or other distributions by any Restricted Subsidiary of the Partnership to all holders of Capital Stock of that Restricted Subsidiary on a pro rata basis (including, in the case of the Operating Partnership, to the general partner thereof));
- (2) purchase, redeem, defease or otherwise acquire or retire for value any Capital Stock of the Partnership or any of its Restricted Subsidiaries, other than any Capital Stock owned by a Wholly Owned Restricted Subsidiary of the Partnership;
- (3) make any principal payment on, or purchase, defease, repurchase, redeem or otherwise acquire or retire for value, prior to any scheduled maturity, scheduled repayment, scheduled sinking fund payment or other stated maturity, any subordinated Indebtedness (other than any such Indebtedness owned by the Partnership or a Wholly Owned Restricted Subsidiary of the Partnership); or
- (4) make any Investment, other than a Permitted Investment, in any entity, (such payments or Investments described in the preceding clauses (1), (2), (3) and (4) collectively referred to as Restricted Payments) unless, at the time of and after giving effect to the proposed restricted payment, no Default or Event of Default shall have occurred and be continuing, and the restricted payment, together with the aggregate of all other restricted payments made by the Partnership and its Restricted Subsidiaries during the fiscal quarter during

which the restricted payment is made, will not exceed:

- (a) if the Consolidated Fixed Charge Coverage Ratio of the Partnership is greater than 1.75 to 1, an amount equal to:
 - (i) Available Cash as of the end of the immediately preceding fiscal quarter, plus

Table of Contents

- (ii) to the extent that any Investment that was made pursuant to this clause (a) or clause (b) below is sold for cash or otherwise liquidated or repaid for cash, the cash return of capital with respect to such Investment (less the cost of disposition, if any), to the extent not previously expended pursuant to this clause (a), plus

 - (iii) the net reduction in Investments made pursuant to this clause (a) or clause (b) below resulting from cash dividends, repayments of loans or advances, or other transfers of assets in each case to the Partnership or any of its Restricted Subsidiaries from any Person (including, without limitation, Unrestricted Subsidiaries) or from redesignations of Unrestricted Subsidiaries as Restricted Subsidiaries, to the extent not previously expended pursuant to this clause (a); or
- (b) if the Consolidated Fixed Charge Coverage Ratio of the Partnership is equal to or less than 1.75 to 1, an amount equal to the sum of:
- (i) \$300 million, less

 - (ii) the aggregate amount of all restricted payments made by the Partnership and its Restricted Subsidiaries in accordance with this clause (b) during the period ending on the last day of the fiscal quarter of the Partnership immediately preceding the date of the restricted payment and beginning on the first day of the sixteenth full fiscal quarter immediately preceding the date of the restricted payment, plus

 - (iii) the aggregate net cash proceeds of any substantially concurrent capital contribution to the Partnership from any Person (other than a Restricted Subsidiary of the Partnership), or issuance and sale of shares of Capital Stock (other than Redeemable Capital Stock) of the Partnership to any Person (other than to a Restricted Subsidiary of the Partnership).

Any permitted restricted payment may be made in assets other than cash, in which case the amount will be the fair market value, as determined in good faith by the general partner on the date of the restricted payment of the assets proposed to be transferred.

The above provisions will not prohibit:

- (1) the payment of any dividend or distribution within 60 days after the date of its declaration if, at the date of declaration, the payment would be permitted as summarized above;

- (2) the making of any Restricted Payment in exchange for, or out of the net cash proceeds of, a substantially concurrent (not to exceed 120 days following the receipt of such net cash proceeds) (x) capital contribution to the Partnership from any Person (other than a Restricted Subsidiary of the Partnership); or (y) issuance and sale of other Capital Stock (other than Redeemable Capital Stock) of the Partnership to any Person (other than to a Restricted Subsidiary of the Partnership); *provided, however*, that the

amount of any net cash proceeds that are utilized for any such Restricted Payment will be excluded from the calculation of Available Cash;

- (3) any redemption, repurchase or other acquisition or retirement of subordinated Indebtedness in exchange for, or out of the net cash proceeds of, a substantially concurrent (not to exceed 120 days following the receipt of such net cash proceeds) (x) capital contribution to the Partnership from any Person (other than a Restricted Subsidiary of the Partnership); or (y) issuance and sale of (a) Capital Stock (other than Redeemable Capital Stock) of the Partnership to any Person (other than to a Restricted Subsidiary of the Partnership), or (b) Indebtedness of the Partnership issued to any Person (other than a Restricted Subsidiary of the Partnership), so long as the Indebtedness is

Table of Contents

Permitted Refinancing Indebtedness; *provided, however*, that the amount of any net cash proceeds that are utilized for any redemption, repurchase or other acquisition or retirement will be excluded from the calculation of Available Cash; or

- (4) so long as no Default has occurred and is continuing or would be caused thereby, other Restricted Payments in an aggregate amount since the applicable issue date of a series of debt securities not to exceed \$30.0 million.

In computing the amount of permitted restricted payments previously made for purposes of the restricted payments test above, restricted payments made under clause (1) above must be included and restricted payments made under clauses (2), (3) and (4) above must not be included.

Asset Sales: The indenture defines the term *Asset Sale* and provides that the Partnership and its Restricted Subsidiaries must comply with restrictions applicable to an *Asset Sale*. An *Asset Sale* would include either of the following, whether in a single transaction or a series of related transactions:

- (1) the sale, lease, conveyance or other disposition of any assets (including by way of a Sale and Leaseback Transaction) other than sales of inventory in the ordinary course of business; or
- (2) the issuance or sale of Capital Stock of any Restricted Subsidiary.

The indenture provides that some transactions are not considered *Asset Sales*, including any single transaction or series of related transactions that involves assets having a fair market value of less than \$25.0 million, any transfer of assets or Capital Stock by the Partnership or any of its Restricted Subsidiaries to the Operating Partnership or a Wholly Owned Restricted Subsidiary of the Partnership, any transfer of assets or Capital Stock by the Partnership or any of its Restricted Subsidiaries to any Person in exchange for other assets having a fair market value, as determined in good faith by the Partnership's general partner, not less than that of the assets so transferred, any transfer of assets pursuant to a Permitted Investment or any transfer of accounts receivable under any Accounts Receivable Securitization. Furthermore, the sale, lease, conveyance or other disposition of all or substantially all of the assets of the Partnership would not be treated as an *Asset Sale*, but rather as a possible change of control or as if the Partnership merged with another entity.

The Partnership and its Restricted Subsidiaries may complete an *Asset Sale* if the Partnership or its Restricted Subsidiary, as the case may be, receives consideration at the time of the *Asset Sale* at least equal to the fair market value, as determined in good faith by the Partnership's general partner, of the assets sold or otherwise disposed of, and at least 75% of the consideration received by the Partnership or the Restricted Subsidiary is in the form of cash. For purposes of determining the amount of cash received in an *Asset Sale*, the following will be deemed to be cash:

- (1) the amount of any liabilities on the Partnership's or any Restricted Subsidiary's balance sheet that are assumed by the transferee of the assets;
- (2) the amount of any debt securities or other obligations received by the Partnership or the Restricted Subsidiary from the transferee that is converted within 180 days of such *Asset Sale* by the Partnership

or the Restricted Subsidiary into cash, to the extent of the cash received; and

- (3) any Designated Non-Cash Consideration received by the Partnership or such Restricted Subsidiary in such Asset Sale having an aggregate fair market value, taken together with all other Designated Non-Cash Consideration received pursuant to this clause (3) that is at such time outstanding, not to exceed an amount equal to the greater of (x) \$100.0 million and (y) 5.0% of Consolidated Net Tangible Assets of the Partnership at the time of the receipt of such Designated Non-Cash Consideration, with the fair market value of each item of Designated Non-Cash Consideration being measured at the time received and without giving effect to subsequent changes in value.

Table of Contents

Furthermore, the 75% limitation will not apply to any Asset Sale in which the cash portion of the consideration received is equal to or greater than what the after-tax proceeds would have been had the Asset Sale complied with the 75% limitation.

If the Partnership or any of its Restricted Subsidiaries receives Net Proceeds from one or more Asset Sales in any fiscal year, then within 360 days after such date, the Partnership must apply the amount to (a) reduce Indebtedness of a Restricted Subsidiary, with a permanent reduction of availability in the case of revolving Indebtedness, or (b) make an investment in assets; *provided* that, with respect to any portion of Net Proceeds relating to clause (b), the 360-day period provided above shall be extended by an additional 180 days if by not later than the 360th day after receipt of such Net Proceeds, the Issuers or a Restricted Subsidiary, as applicable, have entered into a binding commitment with a Person other than an Affiliate of the Issuers to make an investment of the type referred to in such clause in the amount of such Net Proceeds. Any Net Proceeds that are not applied or invested in either of these ways will be considered *Excess Proceeds*.

Pending the final application of any Net Proceeds, the Partnership or any Restricted Subsidiary may temporarily reduce borrowings under the Operating Partnership's Credit Agreement, or otherwise invest the Net Proceeds in any manner that is not prohibited by the indenture.

When the aggregate amount of Excess Proceeds exceeds \$50 million, the Issuers will make an offer to all of the holders of debt securities of an applicable series under the indenture and to all holders of other *pari passu* debt securities of the Issuers containing provisions similar to those set forth in the indenture with respect to offers to purchase with the proceeds of sales of assets, to purchase for cash that number of debt securities and such other *pari passu* debt securities that may be purchased out of the Excess Proceeds at a purchase price equal to 100% of the principal amount of the security plus accrued and unpaid interest to the date of purchase. The Issuers will follow the procedures set forth in the indenture and the Issuers will comply with the requirements of Rule 14e-1 under the Exchange Act and any other applicable securities laws.

To the extent that the aggregate amount of debt securities and other *pari passu* debt securities tendered in response to the Issuers' purchase offer is less than the Excess Proceeds, the Partnership or any Restricted Subsidiary may use such deficiency for general business purposes. If the aggregate principal amount of debt securities and other *pari passu* debt securities surrendered by their holders exceeds the amount of Excess Proceeds, the trustee shall select the debt securities or other *pari passu* debt securities to be purchased on a pro rata basis.

Notwithstanding the foregoing, if the Issuers make this purchase offer at any time when the Issuers have securities outstanding ranking equally in right of payment with the debt securities under the indenture, and the terms of those securities provide that a similar offer must be made with respect to those other securities, as do the applicable indentures for the Issuers' outstanding senior Indebtedness as of the date of this prospectus, then the Issuers' offer to purchase the debt securities will be made concurrently with the other offers, and securities of each issue will be accepted on a pro rata basis in proportion to the aggregate principal amount of securities of each issue which their holders elect to have purchased. Upon completion of the offer to the debt security holders, regardless of the amount tendered, the amount of Excess Proceeds will be reset at zero.

Limitation on Liens: The Partnership will not, and will not permit any of its Restricted Subsidiaries to, incur, assume or suffer to exist any Liens (other than Permitted Liens) upon any of its respective property or assets, whether owned on the applicable issue date of a series of debt securities or thereafter acquired, unless all payments due under the indenture and the debt securities are secured on an equal and ratable basis with the obligations so secured until such time as such obligations are no longer secured by a Lien.

Limitation on Transactions with Affiliates: The Partnership will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, enter into or suffer to exist any transaction or series of related transactions (including, without limitation, the sale, transfer, disposition, purchase, exchange or lease of assets,

Table of Contents

property or services) other than as provided for, as of the date of the indenture, in the Partnership's partnership agreement or in the Operating Partnership's partnership agreement and the other agreements entered into between the Partnership or the Operating Partnership and any of their Affiliates, with, or for the benefit of any Affiliates of the Partnership unless:

- (1) the transaction or series of related transactions is between the Partnership and its Wholly Owned Restricted Subsidiaries or between two Wholly Owned Restricted Subsidiaries; or
- (2) (a) the transaction or series of related transactions is on terms that are no less favorable to the Partnership or the Restricted Subsidiary, as the case may be, than those which would have been obtained in a comparable transaction at such time from Persons who are not Affiliates of the Partnership or a Restricted Subsidiary, and, (b) with respect to a transaction or series of transactions involving aggregate payments or value equal to or greater than \$50 million, the Partnership shall have delivered an officer's certificate to the trustee certifying that the transaction or series of transactions is on terms that are no less favorable to the Partnership or the Restricted Subsidiary than those which would have been obtained from Persons who are not Affiliates of the Partnership or a Restricted Subsidiary and has been approved by a majority of the board of directors of the Partnership's general partner (including a majority of the disinterested directors).

However, the covenant limiting transactions with Affiliates will not restrict the Partnership, any Restricted Subsidiary or the general partner from entering into (A) any employment agreement, stock option agreement, restricted stock agreement or similar agreement in the ordinary course of business, (B) any transactions permitted by the provisions of the indenture described under the covenant Limitation on Restricted Payments, (C) any transactions in the ordinary course of business in connection with reinsuring the self-insurance programs or other similar forms of retained insurable risks of the Partnership, or (D) any Accounts Receivable Securitization.

Limitation on Dividends and Other Payment Restrictions Affecting the Subsidiaries: The Partnership will not, and will not permit any of its Restricted Subsidiaries to, create or otherwise cause or suffer to exist or become effective any encumbrance or restriction on the ability of any Restricted Subsidiary to:

- (a) pay dividends, in cash or otherwise, or make any other distributions on or with respect to its Capital Stock or any other interest or participation in, or measured by, its profits;
- (b) pay any Indebtedness owed to the Partnership or any other Restricted Subsidiary;
- (c) make loans or advances to, or any investment in, the Partnership or any other Restricted Subsidiary;
- (d) transfer any of its properties or assets to the Partnership or any other Restricted Subsidiary; or
- (e) guarantee any Indebtedness of the Partnership or any other Restricted Subsidiary.

However, some encumbrances or restrictions are permissible, including those existing under or by reason of:

- (1) applicable law;
- (2) any agreement in effect at or entered into on the applicable issue date of a series of debt securities, including the Credit Agreement in effect on such date, or any agreement relating to any Permitted Indebtedness; *provided, however*, that the encumbrances and restrictions contained in the agreements governing the Permitted Indebtedness are no more restrictive with respect to the payment restrictions than those set forth in the Credit Agreement as in effect on the applicable issue date of a series of debt securities;

Table of Contents

- (3) customary non-assignment provisions of any contract or any lease governing a leasehold interest of the Partnership or any Restricted Subsidiary;
- (4) purchase money obligations for property acquired in the ordinary course of business that impose restrictions of the nature described in clause (d) above on the property so acquired;
- (5) any agreement or other instrument of a Person (or any of its Restricted Subsidiaries) acquired by the Partnership or any Restricted Subsidiary, in existence at the time of the acquisition but not created in contemplation of the acquisition, which encumbrance or restriction is not applicable to any Person or the property or assets of any Person other than the Person or the properties, assets or subsidiaries of the Person so acquired; or
- (6) provisions contained in instruments relating to Indebtedness which prohibit the transfer of all or substantially all of the assets of the obligor of the Indebtedness unless the transferee shall assume the obligations of the obligor under the agreement or instrument.

Limitations on AmeriGas Finance Corp.: In addition to the restrictions set forth under Limitation on Additional Indebtedness above, AmeriGas Finance Corp. or any substitute obligor may not incur any Indebtedness unless the Partnership is a co-obligor or guarantor of the Indebtedness, or the net proceeds of the Indebtedness are either lent to the Partnership, used to acquire outstanding notes issued by the Partnership, or used, directly or indirectly, to refinance or discharge Indebtedness permitted under the limitation of this paragraph.

AmeriGas Finance Corp. may not engage in any business not related, directly or indirectly, to obtaining money or arranging financing for the Partnership.

Termination of Certain Covenants when Series of Notes Rated Investment Grade

If a series of debt securities shall have an Investment Grade Rating pursuant to ratings from two of the Rating Agencies and the Issuers shall have delivered to the trustee an officer's certificate certifying that the foregoing condition has been satisfied (and notwithstanding the failure of such series of debt securities thereafter to maintain an Investment Grade Rating), then the covenants specifically listed under the following captions will no longer be applicable to such series of debt securities:

- (a) Certain Covenants Limitation on Additional Indebtedness ;
- (b) Certain Covenants Limitation on Restricted Payments ;
- (c) Certain Covenants Asset Sales ;
- (d) Certain Covenants Limitations on Transactions with Affiliates ;

(e) Certain Covenants Limitation on Dividends and Other Payment Restrictions Affecting the Subsidiaries ;
and

(f) clause (4) of the covenant described under Merger, Consolidation or Sale of Assets below.

Table of Contents

Merger, Consolidation or Sale of Assets

The indenture provides that the Partnership may not consolidate or merge with or into (whether or not the Partnership is the surviving Person), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions to, another Person unless:

- (1) the Partnership is the surviving Person or the Person formed by or surviving any such consolidation or merger (if other than the Partnership) or to which such sale, assignment, transfer, lease, conveyance or other disposition was made is a corporation or partnership organized or existing under the laws of the United States, any state thereof or the District of Columbia;
- (2) the Person formed by or surviving any such consolidation or merger (if other than the Partnership) or the Person to which such sale, assignment, transfer, lease, conveyance or other disposition was made assumes all the obligations of the Partnership in accordance with a supplemental indenture in a form reasonably satisfactory to the trustee, under the debt securities and the indenture;
- (3) immediately after the transaction no Default or Event of Default exists; and
- (4) (i) the Partnership or such other Person formed by or surviving any such consolidation or merger, or to which such sale, assignment, transfer, lease, conveyance or other disposition was made, will, at the time of the transaction and after giving pro forma effect to it as if the transaction had occurred at the beginning of the applicable Four-Quarter Period, be permitted to incur at least \$1.00 of additional Indebtedness in accordance with the Consolidated Fixed Charge Coverage Ratio described in the indenture covenant entitled *Limitation on Additional Indebtedness* or (ii) the Consolidated Fixed Charge Coverage Ratio would not be less than the Consolidated Fixed Charge Coverage Ratio immediately prior to such transaction or transactions.

The indenture also provides that AmeriGas Finance Corp. may not consolidate or merge with or into, whether or not AmeriGas Finance Corp. is the surviving entity, or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions to, another Person except under conditions similar to those described in clauses (1), (2) and (3) above.

Reports by the Registrants

The Partnership shall file with the SEC, or if the Partnership is not subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, post on the Partnership's website, in either case within the time periods specified in the SEC's rules and regulations, including the additional periods provided by Rule 12b-25 under the Exchange Act, annual reports and other reports or statements prepared in accordance with the reporting provisions under Section 13 or Section 15(d) of the Exchange Act.

Events of Default and Remedies

The indenture describes in detail the occurrences that would constitute an *Event of Default* of a particular series of debt securities. Such occurrences include the following:

- (1) Default in the payment of the principal of or premium, if any, on any debt securities of that series, upon its stated maturity;
- (2) Default in the payment of an installment of interest or any sinking fund payment on any debt securities of that series, when the same becomes due and payable, which Default continues for a period of 30 days;
- (3) failure to perform or observe any other term, covenant or agreement contained in the debt securities of the applicable series or the indenture, other than a Default specified in clause (1) or (2) above or

Table of Contents

clause (4) below, and the Default continues for a period of 45 days after written notice of the Default requiring the Issuers to remedy the same shall have been given (x) to the Issuers by the trustee or (y) to the Issuers and the trustee by holders of 25% in aggregate principal amount of the applicable debt securities then outstanding;

- (4) the continuance of a default as a result of the failure by the Partnership for whatever reason to comply with the covenant captioned Reports by the Registrants for a period of 105 days after written notice of such default requiring the Issuers to remedy the same shall have been given (x) to the Issuers by the trustee or (y) to the Issuers and the trustee by holders of 25% of the aggregate principal amount of the debt securities then outstanding;
- (5) a default occurs or defaults occur under one or more agreements, instruments, mortgages, bonds, debentures or other evidences of Indebtedness under which the Partnership or any Restricted Subsidiary of the Partnership then has outstanding Indebtedness, if the default:
 - (a) is caused by a failure to pay principal with respect to Indebtedness of a Restricted Subsidiary at its stated maturity or within the applicable grace period, if any, provided with respect to the Indebtedness; or principal, premium or interest with respect to Indebtedness of the Partnership within the applicable grace period, if any, provided in the Indebtedness, which, collectively, is a Payment Default; or
 - (b) results in the acceleration of the Indebtedness prior to its stated maturity and, in each case, the principal amount of the Indebtedness, together with the principal amount of any other Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, amounts to \$75 million or more;
- (6) final judgment or judgments, which is or are non-appealable and nonreviewable or which has or have not been stayed pending appeal or review or as to which all rights to appeal or review have expired or been exhausted, shall be rendered against the Partnership, any Restricted Subsidiary, the general partner, or any significant subsidiary, as that term is defined in Rule 1.02(w) of Regulation S-X under the Securities Act, *provided* such judgment or judgments requires or require the payment of money in excess of \$75 million in the aggregate and is not covered by insurance or discharged or stayed pending appeal or review within 60 days after entry of such judgment. In the event of a stay, the judgment shall not be discharged within 30 days after the stay expires; or
- (7) certain events of bankruptcy, insolvency or reorganization with respect to the Issuers or any of their respective significant subsidiaries.

In the case of an Event of Default described in clause (7) above with respect to the Partnership or AmeriGas Finance Corp., all outstanding debt securities of all outstanding series will become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the trustee or the holders of at least 25% in principal amount of the applicable series of debt securities then outstanding may declare all of the debt securities of that series to be due and payable immediately by notice in writing to the Issuers specifying the Event of

Default. Debt security holders may not enforce the indenture or the debt securities except as provided in the indenture. Subject to limitations, holders of a majority in principal amount of then-outstanding debt securities of a series may direct the trustee in its exercise of any trust or power. The trustee may withhold from debt security holders notice of any continuing Default or Event of Default, except a Default or Event of Default relating to the payment of principal or interest, if the trustee determines in good faith that withholding notice is in their interest. If any Event of Default occurs because the Issuers or those acting on the Issuers' behalf willfully intended to avoid payment of the premium that the Issuers would have to pay if the Issuers then elected to redeem the debt securities under the optional redemption provisions of the indenture, then an equivalent premium shall also become and be immediately due and payable to the extent permitted by law

Table of Contents

upon the acceleration of the debt securities. The holders of a majority in aggregate principal amount of a series of debt securities issued under the indenture and then outstanding may waive, by notice to the trustee for those debt securities, any existing Default or Event of Default for all debt security holders of that series and its consequences under the indenture, except a continuing Default or Event of Default in the payment of any principal of, premium, if any, or interest on the debt securities. The Issuers are required to deliver to the trustee annually a statement regarding compliance with the indenture. In addition, upon becoming aware of any Default or Event of Default, the Issuers are required to deliver to the trustee a statement specifying the Default or Event of Default.

No Personal Liability of Limited Partners, Directors, Officers, Employees and Unitholders

No director, officer, employee, agent, manager, limited partner, interest holder or stockholder of the Partnership or AmeriGas Finance Corp., as such, shall have any liability for any of our obligations under the debt securities or the indenture or for any claim based on, in respect of, or by reason of these obligations. Each debt security holder, by accepting a debt security, waives and releases all such liability. The waiver and release are part of the consideration for issuance of the debt securities. The waiver may not be effective to waive liabilities under the federal securities laws and it is the view of the SEC that such a waiver is against public policy.

Legal Defeasance and Covenant Defeasance

The Issuers may, at the option of the board of directors of our general partner, on our behalf, and the board of directors of AmeriGas Finance Corp., at any time, elect to have all of the Issuers' obligations discharged with respect to outstanding debt securities. This is known as legal defeasance. However, under legal defeasance the Issuers cannot discharge:

- (1) the rights of holders of outstanding debt securities to receive payments with respect to any principal, premium, and interest on the debt securities when the payments are due;
- (2) the Issuers' obligations with respect to the debt securities concerning issuing temporary debt securities, registration of debt securities or mutilated, destroyed, lost or stolen debt securities;
- (3) the Issuers' obligation to maintain an office or agency for payment and money for security payments held in trust;
- (4) the rights, powers, trusts, duties and immunities of the trustee, and the Issuers' obligations in connection therewith; and
- (5) the legal defeasance and covenant defeasance provisions of the indenture.

In addition, the Issuers may, at their option and at any time, elect to have their obligations released with respect to certain covenants that are described in the indenture. This is called covenant defeasance. After the Issuers' obligations have been released in this manner, any failure to comply with these obligations will not constitute a Default or Event of Default with respect to the debt securities. In the event covenant defeasance occurs, certain events, not including non-payment, bankruptcy, receivership, reorganization and insolvency, described in the indenture and summarized in

this prospectus under the caption Events of Default, will no longer constitute an Event of Default with respect to the debt securities.

In order to exercise either legal defeasance or covenant defeasance, the Issuers must irrevocably deposit with the trustee, in trust, for the benefit of the debt security holders, cash in U.S. dollars, non-callable U.S. government securities, or a combination thereof, in amounts sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal, any premium and interest on the outstanding debt securities on the stated maturity date or on the applicable redemption date.

Table of Contents

In addition, the Issuers will be required to deliver to the trustee an opinion of counsel stating that, after the 91st day following the deposit, the trust funds will not be subject to the effect of any applicable bankruptcy, insolvency, reorganization or similar laws affecting creditors' rights generally, and that all conditions precedent provided for or relating to legal defeasance or covenant defeasance have been complied with, and confirming other matters. Furthermore, in the case of a legal defeasance, the opinion must confirm that the Issuers have received from, or there shall have been published by, the Internal Revenue Service a ruling, or since the date of the indenture, there shall have been a change in the applicable federal income tax law, in either case, to the effect that, and based thereon, the holders of the outstanding debt securities will not recognize income, gain or loss for federal income tax purposes as a result of the legal defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if the legal defeasance had not occurred. In the case of covenant defeasance, the opinion must confirm that the holders of the outstanding debt securities will not recognize income, gain or loss for federal income tax purposes as a result of the covenant defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if the covenant defeasance had not occurred.

Finally, to exercise either legal defeasance or covenant defeasance, the Issuers must have delivered to the trustee an officer's certificate stating that the Issuers did not make the deposit with the intent of preferring the holders of debt securities over the Issuers' other creditors or with the intent of defeating, hindering, delaying or defrauding the Issuers' other creditors.

The Issuers may not exercise either legal defeasance or covenant defeasance if an Event of Default has occurred and is continuing on the date of the deposit or, insofar as Events of Default from bankruptcy or insolvency events are concerned, at any time in the period ending on the 91st day after the date of deposit. In addition, the Issuers may not exercise either legal defeasance or covenant defeasance if such legal defeasance or covenant defeasance will result in a breach or violation or constitute a default under any material agreement or instrument to which the Partnership or any of its Restricted Subsidiaries is a party or by which the Partnership or any of its Restricted Subsidiaries is bound.

Satisfaction and Discharge of Indenture

The indenture shall, upon our request, cease to be of further effect with respect to a series of debt securities (except as to any surviving rights of registration of transfer or exchange of the debt securities expressly provided for in the indenture) when either:

we have delivered to the trustee for cancellation all outstanding securities of such series (other than (i) any securities that have been destroyed, lost or stolen and that have been replaced or paid as provided in the indenture and (ii) any securities of such series for whose payment money has theretofore been deposited in trust or segregated and held in trust by us and thereafter repaid to us or discharged from such trust);

all outstanding securities of such series that have not been delivered to the trustee for cancellation have become due and payable or are by their terms to become due and payable within one year or are to be called for redemption within one year under arrangements satisfactory to the trustee for the giving of notice of redemption, and we shall have irrevocably deposited with the trustee as trust funds an amount sufficient to pay and discharge the entire indebtedness of the securities of such series not theretofore delivered to the trustee for cancellation, for principal and any premium and interest to the date of such

deposit (in the case of securities of such series which have become due and payable) or to the date of maturity or the date of redemption, as the case may be; or

we have properly fulfilled any other means of satisfaction and discharge that may be set forth in the terms of the securities of such series.

Table of Contents

In each case, we will also pay all other sums payable by us under the indenture with respect to the securities of such series and deliver to the trustee an opinion of counsel and an officer's certificate, each stating that all conditions precedent to satisfaction and discharge with respect to the securities of such series have been complied with.

Modification of the Indenture

Under the indenture, the Issuers and the trustee can enter into supplemental indentures to establish the form and terms of any new series of debt securities without obtaining the consent of any holder of debt securities.

The Issuers and the trustee may, with the consent of the holders of at least a majority in aggregate principal amount of all outstanding debt securities, voting as one class, modify the applicable indenture or the rights of the holders of the securities.

No such modification may, without the consent of each holder affected,

- (1) change the stated maturity of the principal of any such debt securities or of any installment of principal or interest thereon;
- (2) reduce the rate or change the time of payment of interest on such debt securities;
- (3) reduce the principal amount of such debt securities or the premium, if any, on such debt securities;
- (4) change any obligation of the Issuers to pay additional amounts;
- (5) reduce the amount of the principal payable on acceleration of any securities issued originally at a discount;
- (6) adversely affect the right of repayment or repurchase at the option of the debt security holder;
- (7) reduce or postpone any sinking fund or similar provision;
- (8) change the place of payment or the currency or currency unit in which any such debt securities are payable or the right of selection thereof;
- (9) impair the right to sue for the enforcement of any such payment on or after the maturity of such debt securities;

(10) reduce the percentage of securities referred to above whose holders need to consent to the modification or a waiver without the consent of such debt security holders; or

(11) change any obligation of the Issuers to maintain an office or agency.

The Trustee

Should the trustee, U.S. Bank National Association, become a creditor of the Issuers, the indenture contains certain limitations on the trustee's rights to obtain payment of claims or to realize on certain property received in respect of any claim as security or otherwise. The trustee will be permitted to engage in other transactions; however, if it acquires any conflicting interest it must eliminate the conflict within 90 days, apply to the SEC for permission to continue, or resign.

The holders of a majority in principal amount of the then-outstanding debt securities of the applicable series will have the right to direct the time, method and place of conducting any proceeding for exercising any remedy available to the trustee, subject to certain exceptions. The indenture provides that, in case an uncured Event of Default occurs, the trustee will be required, in the exercise of its power, to use the same degree of care and skill as a prudent person would exercise or use under the circumstance in the conduct of his own affairs.

Table of Contents

Subject to these provisions, the trustee will be under no obligation to exercise any of its rights or powers under the indenture at the request of any debt security holder, unless the debt security holder offers to the trustee security and indemnity satisfactory to the trustee against any loss, liability or expense.

Certain Definitions

Set forth below are certain defined terms used in the indenture and in the summary of the debt securities set forth above. These defined terms frequently refer to other defined terms and include details that explain the terms of the indenture with greater precision than the summary section above does. We have not, however, included in this glossary all of the defined terms that are included in the indenture. We urge you to read the indenture and the form of note because they, not this summary description, define the rights of the debt security holders and include all the details about the debt securities.

These transactions may be effected on the New York Stock Exchange, in the over-the-counter market, or otherwise. Underwriters are not required to engage in any of these activities, or to continue such activities if commenced.

Underwriters may be entitled, under agreements with us, to indemnification by us relating to material misstatements and omissions. Underwriters may be customers of, engage in transactions with, or perform services for, us and our affiliates in the ordinary course of business.

The debt securities offered under this prospectus will have no established trading market. The partnership agreement of AmeriGas Partners, L.P. provides that we will indemnify and hold harmless our general partner, any departing partner, any person who is or was an affiliate of the general partner or any departing partner, any person who is or was an officer, director, employee, partner, agent or trustee of the general partner, any departing partner or any such affiliate, and any person who is or was serving at the request of the general partner, any departing partner or any such affiliate as an officer, director, employee, partner, agent, fiduciary or trustee of another person, to the fullest extent permitted by law but subject to the limitations expressly provided for in the partnership agreement, from and against any and all losses, claims, damages, liabilities (joint or several), expenses (including legal fees and expenses), judgments, fines, penalties, interest, settlements or other amounts arising from any and all claims, demands, actions, suits or proceedings, whether civil, criminal, administrative or investigative, in which any of the above persons may be involved, or is threatened to be involved, as a party or otherwise, by reason of his, her or its status as any of the foregoing; *provided, however*, that in each case such person acted in good faith and in a manner that such person reasonably believed to be in, or not opposed to, the best interests of AmeriGas Partners, L.P., and, with respect to any criminal proceeding, had no reasonable cause to believe that the conduct was unlawful. Any indemnification under these provisions will be made only out of our available assets, and our general partner shall not be personally liable for, or have any obligation to contribute or loan funds or assets to us to enable us to effectuate, such indemnification.

The indemnification so provided shall be in addition to any other rights to which any of the aforementioned persons may be entitled under any agreement, pursuant to a vote of the holders of outstanding units, as a matter of law or otherwise, and shall continue for such persons who have ceased to serve in such capacity and shall inure to the benefit of the heirs, successors, assigns and administrators of such persons.

Section 145 of Delaware General Corporation Law

Section 145 of the Delaware General Corporation Law provides that a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that the person is or was a director, officer, employee, or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit, or proceeding if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe the person's conduct was unlawful.

Section 145 of the Delaware General Corporation Law also provides that a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that he is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by the person in connection with the defense or settlement of such action or suit if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation and except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery of Delaware or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery of Delaware or such other court shall deem proper.

To the extent that a present or former director or officer of a corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to above, or in defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith; *provided* that indemnification provided for by Section 145 or granted pursuant thereto shall not be deemed exclusive of any other rights to which the indemnified party may be entitled; and a corporation shall have power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against such person and incurred by such person in any such capacity or arising out of such person's status as such whether or not the corporation would have the power to indemnify such person against such liabilities under Section 145.

In addition, Section 102(b)(7) of the Delaware General Corporation Law permits Delaware corporations to include a provision in their certificates of incorporation eliminating or limiting the personal liability of a director to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, *provided* that such provisions shall not eliminate or limit the liability of a director: (i) for any breach of the director's duty of loyalty to the corporation or its stockholders; (ii) for acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law; (iii) for unlawful payment of dividends or unlawful stock purchases or redemptions; or (iv) for any transactions from which the director derived an improper personal benefit.

The Certificate of Incorporation of AmeriGas Finance Corp. currently provides that, subject to certain exceptions, each Director shall not be personally liable to such corporation or its stockholders for monetary damages for breach of fiduciary duty as a director.

Bylaws Provisions on Indemnity.

Article 7 of the Bylaws of AmeriGas Finance Corp. sets forth the extent to which the directors and officers of AmeriGas Finance Corp. may be indemnified by AmeriGas Finance Corp. against liabilities which they may incur while serving in such capacity. Article 7 generally provides that AmeriGas Finance Corp. shall indemnify the directors and officers of AmeriGas Finance Corp. who are or were a party to any threatened, pending, or contemplated action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that such person is or was a director or officer of AmeriGas Finance Corp. or of another corporation, partnership, joint venture, employee benefit plan, trust or other enterprise, or by reason of any action alleged to have been taken or omitted in such capacity, against expenses (including attorneys' fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred in connection therewith, *provided* that the applicable standard of conduct set forth in Section 145 of the Delaware General Corporation Law was met and, *provided further*, that such indemnification shall be limited to expenses (including attorneys' fees) actually and reasonably incurred in the case of an action or suit by or in the right of AmeriGas Finance Corp. to procure a judgment in its favor. Subject to the procedures for indemnification of directors and officers set forth in the Bylaws, the indemnification of the directors and officers of AmeriGas Finance Corp. provided for therein is in all other respects substantially similar to that provided for in Section 145 of the Delaware General Corporation Law. Any such indemnification shall continue as to a person who has ceased to be a director or officer of AmeriGas Finance Corp. and shall inure to the benefit of the heirs, executors, and administrators of such person.

Table of Contents

The above discussion of the Bylaws of AmeriGas Finance Corp. and of Section 145 of the Delaware General Corporation Law is not intended to be exhaustive and is qualified in its entirety by such Bylaws and the Delaware General Corporation Law.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling the registrants as disclosed above, the registrants have been informed that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume

and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; *provided, however*, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) do not apply if the registration statement is on Form S-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement;

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof;

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering;

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(A) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which the prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. *Provided, however,* that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date; and

(5) that, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of an undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to

Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
