(3) Each Performance Award Unit represents a right to receive one common share. The number of Performance Award Units initially granted was a target amount, and the number of Performance Award Units that vested and converted to common shares was based upon: a) the Company's revenue growth as compared to a defined Peer Group; and b) the Company maintaining an acceptable level of profitability during the performance period which ended on September 30, 2008. Performance Award Units that did not vest were forfeited.

(4) Restricted shares will become fully vested on December 1, 2010

(5) Date reported applies to 50% of total, one-half of the balance is then exercisable in each succeeding year.

(6) Each Performance Award Unit represents the right to receive one common share. The number of units initially awarded, the target, is shown above. The actual number of units that will be awarded and converted to shares is based upon: a) the Company's revenue growth as compared to a defined Peer Group and, b) the Company maintaining an acceptable level of profitability during the performance period which ends on the date exercisable (the "vesting date"). Awarded units are automatically converted to shares under the Plan on or before the December 31st following the Vesting Date.
