* This filing is an amendment to the previous July 30, 2004 filing submitted on August 9, 2004. Upon a recent internal review of our previous filings, it was determined that the calculation of the percentage of Class of the Issuer beneficially held by Evan Sturza as of such date was inaccurate.

As of July 30, 2004, Evan Sturza was the owner of two separate entities that are exempt from registration under the Investment Advisors Act of 1940 and provided investment management services to two privately owned entities exempt from registration under the Investment Company Act of 1940. Each of the entities, which have different beneficial owners, as of the date of the original filing held less than five percent of the common stock of the Issuer, but the aggregate holdings of the two entities exceeded five percent of the common stock of the Issuer. Therefore, for the purposes of Rule 13d-3 of the Securities Exchange Act of 1934, Evan Sturza may be deemed to be the beneficial owner of the common stock of the Issuer held by the separate entities. Evan Sturza disclaims beneficial ownership of the common stock covered by this Schedule 13G.

In addition to the 317,500 shares of common stock of the Issuer, Evan Sturza may be deemed to be the beneficial owner for the purposes of Rule 13d-3 of the Securities Exchange Act of 1934 of 33,500 shares of preferred stock, convertible into 335,000 shares of common stock, and 335,000 warrants. These securities were not deemed to be convertible within 60 days of the date of the original filing and are not deemed to be convertible within 60 days hereof for the purposes of this amended filing. Accordingly, these securities are not included in the calculation of the percentage of class of the Issuer's securities beneficially owned by Evan Sturza.

As of the day of this amended filing, Ursus Services, L.L.C. is registered under the Investment Advisors Act of 1940.

Item 5 - Ownership of Five Percent or Less of a Class: N/A

Item 6 - Ownership of More than Five Percent on Behalf of Another Person:

The entities referenced in the footnote to Item 4 have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of the common stock covered by this Schedule 13G, however, neither entity's interests relate to more than five percent of the common stock of the Issuer.
