MATERIAL FACT

GAFISA S.A.

Publicly Held Company

NIRE 35.300.147.952

CNPJ/MF 01.545.826.0001-07

GAFISA S.A., (Bovespa, GFSA 3; NYSE, GFA) (**GAFISA**), Gafisa S.A. (BOVESPA: GFSA3; NYSE: GFA), in accordance with CVM Instruction No. 358 dated January 3, 2002, in response to reports published in today's newspaper *Valor Econômico* hereby announces the following:

Gafisa intends to offer its common shares to the public in a primary offering pursuant to a request for registration to be filed shortly pursuant to the simplified registration process provided under CVM Instruction No. 471, dated August 8, 2008, and arrangement between the CVM (*Comissão de Valores Mobiliários*) and ANBID (*Associação Nacional dos Bancos de Investimento ANBID*). In addition, Gafisa intends to file a registration statement with the U.S. Securities and Exchange Commission (SEC) to register the offering of its common shares and American Depositary Shares. Gafisa expects that the aggregate size of the offering will be between R\$600-700 million. However, no assurance as to whether or when the offering will be completed or its exact size can be given.

This release does not constitute an offer to sell or the solicitation of an offer to buy the securities described herein. No prospectus or registration statement relating to the securities described above has yet been filed with the CVM, ANBID or the SEC. These securities may not be sold nor may offers to buy be accepted prior to the time the offering is registered with the CVM and the proposed registration statement becomes effective with the SEC.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
