Item 1.01 Entry into a Material Definitive Agreement.

On December 22, 2011, Energy Focus, Inc. (the "Company") entered into a three-year, secured, revolving line of credit (the "Financing Agreement") of up to \$4.5 million with Rosenthal & Rosenthal, Inc. (the "Lender"). The total loan amount available to the Company under the line from time to time is based on the amount of the Company's (i) qualified accounts receivable, which is equal to 85% of its net amount of eligible receivables, plus (ii) available inventory, which is the lesser of 50% of the lower of cost or market value of eligible inventory, or \$250,000, minus reserves deemed necessary by the Lender. The line is secured by a lien on the Company's assets.

Interest on advances under the line is due monthly on receivables at the "Prime Rate", announced by JPMorgan Chase Bank from time to time, plus a margin of 4.5%, on inventory at the Prime Rate plus 6%, and on any over-advances at 3% in excess of the inventory rate. Decreases in the Prime Rate below 4% shall not be given any effect. In addition, an annual facility fee of \$45,000 is due at the beginning of each of the three years. The Company paid the Lender the first year's fee when the Financing Agreement was signed.

The repayment of outstanding advances and interest under this Financing Agreement may be accelerated upon an event of default including, but not limited to, failure to make timely payments or breach of any terms set forth in the Financing Agreement.

On December 28, 2011 the Company issued a press release announcing the Financing Agreement. A copy of the press release is furnished as Exhibit 99.1 and incorporated by reference.
