Executive Compensation Highlights

At the Annual Meeting, the Company's shareholders will have the opportunity to consider and vote on an advisory say-on-pay proposal approving the compensation of our named executive officers for the year ended December 31, 2016, as described more fully in this proxy statement. Our executive compensation policies and procedures are focused on long-term performance principles and are closely aligned with stockholder interests. Our program is also designed to reward our executives for superior performance and to ensure that compensation provided to them remains competitive. While there are many factors that our shareholders consider in executive compensation, we believe that ultimately our shareholders value economic performance.

Pay for Performance: UMH has Outperformed its Peers

Since 1968, UMH has delivered consistent and reliable returns for its shareholders. The following chart illustrates the Company's outperformance over a 5 year period as compared to the FTSE NAREIT ALL REITs Index and to the S&P 500 Index. The FTSE NAREIT ALL REITs Index includes all tax-qualified real estate investments trusts (REITs) that are listed on the New York Stock Exchange, the American Stock Exchange and the NASDAQ National Market List. Total Return Performance reflects stock price appreciation and dividend reinvestment for all three comparative indices.

UMH's CEO Compensation is below the 25th percentile of the average total compensation of its Peers

In order to help our shareholders fairly evaluate the Company's executive compensation program in light of our relative economic performance, we look to the NAREIT 2016 Compensation Survey (the "Survey") which contains data on the executive compensation from 141 REITs, representing 78% of the equity market capitalization of listed equity REITs. While UMH has outperformed its peers and delivered exceptional results for its shareholders, its Chief Executive Officer's total compensation for 2016 was less than the 25th percentile of the average total compensation of chief executive officers of all equity REITs that participated in the Survey.

Corporate Governance Highlights

The Company's long-term performance and profitability support its current corporate governance model. Some corporate governance highlights are as follows:

Presiding Director: Our Board of Directors has designated an independent director as presiding director.

Independent Board of Directors: A majority of the Company's directors are independent within the meaning of SEC rules and the listing standards of the New York Stock Exchange. At least one of the Company's directors qualifies as an "audit committee financial expert" under applicable SEC rules and all committee members are independent under applicable NYSE and SEC rules for committee membership. The Company's independent directors meet in executive session at least annually.

Substantial Insider Ownership: Management's Interests are Aligned with Shareholder Interests. The aggregate stock ownership of Company directors and executive officers represents approximately 11.61% of the Company's outstanding shares, which currently represents the largest block of shareholders and helps align our management's interests with our shareholders' interests.

CEO Stock Ownership Requirements. The Chief Executive Officer is required by Company policy to own shares of the Company's common stock having a value equal to at least six times his base salary and is well within compliance with these requirements, currently owning in excess of 3 times this ownership requirement.

Annual Assessment of Compensation. The Company annually assesses its compensation policies to determine whether such policies encourage excessive risk taking.

Anti-Hedging Policy. The Company prohibits the purchase or sale of puts, calls, options or other derivative securities based on the Company's securities by directors, officers or employees. Our policy also prohibits hedging or monetization transactions, such as forward sale contracts, in which the shareholder continues to own the underlying Company security without all the risks or rewards of ownership.

No Poison Pill: We have not adopted a shareholder rights plan.

FREQUENTLY ASKED QUESTIONS ABOUT THE ANNUAL MEETING

Why am I receiving this Proxy Statement?

You are receiving these materials because you owned shares of our Company's common stock (hereinafter sometimes referred to herein as "Common Shares") as a "registered" shareholder or you held Common Shares in "street name" at the close of business on April 13, 2017, the record date for the Annual Meeting, and that entitles you to vote at our Annual Meeting to be held at 4:00 p.m., local time, on Thursday, June 15, 2017, at the offices of the Company at Juniper Business Plaza, 3499 Route 9 North, Suite 3-C, Freehold, New Jersey 07728, or any postponements or adjournments of such meeting, for the purposes set forth in the Notice of 2017 Annual Meeting of Shareholders. This Proxy Statement contains information related to the solicitation of proxies for use at the Annual Meeting.

Who is soliciting my proxy?

This solicitation of proxies is made by and on behalf of our Board of Directors. We will pay the costs of soliciting proxies, which will consist primarily of the cost of printing, postage and handling. In addition to soliciting proxies by mail, our officers, directors and other employees, without additional compensation, may solicit proxies personally or by other appropriate means. It is anticipated that banks, brokers, fiduciaries, custodians and nominees will forward proxy soliciting materials to their principals, and that we will reimburse these persons' out-of-pocket expenses. We may also hire a proxy solicitation firm at a standard industry compensation rate, but do not currently intend to do so.

What is the difference between a "registered" shareholder and a shareholder holding shares in "street name?"

If your Common Shares are registered directly in your name with American Stock Transfer & Trust Company, LLC ("AST") our transfer agent, you are a "registered" shareholder. If you own Common Shares through a broker, bank, trust or other nominee rather than in your own name, you are the beneficial owner of the Common Shares, but considered to be holding the Common Shares in "street name."

Who can attend the Annual Meeting?

All of our common shareholders of record as of the close of business on April 13, 2017, the record date for the Annual Meeting, or individuals holding their duly authorized proxies, may attend the Annual Meeting. You should be

prepared to present photo identification for admittance. Appointing a proxy in response to this solicitation will not affect a shareholder's right to attend the Annual Meeting and to vote in person. Please note that if you hold your common stock in "street name" (that is, through a broker, bank or other nominee), you will need to bring a copy of a brokerage statement reflecting your stock ownership as of the close of business on April 13, 2017, the record date for the Annual Meeting, to gain admittance to the Annual Meeting.

Who may vote?

You may vote if you owned shares of our common stock at the close of business on April 13, 2017, which is the record date for the Annual Meeting. You are entitled to cast one vote for as many individuals as there are directors to be elected at the Annual Meeting and to cast one vote on each other matter presented at the Annual Meeting for each share of common stock you owned as of the record date. Cumulative voting is not permitted in the election of directors.

What is a quorum for the Annual Meeting?

As of the close of business on April 13, 2017, we had 30,843,635 shares of common stock outstanding. In order to conduct a meeting, shareholders entitled to cast a majority of the votes entitled to be cast at the Annual Meeting must be present in person or by proxy. No business may be conducted at the Annual Meeting if a quorum is not present. If you submit a properly executed Proxy Card or authorize a proxy by telephone or via the Internet, you will be considered part of the quorum. Abstentions and broker “non-votes” will be counted as present and entitled to vote for purposes of determining a quorum. A broker “non-vote” results when a bank, broker or other nominee who holds shares for another person has not received voting instructions from the owner of the shares and, under the applicable rules, does not have discretionary authority to vote on a matter.

What am I voting on? At the Annual Meeting, you may consider and vote on:

The election of three Class II directors, each to serve until the 2020 annual meeting of shareholders and until his respective successor is duly elected and qualifies;

The ratification of the appointment of PKF O’Connor Davies, LLP as our independent registered public accounting firm for the year ending December 31, 2017;

A proposal to approve the following resolution (the “Say-on-Pay” proposal):

RESOLVED, that the shareholders approve, on an advisory basis, the compensation of the Corporation’s Named Executive Officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation, Discussion and Analysis, the compensation tables and narrative discussion in the Proxy Statement;

A proposal to approve, on an advisory basis, the frequency of future Say-on-Pay proposals; and

Any other business as may properly come before the Annual Meeting or any adjournment or postponement thereof.

We are not aware of any other business, other than procedural matters relating to the Annual Meeting or the proposals listed above, that may properly be brought before the Annual Meeting. Once the business of the Annual Meeting is concluded, members of management will respond to questions raised by shareholders, as time permits.

What are the Board's recommendations?

The Board recommends a vote:

FOR the election of each nominee named in this Proxy Statement for election as a Class II director (Proposal No. 1);

FOR the ratification of the appointment of PKF O'Connor Davies, LLP as our independent registered public accounting firm for the year ending December 31, 2017 (Proposal No. 2);

FOR the approval of the Say-on-Pay proposal (Proposal No. 3);

FOR future Say-on-Pay proposals to be considered by shareholders every three years (Proposal No. 4).

Unless you give other instructions on your Proxy Card, the persons named as proxy holders on the Proxy Card will vote in accordance with the recommendations of the Board.

How many votes are needed to approve each of the proposals assuming that a quorum is present at the Annual Meeting?

Proposal 1: Election of Directors: The election of a director nominee must be approved by a plurality of the votes cast in the election of directors.

Proposal 2: Approval of the ratification of the appointment of PKF O'Connor Davies, LLP as our independent registered public accounting firm for the year ending December 31, 2017 requires the affirmative vote of a majority of the votes cast on the proposal.

Proposal 3: Approval of the Say-on-Pay proposal requires the affirmative vote of a majority of the votes cast on the proposal.

Proposal 4: The frequency of "one year", "two years" or "three years" that receives the greatest number of votes with respect to the frequency of future Say-on-Pay proposals will indicate the shareholders' preference.

If you are a shareholder of record as of the record date for the Annual Meeting and you authorize a proxy (whether by Internet, telephone or mail) without specifying voting instructions on any matter to be considered at this Annual Meeting, the proxy holders will vote your shares according to the Board's recommendation on that matter and in their discretion on any other matter that may properly come before the Annual Meeting.

If you are a shareholder of record as of the record date for the Annual Meeting and you fail to authorize a proxy or attend the meeting and vote in person, assuming that a quorum is present at the Annual Meeting, it will have no effect on the result of the vote on any of the matters to be considered at the Annual Meeting.

If you hold your shares through a broker, bank or other nominee, under the rules of the New York Stock Exchange (“NYSE”), your broker or other nominee may not vote with respect to certain proposals unless you have provided voting instructions with respect to that proposal. As noted above, this is referred to as a broker “non-vote.” A broker non-vote is not considered a vote cast on a proposal and broker non-votes will have no effect on the vote on any of the matters to be considered at the Annual Meeting. If you hold your shares in a brokerage account, then, under NYSE rules and Maryland law, your broker is entitled to vote your shares on Proposal No. 2 (Ratification of Independent Registered Public Accounting Firm) if no instructions are received from you, but your broker is not entitled to vote on Proposal No. 1 (Election of Directors), Proposal No. 3 (Say-on-Pay), and Proposal No. 4 (Say-on-Frequency), without specific instructions from you.

How do I vote?

If you plan to attend the Annual Meeting and wish to vote in person, we will give you a ballot at the Annual Meeting. However, if your common stock is held in the name of your broker, bank or other nominee, and you want to vote in person, you will need to obtain a legal proxy from the institution that holds your common stock.

If your common stock is held of record in your name, there are three ways for you to authorize a proxy:

By Telephone or on the Internet – You can authorize a proxy by calling the toll-free telephone number on your Proxy Card or Notice of Internet Availability. Please have your Proxy Card or Notice of Internet Availability in hand when you call. Easy-to-follow voice prompts allow you to authorize a proxy to vote your shares and confirm that your instructions have been properly recorded. The website for Internet voting is www.proxyvote.com. Please have your Proxy Card or Notice of Internet Availability handy when you go online. As with telephone voting, you can confirm that your instructions have been properly recorded. Telephone and Internet voting facilities for shareholders of record will be available 24 hours a day, and will close at 11:59 p.m., Eastern Time, on June 14, 2017. The availability of telephone and Internet voting for beneficial owners will depend on the voting processes of your broker, bank or other holder of record. Therefore, the Company recommends that you follow the voting instructions in the materials you receive. If you vote by telephone or on the Internet, you do not have to return your Proxy Card.

By Mail – If you received your Annual Meeting materials by mail, you may complete, sign and date the Proxy Card and return it in the prepaid envelope. If you are a shareholder of record and you return your signed Proxy Card but do not indicate your voting preferences, the persons named in the Proxy Card will vote the shares represented by that proxy as recommended by the Board of Directors on each matter listed in this Proxy Statement and in their discretion on any other matter properly brought before the Annual Meeting.

In Person at the Annual Meeting – All shareholders of record may vote in person at the Annual Meeting. You may also be represented by another person at the Annual Meeting by executing a proper proxy designating that person. Even if you plan to attend the Annual Meeting, we request that you authorize a proxy in advance as described above so that your vote will be counted if you later decide not to attend the Annual Meeting.

If you mail us your properly completed and signed Proxy Card, or authorize a proxy to vote your shares by telephone or Internet, your votes will be cast according to the choices that you specify. Unless you indicate otherwise on your Proxy Card, the persons named as your proxies will cast your votes: FOR all of the nominees for election as directors named in this Proxy Statement; FOR the ratification of the appointment of PKF O'Connor Davies, LLP as our independent registered public accounting firm; FOR the advisory resolution to approve the compensation of our named executive officers; FOR the three year frequency of future Say-on-Pay proposals; and in their discretion on any additional matters properly brought before the Annual Meeting.

If your common stock is held in the name of your broker, bank or other nominee, you should receive separate instructions from the holder of your common stock describing how to provide voting instructions.

Can I revoke my proxy? Yes, if your common stock is held in your name, you can revoke your proxy by:

Filing written notice of revocation before our Annual Meeting with our Secretary at the address shown on the front of this Proxy Statement;

Signing a proxy bearing a later date; or

Voting in person at the Annual Meeting.

Attendance at the Annual Meeting will not, by itself, revoke a properly-executed proxy. If your common stock is held in the name of your broker, bank or other nominee, please follow the voting instructions provided by the holder of your common stock regarding how to revoke your instructions.

What if I return my proxy but abstain?

Abstentions are counted as present for determining a quorum. However, abstentions will have no effect on any of the items to be considered at the Annual Meeting.

Why did I receive more than one Notice, proxy card, voting instruction form and/or email?

You will receive more than one Notice of Availability, proxy card, voting instruction form or email, or any combination of these, if you hold your common stock in different ways (i.e., joint tenancy, trusts and custodial

accounts) or in multiple accounts. You should provide voting instructions for all Notices of Availability proxy cards, voting instruction forms and email links you receive.

What is “householding” and how does it affect me?

If you and other residents at your mailing address who have the same last name own our common stock in street name, your broker or bank may have sent you a notice that your household will receive only one Annual Report to Stockholders (the “Annual Report”) and Proxy Statement. This practice of sending only one copy of proxy materials is known as “householding.” If you did not respond that you did not want to participate in householding, you were deemed to have consented to the process. If the foregoing procedures apply to you, your broker has sent one copy of each of our Notice of Availability or Annual Report, Notice of Meeting and Proxy Statement to your address. However, even if your broker has sent only one copy of these proxy materials, each stockholder in your household should receive a proxy card or should be able to vote individually via telephone or internet. You may revoke your consent to householding at any time by contacting your broker or bank, if you hold your shares in a “street name,” or by calling American Stock Transfer & Trust Company, LLC (“AST”) at (800) 937-5449 if you are a “registered” stockholder. The revocation of your consent to householding will be effective 30 days following its receipt. In any event, if you did not receive an individual copy of our annual report or Proxy Statement, we will promptly send a separate copy of the Annual Report, the Proxy Statement or the Notice of Availability to you upon oral or written request. Such request can be made by contacting us at 3499 Route 9 North, Suite 3-C, Freehold, NJ 07728, attention: Secretary (telephone number: (732) 577-9997). Any stockholders sharing the same address and currently receiving multiple copies of the Annual Report and the Proxy Statement who wish to receive only one copy of these materials per household in the future may also contact your broker or bank or us to participate in the householding program.

What if I have questions about the Notice of Availability, voting or email delivery?

Questions regarding the Notice of Availability, voting or email delivery should be directed to our Secretary at UMH Properties, Inc., 3499 Route 9 North, Suite 3-C, Freehold, NJ 07728.

CORPORATE GOVERNANCE AND BOARD MATTERS

We are committed to maintaining sound corporate governance principles. The Board of Directors has periodically updated and approved formal Corporate Governance Guidelines that address the qualifications and responsibilities of directors, director independence, committee structure and responsibilities, and interactions with management, among other matters. The Corporate Governance Guidelines are available on the Company's website at www.umh.reit. Together with the charter and bylaws of the Company and the charters of the Board's committees, the Corporate Governance Guidelines provide the framework for the governance of the Company.

Board Leadership Structure and Role in Risk Oversight

Eugene W. Landy is the Chairman of the Board of Directors. Samuel A. Landy, the Company's President and Chief Executive Officer, is also a member of the Board of Directors. The Company believes that this structure helps ensure critical and independent thinking with respect to the Company's strategy and performance, while ensuring that management's insight is directly available to the directors in their deliberations. The Board of Directors has selected an independent Director, Matthew I. Hirsch, to serve as Presiding Director, in which capacity Mr. Hirsch presides at executive sessions of the non-management directors. The Board reviews the structure of the Board and Company leadership regularly as part of the succession planning process. At present, our Board believes that this structure is appropriate and that it facilitates independent oversight of management.

The Board of Directors oversees the Company's enterprise-wide approach to the major risks facing the Company and oversees the Company's policies for assessing and managing its exposure to risk. The Board periodically reviews these risks and the Company's risk management processes. The Board also considers risk in evaluating the Company's strategy. The Board's responsibilities include reviewing the Company's practices with respect to risk assessment and risk management, and reviewing contingent liabilities and risks that may be material to the Company. The Audit Committee reviews the Company's financial and compliance risks and major legislative and regulatory developments which could materially impact the Company. The Compensation Committee oversees management's assessment of whether the Company's compensation structure, policies and programs create risks that are reasonably likely to have a material adverse effect on the Company.

Board Independence

The Company's Corporate Governance Guidelines include specific Director Independence Standards that comply with applicable rules of the SEC and the listing standards of the NYSE. The Board requires that at least a majority of its directors satisfy this definition of independence. The Board of Directors has considered business and other relationships, arrangements and other transactions between the Company and each of its Directors, including

information provided to the Company by the directors. Based upon its review, the Board of Directors has determined that all of its Directors, other than Ms. Anna T. Chew and Messrs. Eugene W. Landy, Michael P. Landy and Samuel A. Landy, are independent, consistent with the Corporate Governance Guidelines. The Corporate Governance Guidelines, which incorporate the NYSE Director Independence Standards, are available at the Company's website located at www.umh.reit and are available in print upon request.

Committees of the Board of Directors and Meeting Attendance

The Board of Directors had four meetings during the last year. No director attended fewer than 75% of the meetings of the Board of Directors and of meetings of the Committees on which he served. The Company does not have a policy concerning directors' attendance at the Annual Meeting of Shareholders. Five directors attended the Company's 2016 Annual Meeting of Shareholders.

The Company has a standing Audit Committee, Compensation Committee and Nominating Committee of the Board of Directors. Each of these committees is composed exclusively of independent directors.

Audit Committee

The Audit Committee's responsibilities include reviewing and overseeing financial reporting, policies and procedures and internal controls, retaining the independent registered public accounting firm, approving the audit fees, and monitoring the qualifications, independence and performance of the Company's independent registered public accounting firm. It also oversees the internal audit function, legal and regulatory compliance, establishing procedures for complaints received regarding the Company's accounting, internal accounting controls and auditing matters. In addition, the Audit Committee prepares the Audit Committee Report which is included in the Company's annual proxy statements. The Audit Committee had five meetings during the year ended December 31, 2016, including an executive session with the independent registered public accounting firm, in which management did not attend. The Audit Committee operates under the Audit Committee Charter which can be found at the Company's website at www.umh.reit.

The current members of the Company's Audit Committee are Jeffrey A. Carus, Stuart D. Levy, James E. Mitchell and Stephen B. Wolgin (who serves as the Chairman of the Audit Committee). The Board has determined that each member of the Audit Committee is "independent" as defined by the rules of the SEC and the listing standards of the NYSE, is able to read and understand fundamental financial statements, is "financially literate" within the meaning of the rules of the NYSE and is an "audit committee financial expert" within the meaning of the rules of the SEC.

Compensation Committee

The Compensation Committee's responsibilities include (1) evaluating the Chief Executive Officer's and other named executive officers' performance in light of the Company's goals and objectives and determining the Chief Executive Officer's and other named executive officers' compensation, which includes base salary and bonus; and (2) administering the Company's 2013 Stock Option and Stock Award Plan (2013 Plan) and predecessor plans. The Compensation Committee had at least one meeting during the year ended December 31, 2016. The current members of the Compensation Committee are Jeffrey A. Carus (who serves as Chairman of the Compensation Committee), Stuart D. Levy, James E. Mitchell, and Stephen B. Wolgin. The Board has determined that each member of the Compensation Committee is independent as defined by the rules of the SEC and the listing standards of the NYSE. The Compensation Committee operates under the Compensation Committee Charter which can be found at the Company's website at www.umh.reit.

Nominating Committee

The Nominating Committee identifies, considers and recommends candidates to serve as members of the Board of Directors and makes recommendations regarding the structure and composition of the Board of Directors and Committees. The Nominating Committee had at least one meeting during the year ended December 31, 2016. The current members of the Nominating Committee are Matthew I. Hirsch, Stuart D. Levy, James E. Mitchell, and Stephen B. Wolgin (who serves as the Chairman of the Nominating Committee). The Board has determined that each member of the Nominating Committee is “independent” as defined by the rules of the SEC and the listing standards of the NYSE. The Nominating Committee operates under the Nominating Committee Charter which can be found at the Company’s website at www.umh.reit.

The principal function of the Nominating Committee is to review and select candidates for nomination to the Board of Directors. The Nominating Committee will consider for recommendation as nominees appropriate individuals whose names are submitted in writing by a shareholder, and will evaluate them using the same criteria as that used for other candidates. See “Shareholder Communications” on page 22 for more information.

The Nominating Committee has established a process for identifying and evaluating prospective nominees for director. The Nominating Committee will annually assess the qualifications, expertise, performance and willingness to serve of existing directors. If at this time or at any other time during the year the Board of Directors determines a need to add a new director with specific qualifications or to fill a vacancy on the Board, the Chair of the Nominating Committee will then initiate the search, seeking input from other directors and senior management, considering nominees previously submitted by shareholders, and, if the Nominating Committee deems necessary or appropriate, hiring a search firm. The Nominating Committee considers diversity of background and personal experience in identifying director candidates. An initial slate of candidates satisfying the specific qualifications, if any, and otherwise qualifying for membership on the Board, will then be identified and presented to the Nominating Committee by the Committee Chairman. The Nominating Committee will then prioritize the candidates and determine if the Nominating Committee members, other directors or senior management have relationships with the preferred candidates and can initiate contact with the candidate. To the extent feasible, all of the members of the Nominating Committee, the President and Chief Executive Officer and the Chairman of the Board will interview the prospective candidate(s). Evaluations and recommendations of the interviewers are submitted to the Nominating Committee for final evaluation. The Nominating Committee will then meet to consider such recommendations and to select the final candidate(s) to recommend to the Board of Directors as nominees. The Nominating Committee will evaluate all potential nominees for director, including nominees recommended by a shareholder, on the same basis.

To date, there are no third parties being compensated for identifying and evaluating candidates.

Independent Director Meetings

The Company's independent directors, as defined under the listing standards of the NYSE, have established a policy to meet separately from the other directors in a regularly scheduled executive session at least annually and at such additional times as may be deemed appropriate by the Company's independent directors. The independent directors had at least one meeting during the year ended December 31, 2016. The Board of Directors has selected an independent Director, Matthew I. Hirsch, to serve as Presiding Director, in which capacity Mr. Hirsch presides at executive session(s) of the independent directors.

Shareholder Communications

UMH Properties, Inc. believes that effective corporate governance should include regular constructive discussions with our shareholders. We have a proactive engagement process that encourages feedback from our shareholders. This feedback helps shape our governance practices. Shareholders and other interested parties who desire to contact the Company's Board of Directors may do so by writing to: Board of Directors, c/o Secretary, UMH Properties, Inc., 3499 Route 9 North, Suite 3-C, Freehold, NJ 07728. Communications received will be distributed to the Chairperson of the appropriate committee of the Board depending on the facts and circumstances outlined in the communication. Shareholders and other interested parties also may direct communications solely to the Independent Directors of the Company by addressing such communications to the Independent Directors, c/o Secretary, at the address set forth above. In addition, the Board of Directors maintains special procedures for the receipt, retention and treatment of complaints that may be received by the Company regarding accounting, internal accounting controls or auditing matters and for the submission by employees of the Company, on a confidential and anonymous basis, of concerns regarding questionable accounting or auditing matters. Such communications may be made by writing to the Audit Committee of the Board of Directors, c/o Secretary, at the address set forth above. Any such communication marked "Confidential" will be forwarded by the Secretary, unopened, to the Chairman of the Audit Committee.

Code of Conduct

The Company has adopted a Code of Business Conduct and Ethics, which applies to all directors, officers, and employees of the Company, including its principal executive officer and principal financial officer. This code is posted on our website at www.umh.reit. During 2016 and through the date of this proxy, no violations of the Code of Business Conduct and Ethics were reported nor were any waivers granted.

Anti-Hedging Policy

The Company considers it inappropriate for any director, officer or employee to enter into speculative transactions in Company securities. Such transactions, while allowing the holder to own Company securities without the full risks and rewards of ownership, potentially separate the holder's interests from those of other Company shareholders. Therefore, the Company prohibits the purchase or sale of puts, calls, options or other derivative securities based on the Company's securities by directors, officers or employees. Our policy also prohibits hedging or monetization transactions, such as forward sale contracts, in which the holder continues to own the underlying Company security without all the risks or rewards of ownership. The Anti-Hedging Policy is posted on our website at *www.umh.reit*.

As of the date of this Proxy Statement, to the best of the Company's knowledge, no director, officer or employee has entered into speculative transactions in Company securities.

CEO Stock Ownership Requirement Policy

The Chief Executive Officer is required by Company policy to own shares of the Company's common stock having a value equal to at least six times his or her base salary. The Chief Executive Officer serving as of September 16, 2015, will have until September 16, 2020, to meet the minimum ownership requirements. Any subsequent Chief Executive Officer elected after the adoption of these requirements will have five years from the time he or she is elected to meet the minimum ownership requirements. The Chief Executive Officer's stock ownership levels will be evaluated by or at the direction of the Company's Chief Financial Officer in connection with the preparation of the Company's Annual Report on Form 10-K or the Company's proxy statement each year. The value of stock holdings will be calculated based on the closing price of a share of common stock of the Company on the last trading day of the year ending prior to the annual review. If the Chief Executive Officer meets the ownership requirements at the time of the annual review, he or she will be in compliance with these requirements until the next annual review. Changes in the Company's stock price or changes to base salary will not affect compliance status for the remainder of that year. The Nominating Committee has authority to administer and interpret these requirements.

As of December 31, 2016, the Company's Chief Executive Officer, Mr. Samuel A. Landy, owned shares of the Company's common stock in excess of 3 times this ownership requirement.

PROPOSAL 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

At the Annual Meeting, the Company's common shareholders will be asked to consider and vote on a proposal to ratify the appointment of PKF O'Connor Davies, LLP ("PKF") as the Company's independent registered public accounting firm for the year ending December 31, 2017. The Company's charter and bylaws do not require that its shareholders ratify the appointment of PKF as the Company's independent registered public accounting firm. The Company is asking its common shareholders to ratify this appointment as a matter of good corporate practice. Even if the appointment of PKF is ratified by the Company's common shareholders, the Audit Committee may change the appointment at any time during the year if it determines that a change would be in the best interests of the Company. The Company expects a representative of PKF to be present at the Annual Meeting to make a statement if he or she desires to do so and to respond to appropriate questions.

Vote Required:

Approval of the ratification of the appointment of PKF O'Connor Davies, LLP as our independent registered public accounting firm for the year ending December 31, 2017 requires the affirmative vote of a majority of the votes cast on the proposal.

PROPOSAL 3

ADVISORY VOTE ON EXECUTIVE COMPENSATION

In accordance with the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (as set forth in Section 14A of the Securities Exchange Act of 1934, as amended), we are providing our shareholders with the opportunity to cast a non-binding, advisory vote on the compensation that was paid to our named executive officers in 2016 as described in the “Compensation Discussion and Analysis” set forth in this proxy statement, including the compensation tables and the narrative disclosures that accompany those tables.

At the annual meeting of shareholders held on June 12, 2014, the Company’s shareholders approved by their advisory vote the compensation of the named executive officers. The shareholders also expressed a preference that advisory votes on executive compensation occur every three years. Accordingly, a shareholder advisory vote on executive compensation will be held at the Annual Meeting. We expect that the next advisory vote on executive compensation will occur at the 2020 annual meeting of shareholders (although the Board may reconsider the frequency of such advisory votes based on the preference expressed by shareholders at the Annual Meeting). The results of this advisory vote are not binding on the Compensation Committee, the Company or our Board of Directors. Nevertheless, the Board of Directors values input from our shareholders and will consider carefully the results of this vote when making future decisions concerning executive compensation.

Our executive compensation program is designed to attract and retain talented individuals who possess the skills and expertise necessary to lead the Company. The Company’s current equity compensation plan has been the primary vehicle for providing long-term incentive compensation to our named executive officers. The Compensation Committee regularly reviews all elements of the compensation paid to our named executive officers. The Committee believes that the Company’s present compensation programs, as presented in the Compensation Discussion and Analysis section and the accompanying tables and related narrative disclosure in this Proxy Statement, promote in the best manner possible our business objectives while aligning the interests of the named executive officers with our shareholders to ensure continued positive financial results. Our results support this conclusion. By adhering to a business plan that has emphasized manufactured home communities, coupled with a strong balance sheet, the Company has continued to grow and deliver positive results to its shareholders. The Company is proud of its long-term record of dividends and profitability. The compensation programs for our named executives are a key ingredient in motivating these executives to continue to deliver such results. Accordingly, we ask our shareholders to vote “FOR” the following resolution at the Annual Meeting:

“RESOLVED, that the shareholders approve, on an advisory basis, the compensation of our named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, the compensation tables and narrative discussion in the Proxy Statement.”

Vote Required:

The affirmative vote of a majority of the votes cast at the Annual Meeting, in person or by proxy, assuming a quorum is present, is required to approve the advisory resolution approving the compensation of our named executive officers.

Board Recommendation:

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR”
THE APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION OF OUR
NAMED EXECUTIVE OFFICERS AS DESCRIBED IN THIS PROXY STATEMENT**

PROPOSAL 4

ADVISORY VOTE ON THE FREQUENCY OF FUTURE ADVISORY VOTES ON EXECUTIVE COMPENSATION

In accordance with the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (as set forth in Section 14A of the Securities Exchange Act of 1934, as amended), we are also providing our shareholders with the opportunity to vote, on a non-binding, advisory basis, on the frequency of future advisory votes on the compensation of our named executive officers, such as Proposal 3 included in this Proxy Statement. By voting on this Proposal 4, shareholders may recommend whether future advisory votes on executive compensation should be conducted every “one year,” “two years” or “three years.”

After consideration of this Proposal, the Compensation Committee and the Board of Directors have determined that an advisory vote on the compensation of our named executive officers every three years is the best alternative for the Company. The Board of Directors historically has emphasized long-term strategic planning for the Company and the Compensation Committee has fashioned executive compensation programs that place a greater emphasis on the attainment of long-term growth objectives than on short-term success. An advisory vote every three years is consistent with this long-term growth strategy and also will provide the Company with adequate time to engage shareholders to better understand vote results when considering changes to the Company’s executive compensation programs.

Vote Required:

The selection of “one year”, “two years” or “three years” that receives the greatest number of votes cast on this proposal at the Annual Meeting will indicate the shareholders’ preference for the frequency of future votes on the compensation of our Named Executive Officers and the Board of Directors encourages this input from the shareholders. However, since this vote is not binding on the Board of Directors, the Compensation Committee or the Company, the Board of Directors may decide that it is in the best interest of the Company and the shareholders to hold future advisory votes on the compensation of our Named Executive Officers more or less frequently than as indicated by the shareholder vote on this Proposal 4.

Board Recommendation:

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR “*THREE YEARS*” AS THE FREQUENCY FOR FUTURE NON-BINDING ADVISORY

VOTES ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.

Compensation Discussion and Analysis

Overview of Compensation Program

The Compensation Committee (for purposes of this analysis, the “Committee”) of the Board has been appointed to implement the Board’s responsibilities relating to the compensation of the Company’s named executive officers. The Committee has the overall responsibility for approving and evaluating the executive officer compensation plans, policies and programs of the Company. The Committee’s primary objectives include serving as an independent and objective party to review such compensation plans, policies and programs. The Committee has not retained or obtained the advice of a compensation committee consultant for determining or recommending the amount of executive or director compensation.

Throughout this report, the individuals who served during 2016 as the Company’s Chairman of the Board, President and Chief Executive Officer, Vice President and Chief Financial Officer and other Officers included in the Summary Compensation Table presented below in this Proxy Statement are sometimes referred to in this Proxy Statement as the “named executive officers.”

Compensation Philosophy and Objectives

The Committee believes that a well-designed compensation program should align the goals of the President and Chief Executive Officer and other named executive officers with the goals of the shareholders, and that a significant part of each executive’s compensation, over the long term, should be dependent upon the value created for shareholders. In addition, all executives should be held accountable through their compensation for the performance of the Company, and compensation levels should also reflect the executive’s individual performance in an effort to encourage increased individual contributions to the Company’s performance. The compensation philosophy, as reflected in the Company’s employment agreements with its executives, is designed to motivate executives to focus on operating results and create long-term shareholder value by:

establishing a plan that attracts, retains and motivates executives through compensation that is competitive with a peer group of other publicly-traded real estate investment trusts, or REITs;

rewarding executives for individual accomplishments and achievements;

linking a portion of executives’ compensation to the achievement of the Company’s business plan by using measurements of the Company’s operating results and shareholder return; and

building a pay-for-performance system that encourages and rewards successful initiatives within a team environment.

The salaries and bonuses in the Company's recently executed executive employment agreements are consistent with the Committee's philosophy and objectives. The Committee believes that each of the above factors is important when determining compensation levels for named executive officers. The Committee reviews and approves the employment contracts for the Chairman of the Board, the President and Chief Executive Officer, and the Vice President and Chief Financial Officer, including performance goals and objectives. The Committee annually evaluates performance of these executive officers and other named executive officers in light of those goals and objectives. The Committee considers the Company's performance, relative stockholder return, the total compensation provided to comparable officers at similarly-situated companies, and compensation given to named executive officers in prior years. The Company uses the annual Compensation Survey published by NAREIT (the "Survey") as a guide to setting compensation levels. Participant company data is not presented in a manner that specifically identifies any named individual or company. The Survey details compensation by position type and company size with statistical salary and bonus information for each position. The sub-sets presented in the Survey used by the Committee for comparison are the residential property sector, entities with less than \$1.5 billion in equity market capitalization and entities with more than 75 but less than 299 full-time employees. The Company's salaries, bonus amounts and long-term compensation awards are compared to the ranges presented for reasonableness. The Committee believes executive compensation packages provided by the Company to its executive officers should include base salaries, annual bonuses and long-term compensation awards that reward corporate and individual performance, as well as give incentives to executives to meet or exceed established goals. As a result, an important portion of the Company's compensation program is comprised of discretionary bonuses and equity awards as determined by the Committee in recognition of individual accomplishments and achievements.

Role of Executive Officers in Compensation Decisions

The Committee makes all final compensation decisions for the Company's named executive officers. The Chairman of the Board and the President and Chief Executive Officer annually review the performance of the other named executive officers and then present their conclusions and recommendations to the Committee with respect to base salary adjustments and annual cash bonus and stock option or restricted stock awards. The Committee exercises its own discretion in modifying any recommended adjustments or awards, but does consider the recommendations from management who work closely with the other named executive officers.

Role of Grants of Stock Options and Restricted Stock in Compensation Analysis

The Committee views the grant of stock options and restricted stock awards as a form of long-term compensation. The Committee believes that such grants promote the Company's goal of retaining key employees, and align the key employee's interests with those of the Company's shareholders from a long-term perspective. The number of options or shares of restricted stock granted to each employee is determined by consideration of various factors including, but not limited to, the employee's contribution, title, responsibilities and years of service.

Role of Employment Agreements in Determining Executive Compensation

Several of the Company's currently employed named executive officers are parties to employment agreements. These agreements provide for base salaries, bonuses and customary fringe benefits. Other key elements of the Company's compensation program for the named executive officers are stock options, restricted stock awards and other benefits. Each of these is addressed separately below. In determining initial compensation, the Committee considers all elements of a named executive officer's total compensation package in comparison to current market practices and other benefits.

Shareholder Advisory Vote

One way to determine if the Company's compensation program reflects the interests of shareholders is through their nonbinding vote. At the Annual Meeting of Shareholders held on June 12, 2014, the Company's shareholders approved by their advisory vote the compensation of the named executive officers. At the upcoming Annual Meeting, shareholders will vote on an advisory resolution with respect to the compensation of the named executive officers.

Base Salaries

Base salaries are paid for ongoing performance throughout the year. In order to compete for and retain talented executives who are critical to the Company's long-term success, the Committee has determined that the base salaries of named executive officers should approximate those of executives of other equity REITs that compete with the Company for employees, investors and business, while also taking into account the named executive officers' performance and tenure and the Company's performance relative to its peer companies within the REIT industry using the Survey described above.

Bonuses

In addition to the provisions for base salaries under the terms of their employment agreements, the President and Chief Executive Officer and the Vice President and Chief Financial Officer are entitled to receive annual cash bonuses for each year during the terms of each respective agreement. These bonuses are based on the achievement of certain performance goals set by the Committee as described below.

Bonus	\$72,200	\$72,200	\$72,200
Total Bonus Potential	\$324,900	\$447,100	\$581,400

Bonuses awarded to the other named executive officers are recommended by the Chairman of the Board and the President and Chief Executive Officer and are approved by the Committee. The Company believes that short-term rewards in the form of cash bonuses to senior executives generally should reflect short-term results and should take into consideration both the profitability and performance of the Company and the performance of the individual, which may include comparing such individual's performance to the preceding year, reviewing the breadth and nature of the senior executives' responsibilities and valuing special contributions by each such individual. In evaluating performance of the Company annually, the Compensation Committee considers a variety of factors, including, among others, FFO, Core FFO, Normalized FFO, net income, growth in asset size, occupancy and total return to shareholders. The Company considers FFO to be an important measure of an equity REIT's operating performance and has adopted the definition suggested by NAREIT, which defines FFO to mean net income computed in accordance with U.S. GAAP, excluding gains or losses from sales of property, plus real estate related depreciation and amortization. The company defines Core FFO as FFO plus acquisition costs and costs of early extinguishment of debt. The Company defines Normalized FFO as Core FFO excluding gains and losses realized on securities investments and certain non-recurring charges. The Company considers FFO, Core FFO and Normalized FFO to be meaningful, additional measures of operating performance primarily because it excludes the assumption that the value of its real estate assets diminishes predictably over time and because industry analysts have accepted these as performance measures.

Other factors considered include the employee's title and years of service. The employee's title generally reflects the employee's responsibilities and the employee's years of service may be considered in determining the level of bonus in comparison to base salary. The Committee has declined to use specific performance formulas with respect to the other named executive officers, believing that with respect to Company performance, such formulas do not adequately account for many factors, including, among others, the relative performance of the Company compared to its

competitors during variations in the economic cycle, and that with respect to individual performance, such formulas are not a substitute for the subjective evaluation by the Committee of a wide range of management and leadership skills of each of the senior executives.

Stock Options and Restricted Stock Awards

The employment agreements for the President and Chief Executive Officer and the Vice President and Chief Financial Officer provides for the grant of restricted stock awards, based on the following:

President and Chief Executive Officer

Achievement of any of the performance goals previously stated	12,500
Discretion of the Compensation Committee	12,500

Vice President and Chief Financial Officer

Achievement of any of the performance goals previously stated	10,000
Discretion of the Compensation Committee	10,000

Stock options and restricted stock awards to the other named executive officers are recommended by the Chairman of the Board and the President and Chief Executive Officer. In making its decisions, the Committee does not use an established formula or focus on a specific performance target. The Committee recognizes that often outside forces beyond the control of management, such as economic conditions, changing real estate markets and other factors, may contribute to less favorable near term results even when sound strategic decisions have been made by the senior executives to position the Company for longer term profitability. Thus, the Compensation Committee also attempts to identify whether the senior executives are exercising the kind of judgment and making the types of decisions that will lead to future growth and enhanced asset value, even if the same are difficult to measure on a current basis. For example, in determining appropriate stock option and restricted stock awards, the Compensation Committee considers, among other matters, whether the senior executives have executed strategies that will provide adequate funding or appropriate borrowing capacity for future growth, whether acquisition strategies have been developed to ensure a future stream of reliable and increasing revenues for the Company, whether the selection of properties evidence appropriate risk management, including risks associated with real estate markets, and whether the administration of staff size and compensation appropriately balances the current and projected operating requirements of the Company with the need to effectively control overhead costs.

In 2016, the Compensation Committee received the recommendations from the Chairman of the Board and the President and Chief Executive Officer for the number of options or restricted stock to be awarded. The factors that were considered in awarding the stock options and restricted stock included the following progress that was made by the Company due to the efforts of management:

Generated an increase in Normalized FFO share growth of 20.0%, representing our fourth consecutive year of double-digit growth;

Increased Community Net Operating Income (“NOI”) by 27.4%;

Increased same property Community NOI by 18.9%;

Increased same property occupancy from 82.9% to 84.8%;

Improved our Operating Expense Ratio from 49.6% to 47.0%;

Generated approximately \$2.3 million in net-realized gains in addition to the \$16.7 million in unrealized gains we held at yearend on our REIT securities investments;

Acquired 3 communities containing approximately 300 home sites for a total of \$7.3 million;

Increased our rental home portfolio by 900 homes, representing an increase of 25% to 4,700 total rental homes;

Raised approximately \$22 million in common equity capital through our Dividend Reinvestment and Stock Purchase Plan;

Issued 2 million shares of our 8.0% Series B Cumulative Redeemable Preferred Stock raising net proceeds of approximately \$49 million;

Financed/refinanced four communities for a total of \$32 million;

Reduced our overall weighted average mortgage interest rate from 4.6% to 4.4%;

Managed general and administrative costs to an appropriate level; and

Maintained cash distributions to shareholders.

After considering the recommendations of the Chairman of the Board and the President and Chief Executive Officer, the Committee allocated the individual awards to the named executive officers based on the named executive officers’ individual contributions to these accomplishments. Other factors considered in this allocation included the named executive officers’ responsibilities and years of service. In addition, the awards were compared to each named officers’ total compensation and compared with comparable REITs using the Survey described above as a guide for setting total compensation.

Other Personal Benefits

The Company’s employment agreements provide the named executive officers with other personal benefits that the Company and the Committee believe are reasonable and consistent with its overall compensation program to better

enable the Company to attract and retain superior employees for key positions. The Committee periodically reviews the levels of other personal benefits provided to the named executive officers.

The named executive officers are provided the following benefits under the terms of their employment agreements: an allotted number of paid vacation weeks; eligibility for the executives, spouses and dependents in all Company sponsored employee benefits plans, including 401(k) plan, group health, accident, and life insurance, on such terms no less favorable than applicable to any other executive; use of an automobile; and, supplemental disability insurance, at the Company's cost, as agreed to by the Company and the named executive officer. Attributed costs of the personal benefits described above for the named executive officers for the year ended December 31, 2016, are included in "All Other Compensation" of the Summary Compensation Table provided below in this Proxy Statement.

Payments upon Termination or Change in Control

In addition, the named executive officers' employment agreements each contain provisions relating to change in control events and severance upon termination for events other than for cause or good reason (as defined under the terms of the employment agreements). These change in control and severance terms are designed to promote stability and continuity of senior management. Information regarding these provisions is included in "Employment Agreements" provided below in this Proxy Statement. There are no other agreements or arrangements governing change in control payments.

Evaluation

Mr. Eugene Landy is employed under an amended employment agreement with the Company. His base compensation under his amended contract was increased in 2014 to \$250,000 per year. Mr. Eugene Landy also received bonuses totaling \$34,615 primarily based on performance, including growth of the Company. Additionally, Mr. Eugene Landy received \$49,500 in director's fees and fringe benefits. In recognition of Mr. Eugene Landy's extraordinary contributions to the Company over the last five decades and, in particular, over the last year, the Compensation Committee approved and granted a restricted stock award of 20,000 shares of restricted common stock. The stock, which will vest in equal annual installments over the next five years, has a grant date fair value of \$11.57 per share, for a total grant date fair value of \$231,400.

The Committee also reviewed the progress made by Mr. Samuel A. Landy, President and Chief Executive Officer and Ms. Anna T. Chew, Vice President and Chief Financial Officer. Mr. Samuel Landy is employed under an employment agreement with the Company. His base compensation under this contract was \$473,000 for 2016. In evaluating Mr. Samuel Landy's eligibility for an annual bonus, stock options and restricted stock awards, the Compensation Committee used the bonus schedule included in Mr. Samuel Landy's employment agreement as a guide.

Ms. Chew is employed under an employment agreement with the Company. Her base compensation under this contract is \$360,000 for 2016. In evaluating Ms. Chew's eligibility for an annual bonus, stock options and restricted stock awards, the Compensation Committee used the bonus schedule included in Ms. Chew's employment agreement as a guide.

The Committee has also approved the recommendations of the Chairman of the Board and the President and Chief Executive Officer concerning the other named executives' annual salaries, bonuses, option and restricted stock grants and fringe benefits.

In addition to its determination of the executive's individual performance levels for 2016, the Committee also compared the executive's total compensation for 2016 to that of similarly-situated personnel in the REIT industry using the Survey described above. The Company's salary and bonus amounts were compared to the ranges presented for reasonableness.

Risk Management

The Compensation Committee has assessed our compensation program for the purpose of viewing and considering any risks presented by our compensation policies and practices that are likely to have a material adverse effect on us. As part of that assessment, management reviewed the primary elements of our compensation program, including base salary, annual bonus opportunities, equity compensation and severance arrangements. Management's risk assessment included a review of the overall design of each primary element of our compensation program, and an analysis of the various design features, controls and approval rights in place with respect to compensation paid to management and other employees that mitigate potential risks to us that could arise from our compensation program. Following the assessment, management determined that our compensation policies and practices did not create risks that were reasonably likely to have a material adverse effect on us and reported the results of the assessment to the Compensation Committee.

Compensation Committee Report

The Compensation Committee of the Board has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the Compensation Committee recommended to the Board that the Compensation Discussion and Analysis be included in this Proxy Statement.

Equity Compensation Plan Information

On June 13, 2013, the shareholders approved and ratified the Company's 2013 Stock Option and Stock Award Plan (the "2013 Plan") authorizing the grant of stock options or restricted stock awards to Directors, officers and key employees. The maximum number of shares that may be issued under the 2013 Plan is 3,000,000 shares of common stock. If and to the extent that an award made under the 2013 Plan is forfeited, terminated, expires or is canceled unexercised, the number of shares associated with the forfeited, terminated, expired or canceled portion of the award shall again become available for additional awards under the 2013 Plan. The 2013 Plan replaced the Company's 2003 Stock Option and Award Plan, as amended, which, pursuant to its terms, terminated in 2013. The outstanding options under the 2003 Stock Option and Award Plan, as amended, remain outstanding until exercised, forfeited or expired. Not more than 200,000 shares of the Company's common stock may be granted as options in any one year to a participant under the 2013 Plan. In general, each option may be exercised only after one year of continued service with the Company. The maximum number of shares underlying restricted stock awards that may be granted in any one year to a participant is 100,000 shares.
