All shareholders who do not receive a Notice of Availability will receive a paper copy of the proxy materials by mail.

Whether or not you plan to attend the meeting, please take the time to vote:

- Ø Via the internet – Go to the website shown on your proxy card or the Notice of Availability;

PROXY STATEMENT

FOR 2018 ANNUAL MEETING OF SHAREHOLDERS ON MONDAY, SEPTEMBER 11, 2018

This proxy statement (“Proxy Statement”) is provided in connection with a solicitation of proxies by the Board of Directors (the “Board”) of U.S. Energy Corp. (“U.S. Energy”, the “Company”, “we”, “our”, or “us”) for the annual meeting of shareholders to be held on Monday, September 11, 2018, at 8:30 am MDT at the corporate offices of U.S. Energy, 950 S. Cherry Street, Suite 1515, Denver, Colorado 80246 (the “Annual Meeting”), and at any adjournments of the meeting. On or about August 1, 2018, we began mailing the Notice of Internet Availability, and thereafter began mailing a full set of proxy materials to shareholders who request delivery of the materials in paper form.

GENERAL

Who Can Vote

Only holders of our common stock at the close of business on the record date of July 13, 2018 are entitled to receive notice of and to vote at the Annual Meeting. As of July 13, 2018, there were 13,109,035 shares of our common stock issued and outstanding.

You may hold your shares “of record” or in “street name.” The difference between shareholders of record and street name holders is:

Shareholder of Record. If your shares are registered directly in your own name with our transfer agent, Computer share Trust Company, Inc., you are considered to be the holder of record of those shares and you may vote directly via internet, by telephone, by mail or in person.

Street Name Shareholder. If your shares are held in a stock brokerage account or by a broker or other nominee, you are considered the “street name” holder, and the beneficial owner, of those shares and you have the right to direct your broker or nominee how to vote. However, since you are not the shareholder of record, you may not vote those shares in person at the Annual Meeting unless you obtain a “legal proxy,” which you must bring to the meeting in order to vote in person at the meeting.

Quorum and Voting Rights

A quorum for the meeting will exist if a majority of the voting power of the shareholders is present at the meeting, in person or represented by properly executed proxies delivered to us prior to the meeting. Shares of common stock present at the meeting that abstain/withhold from voting, or that are the subject of “broker non-votes,” will be counted as present for determining a quorum.

New York Stock Exchange (“NYSE”) Rule 452 governs discretionary voting by brokers of shares held in street name when beneficial owners have not instructed how such shares should be voted. Because the rule governs all brokers who are members of the NYSE, it affects all public companies that have shares held in street name, not just companies listed on the NYSE. Under the rule, such brokers have discretionary authority to vote street name shares on “routine” items such as the ratification of the Company’s appointment of auditors, but not on other matters, including the election of directors. Of the matters to be presented at the Annual Meeting, Proposal 2 (ratification of auditors) will be considered a routine matter for purposes of the rule. Accordingly, if your broker does not receive instructions from you, your broker will not be able to vote your shares on any of the other matters, and a “broker non-vote” will occur with respect to those matters.

You are entitled to one vote for each share of U.S. Energy common stock you hold, except that in the election of directors you may cumulate your votes. Cumulative voting generally allows each holder of shares of common stock to multiply the number of shares owned by the number of directors nominated for election, and to distribute the resulting number of votes among nominees in any proportion that the holder chooses.

Votes Needed

On Proposal 1, Election of Directors, nominees in a number equal to the seats to be filled on the Board who receive a plurality of votes cast will be elected as directors. If you withhold your shares from voting, your shares will not be counted for any director. Withheld votes and broker non-votes will have no effect on the election of directors.

Each of the other proposals, and any other matter which properly comes before the meeting in accordance with the Bylaws of the Company, will be approved or ratified, as the case may be, if the number of votes cast in favor of the proposal exceeds the number of votes cast against the proposal. Abstentions and broker non-votes are not considered votes cast and they will have no effect on such proposals.

How Your Proxy Will Be Voted; Recommendation of the Board

The Board is soliciting a proxy to provide you with the opportunity to vote on all matters scheduled to come before the meeting (as stated in the Notice of Annual Meeting which accompanies this Proxy Statement), whether or not you attend in person.

The Board recommends you vote as follows on the five proposals stated in the Proxy Statement:

For Proposal 1 – election of the nominee for director, John G. Hoffman, to serve until the third succeeding annual meeting of shareholders (to be held in 2021) and until his successor has been duly elected or appointed and qualified;

For Proposal 2 – the ratification of appointment of EKS&H LLLP as the independent auditor of the Company for fiscal year 2018;

For Proposal 3 – to approve, on an advisory basis, the 2017 compensation of the Company’s Named Executive Officers;

For Proposal 4 – to approve amendments to the U.S. Energy Corp. Amended and Restated 2012 Equity Incentive Plan; and

For Proposal 5 – to approve such other business as may arise that can properly be conducted at the Annual Meeting, or any adjournment or postponement thereof in accordance with the Bylaws of the Company.

Granting Your Proxy

Your shares will be voted as you specify if you properly complete and return the appropriate form of proxy. If you make no specifications, your proxy will be voted in favor of each proposal listed above.

We do not expect any matters to be presented for action at the meeting other than the matters stated in the Notice of Annual Meeting accompanying this Proxy Statement. However, as permitted by SEC Rule 14a-4(c), the proxy will confer discretionary authority with respect to any other matter that may properly come before the meeting. The persons named as proxies intend to vote in accordance with their judgment on any such matters.

Revoking Your Proxy

If you are a shareholder of record and submit a proxy, you may revoke it later or submit a revised proxy at any time before it is voted. You also may attend the meeting in person and vote by ballot, which would cancel any proxy you previously submitted. If you are a street name shareholder and you vote by proxy, you may change your vote prior to the meeting by submitting new voting instructions to your broker or other nominee in accordance with that entity's procedures.

Proxy Solicitation

We will pay all expenses of our solicitation of proxies for the Annual Meeting. In addition to solicitations by mail, arrangements have been made for brokers and other nominees to send proxy materials to beneficial owners, and we will reimburse those brokers and other nominees for their reasonable expenses. We have not hired a solicitation firm for the meeting. Our employees and directors will solicit proxies by telephone or other means, if necessary; they will not receive additional compensation for these services.

Requirement and Deadlines for Shareholders to Submit Proposals

Under SEC Rule 14a-8, if a shareholder wants us to include a proposal under that rule to be included in our proxy statement and presented at the annual meeting of shareholders to be held in July 2019, information about the proposal must have been received by us in writing at least 120 calendar days in advance of the first anniversary of the delivery

of these proxy materials, or 120 days prior to August 1, 2019, at U.S. Energy Corp., 950 S. Cherry Street, Suite 1515, Denver, Colorado 80246; Attention: David A. Veltri, Chairman and Chief Executive Officer. For a shareholder proposal to be considered at our next annual meeting that will not be included in our proxy statement for that meeting (including director nominations), written notice of the proposal must be delivered to the Company's Secretary, in accordance with the Company's Bylaws, at least 90 calendar days before the date of such meeting.

Copies of Our Form 10-K

Promptly upon receiving a request from any shareholder, we will send to the shareholder without charge a copy of our Annual Report on Form 10-K for the year ended December 31, 2017, with exhibits, as filed with the SEC. Please address your request to Ryan Smith, Chief Financial Officer, at U.S. Energy Corp., 950 S. Cherry Street, Suite 1515, Denver, Colorado 80246.

Appraisal Rights

No action is proposed at the Annual Meeting for which the laws of the State of Wyoming or our charter documents provide a right of our shareholders to dissent and obtain appraisal of or payment for such shareholders' common stock.

CORPORATE GOVERNANCE

Board of Directors, Audit, Compensation and Nominating Committees

We are committed to sound corporate governance principles. As evidence of this commitment, the Board has adopted charters for its committees and a Code of Ethics. These documents, along with the Company's Restated Articles of Incorporation and Bylaws, provide the framework for our corporate governance. The charters of the Audit Committee, the Compensation Committee, and the Nominating Committee may be viewed at our web site (www.usnrg.com), at the tab "Investors," then go to "Governance." The Code of Ethics also may be viewed at that location. If these documents are amended (or if the Code of Ethics is waived in a manner requiring disclosure under SEC rules), the amendments (and the occurrence of the waiver of the Code of Ethics) will be disclosed on the website as required by the SEC. Copies of each of these documents are available without charge to any person who requests them, by sending a request to U.S. Energy Corp., Attn: Ryan Smith, Chief Financial Officer, 950 S. Cherry Street, Suite 1515, Denver, Colorado 80246.

Board and Committee Independence

The Board is comprised of a majority of independent directors. Specifically, the Board has determined J. Weldon Chitwood, John G. Hoffman, and Javier F. Pico are independent under applicable NASDAQ rules. In addition, the Audit Committee, the Compensation Committee, and the Nominating Committee are each comprised solely of independent directors as required under the applicable requirements of NASDAQ and the SEC.

Board Leadership

Pursuant to the Company's Bylaws the Chief Executive Officer shall also serve as the Chairman of the Board of Directors. David A. Veltri, as Chief Executive Officer and Chairman of the Board of Directors, sets the agenda for and presides over Board meetings.

The Company does not have a lead independent director. The Board believes that the combined role of Chairman and Chief Executive Officer is currently in the best interest of U.S. Energy shareholders due to the more cost-efficient nature which benefits the Company as it seeks potential growth opportunities.

Meetings of the Board

The Board consists of four members and they have primary responsibility for directing management of the business. During 2017, the Board held six formal meetings, which were attended by all of the directors serving on the Board in person or by telephone.

Attendance at Annual Meetings by Directors

Directors are encouraged, but not required, to attend annual meetings. At the Company's last annual meeting held on July 17, 2017, one director was in attendance.

Communications from Shareholders to the Board

The independent directors have established a process for collecting and organizing communications from shareholders. Shareholders may send communications to the Board by addressing their communications to Ryan Smith, Chief Financial Officer, at 950 S. Cherry Street, Suite 1515, Denver, Colorado 80246. Pursuant to this process, Mr. Veltri, the Chief Executive Officer then reviews the communications and determines which of the communications address matters of substance that should be considered by all directors, and sends those communications to all the directors for their consideration.

Audit Committee

To provide effective direction and review of fiscal matters, the Board has established an Audit Committee. The Audit Committee has the responsibility of reviewing our financial statements, exercising general oversight of the integrity and reliability of our accounting and financial reporting practices, and monitoring the effectiveness of our internal control systems. The Audit Committee also retains our independent outside audit firm and recommends selection of the internal audit firm. It also exercises general oversight of the activities of our independent auditors, principal

financial officer, principal accounting officer, accounting employees and related matters. The Chairman of the Audit Committee is Javier F. Pico. The Board has determined that Mr. Pico is an audit committee financial expert as defined in Item 407(d) of SEC Regulation S-K. Other members of the Audit Committee are J. Weldon Chitwood and John G. Hoffman. All members of the Audit Committee are independent directors under applicable NASDAQ and SEC rules.

The Audit Committee met four times in 2017. All Committee members attended each meeting in person or by telephone. The Committee reviewed our financial statements for each quarter in 2017 and the year as a whole and discussed the financial statements with management and our independent audit firm. Based on the foregoing, the Committee recommended to the Board at the Audit Committee meeting held on March 23, 2018 that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2017. During the year ended December 31, 2017, the Audit Committee Chairman also met independently of management with the firm that performs internal control testing for the Company pursuant to Section 404 of the Sarbanes-Oxley Act. The Committee also reviews and reassesses the adequacy of the Audit Committee Charter on an annual basis.

Compensation Committee

The Company has a Compensation Committee, the members of which are John G. Hoffman (Chairman), J. Weldon Chitwood, and Javier F. Pico. These members are independent under applicable criteria established by NASDAQ. This Committee met formally on four occasions in 2017, and discussed compensation matters informally several times during the year. All Compensation Committee members attended all meetings of the Committee during 2017 either in person or by telephone.

The Compensation Committee reviews and recommends to the Board compensation packages for the officers of the Company. The Compensation Committee may delegate to a subcommittee or to the Chief Executive Officer or other officer of the Company such of its duties and responsibilities as the Committee deems to be in the best interests of the Company, provided such delegation is not prohibited by law or NASDAQ rule.

Nominating Committee

The Company has a Nominating Committee, the members of which are J. Weldon Chitwood (Chairman), John G. Hoffman and Javier F. Pico. These members are independent directors under NASDAQ rules. The Nominating Committee is responsible for identifying and recommending to the Board nominees for election to the Board. This process involves consulting with the Company's CEO to identify qualified candidates with expertise in one of the business areas of the Company, including financial, oil and gas, and investment banking expertise. Once identified, the Nominating Committee reviews the qualifications (including capability, availability to serve, conflicts of interest, and other relevant factors) of any identified potential director candidate and where necessary assists in interviewing such candidate. It recommends to the Board appropriate nominees to election to be included in the Company's proxy statement for the annual shareholders meeting. The Nominating Committee met once during 2017 with all members attending either in person or by telephone.

Shareholder Recommendations

The Nominating Committee (which is comprised solely of independent directors) considers and recommends to the Board individuals who may be suitable to be nominated to serve as directors. All director candidates recommended by a shareholder, or a director or officer, will be evaluated by the Nominating Committee in good faith. The Nominating Committee considers diversity in identifying nominees for director, but has not adopted a formal written diversity policy. The charter of the Nominating Committee sets forth a procedure for shareholders to follow in recommending director candidates to the Committee. Pursuant to the charter, a nominating shareholder should provide a written request that the Committee consider a particular candidate at least 150 days prior to the meeting at which the candidate would be elected. The request must include specified information about the candidate, including a discussion of his or her background and experience, and related matters, and the candidate must have certain attributes and experience, in each case as described in the charter.

For the Annual Meeting scheduled for September 11, 2018, the Nominating Committee did not receive a request from any shareholder for consideration of a director nominee candidate.

Executive Committee

The Executive Committee helps implement the Board's overall directives as necessary. Members include David A. Veltri (Chairman) and Javier F. Pico. The Executive Committee does not regularly conduct formal meetings. The Executive Committee did not hold any meetings in 2017.

Hedging Committee

The Company has a Hedging Committee to review and approve the use of all swap agreements. Members include David A. Veltri (Chairman), J. Weldon Chitwood and John G. Hoffman. This Committee met formally on four occasions in 2017 and discussed hedging matters informally several times during the year. All Hedging Committee members attended all meetings of the Committee during 2017 either in person or by telephone.

Risk Oversight

The Company faces various risks in its business, including liquidity and operational risks. Liquidity risk is encountered in the context of balancing contractual commitments to spend capital, and also is involved in the Company's hedging commitments for oil and gas price protection. Any change in our hedging strategy will require the approval of the Board.

General business operations are managed by our chief executive officer, who reports to the Board as needed on developments in approved areas. Operations are run in conformity with the annual budget presented by management and approved, with appropriate modifications as needed throughout the year, by the Board. However, material budget variations (for example, a proposed acquisition or disposition of a significant property or an entry into a significant joint venture) are subject to prior approval by the Board, even if the category and fund allocation generally had been previously approved by the Board. In these situations, the Chairman will call a Board meeting to discuss specific terms, costs and variables, and associated risks, before committing the Company. We believe this process provides the Board with a continuing and key role in risk oversight.

Compensation Risk Assessment

We do not believe that our compensation programs encourage excessive risk taking. Risk mitigating factors of our compensation program and Board governance include:

A mix of short-term and long-term incentives designed to incentivize creation of long-term shareholder value; and

Caps on awards under our bonus programs, along with the use of targeted performance goals designed to emphasize metrics that lead to long-term shareholder value creation.

Principal Holders of Voting Securities and Ownership by Officers and Directors

As of December 31, 2017, the adjusted liquidation preference was approximately \$2.5 million. PROPOSAL 1: ELECTION OF DIRECTORS

Directors

The Company's Board currently consists of four directors. The size of the Board is fixed at five, and there is one vacancy. The Company's Articles of Incorporation provide for the division of the Company's Board into three classes as equal in number as the total number of members of the Board provided in the Bylaws permits. The Company's Bylaws limit service of the independent directors to two three-year terms. If recommended by the Chairman of the Board and approved by the Board, an independent director may serve one additional term.

The nominee for election at the Annual Meeting is John G. Hoffman. Please see biographical information for the directors and the nominees below, under the heading "Business Experience of Directors and Officers." If approved by the shareholders, John G. Hoffman will serve a term that will expire at the 2021 annual meeting.

Executive Officers

The executive officers of the Company are elected by the Board at the annual directors' meeting which follows each annual shareholder's meeting, to serve until the officer's successor has been duly elected and qualified, or until earlier death, retirement, resignation or removal. Please see biographical information for our executive officers below, under the heading "Business Experience of Directors and Officers."

Business Experience of Directors and Officers

Set forth below is certain biographical information for each director and executive officer as of the date of this Proxy Statement. The Nominating Committee selects nominees based on their skills, achievements, and experience, and believes that each nominee should have experience in positions of responsibility and leadership and an understanding of our oil and natural gas exploration and production business. Our overall objective is to identify a group of directors that can best contribute to our long-term success. All of the directors and the nominees discussed below are seasoned leaders who collectively bring to the Board a vast array of oil and gas industry, public company, private company, and other business experience, all at the senior executive officer level, and who meet our director qualification standards. “RESOLVED, that the shareholders approve the election of John G. Hoffman as a director of the Company to serve until the third succeeding annual meeting of shareholders to be held in 2021 and until his successor has been duly elected or appointed and qualified.”

PROPOSAL 2: RATIFICATION OF THE APPOINTMENT OF INDEPENDENT AUDITORS

The Board seeks shareholder ratification of the Audit Committee’s engagement and appointment of EKS&H LLLP (“EKS&H”), certified public accountants, to act as the independent registered public accounting firm for our financial statements for the year ending December 31, 2018. The Audit Committee has not determined what action, if any, would be taken should the appointment of EKS&H not be ratified at the meeting. A representative from EKS&H will be present at the Annual Meeting in person or by telephone to respond to appropriate questions and will be provided the opportunity to make a statement at the meeting.

Principal Accounting Fees and Services

The Audit Committee approves the terms of engagement before we engage the audit firm for audit and non-audit services, except as to engagements for services outside the scope of the original terms, in which instances the services are provided pursuant to pre-approval policies and procedures established by the Audit Committee. These pre-approval policies and procedures are detailed as to the category of service and the Audit Committee is kept informed of each service provided. These policies and procedures, and the work performed pursuant thereto, do not include any delegation to management of the Audit Committee’s responsibilities under the Exchange Act.

Moss Adams LLP (“Moss Adams”), the Company’s independent registered accounting firm for the fiscal year ending December 30, 2017 charged the following fees related to our 2017 financial statements, all of which were approved by the Audit Committee:

	2017	
	Amount	Percent
Audit fees ⁽¹⁾	\$99,750	100 %
Audit-related fees	-	N/A
Tax fees	-	N/A
All other fees	-	N/A
Total	\$99,750	

⁽¹⁾ Includes fees for the 2017 audits of our annual financial statements and reviews of our quarterly financial information filed with the SEC.

Relationship with Independent Accountants

On May 31, 2018, the Audit Committee of the Company engaged EKS&H to serve as the independent registered public accounting firm for the Company. With the exception of consulting with EKS&H on the treatment of the Company's debt for equity exchange completed in December 2017, the Company has not consulted EKS&H on any matter relating to either (i) the application of accounting principles to a specific transaction, either completed or contemplated, or the type of audit opinion that might be rendered on our financial statements or (ii) any matter that was the subject of a disagreement (as that term is defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions) or a "reportable event" (as that term is defined in Item 304(a)(1)(v) of Regulation S-K) for the fiscal years ended December 30, 2017 and December 30, 2016.

On April 30, 2018, the Company's Chairman of the Audit Committee and Chief Financial Officer received formal notice that Moss Adams, made the decision to decline to stand for re-election as the Company's independent registered public accounting firm for the year ended December 31, 2018, and the auditor-client relationship between Moss Adams and the Company ended upon the filing of the Company's Form 10-Q for the quarter ended March 31, 2018, filed on May 14, 2018. Neither the Audit Committee of the Company nor the Board of Directors recommended Moss Adams' decision to not stand for re-election. A representative from Moss Adams will not be present at the Annual Meeting in person or by telephone to respond to questions.

Effective November 16, 2017, Hein & Associates LLP ("Hein"), the independent registered public accounting firm for the Company for the fiscal year ended December 30, 2016, combined with Moss Adams. As a result of this transaction, on November 16, 2017, Hein resigned as the independent registered public accounting firm for the Company. Concurrent with such resignation, the Company's audit committee approved the engagement of Moss Adams as the new independent registered public accounting firm for the Company.

Moss Adams audited our financial statements for the year ended December 31, 2017. Hein, which, combined with Moss Adams, audited our financial statements for the years ended December 31, 2016 and 2015. There were no disagreements between the Company and Moss Adams concerning any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which were not resolved to the satisfaction of that firm.

The audit reports of Hein on the Company's financial statements for the years ended December 31, 2016 did not contain an adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles except, the audit report of Hein on the Company's financial statements for the year ended December 31, 2016 contained an explanatory paragraph indicating that there was substantial doubt about the ability of the Company to continue as a going concern. The circumstances surrounding this disclosure were subsequently alleviated as described in the Company's Form 10-Q for the quarter ended September 30, 2017.

During the two most recent fiscal years ended December 31, 2016 and through the subsequent interim period preceding Hein's resignation, there were no disagreements between the Company and Hein on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of Hein would have caused them to make reference thereto in their

reports on the Company's financial statements for such years.

During the two most recent fiscal years ended December 31, 2017 and through the subsequent interim period preceding Moss Adams' declination to stand for re-election and Hein's resignation, there were no reportable events within the meaning set forth in Item 304(a)(1)(v) of Regulation S-K, except that for the year ended December 31, 2016, a material weakness existed in the Company's internal control over financial reporting, as described in Item 9A to the Company's annual report on Form 10-K for the year ended December 31, 2016 and Item 4 of the Company's quarterly report on Form 10-Q for the quarter ended September 30, 2017.

Board Recommendation

The Board recommends you vote "FOR" Proposal 2. For the reasons provided in this Proxy Statement, we are asking shareholders to vote "FOR" the following resolution:

"RESOLVED, that the shareholders ratify the Audit Committee's appointment of EKS&H LLLP, certified public accountants, to act as the auditors of the Company's financial statements for the year ending December 31, 2018."

PROPOSAL 3: ADVISORY VOTE ON EXECUTIVE COMPENSATION

Our shareholders are entitled to cast an advisory “say-on-pay” vote at the Annual Meeting to approve the compensation of the Company’s executive officer as disclosed in this Proxy Statement. The Company will hold an advisory vote on executive compensation every year until the next required advisory vote with respect to the frequency of advisory votes on executive compensation. At the 2017 annual shareholders meeting, the say-on-pay vote was 879,537 votes for, 224,878 against, and 9,341 shares abstaining.

As an advisory vote, this Proposal 3 is not binding on the Board or the Compensation Committee. However, the Compensation Committee, which is responsible for designing and administering the Company’s executive compensation program, values the opinions expressed by shareholders in their vote on this proposal and will continue to consider the outcome of the vote when making future compensation decisions for named executive officers.

Our executive compensation programs are designed to provide a competitive level of compensation to attract, motivate and retain talented and experienced executives and to motivate them to achieve short-term and long-term corporate goals that enhance shareholder value.

Board Recommendation

The Board recommends you vote for Proposal 3. For the reasons provided in this Proxy Statement, we are asking shareholders to vote “FOR” the following resolution:

“RESOLVED, that the shareholders approve, on an advisory basis, the compensation philosophy, policies and procedures and the compensation of our named executive officers for 2017 as disclosed in the proxy statement for U.S. Energy’s 2018 Annual Meeting of Shareholders pursuant to the compensation disclosure rules of the SEC, the compensation tables and the narrative disclosures that accompany the compensation tables.”

Non-Employee Director Compensation

We generally use a combination of cash and share-based incentive compensation to attract and retain qualified candidates to serve on our Board of Directors. forego their fees temporarily as a cost savings measure.

Independent directors receive additional fees for serving as the Chairman of our board committees. Mr. Conrad received an annual fee of \$12,000 to serve as Chairman of the Audit Committee. Upon Mr. Conrad's resignation from the Board of Directors, Mr. Fraser agreed to serve as Chairman of the Audit Committee and was expected to receive an additional \$12,000 in annual fees going forward; Mr. Danni received an annual fee of \$6,000 to serve as Chairman of our Compensation Committee; and Mr. Heath received an annual fee of \$4,000 to serve as Chairman of our Nominating Committee. In connection with the resignations of four members of the Company's Board of Directors, the restricted stock grants were amended, and the members of the Board of Directors subsequently agreed to accept 33,332 fully-vested shares each, in lieu of the 58,500 share grants.

Certain Relationships and Related Transactions

Family Employment

The Company has adopted a nepotism policy pursuant to which family members of any employee, which include fathers, mothers, siblings, sons, daughters, nieces, nephews or grandchildren, may not be hired or terminated by a direct family member. Additionally, family members are not allowed to participate in any discussion relating to the setting of compensation rates for other family members. In addition, an immediate relative of any employee can only be hired after the Compensation Committee has reviewed the application of the direct family member and has satisfied itself that (a) the position is necessary, (b) the position has been adequately advertised, (c) other applicants have been interviewed by non-family managers of the Company and (d) that the family member is the most qualified for the position. Further, written approval from the Chairman of the Compensation Committee must be received along with an approved rate of pay before any family members of any employees, officers or directors can be employed and paid by the Company.

Related Person Transaction Policy

From time to time, we have entered into transactions with certain “related persons,” a category that generally includes executive officers, directors, and beneficial owners of five percent or more of our common stock, and immediate family members of these persons and entities in which one of these persons has a direct or indirect material interest. We refer to transactions with these related persons as “related party transactions.” The Audit Committee is responsible for the review and approval of each related party transaction exceeding \$120,000, although, as a matter of practice, the Committee reviews, and, if appropriate, approves, all related party transactions regardless of the amount involved.

The Audit Committee considers all relevant factors when determining whether to approve a proposed related party transaction, including (without limitation):

the size of the transaction and the amount of consideration that might be paid to a related person;

the nature of the interest of the applicable related person; and

whether the transaction involves the provision of goods or services to us that are available from unaffiliated third parties.

Implementation of the Policy

In determining whether to approve a proposed related party transaction, the Audit Committee must be reasonably satisfied that:

the transaction likely will significantly benefit all shareholders, even though it will provide a benefit to the related parties; and

goods or services of comparable quality either cannot be obtained from third parties in time to meet the Company's needs or can be obtained but at a significantly higher cost.

In appropriate circumstances, the Committee may enlist outside sources to obtain information about the possibility of using third party vendors' goods and/or services.

Compensation of certain related persons other than executive officers is determined by the Compensation Committee rather than the Audit Committee as discussed in "Family Employment." The policy has been followed by the Committee since 2004.

Related Party Transactions

The Company had a related party payable to its Chief Executive Officer of \$0.05 million as of December 31, 2017 for the reimbursement of ordinary business expenses incurred on behalf of the Company.

PROPOSAL 4: APPROVAL OF AMENDMENTS TO U.S. ENERGY CORP. AMENDED AND RESTATED 2012 EQUITY AND PERFORMANCE INCENTIVE PLAN

Background and Purpose

Our Board has unanimously adopted, and is submitting for shareholder approval, certain amendments to the U.S. Energy Corp. Amended and Restated 2012 Equity and Performance Incentive Plan (the “2012 Plan”). The purpose of amending the 2012 Plan is to increase the number of shares issuable under the 2012 Plan, add contractors of the Company as Eligible Individuals, as that term is defined in the 2012 Plan, and to increase the limitation on grants to an Eligible Individual. The increase in number of shares issuable under the 2012 Plan will allow us to continue to make future grants of equity incentive awards under the 2012 Plan to directors, officers, and employees. The addition of contractors as Eligible Individuals will allow us to be competitive in the market for contractors by giving the Company the ability to pay contractor compensation in equity of the Company. The increase to the limitation on grants to an Eligible Individual will allow the Company to more adequately compensate its directors, officers, employees and contractors while enabling the Company to attract new talent. As described more fully below, we consider such amendments to the 2012 Plan to be a key component of our compensation structure. The past grants received by our executive officers and directors under the 2012 Plan during fiscal year 2017 are set forth above in the sections titled “Executive Compensation” and “Director Compensation,” respectively.

The 2012 Plan was originally adopted on April 24, 2012 and has been amended from time to time. When the 2012 Plan was originally adopted, we reserved 200,000 shares of common stock, as adjusted for the six-for-one reverse stock split in 2016, for issuance under the 2012 Plan. We reserved an additional 333,333 shares of common stock, as adjusted for the six-for-one reverse stock split in 2016, for issuance in connection with the 2012 Plan when it was amended in 2015 and reserved an additional 1,000,000 shares of common stock for issuance when it was last amended in 2017. As of December 31, 2017, 981,008 shares of our common stock remained available for issuance under the 2012 Plan. See “Equity Compensation Plan Information” set forth above in the section titled “Executive Compensation” for additional information regarding the number of shares of our common stock that are available for issuance under the 2012 Plan.

Accordingly, our Board has determined that there are not sufficient shares available for issuance under the 2012 Plan to make future equity grants, a key component of our compensation structure. We consider the 2012 Plan to be an essential element of total compensation of our directors, executive officers and employees and believe the 2012 Plan promotes our interests and the interests of our shareholders by attracting and retaining the services of key employees and qualified directors and encouraging a sense of proprietorship in the Company and stimulating the active interest of those persons receiving awards under the 2012 Plan in our development and success. By increasing the number of shares of common stock available for issuance as awards under the 2012 Plan by 1,000,000 shares, or approximately 8% of our currently outstanding shares of common stock, we believe we will have the flexibility to use equity awards to continue to support our growth strategy and our ability to attract and retain talented executives and employees. Because the amount and timing of specific equity awards in the future is dependent on our employee headcount,

management performance, competitive compensation practices and other factors, some of which are beyond our control, it is not possible to know when or if the currently proposed increase in the shares available under the 2012 Plan will be exhausted or the amount of subsequent dilution that may ultimately result from such awards.

The Board's rationale for reserving an additional 1,000,000 shares of common stock for issuance under the 2012 Plan, is that the Company needs more capacity in the 2012 Plan for purposes of attracting talent as it expands its operations. An increase will help motivate the Company's officers, directors and employees to accomplish the Company's goals while balancing the dilutive effect of such additional shares to the shareholders. In addition, there are not sufficient shares currently available for issuance under the 2012 Plan to make future equity grants.

If approved by the shareholders, the amendment to increase the number of common shares reserved for issuance under the 2012 Plan would amend Section 3(a)(i) to read in its entirety as follows:

“(i) Subject to adjustment as provided in Section 13 of the Plan, a maximum of 2,141,008 Shares may be delivered pursuant to Awards under this Plan.”

The 2012 plan, as currently adopted, limits grants to individual participants during any fiscal year of the Company to 400,000 shares. Accordingly, our Board has determined that the limitations on grants to individual participants is too restrictive. The Board believes that increasing the limit on grants to individual participants will better allow the Company to meet its compensation objectives and to attract talent and motivate the Company's officers, directors and employees to accomplish the Company's goals.

If approved by the shareholders, the amendment to increase the number of common shares reserved for issuance under the 2012 Plan would amend Section 3(b)(i) to read in its entirety as follows:

“(i) Subject to adjustment as provided in Section 13 of this Plan, the maximum number of shares with respect to which Awards may be granted hereunder to any Participant or Director during any fiscal year of the Company shall be 800,000 shares (the “Limitation”). If an Option is canceled, the canceled Option shall continue to be counted toward the Limitation for the year granted. An Option (or a Stock Appreciation Right) that is repriced during any fiscal year is treated as the cancellation of the Option (or Stock Appreciation Right) and grant of new Option (or Stock Appreciation Right) for purposes of the Limitation for that fiscal year.”

The 2012 Plan, as currently adopted, does not permit the Company to grant equity awards to contractors of the Company. Accordingly, our Board has determined that the Company does not have competitive compensation policies in effect to attract and retain qualified consultants.

If approved by the shareholders, the amendment to add consultants as Eligible Individuals under the 2012 Plan would amend Section 2(k) to read in its entirety as follows:

“Eligible Individual” means an officer, employee, Director, or contractor of the Company or any one or more of its Subsidiaries”

If Proposal 4 is not approved by shareholders, the Board of Directors believe the Company will not have sufficient shares for future grants under the 2012 Plan, will not be able to meet its compensation objectives, attract talent and motivate the Company's officers, directors and employees to accomplish the Company's goals, and will not be able to attract and retain qualified contractors.

A copy of the 2012 Plan, as amended, is included as *Appendix A* to this Proxy Statement.

Tax Considerations

Our ability to obtain a federal income tax deduction for amounts paid under the 2012 Plan could be limited by Section 162(m) of the Code. Pursuant to Section 162(m) of the Code, the federal income tax deduction for the Company will generally be unavailable for annual compensation in excess of \$1 million paid to any of our "covered employees" (within the meaning of Section 162(m) of the Code), which generally include the chief executive officer, the chief financial officer and the three other most highly compensated officers of the Company. In the past, amounts that constituted "performance-based compensation" generally did not count toward the \$1 million limit. Nevertheless, under statutory changes mandated by the newly enacted Tax Cuts and Jobs Act ("TCJA"), performance-based compensation is no longer excluded from the application of the \$1 million limitation. Statutory changes to Section 162(m) of the Code mandated by TCJA regarding the deductibility of executive compensation do not, however, apply to executive remuneration paid pursuant to a binding, written contract in existence on November 2, 2017, to the extent that the terms of the binding contract are not or were not modified in any material respect on or after such date.

Interest of Certain Persons in Matters to Be Acted Upon

Other than as a result of their right to participate in the 2012 Plan, no person who was a director or executive officer of the Company in the year ended December 31, 2017, or any associate of theirs, has any substantial interest in this proposal.

Required Vote and Recommendation

Provided a quorum of at least a majority of the issued and outstanding shares of common stock is present (in person or by proxy), this proposal will be approved if the votes cast favoring the proposal exceeds the votes cast opposing the proposal. Abstentions and broker non-votes will not be counted as having been voted on the proposal and will not have an effect on the proposal.

Board Recommendation

The Board recommends you vote for Proposal 4. For the reasons provided in this Proxy Statement, we are asking shareholders to vote “FOR” the following resolution:

“RESOLVED, that the shareholders approve the vote to approve the amendments to the U.S. Energy Corp. Amended and Restated 2012 Equity and Performance Incentive Plan to increase the number of shares of common stock reserved for issuance under the 2012 Plan by 1,000,000, add contractors of the Company as Eligible Individuals under the 2012 Plan, and to increase the limitation on grants to an Eligible Individual.”

PROPOSAL 5: ADJOURNMENT PROPOSAL

At the Annual Meeting, we may adjourn, or ask shareholders to vote to adjourn, the Annual Meeting to solicit additional proxies in favor of the approval of the proposals in this Proxy Statement if we have not obtained sufficient votes to approve the proposals. Approval of the adjournment proposal requires the affirmative vote of a majority of the votes cast on the matter. Because this vote is a non-routine matter under applicable rules, your bank, broker or other nominee cannot vote without instructions from you.

Board Recommendation

The Board recommends you vote “FOR” Proposal 5. For the reasons provided in this Proxy Statement, we are asking shareholders to vote “FOR” the following resolution:

“**RESOLVED**, that the shareholders approve the adjournment of the Annual Meeting, if necessary, to solicit additional proxies for the proposals contained in this Proxy Statement.”

If an Award is subject to Section 409A of the Code, however, Termination of Employment for purposes of that Award shall mean the Participant’s Separation from Service.

3. Shares Available Under the Plan.

(a) Maximum Shares Available Under Plan.

- (i) Subject to adjustment as provided in Section 13 of this Plan, a maximum of 1,981,008 shares of Common Stock may be delivered pursuant to Awards granted under this Plan.

Shares of Common Stock covered by an Award shall not be counted as used unless and until they are actually issued to a Participant and, therefore, the total number of shares of Common Stock available under the Plan as of a given date shall not be reduced by any Common Stock relating to prior Awards that have expired or have been forfeited or cancelled. If the Award is to be settled in cash, the number of shares of Common Stock on which the Award is based shall not count toward the share limits set forth in this Section 3. Notwithstanding anything to the contrary contained herein: (A) if shares of Common Stock are tendered or otherwise used in payment of the Option Price of an Option or the Base Price of a Stock Appreciation Right, the total number of shares of Common Stock covered by the Option or Stock Appreciation Right being exercised shall count against the aggregate Plan limit described above and (B) shares of Common Stock withheld by the Company to satisfy the tax withholding obligation shall count against the aggregate Plan limit described above.

(b) Limitations on Grants to Individual Participant.

- (i) Subject to adjustment as provided in Section 13 of this Plan, the maximum number of shares with respect to which Awards may be granted hereunder to any Participant or Director during any fiscal year of the Company shall be

800,000 shares (the “Limitation”). If an Option is canceled, the canceled Option shall continue to be counted toward the Limitation for the year granted. An Option (or a Stock Appreciation Right) that is repriced during any fiscal year is treated as the cancellation of the Option (or Stock Appreciation Right) and grant of new Option (or Stock Appreciation Right) for purposes of the Limitation for that fiscal year.

A-4

4. Options. The Board may, from time to time and upon such terms and conditions as it may determine, grant to Eligible Individuals options to purchase Common Stock. Each grant of Options will be evidenced by an Evidence of Award which shall contain such terms and conditions as the Board may approve that are not inconsistent with the following terms and conditions and those of the remainder of the Plan:

(a) Each Evidence of Award will specify the number of shares of Common Stock to which it pertains subject to the limitations set forth in Section 3 of this Plan.

(b) Each Evidence of Award will specify an Option Price per share, which may not be less than the Market Value per Share on the Date of Grant (or 110% of the Market Value Per Share in the case of an Incentive Stock Option issued to the owner of 10% or more of the voting power of the Company or any of its Subsidiaries).

(c) Each Evidence of Award will specify whether the Option Price will be payable, to the extent permitted by applicable statutes and regulations, either (a) in cash or by certified or bank check at the time the Option is exercised or (b) in the discretion of the Committee, in any form of lawful consideration approved by the Committee. As of the Effective Date (and subject to any future action by the Committee to restrict the forms of consideration that may be used to pay the Option Price) the Committee has approved the following: (i) by delivery to the Company of other Common Stock, duly endorsed for transfer to the Company, with a Market Value per Share on the date of delivery equal to the Option Price (or portion thereof) due for the number of Shares being acquired, or by means of attestation whereby the Participant identifies for delivery specific shares of Common Stock that have an aggregate Market Value per Share on the date of attestation equal to the Option Price (or portion thereof) and receives a number of shares of Common Stock equal to the difference between the number of shares thereby purchased and the number of identified attestation shares of Common Stock; (ii) a “cashless” exercise program established with a broker; (iii) reduction in the number of shares of Common Stock otherwise deliverable upon exercise of such Option with a Market Value per Share equal to the aggregate Option Price at the time of exercise; (iv) any combination of the foregoing methods; or (v) any other form of legal consideration that may be acceptable to the Committee including but not limited to “net” or “immaculate” exercise. Unless otherwise specifically provided in the Evidence of Award, the exercise price of Common Stock acquired pursuant to an Option that is paid by delivery (or attestation) to the Company of other Common Stock acquired, directly or indirectly from the Company, shall be paid only by shares of Common Stock of the Company that have been held for more than six months (or such longer or shorter period of time required to avoid a charge to earnings for financial accounting purposes). Notwithstanding the foregoing, during any period for which the Common Stock is publicly traded (i.e., the Common Stock is listed on any established stock exchange or a national market system) an exercise by a Director or officer that involves or may involve a direct or indirect extension of credit or arrangement of an extension of credit by the Company, directly or indirectly, in violation of Section 402(a) of the Sarbanes-Oxley Act of 2002 shall be prohibited with respect to any Award under this Plan.

(d) Successive grants may be made to the same Participant whether or not any Options previously granted to such Participant remain unexercised.

(e) Each Evidence of Award will specify the period or periods of continuous service by the Optionee with the Company or any Subsidiary, if any, that is necessary before the Options or installments thereof will become exercisable. The Evidence of Award may provide for the earlier exercisability of such Options in the event of the retirement, death or disability of a Participant, or a Change of Control.

(f) Any Evidence of Award Option may specify Management Objectives that must be achieved as a condition to the Options becoming exercisable.

A-5

(g) Options granted under this Plan may be (i) options, including, without limitation, Incentive Stock Options that are intended to qualify under particular provisions of the Code, (ii) options that are not intended so to qualify, or (iii) combinations of the foregoing. Incentive Stock Options shall be designated as such in the Evidence of Award and may only be granted to Participants who meet the definition of “employees” under Section 3401(c) of the Code.

(h) No grant of Options may be accompanied by a tandem award of dividend equivalents or provide for dividends, dividend equivalents or other distributions to be paid on such Options.

(i) The exercise of an Option will result in the cancellation on a share for-share basis of any Tandem Appreciation Right authorized under Section 5 of this Plan.

(j) Each Evidence of Award shall specify the period during which the Option may be exercisable; provided, however that no Option will be exercisable more than 10 years from the Date of Grant (5 years for any Incentive Stock Option issued to any owner of 10% or more of the outstanding voting securities of the Company or any of its Subsidiaries). Each Evidence of Award may provide for accelerated expiration of the Option upon the Participant’s Termination of Employment.

5. Stock Appreciation Rights.

(a) The Board may, from time to time and upon such terms and conditions as it may determine, authorize the granting (i) to any Optionee, of Tandem Appreciation Rights in respect of Options granted hereunder, or (ii) to any Eligible Individual, of Free-Standing Appreciation Rights. A Tandem Appreciation Right will be a right of the Optionee, exercisable by surrender of the related Option, to receive from the Company an amount determined by the Board, which will be expressed as a percentage of the Spread (not exceeding 100 percent) of the Tandem Appreciation Right at the time of exercise. Tandem Appreciation Rights may be granted at any time prior to the exercise or termination of the related Options; provided, however, that a Tandem Appreciation Right awarded in relation to an Incentive Stock Option must be granted concurrently with such Incentive Stock Option. A Free-Standing Appreciation Right will be a right of the Participant to receive from the Company an amount determined by the Board, which will be expressed as a percentage of the Spread (not exceeding 100 percent) of the Free Standing Appreciation Right at the time of exercise.

(b) Each grant of Stock Appreciation Rights will be evidenced by an Evidence of Award which shall identify the Stock Appreciation Right as a Free-Standing Appreciation Right or a Tandem Appreciation Right (and in the case of Tandem Appreciation Rights shall identify the related Option) and shall contain such terms and conditions as the Board may approve that are not inconsistent with the following terms and conditions of this section and section 5(c) and 5(d) below (as applicable), and those of the remainder of the Plan:

- Each Evidence of Award shall specify the amount payable upon exercise of the Stock Appreciation Right and
- (i) may provide that such may be paid by the Company in cash, in Common Stock or in any combination thereof and may retain in the Board the right to elect among those alternatives.
 - (ii) Any Evidence of Award may specify that the amount payable on exercise of a Stock Appreciation Right may not exceed a maximum specified by the Board at the Date of Grant.
 - (iii) No grant of Stock Appreciation Rights may be accompanied by a tandem award of dividend equivalents or provide for dividends, dividend equivalents or other distributions to be paid on such Stock Appreciation Rights.

A-6

(c) Each Evidence of Award of Tandem Appreciation Rights shall specify the Base Price of such Tandem Appreciation Rights (which shall generally equal the Option Price of the Related Option) and will provide that such Tandem Appreciation Rights may be exercised only at a time and during the period when the related Option is also exercisable and at a time when the Spread is positive, and by surrender of the related Option for cancellation. Successive grants of Tandem Appreciation Rights may be made to the same Participant regardless of whether any Tandem Appreciation Rights previously granted to the Participant remain unexercised.

(d) Regarding Free-Standing Appreciation Rights only:

(i) Each Evidence of Award will specify in respect of each Free-Standing Appreciation Right a Base Price, which will be equal to or greater than the Market Value per Share on the Date of Grant;

Each Evidence of Award will specify the period or periods of continuous service by the Participant with the Company or any Subsidiary, if any, that is necessary before the Free-Standing Appreciation Right or installments thereof will become exercisable. The Evidence of Award may provide for the earlier exercisability of such Free-Standing Appreciation Rights in the event of the retirement, death or disability of a Participant, or a Change of Control;

(iii) Any Evidence of Award of Free-Standing Appreciation Rights may specify Management Objectives that must be achieved as a condition of the Free-Standing Appreciation Rights becoming exercisable;

Each Evidence of Award shall specify the period during which the Free-Standing Appreciation Right may be exercisable; provided, however that no Free-Standing Appreciation Right will be exercisable more than 10 years from the Date of Grant. Each Evidence of Award may provide for accelerated expiration of the Free-Standing Appreciation Right upon the Participant's Termination of Employment; and

(v) Successive grants of Free-Standing Appreciation Rights may be made to the same Participant regardless of whether any Free-Standing Appreciation Rights previously granted to the Participant remain unexercised.

6. Restricted Stock. The Board may, from time to time and upon such terms and conditions as it may determine, grant or sell Restricted Stock to Participants. Each grant or sale of Restricted Stock will be evidenced by an Evidence of Award which shall contain such terms and conditions as the Board may approve that are not inconsistent with the following terms and conditions and those of the remainder of the Plan:

(a) Each such grant or sale will constitute an immediate transfer of the ownership of Common Stock to the Participant in consideration of the performance of services, entitling such Participant to voting, dividend and other ownership rights, but subject to the substantial risk of forfeiture and restrictions on transfer hereinafter referred to.

A-7

(b) Each such grant or sale may be made without additional consideration or in consideration of a payment by such Participant that is less than or equal to the Market Value per Share at the Date of Grant.

(c) Each Evidence of Award will provide that the Restricted Stock covered by such grant or sale will be subject to a “substantial risk of forfeiture” within the meaning of Section 83 of the Code during the Restriction Period, which “substantial risk of forfeiture” may lapse upon the passage of time and/or upon achievement of Management Objectives referred to in subparagraph (e) below.

(d) Each such grant or sale will provide that during the Restriction Period for which such substantial risk of forfeiture is to continue, the transferability of the Restricted Stock will be prohibited or restricted in the manner and to the extent prescribed by the Board in the Evidence of Award (which restrictions may include, without limitation, rights of repurchase or first refusal in the Company or provisions subjecting the Restricted Stock to a continuing substantial risk of forfeiture in the hands of any transferee).

(e) Any Evidence of Award may specify Management Objectives that, if achieved, will result in termination or early termination of the restrictions applicable to such Restricted Stock. Each Evidence of Award may specify in respect of such Management Objectives a minimum acceptable level of achievement and may set forth a formula for determining the number of shares of Restricted Stock on which restrictions will terminate if performance is at or above the minimum or threshold level or levels, or is at or above the target level or levels, but falls short of maximum achievement of the specified Management Objectives.

(f) Notwithstanding anything to the contrary contained in this Plan, any Evidence of Award may provide for the earlier termination of restrictions on such Restricted Stock in the event of the retirement, death or disability of a Participant, or a Change of Control.

(g) Any such grant or sale of Restricted Stock may require that any or all dividends or other distributions paid thereon during the Restriction Period be subject to the same restrictions as the underlying award and/or reinvested or deemed reinvested in additional shares of Restricted Stock. In the event such dividends are not reinvested or deemed reinvested in additional shares of Restricted Stock, they shall be paid in cash (without interest) on the date on which the Restricted Period lapses.

(h) Unless otherwise directed by the Board, (i) all certificates representing shares of Restricted Stock will be held in custody by the Company until all restrictions thereon will have lapsed, together with a stock power or powers executed by the Participant in whose name such certificates are registered, endorsed in blank and covering such Shares, or (ii) all shares of Restricted Stock will be held at the Company’s transfer agent in book entry form with

appropriate restrictions relating to the transfer of such shares of Restricted Stock.

7. Restricted Stock Units. The Board may, from time to time and upon such terms and conditions as it may determine, grant Restricted Stock Units to Eligible Individuals. Each grant of Restricted Stock Units will be evidenced by an Evidence of Award which shall contain such terms and conditions as the Board may approve that are not inconsistent with the following terms and conditions and those of the remainder of the Plan:

(a) Each such grant will constitute the agreement by the Company to deliver one share of Common Stock per Restricted Stock Unit (or to deliver the cash equivalent thereof) to the Participant in the future in consideration of the performance of services, but subject to the fulfillment of such conditions (which may include the achievement of Management Objectives) during the Restriction Period as the Board may specify in the Evidence of Award. Each Evidence of Award may specify in respect of such Management Objectives a minimum acceptable level of achievement and may set forth a formula for determining the number of Common Shares subject to the Restricted Stock Units as to which restrictions will terminate if performance is at or above the minimum or threshold level or levels, or is at or above the target level or levels, but falls short of maximum achievement of the specified Management Objectives.

A-8

(b) Notwithstanding anything to the contrary contained in this Plan, any Evidence of Award may provide for the earlier lapse or modification of the Restriction Period in the event of the retirement, death or disability of a Participant, or a change of Control.

(c) During the Restriction Period, the Participant will have no right to transfer any rights under his or her award and will have no rights of ownership in the Restricted Stock Units and will have no right to vote the Common Shares subject to the Restricted Stock Units, but the Board may in the Evidence of Award authorize the payment of dividend equivalents on either a current, deferred or contingent basis, either in cash or in additional shares of Common Stock, provided that dividend equivalents shall not be paid in a manner that would cause any tax to be due under 409A of the Code.

(d) Each Evidence of Award Unit will specify the time and manner of payment of the Restricted Stock Units that have been earned. Each Evidence of Award will specify that the amount payable with respect thereto will be paid by the Company in Common Stock or cash. If a cash payment is made in lieu of delivering shares of Common Stock, the amount of such payment shall be based on the Market Value per Share as of the date on which the Restriction Period lapsed with respect to each Restricted Stock Unit.

8. Performance Shares and Performance Units. The Board may, from time to time and upon such terms and conditions as it may determine, grant Performance Shares and Performance Units that will become payable to a Participant upon achievement of specified Management Objectives during the Performance Period. Each grant or sale of Performance Shares and Performance Units will be evidenced by an Evidence of Award which shall contain such terms and conditions as the Board may approve that are not inconsistent with the following terms and conditions and those of the remainder of the Plan:

(a) Each Evidence of Award will specify the number of Performance Shares or Performance Units to which it pertains, which number may be subject to adjustment to reflect changes in compensation or other factors.

(b) The Performance Period with respect to each Performance Share or Performance Unit will be such period of time as will be determined by the Board at the time of grant, and may be subject to earlier lapse or other modification in the event of the retirement, death or disability of a Participant, or a Change of Control.

(c) Any Evidence of Award will specify Management Objectives which, if achieved, will result in payment or early payment of the award, and each Evidence of Award may specify in respect of such Management Objectives a minimum acceptable level of achievement and may set forth a formula for determining the number of Performance Shares or Performance Units that will be earned if performance is at or above the minimum or threshold level or

levels, or is at or above the target level or levels, but falls short of maximum achievement of the specified Management Objectives. The grant of Performance Shares or Performance Units will specify that, before the Performance Shares or Performance Units will be earned and paid, the Board must certify that the Management Objectives have been satisfied.

(d) Each Evidence of Award will specify the payment to be made pursuant to any award of Performance Shares or Performance Units and the time and manner of such payment. Any Evidence of Award may specify that the amount payable with respect thereto may be paid by the Company in cash, in Common Stock or in any combination thereof and may retain in the Board the right to elect among those alternatives.

A-9

(e) Any Evidence of Award may specify that the amount payable or the number of shares of Common Stock issued with respect thereto may not exceed maximums specified by the Board at the Date of Grant.

(f) The Evidence of Award may provide for the payment of dividend equivalents to the holder thereof either in cash or in additional shares of Common Stock subject in all cases to payment on a contingent basis based on the Participant's earning of the Performance Shares with respect to which such dividend equivalents are paid, provided that dividend equivalents shall not be paid in a manner that would cause any tax to be due under 409A of the Code.

9. Other Awards.

(a) The Board may, subject to limitations under applicable law, grant to any Eligible Individual such other awards that may be denominated or payable in, valued in whole or in part by reference to, or otherwise based on, or related to, shares of Common Stock or factors that may influence the value of such shares, including, without limitation, convertible or exchangeable debt securities, other rights convertible or exchangeable into Common Stock, purchase rights for Common Stock, awards with value and payment contingent upon performance of the Company or specified Subsidiaries, affiliates or other business units thereof or any other factors designated by the Board, and awards valued by reference to the book value of shares of Common Stock or the value of securities of, or the performance of specified Subsidiaries or affiliates or other business units of the Company. The Board shall determine the terms and conditions of such awards. Shares of Common Stock delivered pursuant to an award in the nature of a purchase right granted under this Section 9 shall be purchased for such consideration, paid for at such time, by such methods, and in such forms, including, without limitation, cash, shares of Common Stock, other awards, notes or other property, as the Board shall determine.

(b) Cash awards, as an element of or supplement to any other award granted under this Plan, may also be granted pursuant to this Section 9 of this Plan.

(c) The Board may grant Common Stock as a bonus, or may grant other awards in lieu of obligations of the Company or a Subsidiary to pay cash or deliver other property under this Plan or under other plans or compensatory arrangements, subject to such terms as shall be determined by the Board in a manner that complies with Section 409A of the Code.

(d) Share-based awards pursuant to this Section 9 are not required to be subject to any minimum vesting period.

10. Transferability.

(a) Except as otherwise determined by the Board, no Option, Stock Appreciation Right or other Award shall be transferable by the Participant except by will or the laws of descent and distribution, and in no event shall any such Award be transferred for value. Except as otherwise determined by the Board, Options and Stock Appreciation Rights will be exercisable during the Participant's lifetime only by him or her or, in the event of the Participant's legal incapacity to do so, by his or her guardian or legal representative acting on behalf of the Participant in a fiduciary capacity under state law and/or court supervision.

(b) Any Evidence of Award may provide that part or all of the shares of Common Stock that are (i) to be issued or transferred by the Company upon (A) the exercise of Options or Stock Appreciation Rights, (B) upon the termination of the Restriction Period applicable to Restricted Stock Units or (C) upon payment under any grant of Performance Shares or Performance Units or (ii) no longer subject to the substantial risk of forfeiture and restrictions on transfer referred to in Section 6 of this Plan, will be subject to further restrictions on transfer that are consistent with applicable law.

A-10

11. Change in Control.

(a) In the event of a Change in Control, but notwithstanding any other provision of the Plan to the contrary, the Board may, in its discretion, take any of the actions listed in this Section 11.

(i) provide that any Options and Stock Appreciation Rights outstanding which are not then exercisable and vested shall become immediately vested and fully exercisable;

(ii) provide that any Restricted Stock, Restricted Stock Unit and other Awards shall become vested in full;

provide that Performance Criteria applicable to Performance Shares and Performance Units or Management Objectives applicable to other Awards shall be deemed to be satisfied and such Awards shall be considered to be earned and payable in full;

(iv) provide for the assumption or substitution of equal or greater value of any Award on such terms and conditions as the Board deems appropriate and consistent with Section 409A of the Code;

make such settlements of outstanding Awards as it deems appropriate, including, without limitation, the
(v) cancellation of outstanding Awards in exchange for payments of cash, property or a combination thereof having an aggregate value equal to the value of such Awards, as determined by the Board in its sole discretion; and

provide for the cancellation without payment of each Option or Stock Appreciation Right or other Award with an
(vi) Option Price or Base Price (or similar amount) greater than the consideration offered in connection with any such Change in Control.

(a) The Board's actions need not be uniform, and may result in disparate treatment among Participants, Awards, and portions of the same Award, as the Board determines in its sole and absolute discretion.

Notwithstanding the foregoing, in the event the Board does not, for any reason, provide for the assumption or substitution with an award of equal or greater value of any Award (or portion thereof) pursuant to the Change in Control transaction, such Award (or portion thereof) shall become vested in full immediately prior to such Change in Control.

(c) To the extent the Board provides for the assumption or substitution with an award of equal or greater value of an outstanding Award (or portion thereof), then, to the extent not otherwise vested by the Board in accordance with the provisions of this Section 11 and notwithstanding any other provision of this Plan to the contrary, during the 12-month period following a Change in Control: (i) upon the involuntary termination of an Optionee or Participant's employment other than termination for Cause; (ii) upon the voluntary termination of employment by the Participant following a material and adverse change in the Optionee or Participant's compensation, responsibilities, functions or reporting relationship; or (iii) in the event an Optionee or Participant resigns rather than accept a mandatory relocation greater than 50 miles; then, in any such event, all outstanding Awards held by such Optionee or Participant shall become vested as of the Date of Termination. Any Option or Stock

Appreciation Right held by the Optionee or Participant as of the date of the Change in Control that remains outstanding as of the date of Termination of Employment may thereafter be exercised, until the earlier of (i) the third anniversary of the date of Termination of Employment; or (ii) the expiration of the Term of such Option or Stock Appreciation Right. Restricted Stock shall immediately be vested free and transferable. Restricted Stock Units, Performance Shares, Performance Units and other Awards shall be vested as of the Termination of Employment and settled as soon as practicable as specified in the Evidence of Award; provided, however, that if the Award is subject to Section 409A and the Optionee or Participant is a Specified Employee, the Award shall be settled on the first day of the seventh month following the Participant's Termination of Employment.

A-11

(d) For purposes of the Plan, a “Change in Control” shall mean any of the following events:

(i) The acquisition by any individual, entity or group (within the meaning of Section 13(d)(3) or 14(d)(2) of the Exchange Act (a “Person”)) of beneficial ownership (within the meaning of Rule 13d-3 promulgated under the Exchange Act) of 25% or more of the then-outstanding Shares of Common Stock plus any other outstanding shares of stock of the Corporation entitled to vote in the election of directors (the “Outstanding Company Voting Securities”); provided, however, that the Company and any employee benefit plan (or related trust) sponsored by it shall not be deemed to be a Person; or

(ii) A change in the composition of the Board such that the individuals who constitute the Board (the “Incumbent Board”) cease for any reason to constitute at least a majority of the Board. For this purpose, any individual whose election or nomination for election by the Company’s shareholders was approved by a vote of at least two-thirds of the directors then comprising the Incumbent Board shall be considered a member of the Incumbent Board; or

(iii) The consummation of a reorganization, merger, statutory share exchange or consolidation or similar corporate transaction involving the Company or any of its Subsidiaries or a sale or other disposition of substantially all of the assets of the Company or a material acquisition of assets or stock of another entity by the Company or any of its Subsidiaries, (each, a “Business Combination”) if:

(A) the individuals and entities that were the beneficial owners of the Outstanding Company Voting Securities immediately prior to such Business Combination do not beneficially own, directly or indirectly, more than 50% of the then-outstanding shares of stock and the combined voting power of the then-outstanding voting securities of the corporation resulting from such Business Combination; or

- (B) a Person beneficially owns, directly or indirectly, 25% or more of the then-outstanding shares of stock of the corporation resulting from such Business Combination; or
 - (C) members of the Incumbent Board do not comprise at least a majority of the members of the board of directors of the corporation resulting from such Business Combination; or
- (iv) A complete liquidation or dissolution of the Company.

If an Award is subject to Section 409A of the Code, any provision regarding the timing or form of payment upon a Change in Control shall be set forth in the Award Agreement when the Award is granted. The payment or settlement of any such Award that is subject to Section 409A of the Code shall accelerate upon a Change in Control only if the event also constitutes a “change in ownership,” “change in effective control,” or “change in the ownership of a substantial portion of the Company’s assets” as defined under Section 409A of the Code. Any adjustment to the Award that does not affect the Award’s status under Section 409A (including, but not limited to, accelerated vesting or adjustment of the amount of the Award) may occur upon a Change-in-Control as defined in the Plan without regard to this paragraph, even if the event does not constitute a “change in ownership,” “change in effective control,” or “change in the ownership of a substantial portion of the Company’s assets” under Section 409A.

12. Securities Act Compliance.

- (a) If the Board deems it necessary to comply with the Securities Act of 1933, as amended, and the regulations and rulings thereunder, the Board may require a written investment intent representation by the Optionee or Participant and may require a restrictive legend be affixed to certificates for shares of Common Stock.
- (b) If, based upon the opinion of counsel for the Company, the Committee determines that the exercise or nonforfeiture of, or delivery of benefits pursuant to, any Award would violate any applicable provision of (i) U.S. federal, state or local securities law or (ii) the listing requirements of any national securities exchange on which are listed any of the Company’s equity securities, then the Committee may postpone any such exercise, nonforfeiture or delivery, as the case may be, until such provisions would be satisfied. Nothing herein shall require the Company to take any actions to cause such exercise, nonforfeiture or delivery to comply with all such provisions.

13. Adjustments. The Board shall make or provide for such adjustments in the numbers of shares of Common Stock covered by outstanding Awards, the Option Price of Options and the Base Price of Stock Appreciation Rights, Options and in the kind of shares covered thereby, as the Board, in its sole discretion, exercised in good faith, may determine is equitably required to prevent dilution or enlargement of the rights of Participants or Optionees that otherwise would result from (a) any stock dividend, stock split, combination of shares, recapitalization or other change in the capital structure of the Company, (b) any merger, consolidation, spin-off, split-off, spin-out, split-up, reorganization, partial or complete liquidation or other distribution of assets, issuance of rights or warrants to purchase securities, or (c) any

other corporate transaction or event having an effect similar to any of the foregoing. The Board shall also make or provide for such adjustments in the numbers of shares of Common Stock specified in Section 3 of this Plan as the Board in its sole discretion, exercised in good faith, may determine is appropriate to reflect any transaction or event described in this Section 13; provided, however, that any such adjustment to the number specified in Section 3(a)(i) will be made only if and to the extent that such adjustment would not cause any Option intended to qualify as an Incentive Stock Option to fail to so qualify.

A-13

14. Administration of the Plan.

(a) This Plan will be administered by the Board, which may from time to time delegate all or any part of its authority under this Plan to the Compensation Committee (the “Committee”) of the Board (or a subcommittee thereof), as constituted from time to time. To the extent of any such delegation, references in this Plan to the Board will be deemed to be references to such Committee or subcommittee. A majority of the Board or Committee (or subcommittee), as applicable, will constitute a quorum, and the action of the members of the Board or Committee (or subcommittee) present at any meeting at which a quorum is present, or acts unanimously approved in writing, will be the acts of the Board or Committee (or subcommittee).

(b) The interpretation and construction by the Board of any provision of this Plan or of any agreement, notification or document evidencing the grant of Options, Stock Appreciation Rights, Restricted Stock, Restricted Stock Units, Performance Shares, Performance Units or other awards pursuant to Section 9 of this Plan and any determination by the Board pursuant to any provision of this Plan or of any such agreement, notification or document will be final and conclusive. No member of the Board will be liable for any such action or determination made in good faith.

(c) The Board or, to the extent of any delegation as provided in Section 14(a), the Committee, may delegate to one or more of its members or to one or more officers of the Company, or to one or more agents or advisors, such administrative duties or powers as it may deem advisable, and the Board, the committee, or any person to whom duties or powers have been delegated as aforesaid, may employ one or more persons to render advice with respect to any responsibility the Board, the Committee or such person may have under the Plan. The Board or the Committee may, by resolution and consistent with applicable law, authorize one or more officers of the Company to do one or both of the following on the same basis as the Board or the Committee: (i) designate employees to be recipients of awards under this Plan; (ii) determine the size of any such awards; provided, however, that (A) the Board or the Committee shall not delegate such responsibilities to any such officer for awards granted to an employee who is an officer, Director, or more than 10% beneficial owner of any class of the Company’s equity securities that is registered pursuant to Section 12 of the Exchange Act, as determined by the Board in accordance with Section 16 of the Exchange Act; (B) the resolution providing for such authorization sets forth the total number of shares of Common Stock such officer(s) may grant; and (C) the officer(s) shall report periodically to the Board or the Committee, as the case may be, regarding the nature and scope of the awards granted pursuant to the authority delegated.

15. Clawback. Any benefits the Optionee or Participant may receive under this Plan shall be subject to repayment or forfeiture as may be required to comply with (i) any applicable listing standards of a national securities exchange adopted in accordance with Section 954 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (regarding recovery of erroneously awarded compensation) and any implementing rules and regulations of the U.S. Securities and Exchange Commission adopted thereunder, (ii) similar rules under the laws of any other jurisdiction and (iii) any policies adopted by the Company to implement such requirements, all to the extent determined by the Company in its discretion to be applicable to the Optionee or Participant.

16. Recapture Provisions. Any Evidence of Award may provide for the cancellation or forfeiture of an award or the forfeiture and repayment to the Company of any gain related to an award, or other provisions intended to have a similar effect, upon such terms and conditions as may be determined from time to time by the Board.

A-14

17. Non U.S. Participants. In order to facilitate the making of any grant or combination of grants under this Plan, the Board may provide for such special terms for awards to Participants who are foreign nationals or who are employed by the Company or any Subsidiary outside of the United States of America or who provide services to the Company under an agreement with a foreign nation or agency, as the Board may consider necessary or appropriate to accommodate differences in local law, tax policy or custom. Moreover, the Board may approve such supplements to or amendments, restatements or alternative versions of this Plan (including without limitation, sub-plans) as it may consider necessary or appropriate for such purposes, without thereby affecting the terms of this Plan as in effect for any other purpose, and the Secretary or other appropriate officer of the Company may certify any such document as having been approved and adopted in the same manner as this Plan. No such special terms, supplements, amendments or restatements, however, will include any provisions that are inconsistent with the terms of this Plan as then in effect unless this Plan could have been amended to eliminate such inconsistency without further approval by the stockholders of the Company.

18. Withholding Taxes. To the extent that the Company is required to withhold federal, state, local or foreign taxes in connection with any payment made or benefit realized by a Participant or other person under this Plan, and the amounts available to the Company for such withholding are insufficient, it will be a condition to the receipt of such payment or the realization of such benefit that the Participant or such other person make arrangements satisfactory to the Company for payment of the balance of such taxes required to be withheld, which arrangements (in the discretion of the Board) may include relinquishment of a portion of such benefit. If a Participant fails to make arrangements for the payment of tax, the Company may withhold such tax from any other form of remuneration payable to the Participant, including, if it determines in its sole and absolute discretion, from shares of Common Stock payable pursuant to the Award having a value equal to the amount required to be withheld. When a Participant is required to pay the Company an amount required to be withheld under applicable income and employment tax laws, the Participant may elect to satisfy the obligation, in whole or in part, by electing to have withheld, from the shares required to be delivered to the Participant, shares of Common Stock having a value equal to the amount required to be withheld, or by delivering to the Company other shares of Common Stock held by such Participant. The shares used for tax withholding will be valued at an amount equal to the Market Value per Share of such Common Stock on the date the benefit is to be included in Participant's income. In no event shall the Market Value per Share of the Common Stock to be withheld and delivered pursuant to this Section 18 to satisfy applicable withholding taxes in connection with the benefit exceed the minimum amount of taxes required to be withheld. Participants shall also make such arrangements as the Company may require for the payment of any withholding tax obligation that may arise in connection with the disposition of shares of Common Stock acquired upon the exercise of Options.

19. Amendments, Termination Etc.

(a) The Board may at any time and from time to time amend the Plan in whole or in part; provided, however, that if an amendment to the Plan (i) would materially increase the benefits accruing to participants under the Plan, (ii) would materially increase the number of securities which may be issued under the Plan, (iii) would materially modify the requirements for participation in the Plan or (iv) must otherwise be approved by the stockholders of the Company in order to comply with applicable law or the rules of the principal national securities exchange upon which the Common Stock is traded or quoted, then, such amendment will be subject to stockholder approval and will not be effective

unless and until such approval has been obtained.

(b) Except in connection with a corporate transaction or event described in Section 13 of this Plan, the terms of outstanding awards may not be amended to reduce the Option Price of outstanding Options or the Base Price of outstanding Stock Appreciation Rights, or cancel outstanding Options or Stock Appreciation Rights in exchange for cash, other awards or Options or Stock Appreciation Rights with an Option Price or Base Price, as applicable, that is less than the Option Price of the original Options or Base Price of the original Stock Appreciation Rights, as applicable, without stockholder approval.

A-15

(c) If permitted by Section 409A of the Code, but subject to Section 20d) hereof, in case of termination of employment by reason of death, disability or normal or early retirement, or in the case of unforeseeable emergency or other special circumstances, of a Participant who holds an Option or Stock Appreciation Right not immediately exercisable in full, or any shares of Restricted Stock as to which the substantial risk of forfeiture or the prohibition or restriction on transfer has not lapsed, or any Restricted Stock Units as to which the Restriction Period has not been completed, or any Performance Shares or Performance Units which have not been fully earned, or any other awards made pursuant to Section 9 subject to any vesting schedule or transfer restriction, or who holds Common Stock subject to any transfer restriction imposed pursuant to Section 10(b) of this Plan, or in the case of a change of control, the Board may, in its sole discretion, accelerate the time at which such Option, Stock Appreciation Right or other award may be exercised or the time at which such substantial risk of forfeiture or prohibition or restriction on transfer will lapse or the time when such Restriction Period will end or the time at which such Performance Shares or Performance Units will be deemed to have been fully earned or the time when such transfer restriction will terminate or may waive any other limitation or requirement under any such award.

(d) Subject to Section 20(b) hereof, the Board may amend the terms of any award theretofore granted under this Plan prospectively or retroactively. Subject to Section 13 above, no such amendment shall impair any material right of any Participant without his or her consent. The Board may, in its discretion, terminate this Plan at any time. Termination of this Plan will not affect the rights of Participants or their successors under any awards outstanding hereunder and not exercised in full on the date of termination.

20. Compliance with Section 409A of the Code.

(a) To the extent applicable, it is intended that this Plan and any grants made hereunder comply with the provisions of Section 409A of the Code, so that the income inclusion provisions of Section 409A(a)(1) of the Code do not apply to the Participants. This Plan and any grants made hereunder shall be administered in a manner consistent with this intent. Any reference in this Plan to Section 409A of the Code will also include any regulations or any other formal guidance promulgated with respect to such Section by the U.S. Department of the Treasury or the Internal Revenue Service.

(b) Neither a Participant nor any of a Participant's creditors or beneficiaries shall have the right to subject any deferred compensation (within the meaning of Section 409A of the Code) payable under this Plan and grants hereunder to any anticipation, alienation, sale, transfer, assignment, pledge, encumbrance, attachment or garnishment. Except as permitted under Section 409A of the Code, any deferred compensation (within the meaning of Section 409A of the Code) payable to a Participant or for a Participant's benefit under this Plan and grants hereunder may not be reduced by, or offset against, any amount owing by a Participant to the Company or any of its affiliates.

(c) If, at the time of a Participant's separation from service (within the meaning of Section 409A of the Code), (i) the Participant shall be a specified employee (within the meaning of Section 409A of the Code and using the identification methodology selected by the Company from time to time) and (ii) the Company shall make a good faith determination that an amount payable hereunder constitutes deferred compensation (within the meaning of Section 409A of the Code) the payment of which is required to be delayed pursuant to the six-month delay rule set forth in Section 409A of the Code in order to avoid taxes or penalties under Section 409A of the Code, then the Company shall not pay such amount on the otherwise scheduled payment date but shall instead pay it, without interest, on the earlier of the tenth business day following (i) the seventh month after such Separation of Service, (ii) the Participant's death, (iii) or such earlier date or event on which such amount may be paid without violating the provisions of Code Section 409A.

A-16

(d) Notwithstanding any provision of this Plan and grants hereunder to the contrary, in light of the uncertainty with respect to the proper application of Section 409A of the Code, the Company reserves the right to make amendments to this Plan and grants hereunder as the Company deems necessary or desirable to avoid the imposition of taxes or penalties under Section 409A of the Code. In any case, a Participant shall be solely responsible and liable for the satisfaction of all taxes and penalties that may be imposed on a Participant or for a Participant's account in connection with this Plan and grants hereunder (including any taxes and penalties under Section 409A of the Code), and neither the Company nor any of its affiliates shall have any obligation to indemnify or otherwise hold a Participant harmless from any or all of such taxes or penalties.

21. Code Section 162(m) Provisions.

(a) Covered Employees.

Notwithstanding any other provision of the Plan, if the Committee determines that any Award is being granted to a Participant who is, or is likely to be, as of the end of the tax year in which the Company would claim a tax deduction in connection with such Award, a "covered employee" (within the meaning of 162(m) (3) of the Code), then the Committee may provide that this Section 21 is applicable to such Award.

(b) Performance Goals.

(i) If an Award is subject to this Section 18, then the lapsing of restrictions thereon and the distribution of Shares or other property pursuant thereto, as applicable, shall be subject to the achievement of one or more specified levels of Performance Criteria as defined in Appendix A. Such Performance Criteria may be based solely by reference to the Company's performance or the performance of a division or business unit of the Company, or based upon the relative performance of other companies or upon comparisons of any of the indicators of performance relative to other companies. The Committee may also exclude the impact of an event or occurrence which the Committee determines should appropriately be excluded, including (a) restructurings, discontinued operations, extraordinary items, and other unusual or non-recurring charges, (b) an event either not directly related to the operations of the Company or not within the reasonable control of the Company's management, or (c) a change in accounting standards required by generally accepted accounting principles; provided that the Committee may not make any adjustment to the extent it would adversely affect the qualification of any compensation payable under such Performance Criteria as "performance-based compensation" under Section 162(m). Such Performance Criteria shall be set by the

Committee within the time period prescribed by, and shall otherwise comply with the requirements of, Section 162(m) of the Code, or any successor provision thereto, and the regulations thereunder. Before any payments are made with

respect to any Awards subject to this Section 21, the Committee shall certify in writing whether and to what extent the Performance Criteria relating to such payment have been met.

(c) Other Restrictions.

The Committee shall have the power to impose such other restrictions on Awards subject to this Section 21 as it (i) may deem necessary or appropriate to ensure that such Awards satisfy all requirements for “performance-based compensation” within the meaning of Section 162(m)(4)(C) of the Code, or any successor provision thereto.

A-17

22. Code Section 280G Reduction in Awards.

(a) Notwithstanding anything to the contrary contained in this Plan, in the event the Company determines, in its sole discretion, that any payment or distribution by the Company to or for the benefit of any Participant (whether paid or payable or distributed or distributable pursuant to the terms of this Plan or otherwise) (collectively, "Payments") would be subject to the excise tax imposed by Section 4999 of the Code or any interest or penalties are incurred by the Participant with respect to such excise tax (such excise tax, together with any such interest and penalties, are hereinafter collectively referred to as the "Excise Tax"), then there shall be made a calculation under which such Payments provided to the Participant are reduced to the extent necessary so that no portion thereof shall be subject to the Excise Tax (the "4999 Limit"). A comparison shall then be made between (A) Participant's Net After-Tax Benefit (as defined below) assuming application of the 4999 Limit; and (B) Participant's Net After-Tax Benefit without application of the 4999 Limit. If (B) exceeds (A), then no limit on the Payments received by Participant under this Agreement shall be imposed by this Section 22. Otherwise, the amount payable to Executive pursuant to this Agreement shall be reduced so that no such Payment is subject to the Excise Tax. "Net After-Tax Benefit" shall mean the sum of (x) all payments that Participant receives or is entitled to receive that are in the nature of compensation and contingent on a change in the ownership or effective control of the Company or in the ownership of a substantial portion of the assets of the Company within the meaning of Code Section 280G(b)(2) (either, a "Section 280G Transaction"), less (y) the amount of federal, state, local and employment taxes and Excise Tax (if any) imposed with respect to such payments.

(b) In the event that a reduction in Payments is required pursuant to the immediately preceding paragraph, then, except as provided below with respect to Payments that consist of health and welfare benefits, the reduction in Payments shall be implemented by determining the "Parachute Payment Ratio" (as defined below) for each Payment and then reducing the Payments in order beginning with the Payment with the highest Parachute Payment Ratio. For Payments with the same Parachute Payment Ratio, such Payments shall be reduced based on the time of payment of such Payments, with amounts being paid furthest in the future being reduced first. For Payments with the same Parachute Payment Ratio and the same time of payment, such Payments shall be reduced on a pro-rata basis (but not below zero) prior to reducing Payments next in order for reduction. For purposes of this Section, "Parachute Payment Ratio" shall mean a fraction, the numerator of which is the value of the applicable Payment as determined for purposes of Code Section 280G, and the denominator of which is the financial present value of such Parachute Payment, determined at the date such payment is treated as made for purposes of Code Section 280G (the "Valuation Date"). In determining the denominator for purposes of the preceding sentence (1) present values shall be determined using the same discount rate that applies for purposes of discounting payments under Code Section 280G; (2) the financial value of payments shall be determined generally under Q&A 12, 13 and 14 of Treasury Regulation 1.280G-1; and (3) other reasonable valuation assumptions as determined by Company shall be used. Notwithstanding the foregoing, Payments that consist of health and welfare benefits shall be reduced after all other Payments, with health and welfare Payments being made furthest in the future being reduced first.

Notwithstanding the foregoing, if a Participant is a party to an employment or other agreement with the Company or participates in a severance program sponsored by the Company or one of its affiliates that contains express provisions regarding Section 280G or Section 4999 of the Code (or any similar successor provision), the Section 280G or Section

4999 provisions of such employment or other agreement or plan, as applicable, shall control as to any Payments due that Participant.

23. **Governing Law.** The Plan and all grants and awards and actions taken thereunder shall be governed by and construed in accordance with the internal substantive laws of the State of Wyoming.

A-18

24. **Effective Date/Expiration.** This Plan will be effective as of the Effective Date, which is the date on which the Plan is adopted by the Board. The Plan shall be submitted to the Company's stockholders for approval. Unless the Plan is approved by the Company's stockholders within twelve (12) months before or after the Effective Date, the Plan and all Awards made under it shall be void and of no force and effect. No grant will be made under this Plan more than ten (10) years from the date the Plan is adopted, or the date the Plan is approved by the Company's shareholders, whichever is earlier but all grants made on or prior to such date will continue in effect thereafter subject to the terms thereof and of this Plan. The provisions of this Section 24 shall be applied to the Plan, as amended and restated, as if the Plan were originally established on the date that the Amended and Restated 2012 Equity and Performance Incentive Plan is adopted, and accordingly, the Plan will not expire until ten (10) years following the date the Amended and Restated 2012 Equity and Performance Incentive Plan is adopted.

25. Miscellaneous.

(a) The Company will not be required to issue any fractional shares of Common Stock pursuant to this Plan. The Board may provide for the elimination of fractions or for the settlement of fractions in cash.

(b) This Plan will not confer upon any Participant any right with respect to continuance of employment or other service with the Company or any Subsidiary, nor will it interfere in any way with any right the Company or any Subsidiary would otherwise have to terminate such Participant's employment or other service at any time.

(c) To the extent that any provision of this Plan would prevent any Option that was intended to qualify as an Incentive Stock Option from qualifying as such, that provision will be null and void with respect to such Option. Such provision, however, will remain in effect for other Options and there will be no further effect on any provision of this Plan.

(d) No award under this Plan may be exercised by the holder thereof if such exercise, and the receipt of cash or stock thereunder, would be, in the opinion of counsel selected by the Board, contrary to law or the regulations of any duly constituted authority having jurisdiction over this Plan.

(e) Absence or leave approved by a duly constituted officer of the Company or any of its Subsidiaries shall not be considered interruption or termination of service of any employee for any purposes of this Plan or awards granted hereunder.

(f) No Participant shall have any rights as a stockholder with respect to any shares subject to awards granted to him or her under this Plan prior to the date as of which he or she is actually recorded as the holder of such shares upon the stock records of the Company.

(g) The Board may, to the extent compliant with applicable law, condition the grant of any award or combination of awards authorized under this Plan on the surrender or deferral by the Participant of his or her right to receive a cash bonus or other compensation otherwise payable by the Company or a Subsidiary to the Participant.

(h) If any provision of the Plan is or becomes invalid, illegal or unenforceable in any jurisdiction, or would disqualify the Plan or any award under any law deemed applicable by the Board, such provision shall be construed or deemed amended or limited in scope to conform to applicable laws or, in the discretion of the Board, it shall be stricken and the remainder of the Plan shall remain in full force and effect.
