Item 1.01. Entry into a Material Definitive Agreement.

On January 29, 2014, Post Holdings, Inc. (the “Company” or “Post”) entered into a Credit Agreement (the “Credit Agreement”) among the Company, the institutions from time to time party thereto as Lenders (the “Lenders”), Barclays Bank PLC, Credit Suisse Securities (USA) LLC, Goldman Sachs Bank USA and Wells Fargo Securities, LLC, as Joint Lead Arrangers and Joint Bookrunners, Barclays Bank PLC, as Syndication Agent, Credit Suisse AG, Cayman Islands Branch and Goldman Sachs Bank USA, as Documentation Agents, and Wells Fargo Bank, National Association, as Administrative Agent for the Lenders (in such capacity, the “Agent”). The Credit Agreement provides for a revolving credit facility in an aggregate principal amount of \$300,000,000 (the “Revolving Credit Facility”) and potential incremental revolving and term facilities at the request of the Company and at the discretion of the Lenders, on terms to be determined and in a maximum aggregate amount not to exceed the greater of \$300 million and an amount such that the Company’s pro forma senior secured leverage ratio would not exceed 2.50 to 1.00. The Company intends to use the proceeds of loans under the Credit Agreement for general corporate purposes, which may include, among other things, financing acquisitions, working capital and capital expenditures. The outstanding amounts under the Revolving Credit Facility must be repaid on or before January 29, 2019.

Borrowings under the Revolving Credit Facility bear interest at the Eurodollar Rate or the Base Rate (as such terms are defined in the Credit Agreement) plus an applicable margin ranging from 2.00% to 2.50% for Eurodollar Rate-based loans and from 1.00% to 1.50% for Base Rate-based loans, depending upon the Company’s senior secured leverage ratio.

The Credit Agreement contains customary affirmative and negative covenants for agreements of this type, including delivery of financial and other information, compliance with laws, maintenance of property, existence, insurance and books and records, inspection rights, obligation to provide collateral and guarantees by new subsidiaries, preparation of environmental reports, participation in an annual meeting with the Agent and the Lenders, further assurances, satisfaction of post-closing obligations, limitations with respect to indebtedness, liens, fundamental changes, restrictive agreements, use of proceeds, amendments of organization documents, accounting changes, prepayments and amendments of indebtedness, dispositions of assets, acquisitions and other investments, sale leaseback transactions, conduct of business, transactions with affiliates, dividends and redemptions or repurchases of stock, capital expenditures, and granting liens on real property.

The Credit Agreement also contains customary financial covenants including (a) a quarterly maximum senior secured leverage ratio of 2.75 to 1.00, and (b) a quarterly minimum interest coverage ratio of 1.75 to 1.00.

The Credit Agreement provides for customary events of default, including material breach of representations and warranties, failure to make required payments, failure to comply with certain agreements or covenants, failure to pay, or default under, certain other material indebtedness, certain events of bankruptcy and insolvency, inability to pay debts, the occurrence of one or more unstayed or undischarged judgments in excess of \$35 million or attachments issued against a material part of the Company’s property, change in control, the invalidity of any loan document, the failure of the collateral documents to create a valid and perfected first priority lien, and certain ERISA events. Upon the occurrence of an event of default, the Agent will, at the request of, or may, with the consent of, lenders holding more than 50% in principal amount of lender commitments and outstanding loans under the Credit Agreement, cause the maturity of the loans to be accelerated and exercise other rights and remedies available at law or under the loan documents, including with respect to the collateral and guarantees for the Company’s obligations under the Credit Agreement.

The Company’s obligations under the Credit Agreement are unconditionally guaranteed by each of its existing and subsequently acquired or organized domestic subsidiaries. As of this date, the guarantors are Post Foods, LLC, Attune Foods, LLC, Premier Nutrition Corporation, Premier Protein, Inc., Agricore United Holdings Inc., Dakota Growers Pasta Company, Inc., Primo Piatto, Inc. and DNA Dreamfields Company, LLC (the “Guarantors”). The Company’s obligations under the Credit Agreement are secured by security interests on substantially all of the assets of the Company and the Guarantors, except for real property, which will be added to the collateral if the Company incurs additional debt in excess of \$150 million under the Credit Agreement.

Affiliates of the Agent and certain of the Lenders have provided certain financial and other advisory services to the Company, including acting as initial purchasers in the Company’s recent issuances of senior notes and preferred stock and advisory services with respect to the Company’s recently completed acquisition of Agricore United Holdings Inc.

and its subsidiaries, including Dakota Growers Pasta Company, Inc.
