Item 1.01.

Entry into a Material Definitive Agreement.

On December 11, 2017, VistaGen Therapeutics, Inc. (the “Company”) entered into an underwriting agreement (the “Underwriting Agreement”) with Oppenheimer & Co. Inc., as the representative of the several underwriters named in the Underwriting Agreement (the “Underwriters”), relating to the issuance and sale (the “Offering”) of 10,000,000 shares (the “Shares”) of the Company’s common stock, \$0.001 par value per share (the “Common Stock”), and warrants (the “Warrants”) to purchase an aggregate total of 10,000,000 shares of Common Stock. Each Warrant is immediately exercisable, has an exercise price of \$1.50 per share, and will terminate five years from the date of issuance. Each share of Common Stock was sold together with a Warrant to purchase one share of Common Stock, for a combined public offering price of \$1.50 per Share and related Warrant, resulting in gross proceeds to the Company of \$15,000,000.

Pursuant to the terms of the Underwriting Agreement, on December 13, 2017 (the “Closing Date”) the Company received net proceeds of approximately \$13,600,000, after deducting the underwriting discount, estimated legal fees and other offering expenses payable by the Company.

Following the issuance of the Shares on the Closing Date, the Company now has 21,848,974 shares of Common Stock outstanding.

The Offering was conducted pursuant to the Company’s effective registration statement on Form S-1 (File No. 333-221009) and prospectus dated December 11, 2017.

The Underwriting Agreement contains customary representations, warranties and agreements by the Company, customary conditions to closing, indemnification obligations of the Company and the Underwriters, including for liabilities under the Securities Act of 1933, as amended, other obligations of the parties, and termination provisions.

Pursuant to the Underwriting Agreement, subject to certain exceptions, the Company, as well as its directors and officers, have each agreed for a period of 90 days after the Closing Date not to sell or otherwise dispose of any of the Company’s securities held by them without first obtaining the written consent of the Underwriters.

The foregoing is only a brief description of the material terms of the Underwriting Agreement, does not purport to be a complete description of the rights and obligations of the parties thereunder, and is qualified in its entirety by reference to the Underwriting Agreement that is filed as Exhibit 1.1 to this Current Report on Form 8-K and incorporated by reference herein.

The Underwriting Agreement has been attached hereto as an exhibit to provide investors and security holders with information regarding its terms. It is not intended to provide any other factual information about the Company. The representations, warranties and covenants contained in the Underwriting Agreement were made only for purposes of the Underwriting Agreement and as of specific dates, were solely for the benefit of the parties to the Underwriting Agreement, and may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures exchanged between the parties in connection with the execution of the Underwriting Agreement.
