Report of Independent Registered Public Accounting Firm

Plan Administrator Peoples Bancorp Inc. Retirement Savings Plan Marietta, Ohio

We have audited the accompanying statements of net assets available for benefits of Peoples Bancorp Inc. Retirement Savings Plan as of December 31, 2007 and 2006 and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Plan is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audits included consideration of internal control over financial reporting as a basis for designing auditing procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion. Our audits also included examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Peoples Bancorp Inc. Retirement Savings Plan as of December 31, 2007 and 2006, and the changes in its net assets available for benefits for the years then ended in conformity with accounting principles generally accepted in the United States of America.

The accompanying supplemental schedule is presented for the purpose of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

Peoples Bancorp Inc. Retirement Savings Plan Notes to Financial Statements December 31, 2007 and 2006

Note 1: Description of the Plan

The following is a description of the Peoples Bancorp Inc. Retirement Savings Plan ("the Plan") and provides only general information. Participants should refer to the Plan Document and Summary Plan Description for a more complete description of the Plan's provisions, which are available from the plan administrator.

General

The Plan is a defined contribution plan sponsored by Peoples Bancorp Inc. ("Peoples") for the benefit of its full-time employees and those of its subsidiaries who have at least one hour of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). INVESCO National Trust Company (formally AMVESCAP National Trust Company) was the trustee and custodian of the Plan through June 30, 2007. Effective July 1, 2007, Reliance National Trust Company became the trustee and serves as the custodian of the Plan.

Contributions

The Plan permits eligible employees through a salary deferral election to make annual contributions of up to 100% of eligible compensation. Employee rollover contributions are also permitted under the Plan. Peoples makes matching contributions of 100% of the employees' salary deferral amounts up to 3% of the employees' compensation and 50% of the employees' salary deferral amounts on the next 2% of the employees' compensation. Peoples' profit-sharing contributions are discretionary as determined by the Peoples' Board of Directors. Contributions are subject to certain limitations, while forfeitures are used to reduce Peoples' contributions.

Participant Investment Account Options

Investment account options available include various funds. Each participant has the option of directing contributions into any of the separate investment accounts and may change the allocation daily.

The Plan Document also includes an automatic deferral feature whereby a participant is treated as electing to defer a certain percentage of eligible compensation unless the participant made an affirmative election otherwise.

Participant Accounts

Each participant's account is credited with the participant's contribution, Peoples' contribution and Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants are immediately vested in their voluntary contributions and matching contributions plus earnings thereon.

Payment of Benefits

Upon termination of service, an employee may elect to receive either a lump-sum amount equal to the value of his or her account or monthly, quarterly, or annual installments over a period of not more than the participant's assumed life expectancy.

Participant Loans

The Plan Document includes provisions authorizing loans from the Plan to active eligible participants. Loans are made to any eligible participant demonstrating a qualifying need. The minimum amount of a loan shall be \$1,000. Participants may only have one loan outstanding at any given time. The maximum amount of a participant's loan is determined by the available loan balance restricted to the lesser of \$50,000 or 50% of the participant's vested account balance. All loans are covered by demand notes and are repayable over a period not to exceed five years (except for loans for the purchase of a principal residence, which may exceed the five-year term with approval from the Plan Administrator) through payroll withholdings unless the participant is paying the loan in full. Interest on the loans is based on local prevailing rates as determined by the plan administrator.

Plan Termination

Although it has not expressed an intention to do so, Peoples has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA.

Note 2: Summary of Significant Accounting Policies

Method of Accounting

The accompanying financial statements are prepared on the accrual method of accounting.

Peoples Bancorp Inc. Retirement Savings Plan Notes to Financial Statements December 31, 2007 and 2006

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition

Quoted market prices, if available, are used to value investments. Participant loans are valued at cost, which approximates fair value.

The investments in Peoples Bancorp Inc. Common Stock, has been unitized and is comprised of cash and Peoples Bancorp Inc. Common Stock. The Plan holds between 3% and 5% of these units in cash in order to provide liquidity for timely distributions. At December 31, 2007 and 2006, these units are comprised of 249,350 and 246,965 shares of Peoples Bancorp Inc. Common Stock and cash of \$251,155 and \$262,107, respectively.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis while dividends are recorded on the ex-dividend date.

Plan Tax Status

The Plan obtained its latest determination letter on January 30, 2004, in which the Internal Revenue Service stated that the Plan and related trust, as then designed, were in compliance with the applicable requirements of the Internal Revenue Code and therefore not subject to tax.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Note 4: Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such employer or employee association, or relatives of such persons.

The Plan holds common stock of Peoples Bancorp Inc., which is the plan sponsor. The Plan also invests in certain funds of the Plan trustees. The Plan paid \$62,926 and \$56,908 of recordkeeping fees to the trustees of the Plan (as discussed in Note 1) during 2007 and 2006, respectively. Peoples provides certain administrative services at no cost to the Plan.

Peoples Bancorp Inc. Retirement Savings Plan Notes to Financial Statements December 31, 2007 and 2006

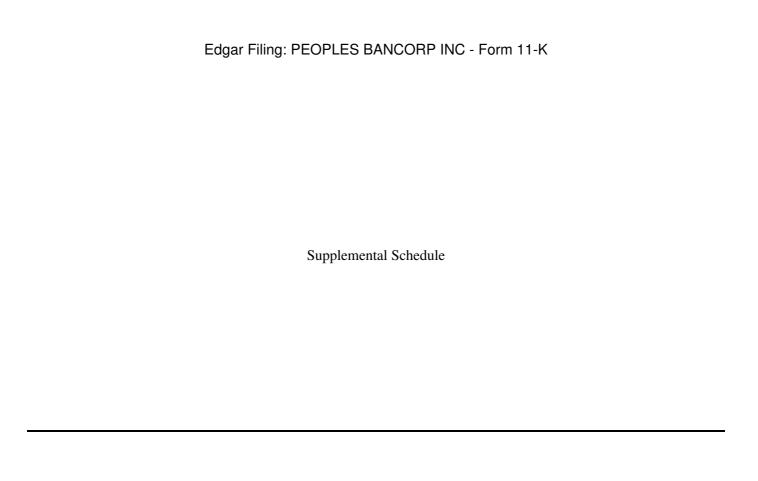

Note 5: Risks and Uncertainties

The Plan provides for various investments in common stock, mutual funds, and common/collective trust funds. Such investments, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of these investments will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for benefits and participant account balances.

Note 6: Subsequent Event

Effective March 1, 2008, the Plan was amended to add an Employee Stock Ownership Plan ("ESOP") feature to the Plan. The Plan is not leveraged and will consist of two components, the ESOP Feature and the Non-ESOP Feature. The ESOP Feature is designed to invest primarily in Peoples Bancorp Inc. Common Stock and is hereby formally designated as an ESOP within the meaning of Internal Revenue Code Section 4975(e)(7). The ESOP Feature consists of the portion of the assets of the Plan that on and after the effective date are invested in the Peoples Bancorp Inc. Common Stock Fund. The ESOP Feature is intended to qualify as a stock bonus plan under Internal Revenue Code Section 401(a) and as an employee stock ownership plan under Internal Revenue Code Section 4975(e)(7).

Peoples intends that the Non-ESOP Feature and the ESOP Feature together constitute a single plan under Treasury Regulation Section 1.414(1)-1(b)(1). Accordingly, the provisions set forth in the other sections of the Plan apply to the ESOP Feature in the same manner as those provisions apply to the Non-ESOP Feature, except to the extent that those provisions by their terms are inapplicable to the ESOP Feature.
