F&M Bank Reports Strong Performance

During First Quarter

COLUMBIA, Tenn., May 25, 2007 - First Farmers & Merchants Bank recently reported considerable increases in key metrics, including net income, return on average assets, return on equity and earnings per share, during its first financial quarter. F&M also reported zero loan losses and a net recovery of 0.03 percent of loans previously written off - an accomplishment rarely achieved in the banking industry.

"2007 holds great promise for First Farmers & Merchants Bank as we are poised to build on our success by expanding into new markets," said T. Randy Stevens, F&M chairman and CEO. "We have an excellent leadership team in place, perhaps the best in my 34-year career with the bank, and continue to attract outstanding new talent, such as Harvey Church, Maury County Senior Executive/Private Banking, and Craig Holland, Williamson County President. In short, we have the people, the plan and the momentum for continued growth."

Highlights of F&M's first quarter:

• Year-to-date net income is up 24.45 percent - growing from \$1.64 million in the first quarter of 2006 to \$2.05

"F&M has done an outstanding job of maintaining excellent asset quality," said Stevens. "2007 promises to be an important year in First Farmers & Merchants' 98-year history. We look forward to sharing more good news in the months to come."
