Section 2 Financial Information

Item 2.02. Results of Operations and Financial Condition.

This Current Report on Form 8-K includes as an exhibit a press release, dated January 11, 2008, reporting the following items in connection with its fourth quarter financial results: (a) a pre-tax gain on the previously disclosed sales of the Company's interest in its Dell Financial Services joint venture and its Systems Leasing business, (b) an increase in reserves for credit losses, predominantly relating to the Company's held for investment home lending portfolio, and (c) a pre-tax loss on the previously disclosed disposition of certain home lending receivables held-for-sale and a lower-of-cost-or-market adjustment on the remaining receivables held-for-sale. The press release is attached as Exhibit 99.1. The information furnished under this Item 2.02, including Exhibit 99.1, shall be considered furnished for purposes of the Securities Exchange Act of 1934, as amended.

Item 2.06. Material Impairments

On January 10, 2008, the Board of Directors of CIT Group Inc. authorized the Registrant to write-off all goodwill and intangibles related to the Company's student lending business acquired in 2005. This write-off is expected to reduce net income by approximately \$300 million and is referred to in the fourth bullet point of the second paragraph of Exhibit 99.1. This non-cash charge is driven by recent decreases in market valuations for student lending businesses, and lower profit expectations for this business as a result of higher funding cost (both secured and unsecured).
