CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS

The information contained in this Current Report on Form 8-K, including any exhibits being furnished as part of this report, as well as other statements made by the Company, may contain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, that reflect, when made, the Registrant’s current views with respect to current events and financial performance. The words “possible,” “propose,” “might,” “could,” “would,” “projects,” “forecasts,” “anticipates,” “expect,” “intend,” “believe,” “seek,” or “may,” and the negative of these terms and other comparable terminology, are intended to identify forward-looking statements, but are not the exclusive means of identifying them. These forward-looking statements may include statements other than historical information or statements of current condition, which represent only the Registrant’s belief regarding future events, many of which, by their nature, are inherently uncertain and outside of the Registrant’s control. Forward-looking statements are subject to a number of risks, contingencies and uncertainties, some of which our management has not yet identified. Forward-looking statements are not guarantees of future performance; subsequent developments may cause forward-looking statements to become outdated; and actual results, developments and business decisions may differ materially from those contemplated by such forward-looking statements as a result of various factors, certain (but not all) of which are discussed in the risk factors included in the Registrant’s reports filed with the SEC including, but not limited to, their Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q. The Registrant disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events and/or otherwise. Similarly, these and other factors can affect the value of the Company’s common stock and/or other equity securities.
