PROXY STATEMENT

Edgar Filing: FINISHMASTER INC - Form DEF 14A

This Proxy Statement is being furnished to the holders of common stock, without par value (the "Common Stock"), of FinishMaster, Inc., an Indiana corporation (the "Company"), in connection with the solicitation of proxies by the Board of Directors of the Company to be voted at the Annual Meeting of Shareholders to be held at 9:30 a.m., local time, on Thursday, May 9, 2002, at Adam's Mark Hotel-Downtown, 120 West Market Street, Indianapolis, Indiana, and at any adjournment of such meeting. This Proxy Statement is expected to be mailed to shareholders on or about April 8, 2002.

The proxy solicited hereby, if properly signed and returned to the Company and not revoked prior to its use, will be voted in accordance with the instructions contained therein. If no contrary instructions are given, each proxy received will be voted "FOR" each of the matters described below, and upon the transaction of such other business as may properly come before the meeting, in accordance with the best judgment of the persons appointed as proxies.

Any shareholder giving a proxy has the power to revoke it at any time before it is exercised by (i) filing with the Secretary of the Company (Robert R. Millard, 54 Monument Circle, Suite 600, Indianapolis, Indiana 46204) written notice of the shareholder's revocation at any time before the commencement of the meeting, (ii) submitting a duly executed proxy bearing a later date, or (iii) appearing at the Annual Meeting and giving the Secretary notice of his or her intention to vote in person. Proxies solicited hereby may be exercised only at the Annual Meeting and any adjournment thereof and will not be used for any other meeting.

The purpose of this Annual Meeting of Shareholders shall be to (i) elect Directors and (ii) transact such other business as may properly come before the meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The Common Stock is the only voting stock of the Company. Holders of record at the close of business on March 22, 2002, are entitled to one (1) vote for each share of Common Stock held. As of March 1, 2002, there were 7,648,363 shares of the Company's Common Stock issued and outstanding, and the Company had no other class of equity securities outstanding. Holders of Common Stock entitled to vote at the meeting do not have cumulative voting rights in respect of the election of Directors.

In an election of Directors, each Director is elected by a plurality of the votes cast. Other actions are authorized if the number of votes cast in favor of an action exceeds the number of votes cast opposing the action. Proxies received which contain abstentions or broker non-votes as to any matter will be included in the calculation of the presence of a quorum, but will not be counted as votes cast for or against the action to be taken on the matter. Therefore, abstentions or broker non-votes will have no effect in the election of Directors or in other matters to be considered.

The Board of Directors currently consists of nine members. Unless otherwise directed, each proxy executed and returned by a shareholder will be voted for the election of the nominees to the Board of Directors listed below under the caption "Director Nominees," to hold office until the next Annual Meeting or until their successors are elected. In the event any nominee should be unable or unwilling to stand for election at the time of the Annual Meeting, the proxy holders will nominate and vote for a replacement nominee recommended by the Board of Directors. Proxies will be voted only to the extent of the number of nominees named. At this time, the Board of Directors knows of no reason why any nominee may not be able to serve as a Director if elected. Directors are elected to serve until the next Annual Meeting or until their successors are elected and qualified.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "1934 Act"), requires the Company's Directors and executive officers and beneficial owners of more than 10% of the Company's equity securities to file with the Securities and Exchange Commission ("SEC") certain reports regarding the ownership of the Company's securities or any changes in such ownership. Officers, directors and greater than 10% shareholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms that they file.

There are specific due dates for these reports, and the Company is required to disclose in this Proxy Statement any failure to file by those dates during the last year. To the Company's knowledge, based solely on its review of the copies of such reports furnished to the Company and written representations that no other reports were required, all Section 16(a) filing requirements applicable to the Company's officers, directors and greater than 10% beneficial owners were complied with during the year ended December 31, 2001, except that David Knall reported the purchase of 1,900 shares in the open market made on June 25, 2001, on a Form 5 at year-end rather than on a Form 4 in July as required, and Tom Young filed an amended Form 5 at year-end reporting his disposition of 1,300 shares in prior years.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Overview and Philosophy

The Compensation Committee is responsible for developing and making recommendations to the Board with respect to the Company's executive compensation policies. In addition, the Compensation Committee, pursuant to authority delegated by the Board, determines on an annual basis the compensation to be paid to the executive officers of the Company.

The objectives of the Company's executive compensation program are to:

- o Support the achievement of desired Company performance.
- o Provide compensation that will attract and retain superior talent and reward performance.
- o Align the executive officers' interests with the success of the Company by placing a portion of pay at risk, with payout dependent upon corporate performance.

The executive compensation program provides an overall level of compensation opportunity that is competitive with companies of comparable size and complexity. The Compensation Committee will use its discretion to set executive compensation at a level where, in its judgment, external or internal circumstances warrant it.

Executive Officer Compensation Program

The Company's executive officer compensation program is comprised of base salary, annual cash incentive compensation, long-term incentive compensation in the form of stock options, and various benefits, including medical and deferred compensation plans, generally available to employees of the Company.

Base Salary

Base salary levels for the Company's executive officers are competitively set relative to other comparable companies. In determining salaries, the Committee also takes into account individual experience and performance.

Annual Incentive Compensation

The Company's annual incentive program for executive officers and key managers provide direct financial incentives in the form of an annual cash bonus

Edgar Filing: FINISHMASTER INC - Form DEF 14A

based on the Company's ability to meet or exceed a select group of financial targets which include consolidated earnings before interest, taxes, depreciation, and amortization (EBITDA), net working capital turns, and corporate and departmental expenses as a percent of net sales compared to the annual operating plan. Specific individual performance is also taken into account in determining bonuses.

Stock Option Program

The stock option program is the Company's long-term incentive plan for executive officers and key employees. The objectives of the program are to align executive and shareholder long-term interests by creating a strong and direct link between executive pay and shareholder return, and to enable executives to develop and maintain a significant, long-term ownership position in the Company's Common Stock.

The Stock Option Plan provides for the grant of both incentive stock options intended to qualify for preferential tax treatment under Section 422 of the Internal Revenue Code of 1986, as amended, and non-qualified stock options that do not qualify for such treatment. The Stock Option Plan authorizes a committee of directors to award stock options to executives and key employees. The Compensation Committee functions as the Stock Option Plan committee. Stock options are granted at an option price no less than the fair market value of the Company's Common Stock on the date of grant, have ten-year terms and can have exercise restrictions established by the Compensation Committee. A total of 750,000 shares of Common Stock have been reserved for issuance under the Stock Option Plan.

Deferred Compensation

The Company's employees participate in the FinishMaster, Inc. 401(k) Employees Savings Plan. The 401(k) plan is a "cash or deferred" plan under which employees may elect to contribute a certain portion of their annual compensation which they would otherwise be eligible to receive in cash. Prior to January 1, 2002, the Company made a matching contribution on the first 6% of employee contributions on a tiered formula based on years of eligibility (first year - 10%, second year - 15%, third year - 20%, fourth year and beyond - 25%). Effective on January 1, 2002, the Company has agreed to make a matching contribution on the first 6% of employee contributions on a tiered formula based on years of eligibility (first year - 20%, second year - 30%, third year - 40%, fourth year and beyond - 50%). The Company may also make a discretionary profit-sharing contribution in the proportion the participant's compensation bears to all eligible plan compensation. Contributions must be made from current or retained earnings of the Company and are contributed in cash. All full-time employees of the Company or its subsidiary who have completed 90 days of service are eligible to participate in the plan. Participants are immediately 100% vested in all participant contributions and vest 25% per year over five years with respect to the company match and discretionary profit-sharing contributions. The plan does not contain an established termination date, and it is not anticipated that it will be terminated at any time in the foreseeable future.

Instead of participating in the 401(k) plan, the Company's executive officers may elect to participate in the FinishMaster, Inc. Deferred Compensation Plan. Like the 401(k) Plan, the Deferred Compensation Plan allows executive officers to defer a portion of their annual compensation. However, under the Deferred Compensation Plan, executive officers may defer amounts in excess of the amounts permitted to be deferred under the 401(k) Plan. The vesting schedule, as well as the Company's obligations to make matching contributions and its option to make discretionary contributions is the same as under the 401(k) Plan.

Chief Executive Officer

Andre B. Lacy served as the Company's Chief Executive Officer for the year ended December 31, 2001, having first been named to such position in July 1996. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In connection with the acquisition of Thompson PBE, Inc., the Company entered into a subordinated note agreement with LDI dated November 19, 1997, pursuant to which LDI loaned the Company \$30,000,000 on an unsecured basis. The obligation bore interest at a rate of 9%, with interest payable quarterly and with principal due on May 19, 2004. In December 1999, LDI sold \$10,150,000 of the subordinated note to two unaffiliated trusts. In March 2001, the Company entered into a new senior secured credit facility with a syndicate of banks. Concurrent with the funding of the senior secured credit facility, the Company repaid its obligations to LDI and entered into a new \$19,850,000 senior subordinated note with LDI. The senior subordinated note is subordinated to the bank credit facility, will mature in March 2007, and will bear interest at 12%, payable quarterly. The Independent Directors Committee has approved the terms of the senior subordinated credit facility, and the Company believes the terms are at least as favorable as those that could be obtained in an arms-length negotiation with an unaffiliated third party.

The Company leases its administrative headquarters in Indianapolis, Indiana indirectly from LDI. In the year ended December 31, 2001, the Company made lease, repair and maintenance payments of \$313,368 to the company hired by LDI to manage the property. The Independent Directors Committee has reviewed the terms of the lease, completed an analysis of comparable market rates and has determined that such lease terms are fair to the Company. The Board of Directors has also considered the terms of the lease and believes that the terms of the lease are at least as favorable as those that could be obtained by arms-length negotiations with an unaffiliated third party.

The Company reimburses LDI for the cost of insurance and certain other expenses. Those expenses amounted to \$695,908 for the year ended December 31, 2001. The Company believes the price paid for those reimbursements is fair to

the Company.

Audit Committee Report, Charter, Independence

Report of the Audit Committee

The Audit Committee has reviewed and discussed the Company's audited financial statements with management. The Audit Committee has discussed with PricewaterhouseCoopers, the Company's independent auditors, the matters required to be discussed by Statement on Auditing Standards 61, which includes, among other items, matters related to the conduct of the audit of the Company's financial statements.

The Audit Committee has received written disclosures and the letter from the auditors required by Independence Standards Board Standard No. 1, which relates to the auditors' independence from the Company and its related entities, and has discussed with the auditors the auditors' independence from the Company. The Audit Committee has considered whether the provision of services by the auditors, other than audit services and review of Forms 10-Q, is compatible with maintaining the auditors' independence.

Based on the review and discussions of the Company's audited financial statements with management and the independent auditors, the Audit Committee recommended to the Board of Directors that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2001.

This report respectfully submitted by the Audit Committee of the Company's Board of Directors:

Peter L. Frechette
David W. Knall
Walter S. Wiseman
Michael L. Smith, Chairman

Audit Committee Charter

The Board of Directors has adopted a written charter for the Audit Committee, a copy of which was attached to the proxy statement for the annual meeting of shareholders held in May 2001.

Audit Committee Independence

The Board of Directors has determined that Mr. Knall, Mr. Wiseman, and Mr. Smith all meet the requirements for independence set forth in the Listing Standards of the National Association of Securities Dealers. Peter Frechette is also a member of the Audit Committee. The Board of Directors has determined that Mr. Frechette does not meet the requirements for independence because Mr. Lacy, the Company's Chief Executive Officer, is a member of the Compensation Committee of Patterson Dental Company, of which Mr. Frechette is President and Chief Executive Officer. Despite Mr. Frechette's failure to meet the definition of independence, the Board of Directors believes that his expertise in financial matters made his appointment to the Audit Committee required by the best interest of the Company and its shareholders.

ACCOUNTANTS

PricewaterhouseCoopers LLP has served as auditors for the Company for the year ended December 31, 2001. A representative of PricewaterhouseCoopers LLP is expected to be present at the Annual Meeting with the opportunity to make a statement if the representative so desires. Such representative will also be

Edgar Filing: FINISHMASTER INC - Form DEF 14A

available to respond to any appropriate questions shareholders may have. The Board of Directors of the Company has not yet completed the process of selecting an independent public accounting firm to audit its books, records and accounts for the fiscal year ending December 31, 2002.

Auditor Fees

The aggregate fees billed for professional services rendered for the audit of the Company's annual financial statements and the reviews of the financial statements included in the Company's quarterly reports on Form 10-Q for the fiscal year ended December 31, 2001, were \$222,600.

Financial Information Systems Design and Implementation Fees

The aggregate fees billed for professional services described in paragraph (c)(4)(ii) of Rule 2-01 of Regulation S-X (financial information systems design and implementation) rendered by the auditors during the fiscal year ended December 31, 2001, were \$0.

All Other Fees

The aggregate fees billed for services rendered by the auditors, other than fees disclosed above, during the fiscal year ended December 31, 2001, were \$80,469.

VOTE REQUIRED TO APPROVE MATTERS

A quorum for the meeting requires the presence in person or by proxy of holders of a majority of the outstanding shares of the Common Stock of the Company. The inspector(s) of election appointed for the meeting will tabulate votes cast by proxy or in person at the Annual Meeting.

The election of each Director requires a plurality of the votes cast. Votes withheld will be deemed not to have been cast. Other actions are authorized if the number of votes cast in favor of an action exceeds the number of votes cast opposing the action.

Abstentions, "broker non-votes" (i.e., where brokers or nominees indicate that such persons have not received instructions from the beneficial owner or other person entitled to vote shares as to a matter with respect to which the brokers or nominees do not have discretionary power to vote) and votes withheld will be included in the calculation of the presence of a quorum, but will not be counted as votes cast for or against the action to be taken on the matter. Therefore, abstentions or broker non-votes will have no effect in the election of Directors or in any other matters to be considered.

SHAREHOLDER PROPOSALS

Under Rule 14a-8 of the Securities Exchange Act of 1934, shareholders of the Company may present proper proposals for inclusion in the Company's proxy statement and for consideration at the next annual meeting of shareholders by submitting their proposals to the Company in a timely manner. In order to be included for the next annual meeting, shareholder proposals must be received at the Company's principal office, 54 Monument Circle, Suite 600, Indianapolis, Indiana 46204, Attention: Secretary, no later than 120 days in advance of April 8, 2003, and must otherwise comply with the requirements of Rule 14a-8.

In addition, if a shareholder intends to present a proposal at the next annual meeting of shareholders without including the proposal in the proxy materials for that meeting, and if the proposal is not received by the Company by February 20, 2003, then the proxies designated by the Board of Directors for

Edgar Filing: FINISHMASTER INC - Form DEF 14A

that meeting may vote in their discretion on any proposal those shares for which they have been appointed proxies without mention of such matter in the Company's proxy statement or on the proxy card for that meeting.

OTHER MATTERS

Management is not aware of any business to come before the Annual Meeting other than those matters described in the Proxy Statement. However, if any other matters should properly come before the Annual Meeting, it is intended that the proxies solicited hereby will be voted with respect to those other matters in accordance with the judgment of the persons voting the proxies.

The cost of solicitation of proxies will be borne by the Company. The Company will reimburse brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy material to the beneficial owners of the Common Stock. In addition to solicitation by mail, Directors, officers, and employees of the Company may solicit proxies personally or by telephone without additional compensation.

Each Shareholder is urged to complete, date and sign the proxy and return it promptly in the enclosed return envelope.

Insofar as any of the information in this Proxy Statement may rest peculiarly within the knowledge of persons other than the Company, the Company relies upon information furnished by others for the accuracy and completeness thereof.
