Item 2. Acquisition or Disposition of Assets

On June 11, 2003, Esterline Technologies Corporation, a Delaware corporation ("Esterline") and Esterline Technologies Acquisition Limited, a company formed under the laws of England and Wales and subsidiary of Esterline ("ETAL") acquired all of the outstanding capital stock of a group of companies known as the Weston Group from The Roxboro Group PLC pursuant to an Agreement among Roxboro Overseas Limited, Roxboro Holdings, Inc.,

Weston Group Limited, The Roxboro Group PLC, Esterline and ETAL, dated as of May 21, 2003 (the "Purchase Agreement"). The companies that comprise the Weston Group will operate as subsidiaries of Esterline.

The total consideration of U.K. [POUND] 55 million in cash (approximately \$88 million based upon the average exchange rate secured by Esterline through currency purchases and hedging) paid by Esterline for the Weston Group was determined through an auction process. Esterline paid the total consideration from a portion of the net proceeds from the offering of its 7.75% senior subordinated notes.

The Weston Group uses its assets (including plant, equipment or other physical property) to supply sensors and systems principally for the measurement of temperature, and also for rotational speed, torque and density. Esterline generally intends to continue to utilize the assets for the same purposes following the acquisition.

There was no material relationship between either Esterline or ETAL (or any officer, director or affiliate of either Esterline or ETAL, respectively, or any associate of any such officer or director) and The Roxboro Group PLC, Roxboro Overseas Limited, Roxboro Holdings, Inc. and Weston Group Limited.

The Purchase Agreement is filed as an Exhibit 2.1 to this report and the press release issued by Esterline is filed as Exhibit 99.1 to this report, each of which is incorporated into this report by reference. This summary of the provisions of the Purchase Agreement is not complete and is qualified in its entirety by the provisions of the Purchase Agreement. You should refer to Exhibit 2.1 for a copy of the actual Purchase Agreement.
