Item 1 - Information Contained in this Form 6-K Report

On December 16, 2002 Teekay issued a press release and filed with the SEC a Report on Form 6-K announcing that it has entered into a definitive agreement to acquire Navion ASA in a cash transaction. Teekay also held a conference call on December 16 (to which access information was provided in its earlier press release) to provide additional information about the proposed acquisition. During the course of the conference call, Teekay management made certain statements regarding the timing for inclusion of Navion's financial results into Teekay's results of operations.

As a clarification of these statements, Teekay will receive the economic benefit of Navion's operations from January 1, 2003; however, consistent with accounting principles generally accepted in the United States applicable to purchase transactions such as the proposed transaction, the financial results of Navion will be included in Teekay's results of operation commencing on the closing date, which, as previously announced, is anticipated to occur in the second quarter of 2003.

The statements in this report on Form 6-K that are not historical facts or information may be forward-looking statements. These forward-looking statements involve risks and uncertainties that could cause the outcome to be materially different. Certain of these risks and uncertainties are listed in Teekay's 2001 Annual Report on Form 20-F and subsequent SEC filings.

THIS REPORT ON FORM 6-K IS HEREBY INCORPORATED BY REFERENCE INTO THE REGISTRATION STATEMENT OF THE COMPANY ON FORM F-3 FILED WITH THE COMMISSION ON OCTOBER 4, 1995.
