This Amendment No. 14 amends and supplements items 2, 4 and 5 and Annex A of the Statement on Schedule 13D of Bankgesellschaft Berlin AG (the "Bank") with respect to the shares of Common Stock, par value \$.01 per share (the "Common Stock"), of the Aberdeen Australia Equity Fund, Inc. (the "Fund"). The amendment to Annex attached hereto sets forth the name, address and principal occupation of each director and executive officer of the Bank. All of the individuals listed on Annex A are citizens of the Federal Republic of Germany. Statements that are not modified in this amendment are not amended and remain as previously reported.

#### Item 2. Identity and Background

The Bank notes that every time the Bank amends Annex A to the Bank's Schedule 13D, the Bank automatically reiterates, unless otherwise explicitly set forth in such amendment, the statement made in Item 2 of the Bank's Amendment No. 7 to its Schedule 13D. Such statement is as follows: Based on the information about the persons listed on Annex A that is available to the Bank pursuant to German labor law (including a police certificate of no criminal record), the Bank is unaware of any information that would render incorrect the statements in (d) and (e) of Item 2 of the Bank's Statement on Schedule 13D with respect to the persons listed in Annex A.

### **Item 4. Purpose of Transaction**

In Amendment No. 13 to this Statement of Schedule 13D the Bank reported that it had commenced sales of shares of Common Stock pursuant to a registration statement (the Registration Statement) filed by the Fund on the Bank is behalf to permit such sales in a registered public offering under the Securities Act of 1933. As of the date of this Amendment, the Bank has effected the additional sales set forth in item 5 below pursuant to the Registration Statement. The Bank expects to sell additional shares pursuant to the Registration Statement in accordance with the plan of distribution set forth therein but reserves the rights to cease such sales at any time and to sell other shares pursuant to the terms of rule 144 under the Securities Act of 1933.

### Item 5. Interest in Securities of the Issuer

(a) and (b) According to the prospectus included in the Registration Statement, there were 16,803,510 shares of Common Stock outstanding at November 23, 2005. The percentages set forth in this Item 5(a) are derived using such number. For purposes of rule 13d-3 under the Securities Exchange Act of 1934 (the Exchange Act ), the Bank deems itself to be the beneficial owner of 4,351,550 shares of Common Stock, which constitute approximately 25.9% of the outstanding shares. Of such shares, the Bank has economic beneficial ownership of, and exercises sole voting and dispositional authority over, 1,131,550 shares (or approximately 6.7% of the outstanding shares) and has the right to acquire 3,220,000 shares (or approximately 19.2% of the outstanding shares) pursuant to the options described in Item 5 of Amendment No. 13 to this Statement on Schedule 13D (the Options ), which are exercisable only on July 3, 2006. Pending exercise of the Options, the Bank possesses neither voting nor dispositional control over the shares that may be acquired pursuant thereto but possesses dispositional authority over the Options. Pursuant to rule 13d-3(d)(1)(i) under the Exchange Act, the Bank deems itself to beneficially own the shares that may be acquired upon exercise of the Options.
