Proxy Statement

April 14, 2003

Proxies in the form enclosed with this proxy statement are solicited by the Board of Directors of Concerto Software, Inc. (the Company or Concerto Software) for use at the Annual Meeting of Stockholders to be held on May 6, 2003 at 10:00 a.m., local time, at the offices of the Company, 6 Technology Park Drive, Westford, Massachusetts 01886.

Only stockholders of record at the close of business on March 24, 2003 (the Record Date) will be entitled to vote at the meeting and any adjournments thereof. As of the Record Date, 11,412,273 shares of Common Stock, \$.10 par value, of the Company were outstanding. Each share of Common Stock outstanding as of the Record Date will be entitled to one vote and stockholders may vote in person or by proxy. Execution of a proxy will not in any way affect a stockholder's right to attend the meeting and vote in person. Any stockholder giving a proxy has the right to revoke it by written notice to the Secretary of the Company at any time before it is exercised or by delivering a later executed proxy to the Secretary of the Company at any time before the original proxy is exercised.

An Annual Report to Stockholders, containing financial statements for the fiscal year ended December 31, 2002, is being mailed together with this proxy statement to all stockholders entitled to vote. This proxy statement and the form of proxy were first mailed to stockholders on or about April 14, 2003.

The persons named as attorneys-in-fact in the proxy card are directors and/or officers of the Company. All properly executed proxies returned in time to be counted at the meeting will be voted as stated below under Election of Directors. Any stockholder giving a proxy has the right to withhold authority to vote for any individual nominee to the Board of Directors by writing that nominee's name in the space provided on the proxy. In addition to the election of directors, the stockholders will consider and vote upon a proposal to ratify the selection of independent auditors. Where a choice has been specified on the proxy with respect to the foregoing matters, the shares represented by the proxy will be voted in accordance with the specifications and will be voted **FOR** if no specification is indicated.

The representation in person or by proxy of at least a majority of all shares of Common Stock outstanding and entitled to vote at the meeting is necessary to constitute a quorum for the transaction of business. Votes withheld from any nominee for election as director, abstentions and broker non-votes with respect to all other matters being submitted to stockholders, are counted as present or represented for purposes of determining the presence or absence of a quorum for the meeting. A non-vote occurs when a nominee holding shares for a beneficial owner votes on one proposal, but does not vote on another proposal because, in respect of such other proposal, the nominee does not have discretionary

Edgar Filing: CONCERTO SOFTWARE INC - Form DEF 14A

voting power and has not received instructions from the beneficial owner.

The election of directors by the stockholders shall be determined by a plurality of the votes cast by stockholders entitled to vote. The ratification of the independent auditors by the stockholders will require an affirmative vote of a majority of the shares present in person or by proxy and entitled to vote on such matter. On all other matters being submitted to stockholders, an affirmative vote of a majority of the shares present in person or by proxy and entitled to vote on each such matter is required for approval. Abstentions are included

in the number of shares present or represented and voting on each matter and, therefore, with respect to votes on specific proposals, will have the effect of negative votes. Broker non-votes are not so included.

The Board of Directors of the Company knows of no other matters to be presented at the meeting. If any other matter should be presented at the meeting upon which a vote properly may be taken, shares represented by all proxies received by the Board of Directors will be voted with respect thereto in accordance with the judgment of the persons named as attorneys-in-fact in the proxies.

Description of the Company's 2000 Stock Option Plan, as amended

The Company's 2000 Stock Option Plan, as amended, (the "2000 Stock Plan") was adopted by the Board of Directors of the Company on June 12, 2000 and was not subject to approval by the Company's stockholders. The 2000 Stock Plan is intended to provide incentives in the form of non-qualified stock options ("NQSOs") to employees and consultants of the Company (including subsidiaries of the Company). A maximum of 1,831,391 shares of Common Stock are reserved for issuance under the 2000 Stock Plan upon the exercise of NQSOs. As of December 31, 2002, 424,340 shares of Common Stock remained available for issuance under the 2000 Stock Plan. The 2000 Stock Plan is administered by the Board of Directors, which, subject to the terms of the 2000 Stock Plan, has the authority to determine the persons to whom NQSOs are granted, the exercise price per share and other terms, provisions and restrictions governing such NQSOs. NQSOs may be granted under the 2000 Stock Plan at any time prior to June 12, 2010. The exercise price per share of NQSOs granted cannot be less than the fair market value on the date of grant unless the Board of Directors determines otherwise. Each NQSO shall expire as of the date specified by the Board of Directors, but not more than ten years from the date of grant.

Each NQSO granted under the 2000 Stock Plan may either be fully exercisable at the time of grant or may become exercisable in such installments as the Board of Directors may specify. Each NQSO may be exercised from time to time, in whole or in part, up to the total number of shares with respect to which it is then exercisable. Subject to certain restrictions, the Board of Directors has the right to accelerate the date that any installment of any NQSO becomes exercisable. Payment of the exercise price of an NQSO granted under the 2000 Stock Plan may be made in cash or by check or, if authorized by the Board of Directors, (i) by tendering shares of Common Stock of the Company having a fair market value equal as of the date of the exercise to the cash exercise price of the NQSO, (ii) by delivery of a personal recourse, interest bearing note, (iii) through the

delivery of an assignment to the Company of a sufficient amount of the proceeds from the sale of the Common Stock acquired upon exercise of the NQSO and an authorization to the broker or selling agent to pay that amount to the Company or (iv) by any combination of the above.

If a NQSO optionee under the 2000 Stock Plan ceases to be employed by (or in the case of a consultant, engaged in a business relationship with) the Company other than by reason of death or disability, no further installments of his or her NQSOs will become exercisable, and vested NQSOs shall generally terminate after the passage of three months from the date of termination of employment (or business relationship) (but no later than their specified expiration dates). If an optionee ceases to be employed by (or in the case of a consultant, engaged in a business relationship with) the Company by reason of disability or death, any NQSO held by the optionee may be exercised, to the extent exercisable on the date of disability or death, by the optionee or the optionee's estate, personal representative or beneficiary, at any time within 180 days from the date of the optionee's disability or death (but not later than the specified expiration date of the NQSO). NQSO holders under the 2000 Stock Plan are protected against dilution in the event of a stock dividend, stock split, consolidation, merger, recapitalization, reorganization or similar transaction. The Board of Directors may from time to time adopt amendments to the 2000 Stock Plan and may terminate the 2000 Stock Plan, at any time. Any shares subject to a NQSO granted under the 2000 Stock Plan which for any reason expires or terminates unexercised, may again be available for future NQSO grants. Unless terminated sooner, the 2000 Stock Plan will terminate on June 12, 2010 (except as to NQSOs outstanding on that date).

Description of the Company's 2001 Stock Option Plan

The Company's 2001 Stock Option Plan (the "2001 Stock Plan") was adopted by the Board of Directors of the Company on September 25, 2001 and was not subject to approval by the Company's stockholders. The 2001 Stock Plan is intended to provide incentives in the form of NQSOs to employees, members of the Board of Directors, and consultants of the Company. A maximum of 20,000 shares of Common Stock are reserved for issuance under the 2001 Stock Plan upon the exercise of NQSOs. As of December 31, 2002, no shares of Common Stock remained available for issuance under the 2001 Stock Plan. The 2001 Stock Plan is administered by the Board of Directors, which, subject to the terms of the 2001 Stock Plan, has the authority to determine the persons to whom NQSOs are granted, the exercise price per share and other terms, provisions and restrictions governing such NQSOs. NQSOs may be granted under the 2001 Stock Plan at any time prior to September 25, 2011. The exercise price per share of NQSOs granted cannot be less than the fair market value on the date of grant unless the Board of Directors determines otherwise. Each NQSO shall expire as of the date specified by the Board of Directors, but not more than ten years from the date of grant.

Each NQSO granted under the 2001 Stock Plan may either be fully exercisable at the time of grant or may become exercisable in such installments as the Board of Directors may specify. Each NQSO may be exercised from time to time, in whole or in part, up to the total number of shares with respect to which it is then exercisable. Subject to certain restrictions, the Board of Directors has the right to accelerate the date that any installment of any NQSO becomes exercisable. Payment of the exercise price of an NQSO granted under the 2001 Stock Plan may be made in cash or by check or, if authorized by the Board of Directors, (i) by tendering shares of Common Stock of the Company having a fair market value equal as of the date of the exercise to the cash exercise price of the NQSO, (ii) by delivery of a personal recourse, interest bearing note, (iii) through the delivery of an assignment to the Company of a sufficient amount of the proceeds from the sale of the Common Stock acquired upon exercise of the NQSO and an authorization to the broker or selling agent to pay that amount to the Company or (iv) by any combination of the above.

If a NQSO optionee under the 2001 Stock Plan ceases to be employed by (or in the case of a consultant, engaged in a business relationship with; or in the case of a member of the Board of Directors, no longer on the Board of Directors of) the Company other than by reason of death or disability, no further installments of his or her NQSOs will become exercisable, and vested NQSOs shall generally terminate after the passage of three months from the date of termination of employment (or business relationship in the case of a consultant or

membership on the Board of Directors in the case of a member of the Board of Directors) (but no later than their specified expiration dates). If an optionee ceases to be employed (or in the case of a consultant, engaged in a business relationship with; or in the case of a member of the Board of Directors, no longer on the Board of Directors of) the Company by reason of disability or death, any NQSO held by the optionee may be exercised, to the extent exercisable on the date of disability or death, by the optionee or the optionee's estate, personal representative or beneficiary, at any time within 180 days from the date of the optionee's disability or death (but not later than the specified expiration date of the NQSO). NQSO holders under the 2001 Stock Plan are protected against dilution in the event of a stock dividend, stock split, consolidation, merger, recapitalization, reorganization or similar transaction. The Board of Directors may from time to time adopt amendments to the 2001 Stock Plan and may terminate the 2001 Stock Plan, at any time. Any shares subject to a NQSO granted under the 2001 Stock Plan which for any reason expires or terminates unexercised, may again be available for future NQSO grants. Unless terminated sooner, the 2001 Stock Plan will terminate on September 25, 2011 (except as to NQSOs outstanding on that date).

Compensation Committee Report On Executive Compensation

The Company's executive compensation program is administered by the three member Compensation Committee of the Board of Directors (the Compensation Committee). The three members of the Compensation Committee are all non-employee directors. Pursuant to the authority delegated by the Board of Directors, the Compensation Committee establishes each year the compensation of the Chief Executive Officer, and together with the Chief Executive Officer, establishes the compensation of the other executive officers of the Company.

Under the supervision of the Compensation Committee, the Company developed and implemented the 2002 Executive Compensation Plan for the Chief Executive Officer and certain of the executive officers of the Company (the Plan). The Plan is designed to reward executive officers whose performance yields improvement in corporate operating results, market share and shareholder value. The ultimate goal of the Plan is to align the interests of management with those of the stockholders. Compensation under the Plan is comprised of cash compensation in the form of annual base salary, incentive compensation in the form of performance-based cash bonuses, and long-term incentive compensation in the form of stock options.

In setting cash compensation levels for executive officers (including the Chief Executive Officer), the Compensation Committee takes into account such factors as: (i) the Company's past financial performance and future expectations, (ii) the general and industry-specific business environment and (iii) corporate and individual performance goals. The base salaries are established at levels comparable to the amounts paid to senior executives with comparable qualifications, experience and responsibilities at other companies located in the northeastern United States of similar size and engaged in a similar business to that of the Company.

Incentive compensation in the form of performance-based bonuses for the Chief Executive Officer and the Company's other executive officers is based upon management's success in meeting the Company's financial and strategic goals as well as meeting individual performance goals. Target levels of product bookings and service revenue were set at the time the Plan was established and bonuses were allocated to the Chief Executive Officer and certain other executive officers contingent upon the achievement of the target levels.

Mr. James D. Foy is the President, Chief Executive Officer and a director of the Company. His fiscal 2002 performance was evaluated on the basis of the factors described above applicable to officers generally. His base salary was based on a number of factors, including the base salaries of executives performing similar functions for peer companies. The annual bonus component, as well as his salary, reflect the Company's financial performance, the continued introduction and commercialization of new products and progress toward achieving business goals and the achievement by Mr. Foy of non-financial goals. In assessing Mr. Foy's performance for fiscal 2002, the Compensation Committee took into account the degree to which the financial and non-financial goals on which his compensation was based had been achieved.

Incentive compensation in the form of stock options is designed to provide long term incentives to executive officers and other employees, to encourage the executive officers and other employees to remain with the Company and to enable optionees to develop and maintain a significant, long-term stock ownership position in the Company's Common Stock. The Compensation Committee grants stock options to the Company's executive officers in consideration of the strategic goals and direction of the Company. The Company's 2001 Stock Plan, administered by the Board of Directors, is one of the vehicles for the granting of stock options.

The 2001 Stock Plan permits the Board of Directors to grant stock options to eligible employees, including executive officers and directors. Options become exercisable in increments over time. The value realizable from exercisable options is dependent upon the extent to which the Company's performance is reflected in the market price of the Company's Common Stock at any particular point in time.

The Company's 1996 Stock Option and Incentive Plan, as amended (the 1996 Stock Plan), administered by the Board of Directors, is also a vehicle for the granting of stock options. The 1996 Stock Plan permits the Board of Directors to grant stock options to eligible employees, including executive officers. Options become exercisable in increments over time, contingent upon continued employment. The value realizable from exercisable options is dependent upon the extent to which the Company's performance is reflected in the market price of the Company's Common Stock at any particular point in time.

The Company also maintains the 1991 Employee Stock Purchase Plan, as amended (the 1991 Stock Plan), in which all executives may participate on the same terms as non-executive employees who meet applicable eligibility criteria. The 1991 Stock Plan provides for the sale of shares of the Company's Common Stock to employees (as defined in the 1991 Stock Plan) of the Company pursuant to non-transferable options at less than fair market value. Employees who own 5% or more of the Common Stock of the Company and non-employee directors are not eligible to participate in the 1991 Stock Plan.

In general, under Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code), the Company cannot deduct, for federal income tax purposes, compensation in excess of \$1,000,000 paid to certain executive officers. This deduction limitation does not apply, however, to compensation that constitutes qualified performance-based compensation within the meaning of Section 162(m) of the Code and the regulations promulgated thereunder. The Compensation Committee has considered the limitations on deductions imposed by Section 162(m) of the Code, and it is the Compensation Committee's present intention that, for so long as it is consistent with its overall compensation objective, substantially all tax deductions attributable to executive compensation will not be subject to the deduction limitations of Section 162(m) of the Code.

The Compensation Committee is satisfied that the executive officers of the Company are dedicated to achieving significant improvements in the long-term financial performance of the Company and that the compensation policies and programs implemented and administered have contributed and will continue to contribute towards achieving this goal.

Audit Committee Report

This report is submitted by the Audit Committee of the Board of Directors, which reviews with the independent auditors and management the annual financial statements and independent auditors' opinion, reviews the results of the audit of the Company's financial statements with the independent auditors, recommends the retention of the independent auditors to the Board of Directors and periodically (at least quarterly) reviews the Company's accounting policies and internal accounting and financial controls for the fiscal year ended December 31, 2002. The Audit Committee is composed of Messrs. Asen, Gyenes, and Kaufman. None of Messrs. Asen, Gyenes, and Kaufman are officers or employees of the Company, and aside from being directors of the Company, each is otherwise independent of the Company (as independence is defined pursuant to Rule 4200(a)(15) of the National Association of Securities Dealers' listing standards). The Audit Committee operates under a written charter adopted by the Board of Directors, a copy of which is attached as Exhibit A to this Proxy Statement.

The Audit Committee has reviewed the audited balance sheets of the Company for the fiscal years ending December 31, 2002 and December 31, 2001, and the audited statements of operations, stockholders' equity and comprehensive income (loss) and cash flows for each of the three years in the period ended December 31, 2002, and has discussed them with both management and Ernst & Young LLP (Ernst & Young), the Company's independent auditors. The Audit Committee has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees), as currently in effect. The Audit Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), as currently in effect, and has discussed with Ernst & Young that firm's independence. Based on its review of the financial statements and these discussions, the Audit Committee concluded that it would be reasonable to recommend, and on that basis did recommend, to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2002.

The aggregate fees billed by Ernst & Young for professional services rendered for the audit of the Company's annual financial statements for the fiscal year ended December 31, 2002 and for the review of the financial statements included in the Company's quarterly reports on Form 10-Q for the fiscal year ended December 31, 2002 were \$82,300.

Financial Information Systems Design and Implementation Fees

Edgar Filing: CONCERTO SOFTWARE INC - Form DEF 14A

There were no fees billed by Arthur Andersen or Ernst & Young for financial information systems design and implementation professional services for the fiscal year ended December 31, 2002.

All Other Fees

The aggregate fees billed by Arthur Andersen for services other than those described above for the fiscal year ended December 31, 2002 totaled \$34,400 and were primarily for tax services performed. The aggregate fees billed by Ernst & Young for services other than those described above for the fiscal year ended December 31, 2002 totaled \$123,950 and were primarily for tax services performed.

Concerto Software's Audit Committee has determined that the provision of the services provided by Ernst & Young as set forth herein are compatible with maintaining Ernst & Young's independence.

Independent Public Accountants

On June 28, 2002, the Company dismissed Arthur Andersen as its independent public accountants. The Company appointed Ernst & Young as its new independent public accountants effective July 3, 2002. The decision to dismiss Arthur Andersen and to retain Ernst & Young was approved by the Company's Board of Directors upon the recommendation of its Audit Committee.

Arthur Andersen's reports on the Company's consolidated financial statements as of and for the fiscal years ended December 31, 2001 and 2000 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

During the Company's two most recent fiscal years ended December 31, 2001, and the subsequent interim period between December 31, 2001 and June 28, 2002, there were no disagreements between the Company and Arthur Andersen on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to Arthur Andersen's satisfaction, would have caused them to make reference to the subject matter of the disagreement in connection with their report for such years.

None of the reportable events described under Item 304(a)(1)(v) of Regulation S-K occurred during the fiscal years ended December 31, 2001 and 2000 and the interim period between December 31, 2001 and June 28, 2002.

The Company provided Arthur Andersen with a copy of the foregoing disclosures. A copy of Arthur Andersen's letter, dated June 28, 2002, stating their agreement with these statements is attached as Exhibit 16.1 to the Company's current report on Form 8-K filed with the SEC on July 3, 2002.

During the fiscal years ended December 31, 2001 and 2000 and the interim period between December 31, 2001 and June 28, 2002, neither the Company nor anyone acting on its behalf consulted Ernst & Young with respect to (i) the application of accounting principles to a specified transaction, either completed or proposed, or (ii) the type of audit opinion that might be rendered on the Company's consolidated financial statements, or any other matters or reportable events listed in Items 304(a)(2)(i) and (ii) of Regulation S-K.

Performance Graph

The following graph compares the yearly percentage change in the cumulative total stockholder return on the Company's Common Stock for the five fiscal years ended December 31, 2002, with the cumulative total return on (i) the Nasdaq Market Index, and (ii) a broad peer group index prepared by Media General Financial Services (Media General) consisting of Nasdaq quoted companies grouped under SIC Code 7372, Prepackaged Software. The Company has changed the SIC Code under which it is classified to facilitate comparison of its performance with its peers. The Company believes that SIC Code 7372 more closely describes the nature of the Company's business and will provide a better industry standard against which to measure of its performance. The Company has also included the peer group index prepared by Media General consisting of Nasdaq quoted companies group under SIC Code 7373, Computer Integrated Systems Design, for reference purposes. The comparison assumes \$100 was invested on December 31, 1997 in the Company's Common Stock and in each of the foregoing indices and assumes reinvestment of dividends, if any. The graph reflects the 3-for-2 stock split effected in the form of a stock dividend by the Company on May 28, 1997.

Pursuant to the terms of an agreement between the Company and Mr. Ralph S. Breslauer, if Mr. Breslauer is terminated in connection with a merger or acquisition that results in the elimination, consolidation or relocation of his position, then the Company shall continue the executive's base salary and medical and dental benefits for twelve months from the date of his termination of employment. Further, if Mr. Breslauer is terminated for reasons other than job performance or a merger or acquisition, then the Company shall continue his base salary and medical and dental benefits for six months from the date of his termination of employment.

Certain Relationships and Related Transactions of the Company

The Company has adopted a policy that all transactions between the Company and its officers, directors, principal stockholders and their affiliates be on terms no less favorable to the Company than could be obtained from unrelated third parties.

Mr. Paul R. Lucchese, Esq., Vice President, General Counsel and Secretary, is the son of Mr. Alphonse M. Lucchese, Chairman of the Board of Directors and Board Advisor, and received approximately \$215,671 in total compensation during the fiscal year ended December 31, 2002.

Mr. Alphonse M. Lucchese, Chairman of the Board of Directors, for the year ended December 31, 2002, received \$111,458 salary for services rendered as Board Advisor under the terms of the Transition and Retention Agreement dated November 7, 2000, as amended by Amendment No. 1 dated as of November 7, 2001, between Mr. Lucchese and the Company (the Retention Agreement). On April 1, 2002, Mr. Lucchese and the Company entered into Amendment No. 2 (the Amendment) to the Retention Agreement. The Amendment provides that the Retention Agreement shall be revised to (i) extend its term to March 31, 2004; (ii) fix Mr. Lucchese's annual salary at \$75,000 for the period beginning April 1, 2002 and ending March 31, 2004; and (iii) continue Mr. Lucchese's medical coverage, at Company cost, through December 31, 2002 and dental coverage, at Company cost, until March 31, 2004.

Mr. Alexander Tellez, Executive Vice President, Engineering, entered into an employment agreement with the Company, which became effective January 14, 2002 (the Employment Agreement). Pursuant to the terms of the Employment Agreement, Mr. Tellez shall receive a base annual salary of \$200,000 and is eligible to participate in the Plan, under which Mr. Tellez may receive a bonus equal to fifty (50%) percent of

Edgar Filing: CONCERTO SOFTWARE INC - Form DEF 14A

his base salary. Further, Mr. Tellez was granted an option to purchase 125,000 shares of the Company's Common Stock and is eligible to participate in all benefit plans provided by the Company. Under the terms of the Employment Agreement, if Mr. Tellez is terminated due to an economic layoff, a downsizing that eliminates his position or a reorganization that would require him to relocate, then the Company shall continue Mr. Tellez's base salary and

medical benefits until the earlier of (i) six months from the date of his termination of employment or (ii) the date he assumes new employment.

Mr. Tellez, in connection with a loan in the principal amount of \$125,000, also entered into a Secured Promissory Note and Assignment Agreement with the Company, which became effective March 13, 2002 (the Promissory Note). Pursuant to the terms of the Promissory Note, Mr. Tellez shall repay the principal sum of \$125,000 plus accrued interest on the earlier of: (i) January 14, 2004 or (ii) the date that Mr. Tellez is no longer employed by the Company. Tellez Limited Partnership assigned to the Company their Delayed Common Holder Payments (as defined in the Agreement and Plan of Merger dated January 14, 2002 by and among the Company, AP Acquisition Corporation and CellIt) such that payments made to the Company from the Delayed Common Holder Payments shall reduce the principal and interest due under the Promissory Note.

Mr. Tellez also entered into a Merger Success Fee Agreement with CellIt, which became effective January 10, 2002 (the Merger Success Agreement) in connection with the Company's acquisition of CellIt (the Merger). If Mr. Tellez's employment is terminated by the Company for Cause (as defined in the Merger Success Agreement) or if Mr. Tellez terminates his employment for any reason other than Good Reason (as defined in the Merger Success Agreement), the Company shall have no obligation to pay the Merger Success Fee.

Proposal II

Ratification of Selection of Auditors

The Board of Directors has selected the firm of Ernst & Young to serve as auditors for the fiscal year ending December 31, 2003. Ernst & Young has served as the Company's auditors since July 3, 2002. It is expected that a member of the firm will be present at the meeting with the opportunity to make a statement if so desired and will be available to respond to appropriate questions. The Board of Directors recommends a vote **FOR** the ratification of this selection.

Other Matters

The Board of Directors does not intend to bring any matters before the Annual Meeting other than those specifically set forth in the Notice of Meeting and it knows of no matters to be brought before the Annual Meeting by others. If any other matters properly come before the Annual Meeting, it is the intention of the persons named in the accompanying proxies to vote such proxies in accordance with the judgment of the Board of Directors.

Expenses and Solicitation

Edgar Filing: CONCERTO SOFTWARE INC - Form DEF 14A

The cost of solicitation of proxies will be borne by the Company, and in addition to soliciting stockholders by mail through its regular employees, the Company may request banks, brokers and other custodians, nominees and fiduciaries to solicit their customers who have stock of the Company registered in the names of a nominee and, if so, will reimburse such banks, brokers and other custodians, nominees and fiduciaries for their reasonable out-of-pocket costs. Solicitation by officers and employees of the Company may also be made of some stockholders in person or by mail, e-mail, telephone or telegraph following the original solicitation. The Company will bear all reasonable solicitation fees.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the Company's directors, executive officers and holders of more than 10% of the Company's Common Stock (collectively, "Reporting Persons") to file with the SEC initial reports of ownership and reports of changes in ownership of Common Stock of the Company. Such persons are required by regulations of the SEC to furnish the Company with copies of all such filings. R. Scott Asen, a director of the Company, failed to file in a timely manner his Statement of Changes in Beneficial Ownership in connection with a transaction involving 23,100 shares of the Company's Common Stock. Mr. Asen subsequently made an appropriate filing to report the aforementioned transaction. Based on its review of the copies of such filings received by it with respect to the fiscal year ended December 31, 2002 and written representations from certain Reporting Persons, the Company believes that all other Reporting Persons complied with all Section 16(a) filing requirements in 2002.

Stockholders Proposals

Proposals of stockholders intended for inclusion in the Company's proxy materials to be furnished to all stockholders entitled to vote at the 2004 Annual Meeting of Stockholders pursuant to SEC Rule 14a-8 must be received at the Company's principal executive offices not later than December 1, 2003. Stockholders who wish to make a proposal at the 2004 Annual Meeting other than one that will be included in the Company's proxy materials should notify the Company no later than February 12, 2004. If a stockholder who wishes to present a proposal fails to notify the Company by this date, the stockholder will not be entitled to present the proposal at the meeting. If, however, the proposal is properly brought before the meeting, then, under the SEC's proxy rules, proxies solicited by management for the meeting will confer discretionary voting authority with respect to the stockholder's proposal on the persons selected by management to vote the proxies. If a stockholder makes a timely notification, the proxies may still exercise discretionary voting authority under circumstances consistent with the SEC's proxy rules.
