PART IV, Item (3) Additional Information:

While the results of operations for the year ended December 31, 2002 are expected to be consistent with the prior fiscal year, as previously stated in prior quarterly filings on Form 10-Q, the Company anticipates a material write down of goodwill and other intangible assets as a result of the implementation of SFAS No. 142, "Goodwill and Other Intangible Assets". Although our independent certified public accountants have not completed their audit, the Company expects that the impairment loss will be in the range of \$7,000,000 to \$9,000,000.
